# Executive Summary

*fiscal year 2014-2015*

This section provides an overview of the budget and the City's financing. Included are the budget message; an outline of the budget policies and procedures; organizational charts; budget comparison by fund; governmental and proprietary fund types combining statement; governmental fund types combining statement; the budget resolution and authorized positions resolution.

To: Mayor & Council  
From: Marvin Allen, City Manager  
CC: Department Heads: Chief Mike Jones, James Miller, Elvira Rogers, Josh Campbell, Denise Brinson, Jessica Roth and Amie Sakmar  
Date: July 23, 2014  
Re: City Manager's Budget Message for FY 2015

The beginning of FY15 finds Suwanee in a position of being able to provide top-rated City services and an excellent quality of life. Suwanee remains one of the most desirable and vibrant communities in the country, as noted by several national publications and rankings.

We're proud that we not only provide Suwanee residents an excellent quality of life, but are able to do so while maintaining a strong and stable financial position. Revenues continue to grow modestly and are well-diversified among multiple sources. The City has a comprehensive approach to long-term capital and infrastructure needs, not only planning for future assets, but also ensuring the proactive maintenance and replacement of existing assets.

The City's overall fiscal health remains strong. The FY15 budget projects approximately \$7.6 million in accumulated fund balance, i.e. savings. Earlier in 2014, Standard & Poor's rating service upgraded the City's bond rating from AA to AAA. This comes just one year after Fitch Rating Services re-affirmed Suwanee's AA+ bond rating.

During FY13, the community and City completed and adopted the Suwanee 20/20 Strategic Plan. This plan was a yearlong community-driven effort which established a broad vision for the Suwanee moving forward. The resulting plan identifies seven driving principles for the community: Communications and Engagement, Economic Development, Public Safety, Planning, Community Culture, Parks and Open Space, and Transportation. Within each of these principles were specific goals and strategies for consideration.

In January of each year, the Council and management staff participate in a multi-day strategic planning retreat. At that retreat, Council establishes specific goals and priorities for the upcoming year and beyond. These goals, projects, and initiatives are memorialized and later adopted in the City's annual Short-Term Work Program. This work program becomes the basis for the upcoming budget. The City Council relied heavily on the 20/20 Strategic Plan in developing this year's Short Term Work Program.

In formulating the annual budget, staff analyzes a large amount of data to project the next fiscal year's revenues and expenditures. Staff reviews current and historical revenues and expenditures, proposed new projects and initiatives, current economic conditions, relevant changes in law, and numerous other factors. Some items, particularly reoccurring expenses or more stable revenues, are relatively easy to predict and/or control. Other items are more volatile and can fluctuate greatly depending upon local and world conditions. The City's overall budgeting philosophy is to budget and project figures conservatively. The City monitors the budget throughout the year and undertakes quarterly budget adjustments, if needed. The City also has 10-year financial projections, both for revenues and expenditures, which assist with long-range financial planning.

With this proposed approximately \$11 million general fund budget for FY15, the City will maintain existing service levels, continue to improve performance, and improve our facilities for safe and enjoyable use by our citizens. City Council sets a vision and, with a dedicated staff, works as a team to ensure that Suwanee models regional leadership and exceeds expectations. We strive to build upon our track record of success and numerous awards to continue providing excellent services for the community.

## FY 15 Budget Executive Summary

Staff is proud to present a balanced General Fund budget of \$11,179,880. The budget projects the same **4.93 millage rate** as in FY14. During FY 14 the City implemented a new accounting system which now receipts property tax collections based on operating and debt service millage rates into the general fund and debt service fund respectively. The resulting effect is that it makes the FY15 general fund revenues roughly \$1.6 million less than FY14 which should be understood when comparing year-to-year (FY14 and FY15).

	FY14 (ADOPTED)	FY14 (AMENDED)	FY15 (PROPOSED)
Revenues	\$ 12,164,990	\$ 11,355,160	\$ 11,179,880
Use of Fund Balance	\$ 0	\$ 1,000,000*	\$ 0
<b>TOTAL</b>	<b>\$ 12,164,990</b>	<b>\$ 12,355,160</b>	<b>\$ 11,179,880</b>
Expenditures	\$ 12,164,990	\$ 12,355,160	\$ 11,179,880
Ending Fund Balance	\$ 8,589,630	\$ 7,589,630	\$ 7,589,630

\*In FY14, \$1,000,000 was transferred from the city's fund balance to a capital project (Buford Highway reconstruction project).

Major budgetary highlights for the upcoming year include:

- The proposed \$11,179,880 general fund budget is balanced. It relies on anticipated revenues; no fund balance is proposed to be used for operating expenses.
- At 4.93 mills, the millage rate is proposed to be the same as last year. The millage rate has either remained the same or been reduced over each of the past twelve years.
- At \$11,179,880, the proposed general fund budget is about 8.1% less than the adopted FY14 budget (\$12,164,990). This is largely due to the change in accounting methods for collection of property tax receipts.
- Revenues are relatively stable with some sources rising and others slightly declining. General fund revenues are expected to be lower by approximately 9.5% (\$1,175,280) from \$12,355,160 (FY14 amended) to \$11,179,880 (FY15 proposed). This difference is largely due to the combination of changing in accounting methods and undertaking fourth quarter budget adjustments for capital funding (primarily Buford Highway reconstruction project).
- The City expects to receive approximately \$802,190 in Intergovernmental Revenue from Gwinnett County as a result of Service Delivery Strategy negotiations and cost-sharing.

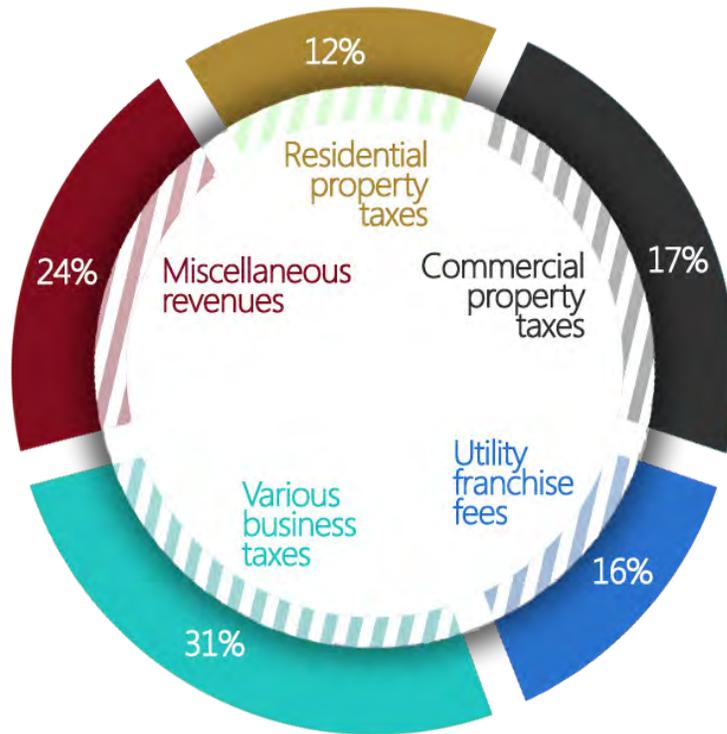

- The proposed budget largely focuses on maintaining the City's current service and staffing levels and existing initiatives such as police and street and park maintenance.
- At \$4,657,100, and representing approximately 42% of the City's overall budget, police services are the City's largest expenditure category.
- Annual bond payments totaling about \$1.6 million for the 2001 Open Bond Space Initiative and City Hall represent another large expenditure.
- The budget includes \$124,710 in capital transfers from the general fund to a paved streets fund.
- Employee healthcare costs continue to rise. In an effort to control escalating costs and maintain service levels, the City adjusted benefits options for employee's healthcare plans and changed dental providers. The City does not provide post-employment healthcare benefits.
- The SPLOST program continues to provide funds for several significant capital projects and reduce pressure on the City's annual general fund budget. The 2014 SPLOST program is expected to provide about \$6.6 million over the next three years for capital items and projects.
- The budget provides funding for a new equipment operator position in Public Works, two new police vehicles, two mowers, Downtown Suwanee Master Plan and a Public Arts Master Plan.

SPLOST remains a significant source of revenue for the city. The **2014 Special Purpose Local Option Sales Tax (SPLOST)** program is a 3-year sales tax for specific capital purposes as approved by voters. SPLOST revenues fluctuate with the economy and local spending and revenue estimates are adjusted periodically. The first payment of the 2014 SPLOST was received in June. Current estimates are that the City will have received approximately \$6.6 million by the time the 2014 program ends.

The City's fund balance remains healthy. General fund balance is unencumbered cash held by the City - essentially the City's "savings." No fund balance is proposed to be used in the FY15 budget. In previous years, fund balance has been used as a revenue source usually for one-time capital project contributions. The City's **general fund balance of \$7.6 million** provides around eight months of operating expenditure coverage and serves as a financial cushion for unexpected events. Suwanee's adopted fund balance policy provides guidelines for preserving an adequate fund balance in order to sustain financial stability and prudent management of the City's reserves.

## General Fund Revenue Highlights

The city is fortunate to have a stable and diverse revenue stream. The City's primary general fund revenue sources include Commercial and Residential Property Taxes, Utility Franchise Fees, various Business Licenses and Taxes, Fines and Forfeitures, and other miscellaneous revenues. While not a general fund revenue, the City also receives substantial sales tax revenue for certain capital purposes through the 2014 SPLOST sales tax which helps reduce financial pressures on the general fund.

Property tax revenue is based on the City's tax digest and an adopted millage rate. At approximately \$1.1 billion, the City's **assessed tax digest** is stable and healthy. The City has a well-rounded tax digest with a good mixture of residential, commercial and industrial property development. While there was a decrease in growth rates in the last few years, the City was fortunate to avoid drastic drops in the tax digest that many other communities have faced in recent years.

The City typically does not receive actual tax digest values until after the budget is developed. As such, staff must project the upcoming digest value. Staff anticipates a tax digest of approximately \$1.1 billion. As a historical note, the assessed tax digest has increased from about \$349 million to about \$1.1 billion over the past decade. With this growth the City has realized increased revenues along with increased service demands associated with new development.

At \$3,678,810, combined commercial and residential **property taxes** make up the largest category of City revenues. FY15 property taxes are anticipated to be about \$223,340 higher than projected in the FY14 amended budget based on the proposed same 4.93 millage rate. If adopted as proposed, the City will have maintained or decreased the millage rate in each of the past twelve years.

Overall **business taxes** are expected to remain stable. Taxes in this category include business licenses, insurance premiums, and taxes on financial institutions. The FY15 budget projects a small increase to generate about \$1,832,500.

At \$1,764,000, **utility franchise fee payments** from electric, natural gas, cable television, and telephone providers remain a substantial revenue source and are expected to increase slightly from FY14. All four franchise taxes remain relatively stable.

**Fines and forfeitures** are expected to provide \$1,200,000 to the general fund for FY15. This is approximately \$97,000 more than FY14 adopted budget

**Alcoholic beverage excise tax revenue** also is anticipated to be similar to last year. At \$865,900, the budget for these excise taxes (\$775,000) is expected to remain stable while the mixed-drink tax (\$90,900) is expected to be slightly higher than last year's budget.

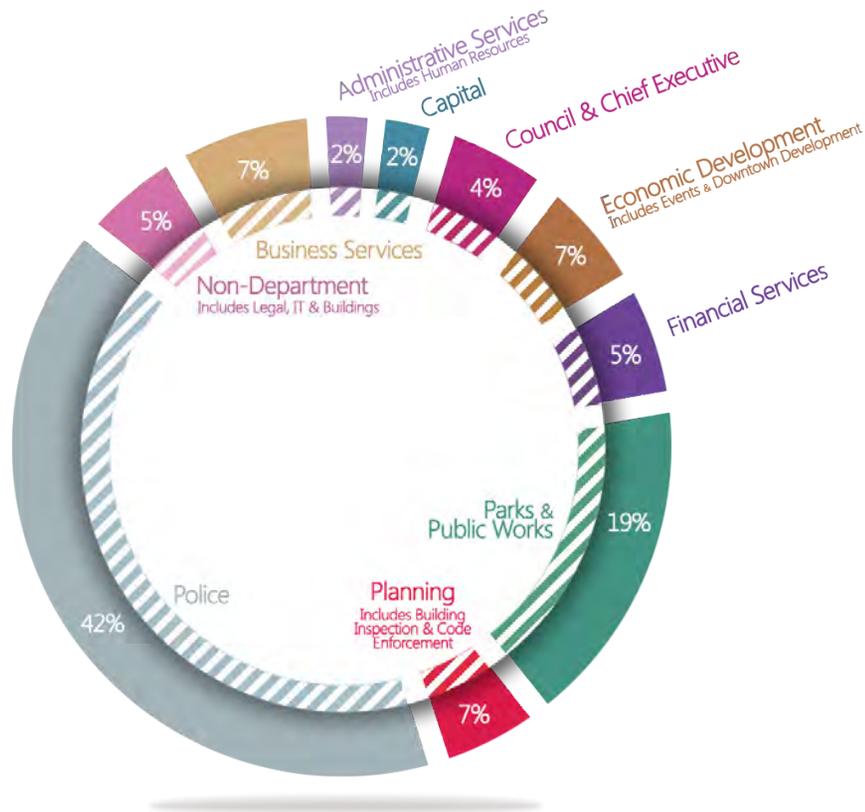

Given the relatively small size the city, annual **development permit fees** can vary significantly from one year to the next depending on local construction activities. Development permit fees collected in FY14 were about \$70,000 less than the previous year. However, with the rebounding economy and staff knowledge of anticipated development projects, staff projects \$375,000 for FY15.

## General Fund Expenditure Highlights

Suwanee remains a vibrant community with changing and expanding needs that demand high-quality services. The FY15 budget projects **\$11,179,880 in expenditures**. Expenditures include costs for personnel, supplies, materials, equipment, utilities, professional and contracted services, financing costs, and other items. Personnel costs represent the single largest category of expenditures.

Overall general fund expenditures are projected to decrease from \$12,355,160 (FY14 amended) to \$11,179,880 in FY15. However, like the revenue changes mentioned above, the difference is largely due to budget adjustment in FY14 to transfer \$1,000,000 from fund balance to fund capital projects (Buford Highway reconstruction project). When this \$1,000,000 is accounted for, the anticipated difference in revenues between FY14 and FY15 is just \$175,280 (\$11,355,160 vs. \$11,179,880).

At \$4,657,100, and representing about 42% of the City's overall budget,

**Police Services** are the single largest category of City expenditures. Employing 37 sworn officers and 9 non-sworn personnel, the police department is a 24-hour-a-day operation. As the Suwanee area continues to grow with residents, visitors and businesses, demands on police services will also increase.

At \$2,137,130, **Parks and Public Works** is the City's second largest expenditure area (19%). This funding pays for 16 full-time and 7 part-time

staff as well as the maintenance and upkeep costs for all of the City's parks, trails, buildings, streets and other related infrastructure. SPLOST funding is often used to undertake much of the capital construction associated with these items.

**Bond payments** for the City's Open Space Initiative and City Hall project remains one of the larger items in the budget. About \$1.6 million will be required this year for annual debt service payments.

As is the case in many places, **healthcare benefit costs continue to increase** for both the City and its employees. Costs are expected to increase roughly 10.5% (\$73,500) from FY14. To help manage current and future costs, the City made several changes to its existing benefits package. I applaud staff for supporting the City's efforts to help contain these increases to manageable levels. The City studied various options and over the last three years has switched both healthcare and dental providers. The new healthcare plan, through Cigna, is in its third year and includes a high deductible health plan with an employer contribution to a Health Savings Account.

An important goal within the 20/20 Strategic Plan was to improve the Suwanee Gateway area. During FY13, the City purchased an obsolete and decaying hotel in the area in an effort to eliminate a prominent blighted property.

The FY15 Budget proposes \$124,710 in **capital transfers** from the general fund to the City's paved streets fund. This capital fund funds the City's annual maintenance and repair of street surfaces, curbs, and gutters on streets paved with concrete, asphalt, or brick.

## Special Revenue Funds

Special revenue funds are established to account for revenue sources that are restricted to expenditures for specified purposes. For Suwanee, these include Suwanee Fest (formerly Suwanee Day), Public Art, Confiscated Assets (Police), Community Garden, and Hotel/Motel Tax. These are largely stable and on-going funds. There are no new major issues or concerns with these funds for FY15.

The hotel/motel tax fund is showing slight improvement. Hotel/motel funds are legally restricted in their use. Staff proposes a balanced budget for ongoing hotel/motel expenditures, which include promotions/advertising and other related programs. At \$436,700, budgeted revenues and expenditures are higher than last year's estimates.

## Enterprise Fund

A comprehensive analysis of the City's **water system** was completed in FY09. The study identified several issues that warrant action in order to operate the system at a high level.

In March 2014 the Council approved an increase in water rates and established a two-year escalating rate schedule. While this increase will improve the small system's revenues, the water system fund continues to be subsidized by the general fund. The City is implementing a multi-year plan to improve the performance and operation of the system to reduce the subsidy over time.

## Agency Fund

The City maintains one agency fund, the municipal court fund. The municipal court fund accounts for collection of various fines and forfeitures that are disbursed to other agencies. The net funds received are transferred to the general fund to help cover operating costs associated with the court.

While the police and court services are not provided in order to generate revenues, they still need to be projected for budgetary purposes. At \$1,700,000, the FY15 budget projects an increase of about \$75,400 over the FY14 adopted budget.

Municipal Court generates approximately \$180,000 per month. About \$118,000 of this amount is transferred to the general fund. About \$62,000 each month is paid out to various trust funds. The City's Indigent defense trust fund costs for FY14 were approximately \$131,000.

## Downtown Development Authority

The mission of the Suwanee Downtown Development Authority (DDA) is to enhance the historic center of Suwanee. In FY09, the Downtown Master Plan was completed and adopted. It provides a blueprint for future downtown growth and development. Daily administrative operations of the DDA are part of the general fund. In addition to providing staffing and general administration, the City is providing \$22,000 to support the DDA for FY15.

## Capital Project Funds

These funds account for resources used for the acquisition or construction of major capital facilities. Currently, there are 10 such funds. The City's Capital Improvement Program (CIP) - included as a part of the budget - provides detailed information about each of the funds and future projects

that will be completed in the next five years. Capital funds may include money from various sources including the general fund, grants, SPLOST, and others.

The **SPLOST Fund** includes final proceeds from the 2005 SPLOST (expired), final proceeds from the 2009 SPLOST (expired), and the 2014 SPLOST (current). SPLOST funds are a major source of City revenue for various capital projects. SPLOST money is legally restricted for use in categories specifically approved by voters, such as transportation, recreation, public safety, parking enhancements, etc. This fund will help Suwanee construct various projects over the next few years.

The financial value of SPLOST is substantial: the voter-approved funds allow the City to address important capital needs throughout the community and improve the quality of life in Suwanee without placing more demands on the general fund and property taxes. Although SPLOST funds are separated from general funds, they provide relief for the general fund and provide funding for projects that likely could not otherwise be accomplished. If these projects were included as part of the City's general fund, it is estimated that the City's overall budget would need to increase nearly \$3.2 million each year to accomplish the same goals (an increase of about 30%).

SPLOST-funded projects (partially or wholly funded) include, but are not limited to:

- street and road resurfacing
- general sidewalk construction
- road repairs and reconstruction
- storm drainage projects
- general park enhancements at Town Center and Sims Lake;
- Buford Highway Corridor Improvements (future project)
- various transportation-related enhancements

With a proposed three-year capital budget of more than \$6.6 million, the City has a large number of capital projects (30) to manage and oversee. In addition to designated staff project managers, the City at times uses private consulting firms to advance these projects and provide professional program management services.

## Budget Presentation

The City of Suwanee takes pride in presenting a complete and clear budget for public use. The Government Finance Officers Association (GFOA) establishes guidelines for an effective budget presentation, which are designed to assess how well a government's budget serves as a policy document, financial plan, operations guide, and communications device. It should be noted that the budget document for Fiscal Year

2014 was submitted to GFOA for consideration and again received the Distinguished Budget Presentation Award.

Budget documents can be intimidating documents filled with numbers and data. Each year our staff takes pride in developing a document that is useful, attractive and readable. Financial Services Director Amie Sakmar leads us through the budget process each year and takes tremendous pride in producing an outstanding and meaningful budget document. Jessica Roth, Business Services Director, manages the Short-Term Work Program and Capital Improvements Program components. Paul Bara, Wendy Budd, and Susan Van Nus, play key roles in the layout and creation of the award-winning budget document. All of these staff members typify the dedication and commitment to excellence that is the hallmark of Suwanee's staff team.

Suwanee's budget is an impressive and comprehensive financial document. The City also recognizes the need for accurate and concise information for readers of all levels and interests. As such, the City provides a condensed Citizen's Operating Budget. It is not intended to replace the City's full budget; instead it attempts to summarize it, focusing on certain important and interesting points for a potential reader.

## Conclusion

Suwanee remains an attractive, growing and desirable community. I want to thank the citizens, Mayor and Council, and staff for their continued support and commitment.

City Council and staff remain committed to working together. The City takes a planned approach to providing services. Each year, Suwanee's City Councilmembers and management staff, gather together for at least three days in a strategic retreat to generate ideas and assess conditions while planning for the future. Having a committed Council willing to collectively set the direction for the next year is commendable. The resulting Short-Term Work Program developed during that important planning session sets the goals for the coming year.

Mayor Jimmy Burnette and each of our Councilmembers deserve recognition and credit for setting a positive tone and providing leadership to keep the City moving in the right direction. This commitment to community service and desire to improve the community helps motivate City staff to continue striving for excellence.

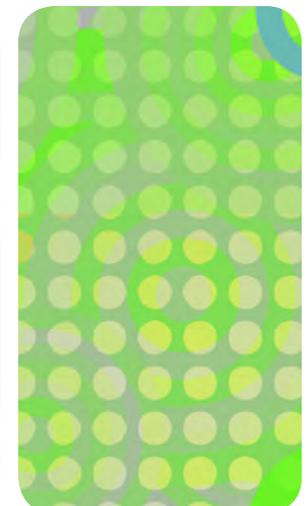

City staff works hard to carry out the goals of the Mayor, City Council, citizens, and stakeholders in Suwanee. Our staff deserves the credit that goes along with our noteworthy accomplishments and continued success. I would also like to thank each staff person for his or her contributions over the past year.

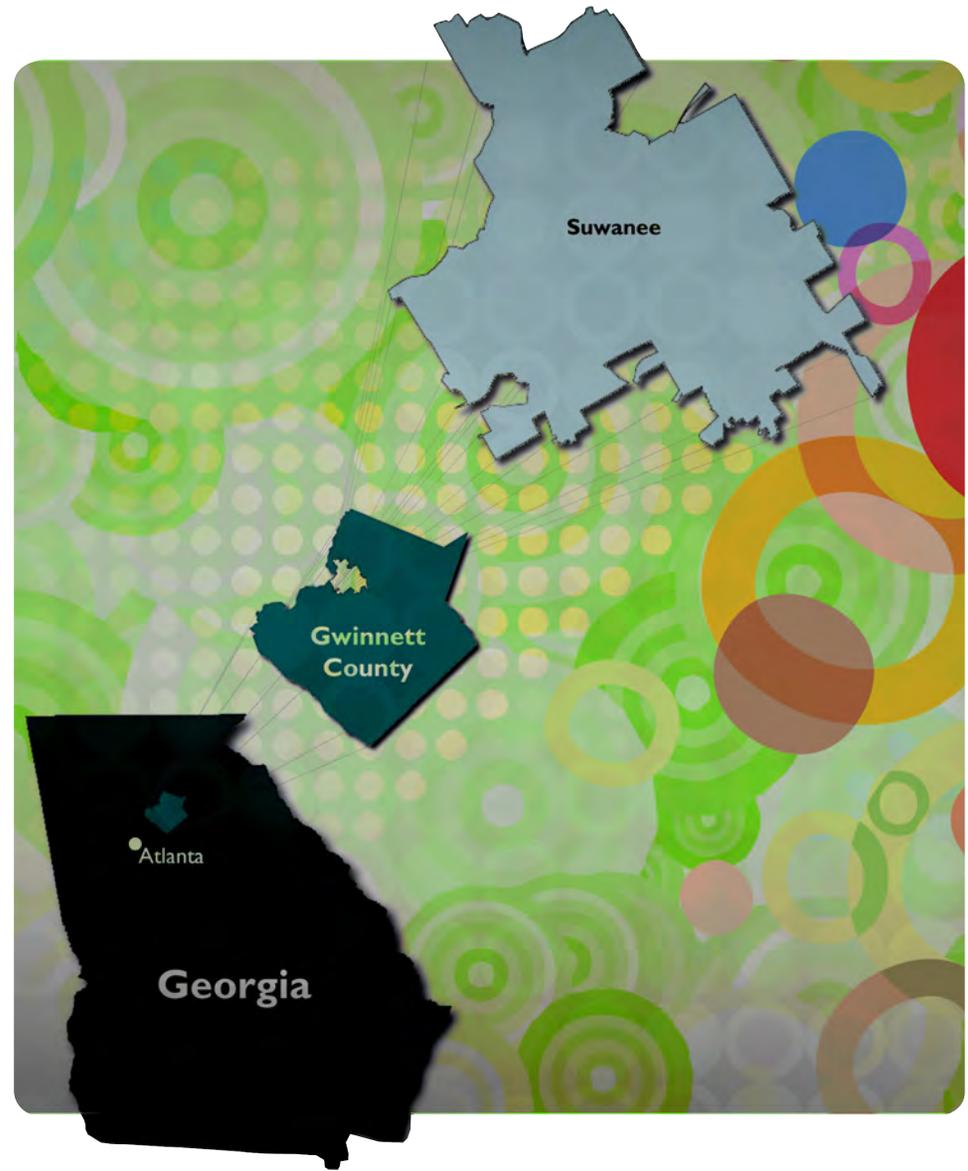

Please contact me if you have any questions or comments about this document.

Respectfully submitted,  
**Marvin R. Allen**

City Manager

This budget document contains a wide variety of information about the services the City of Suwanee provides to the community. The purpose of this guide is to explain how the budget document is organized and to help the reader find the information that they may be looking for.

## How is this document organized?

The City's budget is organized on the basis of funds. Each fund is considered a separate budgetary and accounting entity. Resources are allocated to, and accounted for, in individual funds based upon the purposes of the specified activities.

The budget document is divided into thirteen main sections separated by tabs: Executive Summary, General Fund, Special Revenue Funds, Capital Project Funds, Debt Service Fund, Enterprise Fund, Agency Fund, Line Item Detail, Capital Improvement Program, Downtown Development Authority, Short Term Work Program, Supplemental Information, and Glossary. The content of each section is summarized below.

**EXECUTIVE SUMMARY:** This section relates to the entire City. It includes the transmittal letter, budgetary and financial policies, organizational charts, combined statements, and budget resolutions.

**GENERAL FUND:** The general fund is the primary operating fund that provides for basic government services, such as police protection, recreation and parks, planning and zoning, building inspections, code enforcement, economic and community development, special events, municipal court services, and road, sidewalk, and infrastructure maintenance. Each service area is organized by function categories. The beginning of each category is divided by a title page for easy reference.

**SPECIAL REVENUE FUNDS:** Special revenue funds represent revenues that are legally restricted for specific purposes. The City maintains the following special revenue funds:

- Suwanee Day
- Public Arts
- Confiscated Assets
- Community Garden
- Hotel/Motel Tax

A statement of service for each fund has been provided to help the reader understand the function of each special revenue fund.

**CAPITAL PROJECT FUNDS:** Capital project funds account for financial resources used for the acquisition or construction of major capital facilities for the City's governmental fund types.

All of the capital project budgets are presented on a project basis and are not broken out by fiscal period, since most of the projects are expected to expand more than one fiscal period. The City maintains the following capital project funds:

- 2009 SPLOST
- 2005 SPLOST
- Public Facilities Maintenance
- Public Facilities Enhancement
- Cemetery
- Paved Streets
- Storm Drainage
- Community Stabilization
- Suwanee Tax Allocation District
- 2014 SPLOST

A statement of service for each fund has been provided to help the reader understand the function of each capital project fund.

**DEBT SERVICE FUND:** The debt service fund accounts for the accumulation of resources for, and the payment of, the refunded 2002 general obligation bonds for open green space and the 2006 Urban Redevelopment Authority revenue bonds for the construction of the New City Hall.

**ENTERPRISE FUND:** The City maintains one enterprise fund, the water fund. This fund's activities include all aspects of establishing, operating and maintaining equipment, and other work related to the water system. Costs are recovered through charges to water customers. Expenses have been summarized by functional categories: administration, supply, distribution, and debt service.

**AGENCY FUND:** The City maintains one agency fund, the municipal court fund. The municipal court fund accounts for the collection of various fines and forfeitures which are disbursed to other agencies. The net funds received are transferred to the general fund.

**LINE ITEM DETAIL:** This section serves as a reference for City of Suwanee department heads. It contains the general fund line item detail of revenues and expenditures.

**CAPITAL IMPROVEMENT PROGRAM:** The Capital Improvement Program is a plan for capital expenditures to be incurred each year over a five year period. It provides the City Council and staff with a process of identifying and prioritizing capital projects.

**DOWNTOWN DEVELOPMENT AUTHORITY:** The Downtown Development Authority of Suwanee is a legally separate entity. The authority is included in the budget document for information purposes. The majority of the Downtown Development Authority funding is provided by the City of Suwanee's general fund.

**SHORT TERM WORK PROGRAM (STWP):** The Short Term Work Program (STWP) is a five year plan of action that the City intends to complete in order to address identified needs and goals. The STWP is a planning document, but also plays an important role in budget development.

**SUPPLEMENTAL INFORMATION:** The Supplemental Information section includes economic and demographic information.

**GLOSSARY:** Alphabetical list of terms used throughout this document and their definitions.

*\*The budget is prepared for all funds including major and non-major funds.*

The Annual Budget is a fiscal plan which presents the services to be provided to the community and the funds necessary to perform these services. Key steps in this process are described within.

## Budget Preparation

The City of Suwanee operates under a fiscal year that begins on July 1st and ends June 30th. The major steps in the process are outlined below with a detailed schedule on page 13.

Proposed Budget- A proposed budget shall be prepared by the City Manager with the participation of all the City's Department Directors within the provisions of the City Charter. The City will cover current expenditures with current revenues. The City will avoid budgetary procedures that cover current expenditures at the expense of meeting future years' expenditures, such as postponing expenditures, accruing future years' revenues, or rolling over short-term debt.

- a. The budget shall include four basic segments for review and evaluation. These segments are:
  1. Revenues
  2. Personnel costs
  3. Operations and maintenance cost
  4. Capital and other (non-capital) project costs
- b. Departments develop performance and expenditure requests for the next fiscal year.
- c. During the months of March and April, the City Manager reviews all departmental operations and budget requests in order to propose a recommended balanced budget.
- d. At least 30 days prior to the fiscal year commencing July 1st, the City Manager submits to Council a proposed operating budget for all operating funds. The operating budget includes recommended expenditures and the means for financing them.
- e. A series of workshops and public hearings are held before making any final changes to the City Manager's recommended budget.
- f. The annual budget is formally adopted by Council before July 1st.

## Expenditure Control

Once the annual budget has been adopted, expenditure control is maintained on the appropriation unit basis (group of accounts) with travel and capital expenditures maintained under full control. Throughout the year, all expenditures and revenues are monitored.

## Budget Control

Georgia Law, O.C.G.A. §36-81-3 establishes the legal level of budgetary control at the department level. Within the overall budget limitations,

authority is delegated to the City Manager. When acting on the authority delegated by the City Manager to the Financial Services Director, intra-departmental transfers of appropriation and revenue anticipation may be approved as deemed necessary. Under no circumstances, however, may the total budget of any department be increased or decreased without Council approval.

## Reporting

Monthly financial reports will be prepared by the Financial Services Director to enable the Department Directors to manage their budgets and to enable the Financial Services Director to monitor and control the budget as authorized by the City Manager. Summary financial and budgetary reports will be presented to the City Council quarterly. Such reports will be in a format appropriate to enable the City Council to understand the overall budget and financial status.

## Policy Guidelines

The overall goal of the City's financial plan is to establish and maintain effective management of the City's financial resources. The following section outlines the policies used to guide the preparation and management of the City's budget. This section consists of operating budget policies, capital expenditures' policies, revenue policies and financial accounting policies.

The development and preparation of the City's budget are guided by the following policies:

- All funds are required to balance. Anticipated revenue, which may include budgeted fund balance, must equal the sum of budgeted expenditures for a budget to balance. All funds should be included in the budget process along with work programs, objectives and strategies.
- The Capital Improvement Program requires coordination and planning in conjunction with the various operating fund budgets.
- The General Fund is based on long-range financial plans which include unallocated fund reserves. The goal is to keep the reserve at approximately the level of three to six months of operating expense. This reserve protects the City against catastrophic revenue losses and major emergency expenditures.

## Revenue Policies

The City will maintain effective collection systems and implement aggressive enforcement strategies in order to maximize revenues from available sources.

The City will maintain a broad revenue base; that is, a large number of widely diversified revenue sources that will be established and maintained in order to distribute the revenue burden equitably and protect the City from short-term fluctuations in any one revenue source.

The City will implement user fees in all areas where feasible and productive as well as seek to set fees at levels related to the costs of providing the services

and to be consistent with what other jurisdictions/organizations are charging. Moreover, user fees will be reviewed annually as part of the budget process and will be adjusted as needed with Council approval in order to recoup costs or match market increases.

The projection of revenues will receive conservative treatment in order that actual revenues at the fund level will consistently equal or exceed budgeted revenues.

## Financial Structure

The financial transactions of the City are budgeted and recorded in individual funds. A fund is an independent financial and accounting entity. It is a set of interrelated accounts used to record revenues and expenditures associated with a specific purpose. Funds have a balancing set of accounts and records, cash and other financial resources in conjunction with all related liabilities and residual equities, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations or restrictions. Funds are classified into three basic types: governmental, proprietary or fiduciary.

## Governmental Funds

Governmental funds are used to account for all or most of the government's general activities, including the collection and disbursement of earmarked monies, the acquisition or construction of general fixed assets and the servicing of general long-term debt.

The following types of governmental funds are utilized by the City:

- The General Fund is the principal fund of the City of Suwanee and is used to account for all major activities of the government such as Police, Public Works and Planning.
- Special Revenue Funds are used to account for the proceeds of specific revenue sources legally restricted to expenditures of specific purpose. The Police Confiscation and Hotel/Motel Funds are examples of special revenue funds.
- Capital Project Funds are used to account for financial resources for the acquisition, renovation or construction of major capital facilities and improvements.

## Proprietary Funds

Proprietary funds are used to account for activities similar to those found in the private sector. Enterprise funds account for activities that are usually self-sustaining, principally through user charges for services rendered. The City utilizes one proprietary fund, the Water Fund.

## Fiduciary Funds

Fiduciary funds are used to account for assets held on behalf of outside parties, including other governments or on behalf of other funds within the government. When these assets are held under the terms of a formal trust agreement either a pension trust fund, a nonexpendable trust fund or an expendable trust fund is used. Agency funds generally are used to account for assets that the government holds on behalf of others as their agent. Traditionally these funds have not been included in the Operating Budget because the receipt of revenue is uncertain. The City maintains one fiduciary fund, the Municipal Court fund.

## Accounting Basis

The governmental funds are accounted for on the modified accrual basis of accounting. Under this basis, revenues are recognized when they are susceptible to accrual, when they become measurable and available. Likewise, expenditures are recorded as the liabilities are incurred, if measurable. However, principal and interest on general long-term debt are recorded as fund liabilities when due. Revenues susceptible to accrual are property taxes, licenses, interest revenues and charges for service. Fines are not susceptible to accrual generally since they are not measurable until received in cash. The City considers property taxes as available in the period for which they were levied if they are collected within 60 days after year-end.

The accrual basis of accounting is utilized by proprietary fund types, pension trust funds and non-expendable trust funds. Under this method, revenues are recorded when earned and expenses are recorded at the time the liabilities are incurred. Estimated uncollectible accounts receivable are reserved at year-end.

## Budgetary Basis

All budgets are adopted on a basis consistent with Generally Accepted Accounting Principles (GAAP). The General, Special Revenue, and Capital Project funds are developed on a modified accrual basis. The Enterprise fund is developed on the accrual basis. All annual appropriations lapse at the fiscal year end. The basis for budgeting is consistent with the basis for accounting with the difference being encumbrances. Encumbrances represent commitments related to unperformed contracts for goods or services. Encumbrance accounting, under which purchase orders, contracts and other commitments for expenditures of resources are recorded to reserve that portion of the applicable appropriation, is utilized in governmental funds. Encumbrances outstanding at year-end are reported as reservations of fund balances and do not constitute expenditures because the commitments will be honored through subsequent years' budget appropriations.

The budget process spans over a number of months and requires leadership and guidance from City Council and the City Manager as well as planning, input and teamwork from the Department Directors. The budget policies and procedures outline a general timetable for the preparation of the budget.

- DECEMBER
- City Manager and Department Directors attend Planning retreat.

- FEBRUARY
- City Council, City Manager and Department Directors attend Council Planning retreat.

- MARCH-APRIL
- All Operating Departments, following the City Manager's Guidelines, prepare their Budget and Capital Improvement Request.
  - City Manager evaluates Budget Requests and Capital Improvement Requests.
  - City Manager prepares Budget.

- MAY-JUNE
- City Manager presents Recommended Budget to City Council.
  - Council Work Sessions are held.
  - Public Hearings are conducted.
  - City Council adopts Annual Budget.

Millenials are the image nation by Andrew Draper

The budget schedule provides a comprehensive calendar, detailing dates and deadlines pertinent to the planning and preparation of the current fiscal year budget.

## 2014

- JANUARY 22** Department Head Planning Retreat
- JANUARY 28** Proposed Budget Schedule Distributed to Department Heads
- FEBRUARY 20-22** City Council Planning Retreat
- MARCH 14** Department Head Requests Due to City Manager
- MARCH 24** Capital Improvements Budget Projections Due to City Manager
- APRIL 7** Revenue Forecasts Complete
- APRIL 9** Post Workshop Notices on Front Door
- APRIL 18** Departmental Function Sheets (goals, objectives, measures) Due
- APRIL 18** City Manager to Complete Review of All Expenditure Requests
- APRIL 22** First Draft Presented to City Council for Review (Regular April Council Meeting)
- MAY 1** **Special Workshop: Operating Budget Review @ 5:30 pm**
- MAY 14** **Special Workshop: Capital Budget Review @ 5:30 pm**
- MAY 15** Operating Budget Review Work Session @ 5:30 pm (Regular May Workshop)
- MAY 27** Presentation of Proposed Budget Document and Capital Improvement Plan to City Council (Regular May Council Meeting)
- MAY 28** Budget Available for Public Review
- JUNE 12** **1<sup>ST</sup> Public Hearing on Budget and CIP as a Called Council Meeting @ 5:30 pm (Before Regular June Workshop)**
- JUNE 24** **2<sup>ND</sup> Public Hearing on Budget and CIP @ 6:30 pm  
Public Hearing on Occupational Taxes @ 6:30  
Scheduled Adoption of Budget @ 6:30 pm  
(Regular June Council Meeting)**
- JULY 1** Begin Fiscal Year 2014 - 2015

A Capital Improvement Program (CIP) covering a five year period, will be developed, reviewed and updated annually. As resources are available, the most current year of the CIP will be incorporated into the current year operating budget.

To be considered in the CIP, a project must have an estimated cost of at least \$10,000 in one of the fiscal years of the project. Projects may not be combined to meet the minimum standard unless they are dependent upon each other. Items that are operating expenses, such as maintenance agreements and personal computer software upgrades, will not be considered within the CIP.

The City will identify the estimated costs and potential funding sources for each capital project prior to inclusion in the CIP. The operating costs to maintain capital projects shall be considered prior to the decision to undertake the projects. Capital projects and capital asset purchases will receive a higher priority if they meet a majority of the following criteria:

- It is a mandatory project.
- It is a maintenance project based on approved replacement schedules.
- It will improve efficiency.
- It will provide a new service.
- It is mandated by policy.
- It has a broad extent of usage.
- It lengthens the expected useful life of a current asset.
- It has a positive effect on operating and maintenance costs.

- There are grant funds available.
- It will eliminate hazards and improve public safety.
- There are prior commitments.
- It replaces an asset lost to disaster or damage.

The CIP is presented annually to the City Council for approval. Any substantive change to the CIP after that must be resubmitted for approval by the City Council.

People at the park

## I. PURPOSE

The City recognizes that the foundation of any well-managed debt program is a comprehensive debt policy. A debt policy sets forth the parameters for issuing debt and managing outstanding debt and provides guidance to decision makers regarding the timing and purposes for which debt may be issued, types and amounts of permissible debt, method of sale that may be used and the structural features that may be incorporated. The debt policy should recognize a binding commitment to full and timely repayment of all debt as a requirement for entry into the capital markets. Adherence to a debt policy helps to ensure that a government maintains a sound debt position and that credit quality is protected. Advantages of a debt policy are as follows:

- Enhances the quality of decisions by imposing order and discipline.
- Promotes consistency and continuity in decision making.
- Rationalizes the decision making process.
- Identifies objectives for staff to implement.
- Demonstrates a commitment to long-term financial planning objectives.
- Regarded favorably by the rating agencies in reviewing credit quality.

This policy is intended only to address the City's criteria with respect to the issuance of debt which is secured by the full faith and credit of the City. Policies with respect to the issuance of revenue backed debt and other debt instruments will be adopted by City Council as such financing vehicles become necessary or prudent to accomplish future capital funding needs. This General Obligation debt policy will be reviewed and amended as necessary no less than every third year after its initial adoption.

## II. CREDITWORTHINESS OBJECTIVES

The City seeks to maintain the highest possible credit rating for all categories of short and long term General Obligation debt that can be achieved without compromising delivery of basic City services and achievement of adopted City policy objectives. The City recognizes that external economic, natural, or other events may from time to time affect the creditworthiness of its debt. The City is committed to full and complete financial disclosure, and to cooperating fully with rating agencies, institutional and individual investors, City departments, and the general public to share clear, comprehensible, and accurate financial information. The City is committed to meeting secondary disclosure requirements on a timely and comprehensive basis.

- A. Financial Disclosure: Official statements accompanying debt issues, Annual Financial Reports, and continuous disclosure statements will

meet (at a minimum), the standards articulated by the Governmental Accounting Standards Board (GASB), the National Federation of Municipal Analysts, the Securities and Exchange Commission (SEC), and Generally Accepted Accounting Principles (GAAP).

- B. Capital Planning: To enhance creditworthiness and prudent financial management, the City is committed to systematic capital planning, intergovernmental cooperation and coordination, and long term financial planning. Evidence of this commitment to systematic capital planning will be demonstrated through adoption of a five year Capital Improvement Program (CIP) and adherence to the Short Term Work Program component of the City's Comprehensive Plan.

## III. DEBT AFFORDABILITY MEASURES

- A. Assumption of Additional Debt: The City shall not assume more tax supported general purpose debt than it retires each year without conducting an objective analysis as to the community's ability to assume and support additional debt service payments. The City acknowledges the importance of pay-as-you-go financing in meeting its capital funding requirements to date. The City reaffirms its commitment to pay-as-you-go financing and will consider the feasibility of this funding option prior to any issuance of long-term General Obligation debt. When appropriate, self-supporting debt (e.g., revenue bonds) shall be issued before general obligation bonds.
- B. Affordability Targets: The City acknowledges the importance of establishing and adhering to standards of affordability when issuing long term general obligation indebtedness. These standards may include, but are not limited to outstanding direct and overlapping debt per capita, direct debt service payments as a percentage of current revenues and current expenditures, and undesignated general fund balance as a percent of annual revenues and expenditures. The City will conduct a review of rating agency target ranges for these criteria no less than every third year after the initial adoption of this policy and will endeavor to maintain actual debt, value and other appropriate ratios which equal or surpass the current acceptable ranges and/or ratios associated with the City's then current ratings. The decision on whether or not to assume new debt shall be based on these costs and benefits, the current conditions of the municipal bond market, and the City's ability to afford new debt as determined by the aforementioned standards.

## IV. PURPOSE AND USES OF DEBT

- A. **Asset Life:** The City will consider long term financing for the acquisition, maintenance, replacement, or expansion of physical assets only if they have a useful life of at least five years. Debt will be used only to finance capital projects and equipment. City debt will not be issued for periods exceeding the useful life or average useful lives of the projects to be financed.
- B. **Use of Limited Tax General Obligation Debt:** Before issuing limited tax general obligation bonds, the City will consider all other financing alternatives or funding sources, including non-debt financing. The City shall only use limited tax general obligation bonds:
- Under catastrophic or emergency conditions; or
  - If the project to be financed will generate positive net revenues after debt service. Net revenues after debt service must not only be positive over the life of the bonds, but become positive on an annual basis within the first five years after completion of the project; or
  - If the project will significantly reduce City operating costs; or
  - If an equal or greater amount of non-City matching funds will be lost if the City limited tax general obligation funds are not applied in a timely manner; or
  - If the project to be financed is less than \$1,000,000; or
  - If the project to be financed provides essential City services or would so advance core City policy objectives that its value overrides the value of obtaining voter approval.

## V. DEBT STANDARDS AND STRUCTURE

- A. **Length of Debt:** Debt will be structured for the shortest period consistent with a fair allocation of costs to current and future beneficiaries or users.
- B. **Debt Structure:** Debt will be structured to achieve the lowest possible net cost to the City given market conditions, the urgency of the capital project, and the nature and type of security provided. Moreover, to the extent possible, the City will design the repayment of its overall debt so as to recapture rapidly its overall credit capacity for future use. The City shall strive to repay at least 20 percent of the principal amount of its general obligation debt within five years and at least 40 percent within ten years.

- C. **Backloading:** The City will seek to structure debt with level principal and interest costs over the life of the debt. "Backloading" of costs will be considered only when natural disasters or extraordinary or unanticipated external factors make the short term cost of the debt prohibitive, when the benefits derived from the debt issuance can clearly be demonstrated to be greater in the future than in the present, when such structuring is beneficial to the City's overall amortization schedule, or when such structuring will allow debt service to more closely match project revenues during the early years of the project's operation.
- D. **Variable Rate Debt:** The City may choose to issue securities that pay a rate of interest that varies according to a formula that is pre-determined or results from a periodic remarketing of the securities, consistent with state law and covenants of pre-existing bonds, and depending on market conditions. The City will have no more than 15 percent of its outstanding general obligation bonds in variable rate form.
- E. **Second Lien Debt:** The City shall issue second lien debt only if it is financially beneficial to the City or consistent with creditworthiness objectives.
- F. **Refunding:** Periodic reviews of all outstanding debt will be conducted to determine refunding opportunities. Refunding will be considered, within federal tax law constraints, if and when there is a net economic benefit of the refunding or the refunding is essential in order to modernize covenants essential to operations and management.

In general, advance refunding for economic savings will be undertaken when a net present value savings of at least three percent of the refunding principal can be achieved. Current refunding that produces a net present value savings of less than three percent will be considered on a case-by-case basis. Refunding with negative savings will not be considered unless there is a compelling public policy objective.

- G. **Bond Anticipation Notes:** Use of short term borrowing, such as bond anticipation and tax-exempt commercial paper, will be undertaken only if the transaction cost plus interest of the debt are less than the cost of internal financing, or available cash is insufficient to meet working capital requirements.
- H. **Credit Enhancements:** Credit enhancements, letters of credit, bond insurance, etc., may be used, but only when net debt service on the bonds is reduced by more than the costs of the enhancement.

## VI. DEBT ADMINISTRATION AND PROCESS

All short term and long term debt over \$5,000 must be approved by City Council. Short term debt would include lease purchase agreements, installment purchases, and professional service agreements. All purchases should be in compliance with the City's purchasing policy.

- A. **Bond Sales:** The City Manager shall produce appropriate ordinance(s) and, if needed, bond sale resolutions for consideration by the City Council. Before the sale of general obligation bonds the City Manager will submit a "Sources, Uses, and Payments" memo to the City Council identifying source and use of bond proceeds, funds for deposit of all bond proceeds, and funds for payment of debt service. No bonds or other forms of general obligation indebtedness shall be incurred by the City without approval of the "Sources, Uses, and Payments" memo by the City Council.
- B. **Bond Fund:** All payment of general obligation debt service shall be from the Bond Interest and Redemption Fund. This Fund shall act as a clearing account for debt service and will not itself be used as a final source of debt payment. The Department of Finance shall make debt service payments out of the Bond Fund by transferring the amounts from the accounts specified in the "Sources, Uses, and Payments" memo.
- C. **Investment of Bond Proceeds:** All general obligation and revenue bond proceeds shall be invested as part of the City's consolidated cash pool unless otherwise specified by the bond legislation or by the City Manager or the Financial Services Director. Investments will be consistent with those authorized by existing City and State law and by the City's investment policies.
- D. **Costs and Fees:** All costs and fees related to issuance of bonds will be paid out of bond proceeds or by sources identified by the City Manager.
- E. **Call Provision:** Call provisions for bond issues shall be made as short as possible consistent with the lowest interest costs to the City. When possible, all bonds shall be callable only at par.
- F. **Competitive Sale:** In general, City debt will be issued through a competitive bidding process. Bids will be awarded on a true interest cost basis, providing other bidding requirements are satisfied.
- G. **Negotiated Sale:** Negotiated sales of debt will be considered when the complexity of the issue requires specialized expertise, when a change of underwriter may result in losses, when the negotiated sale would result in substantial savings in time or money, or when market conditions or City credit are unusually volatile or uncertain.
- H. **Underwriters:** For all competitive and negotiated sales, underwriters will be required to demonstrate sufficient capitalization and experience related to the debt issuance. The criteria used to select an underwriter in a competitive sale shall be the true interest cost. In a negotiated sale, the underwriter may be selected through a request for proposals (RFP). The criteria used to select an underwriter in a negotiated sale should include the following:
  - Overall experience
  - Market philosophy
  - Capability
  - Financial statement
  - Public finance team and resources
  - Breakdown of underwriter's discount
- I. **Financial Advisor:** The City will retain an external independent financial advisor, to be selected for a term of up to four years, through a process administered by the City's Finance Department. The utilization of the financial advisor for particular bond sales will be at the discretion of the City Manager on a case-by-case basis and pursuant to the financial advisory services contract. The selection process for financial advisors will require comprehensive municipal debt experience, experience with diverse financial structuring requirements and pricing of municipal securities. Upon expiration of a four-year contract, the City has the option, after a full competitive process, of signing a new contract with the existing financial advisor. For each City bond sale the financial advisor will provide the City information on pricing and underwriting fees for comparable sales by other issuers.
- J. **Other Service Providers:** The City Manager shall have the authority to periodically select other service providers (escrow agents, verification agents, trustees, arbitrage consultants, etc.) as necessary to meet legal requirements and minimize net City debt costs. These services can include debt restructuring services and security or escrow purchases. The City Manager may select firm(s) to provide such financial services related to debt without an RFP. A firm so selected must receive City Council approval before conducting any transaction or providing any service.
- K. **Arbitrage Compliance:** The Department of Finance shall maintain a system of record keeping and reporting to meet the arbitrage rebate compliance requirement of the federal tax code.

## 1. Scope

This investment policy does not apply to the investment activities of the ICMA employee retirement funds and the employee retirement accounts. This policy does apply to all remaining funds for the City of Suwanee.

## 2. Objectives

- A. Safety of the principal is the foremost objective of the City of Suwanee. Those investing funds on the City's behalf must first ensure that capital losses are avoided by limiting credit and interest risk. Credit risk is the risk of loss due to the failure of the security issuer or backer. Interest risk is the risk that market value portfolios will fail due to an increase in general interest rates.
- B. Liquidity is the second objective of the investment portfolio. The City's investment portfolio will remain sufficiently liquid to enable the City to meet all operating requirements which might be anticipated.
- C. Return on Investment is the third objective of the investment portfolio. This objective is subordinate to safety and liquidity. After the first two objectives are met, the goal of the investment portfolio of the City of Suwanee shall be designed to attain a market-average rate of return.
- D. Maintaining the Public Trust is the fourth objective. City officials act as custodians of the public trust. In keeping with the public trust, the investment officials shall seek to avoid engaging in transactions which may jeopardize the public's faith in the abilities of those who govern the City of Suwanee.

## 3. Delegation of Authority

The Financial Services Director is the designated investment officer of the City of Suwanee and is responsible for the investment decisions. In the absence of the investment officer, the City Manager shall perform the duties. The investment officer is responsible for writing, maintaining and establishing guidelines to be reviewed and approved by the City Council. The investment officer is responsible for the maintenance of other written administrative procedures consistent with this policy and the requisite compliance. City Council may create an investment committee to monitor the investment portfolio and the activities of the investment officer.

## 4. Prudence

The standard of prudence to be used by investment officials shall be the prudent person. The prudent person standard states: Investments shall be made with judgment and care under circumstances then prevailing which persons of prudence, discretion and intelligence exercise in the

management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived. Investment officers acting in accordance with written procedures and exercising due diligence shall be relieved of personal responsibility for an individual security credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control adverse developments.

## 5. Standards and Procedures

All standards and procedures created by the investment officer must be reduced to writing when possible.

## 6. Ethics and Conflicts of Interest

The investment officer shall read and familiarize himself/herself with section 2.14 of the City of Suwanee Charter. The investment officer shall manage the City's portfolio in a manner consistent with section 2.14 of the City of Suwanee Charter.

## 7. Internal Controls

The investment officer shall establish and maintain a system of internal controls, which shall be documented in writing. The controls shall be designed to prevent and control losses of public funds arising from fraud, employee error, misrepresentation by third parties, or imprudent actions by employees and officers.

## 8. Reporting

The investment officer shall create reporting procedures that must be approved by the City Council.

## 9. Authorized Investment Instruments

All investment activity is required to be in compliance with Chapter 83 of Title 36 of the Official Code of Georgia, which establishes guidelines for local government investment procedures.

The City of Suwanee may invest funds subject to its control and jurisdiction in the following:

- A. Certificates of deposit issued by banks insured by the FDIC. Deposits in excess of the FDIC coverage must be collateralized by securities with a market value equal to at least 110% of the deposit. Only those securities described in Georgia Code 50-17-59 can be pledged as collateral;
- B. Obligations issued by the United States government;
- C. Obligations fully insured or guaranteed by the United States government or a United States government agency;
- D. Obligations of any corporation of the United States government;
- E. Obligations of the State of Georgia or of other States;

- F. Obligations of other political subdivisions of the State of Georgia;
- G. The local government investment pool created by Code Section 36-83-8.

Suwanee shall only use those investment instruments allowed by state law. Those instruments not listed above, but allowable by state law must be approved by the City Council. The City Attorney must also approve any investment instrument not listed above. Prime bankers acceptances and repurchase agreements must be approved by affirmative vote of the City Council.

## 10. Banks and Dealer Selection

The investment officer will create banking service procurement procedures. The officer will be required to maintain a list of eligible banks and dealers. The institutions should be appropriately capitalized. The officer will create procedures for determining the creditworthiness of banks. Preference will be given to banks located within the City of Suwanee to the extent possible. The preference should not jeopardize the investment policy objectives of safety, liquidity, and return on investment.

## 11. Diversification and Maturities

It is the policy of the City of Suwanee to diversify its investment portfolio. Investments held should be diversified to the extent practicable to control the risk of loss resulting from over-concentration of assets in a specific maturity, issuer, instrument, dealer, or bank. Diversification strategies will be established by the investment officer and periodically reviewed by the Council. The average maturity date of securities may not exceed one year without City Council's approval. The investment officer shall diversify maturities and to the extent possible match those maturities to cash flows.

## 12. Safekeeping and Custody

All securities shall be held by a third party custodian designated by the investment officer and approved by the Council. The third party custodian shall be required to issue a safekeeping statement to the investment officer listing the specific instrument, rate, maturity, and other pertinent information. All securities transactions entered into by the City of Suwanee shall be conducted on a delivery-versus-payment basis. In other words, the security must be delivered before funds are released.

## 13. Performance Evaluation

The investment officer will seek to achieve or exceed a market rate of return on the City's portfolio. Given the safety and liquidity needs of the City, the basis used to determine whether market yields are being achieved shall be the one year Treasury Bill.

Suwanee city hall has bright ideas by Katja Wright

## BACKGROUND

The City of Suwanee maintains its financial operations in a manner consistent with sound financial management principles, which require that sufficient funds be retained by the City to provide a stable financial base at all times. An adequate fund balance level is an essential element in both short-term and long-term financial planning. It serves to mitigate current and future risks, sustain operations during economic downturns, provides cash flow liquidity for the City's general operations, and enhances creditworthiness. Maintenance of sufficient levels of fund balance enables the City to stabilize funding for operations, stabilize taxes and fees, and realize cost savings in issuing debt. While adequate levels of fund balance are important, the City strives to maintain an appropriate amount that is neither too high nor low.

## PURPOSE

This policy establishes guidelines for preserving an adequate fund balance in order to sustain financial stability and to provide prudent management of the City's financial reserves. Fund balance is a surplus of funds accrued from unexpended operating budgets and unanticipated revenues.

## COMPONENTS OF FUND BALANCE

Fund balance consists of four accounts: restricted, designated, stabilization, and unassigned. Funding of these accounts follow the order listed.

- **Restricted account** consists of funds that are mandated by a third party through laws, regulations, and other legal requirements to be used for a specific purpose. There is no minimum funding requirement for this account.
- **Designated account** consists of funds set aside by ordinance or resolution (including annual budget resolutions) for specific purposes. There is no minimum funding requirement for this account.
- **Stabilization account** consists of a minimum of four months of general fund budgeted expenditures and transfers. As a part of the budget resolution, the City Council will annually commit the funding level of the stabilization account.
- **Unassigned account** consists of the remaining funds not segregated above. These funds may be used for new programs or positions desired outside of the current and established budget or for one-time capital investments. There is no minimum funding requirement for this account.

## POLICY

The stabilization account provides the City with a "rainy day" fund for use in unforeseen, unbudgeted emergency situations, such as rapidly declining real estate values and/or tax collection rates; the loss of a major taxpayer; sudden changes in revenues or spending requirements imposed by the state or federal government; natural disasters or emergency infrastructure failures; or unforeseen litigation. A minimum of four months of general fund budgeted expenditures and transfers is prudent based upon an evaluation the City's operating characteristics, diversity of tax base, reliability of non-property tax sources, working capital needs, impact on bond rating, state and local economic outlooks, emergency and disaster risk, and other contingencies.

The City Manager will report to the City Council an estimated, unaudited balance of both the stabilization and unassigned account balances during the annual budget submission process. Recommendations of the use of these funds would be included as an element of the annual operating budget. Any funds in addition to the minimum requirement of four months maybe authorized by City Council in the budget resolution.

After the City has allocated resources to the stabilization account, any excess funds would be reported in the unassigned account and may be utilized for other municipal purposes, including, without limitations, additional capital improvement needs identified in the five-year capital improvement plan. The five-year capital improvement plan would include resource allocation of these unassigned funds.

## UTILIZATION

The stabilization account reserves below minimum standards should only be used to provide a short-term solution to maintaining services until projected revenue growth or necessary expenditure reductions are achieved to balance the budget. The City will evaluate the current economic conditions and their impact on future revenue projections to determine the extent of expenditure reductions or revenue increases that are required to achieve day-to-day financial balance.

## RESTORATION

When it becomes necessary for the City to draw funds from the stabilization account, wherein the balance drops below the minimum level of four months, the City will develop a plan to replenish the account to the minimum level from net revenue surpluses in subsequent fiscal year(s) until the balance is restored to the minimum level.

# ANALYSIS OF GENERAL FUND BALANCE

FISCAL YEAR	ENDING FUND BALANCE	EXPENDITURES AND OTHER FINANCING SOURCES	FUND BALANCE AS A PERCENTAGE	MONTHS OF FUND BALANCE RESERVES	ACCOUNT			MONTHS OF FUND BALANCE

(1) In fiscal year 2015, a new department, Business Services was created. Team members from Council & Chief Executive, Administrative Services, and Financial Services were transferred to create the new department. No additional staff were added to create the new department.

(2) In fiscal year 2012, the Events Coordinator position was upgraded to the Events Manager.

(3) In fiscal year 2011, one equipment operator position was reclassified to facilities technician.

(4) Event Staff Pool is comprised of a group of temporary staffing that provide 1,523 hours of pool labor a year.

(5) In fiscal year 2014, two Equipment Operator I positions were upgraded to Equipment Operator II positions.

(6) In fiscal year 2014, the Capital Assets Manager position was dissolved and a Public Works Supervisor position was created.

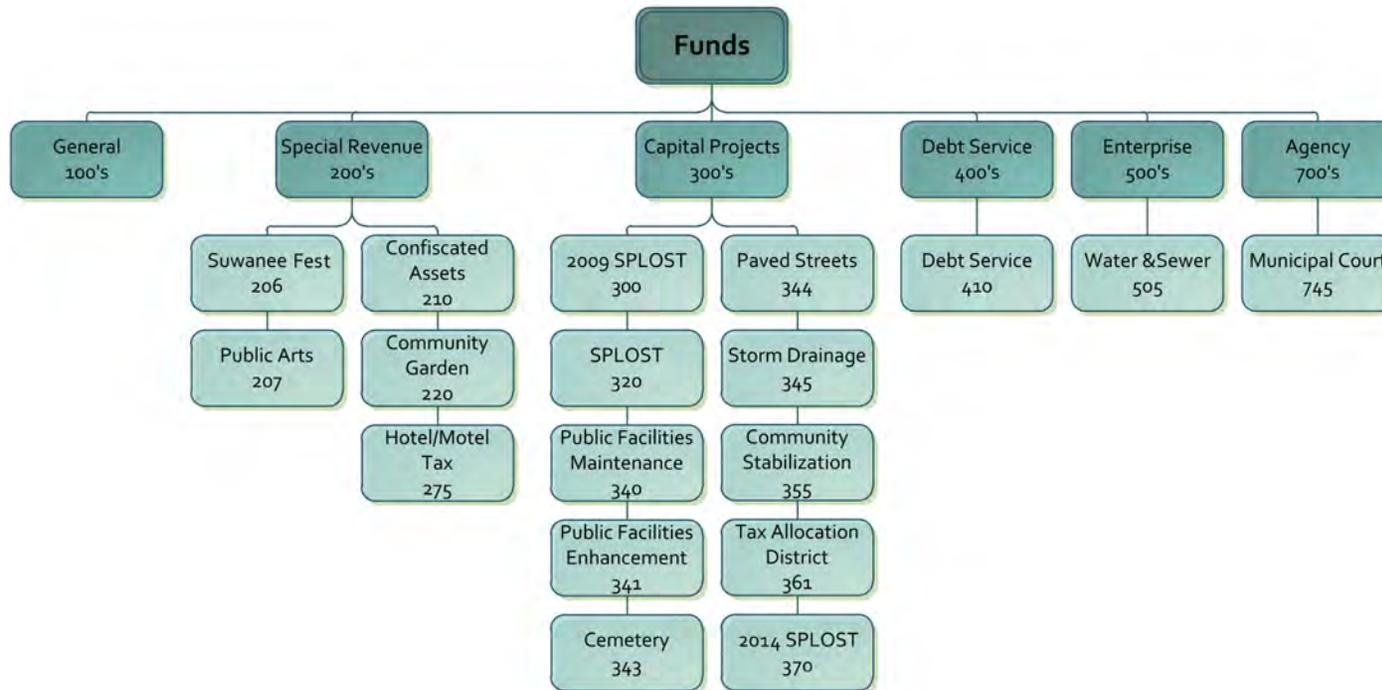

(7) In fiscal year 2014, the City Planner position was upgraded to Senior Planner.

The financial activity of the City of Suwanee takes place in accounting entities called funds. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures.

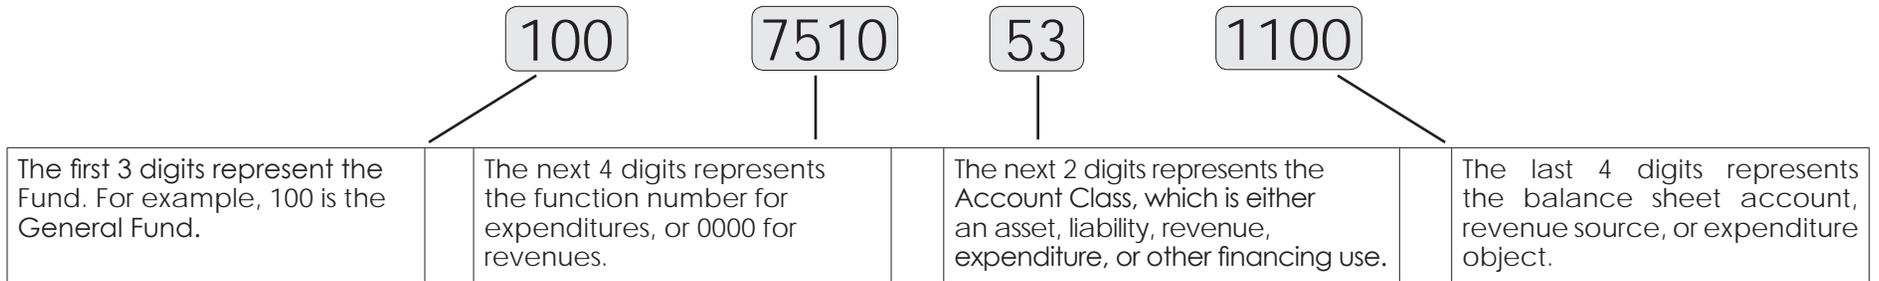

The General Fund is the City's primary operating fund and accounts for basic governmental services. It accounts for all the financial activity of the general government, except for those required to be accounted in another fund.

Other fund types are: Special Revenue, Capital Project, Debt Service, Enterprise and Agency Funds.

- **Special Revenue Funds** are used to account for revenues derived from specific taxes, grants, or other restricted revenue sources. The use and limitation of the special revenue funds are specified by City ordinance or federal or state statutes.
- **Capital Project Funds** are used to account for the acquisition or construction of major capital investments.
- **Debt Service Fund** is used to account for the accumulation of resources to pay the general obligation and revenue bonds' long-term debt principal, interest and related costs.
- **Enterprise Fund** is used to account for operations that are financed in a manner similar to private business.
- **Agency Funds** are used to account for revenues that belong to parties other than the City. The Court is our only Agency Fund.

The City of Suwanee follows the State of Georgia's Uniform Chart of Accounts for Local Governments. The primary goal for the development of the State's Uniform Chart of Accounts is to improve government accountability by making financial information reported more comparable, thereby enabling local taxpayers and local policy makers to better understand and evaluate local government service delivery and operations.

The following are examples of the City's account coding structure:

**100-7510-531100**

The above number would be used to code an expense to the Economic Development Assistance department.

- 100** - General Fund
- 7510** - Economic Development and Assistance
- 531100** - General Supplies

**275-0000-111110**

The above number would be used to code the Hotel/Motel fund's cash in bank.

- 275** - Hotel/Motel Special Revenue Fund
- 0000** - used for revenue
- 111110** - Cash in bank

After the 3 digit fund number, the next 4 numbers for expenditures represent the function classifications.\*

- 1000** General Government
- 2000** Judicial
- 3000** Public Safety
- 4000** Public Works
- 5000** Health and Welfare
- 6000** Culture / Recreation
- 7000** Housing and Development
- 8000** Debt Service
- 9000** Other Financing Uses

\* The City of Suwanee is a relatively small governmental body, with 111 employees and only 8 departments.

## Summary of departments by function

COUNCIL & CHIEF EXECUTIVE	1110	Governing Body	The City Council is the legislative governing authority of the City.
	1320	Chief Executive	The City's Manager's office is responsible for carrying out the City's Council's policy decisions, for providing vision and leadership to the organization, and for overseeing the day-to-day operations.
ADMINISTRATIVE SERVICES	1500	General Administration	This function consists of the Human Resource division as well as the City Clerk.
BUSINESS SERVICES	1590	Business Services	This function focuses on providing customer services for taxes, business licenses, water services, and alcohol licenses.
	2650	Municipal Court	Processes all citations handled through the Court, provides assistance to the Judge, attorneys, solicitors, and defendants.
ECONOMIC DEVELOPMENT	1570	Public Information	Efforts serve to help create an informed and involved citizenry.
	6190	Special Facilities & Activities	To provide the funding of production costs of event related activities for the City.
	7510	Economic Development	Oversees all marketing efforts for the City, manages the tourism dollars, manages all City economic development activities including business retention and recruitment, and provides public art to the community with a range of artistic styles.
	7520	Downtown Suwanee	Enables the Downtown district to become the social, economic, and cultural heart of Suwanee through redevelopment and historic preservation.
FINANCIAL SERVICES	1511	Financial Administration	Responsible for the accounting and financial reporting of all City operations and is entrusted with collecting, depositing, and investing all City funds.
	1512	Accounting	Primarily responsible for the external audit of the City's financial records and preparation of the annual financial report.
PARKS & PUBLIC WORKS	4100	Public Works Administration	Maintains safe and functional City buildings, infrastructure, traffic signage, street, water system, and City vehicles.
	4221	Paved Streets	For the repair and maintenance of all streets within the City limits.
	4250	Storm Drainage	For the repair and maintenance of the storm drainage infrastructure and for the issuance of the City's MS4 (Stormwater) Permit.
	6220	Park Areas	Provides maintenance services for all parks and the Suwanee Greenway.

PLANNING	1120	Legislative Committees	Consists of two boards; the Planning and Zoning Commission, and the Planning and Zoning Appeals Board.
	7200	Protective Inspection	To enforce requirements as adopted by the City in order to safeguard the public health, safety, and general welfare of life and property.
	7400	Planning & Zoning	Responsible for managing current and long-range planning activities and overseeing development review activities.
	7450	Code Enforcement	Works with both residences and business in the enforcement of building, zoning, and public nuisance ordinance.

POLICE	3210	Police Administration	Plans, directs, and manages the Police Department including patrol services, investigations, communications, training, community policing, and public relations.
	3221	Criminal Investigation	Responsible for the protection of persons, the apprehension of criminals, the recovery of property, and the prevention of crime.
	3223	Patrol	Strives to provide the highest quality of Police services while maintaining and improving the quality of life for citizens, businesses, and the motoring public.
	3224	Records & Identification	Maintains accurate records of arrests, reported crimes, and traffic related incidents.
	3240	Police Training	Protects the lives, rights, property, and dignity of all citizens and visitors of our City by providing all members of the Police department with the best training possible.
	3250	Special Detail Services	Police Officers who work off-duty assignments at various events and businesses within the City.
	3260	Police Station	To provide a quality work environment for the members of the police department with preventive building maintenance and technologically forward planning for the future.
	3261	Police Substation and Training	To provide a Police Substation in the Gateway area that includes a training center and firing range.
	3270	Dispatcher	Answers all emergency and non-emergency phone calls made to Suwanee Police, then dispatches all calls for service where police service is needed.
	3285	Public Relations	Foster an atmosphere of mutual trust, cooperation, and respect with the public.

NON-DEPARTMENTAL	1530	Law	The City Attorney has the responsibility of responding to request for advice and in answering legal matters.
	1535	Data Processing	Provides secure, efficient, innovative, and cost effective data communication services that will support and enhance the daily business operations of the City.
	1565	General Government Building	Manages the building operations and maintenance activities for the City's Governmental facilities.
	9100	Other Financing Uses	Accounts for the transfer of funds from the general fund to other funds.

City Manager Marty Allen & Councilmember Dan Foster by City of Suwanee

**A resolution to adopt the fiscal year 2014-2015 budget for each fund of the City of Suwanee, Georgia, appropriating the amounts shown in each budget as expenditures/expenses, adopting the items of revenue anticipations, prohibiting expenditures/expenses from exceeding actual funding available.**

**WHEREAS**, the City Manager has presented a proposed fiscal year 2014-2015 Budget to the City Council of each of the various funds of the City; and

**WHEREAS**, the budget lists proposed expenditures/expenses for the fiscal year 2014-2015; and

**WHEREAS**, each of these budgets is a balanced budget, so that anticipated revenues for each fund equal proposed expenditures/expenses.

**NOW, THEREFORE, BE IT RESOLVED THAT** this budget, Attachment "A" attached hereto and by reference made a part of this resolution, shall be the City of Suwanee's budget for the fiscal year 2014-2015; and

**BE IT FURTHER RESOLVED** that this budget be and is hereby approved, and the revenues shown in the budget for each fund are adopted, and that the amounts shown in the budget for each fund as expenditures/expenses are hereby appropriated to the departments named in the fund; and

**BE IT FURTHER RESOLVED** that the expenditures/expenses shall not exceed the appropriations authorized by this budget or amendments thereto provided; and

**BE IT FURTHER RESOLVED** that this budget contains appropriations for Intergovernmental agreements, and that the City Council authorizes the City Manager to execute such agreements.

**ADOPTED** this 24<sup>th</sup> day of June 2014.

\***Business Services** is a newly created department. Team members from Council & Chief Executive, Administrative Services, and Financial Services were transferred to create this new department. No additional staff were added to create this new customer service focus department.

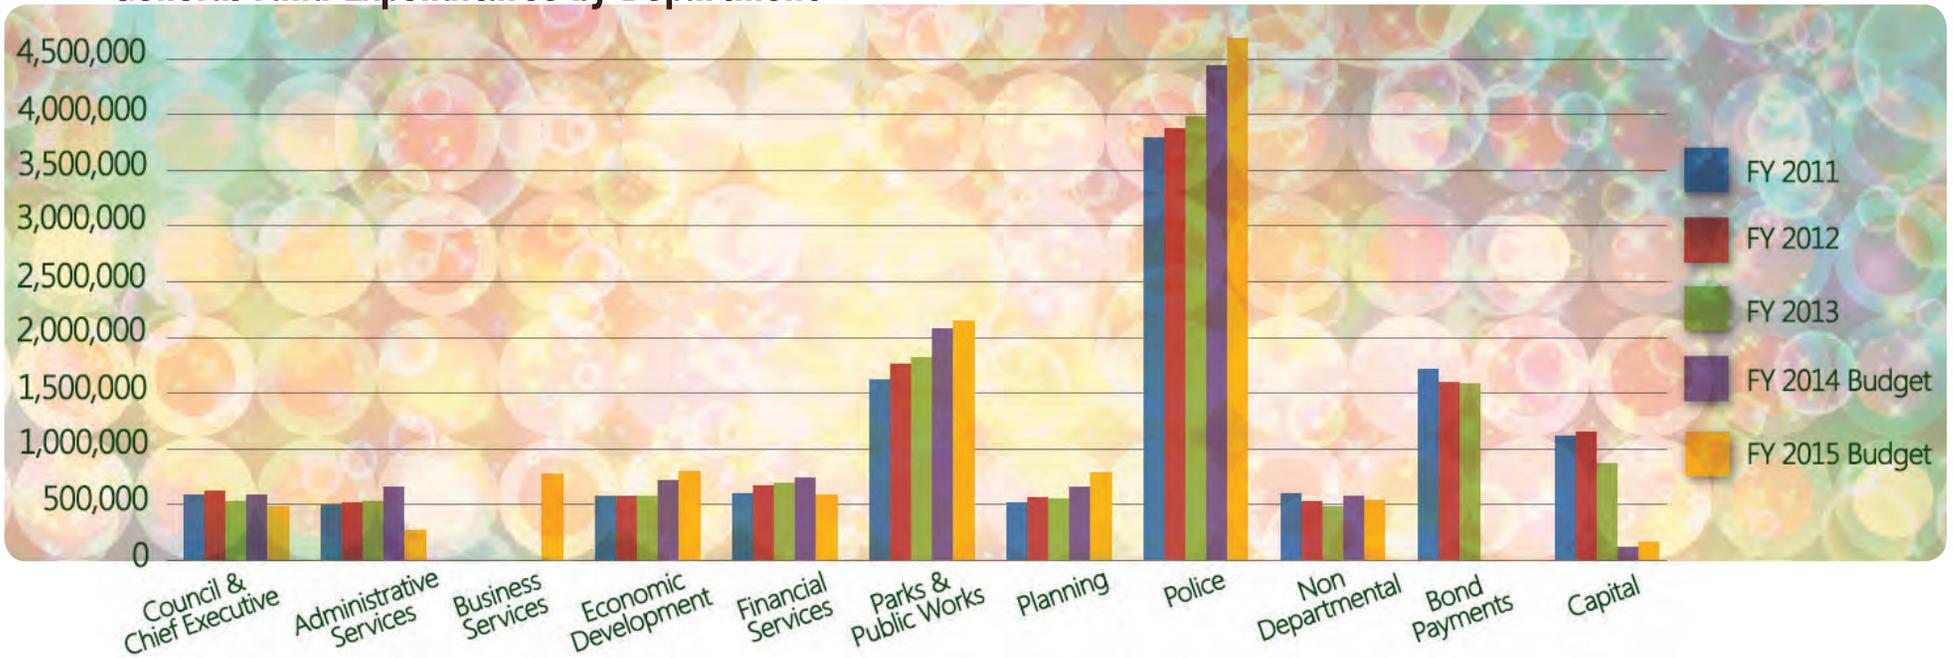

\*\* **Change in accounting practice:** During fiscal year 2014, Suwanee implemented a new accounting system. The new accounting system receipts property tax collections based on operating and debt service millage rates into the general fund and the debt service fund. Based on this change in technology, fiscal year 2014 budget was amended to remove the debt service millage rate receipts and transfer to the debt service fund.

\*\*\***The difference in FY 2014 Current Budget** and the FY 2015 Adopted Budget is due to fourth quarter FY 2014 capital improvement prefunding of \$1,740,580. Prefunding Suwanee's capital improvement program is part of Suwanee's pay-as-you go financing for capital projects.

## Property taxes

Property taxes include taxes on real and personal property, motor vehicle, mobile homes, and intangible taxes. This category represents 33% of the total FY 2015 budgeted general fund revenues. These taxes are projected based on estimated growth of the state approved tax digest at millage rates adopted by Council. Current economic conditions have shown property values increasing. Values have been increasing due to rising property values (re-assessments) and growth due to new construction.

To determine the value due to re-assessments, fiscal year 2014 projected total collections was used as the base and then a 5% increase was applied on real property and 2.5% increase was applied to personal property.

To determine the value added due to new construction growth, calendar year 2013 building permit activity was reviewed. Based upon this review, \$107,500 of assessed value was added to the current digest. In total, approximately 9% increase in property taxes from projected current year collections has been predicted for fiscal year 2015.

**Change in accounting practice:** During fiscal year 2014, Suwanee implemented a new accounting system. The new accounting system appropriately receipts property tax collections based on operating and debt service millage rates into the general fund and the debt service fund respectfully. Based on this change in technology, fiscal year 2014 budget

was amended to remove the debt service millage rate receipts and transfer to the debt service fund. Comparisons to fiscal year 2005 - 2013 include both operating and debt service millage rates. The reduction noted in fiscal year 2014 and 2015 is due to the technology change and not a decline in property tax values.

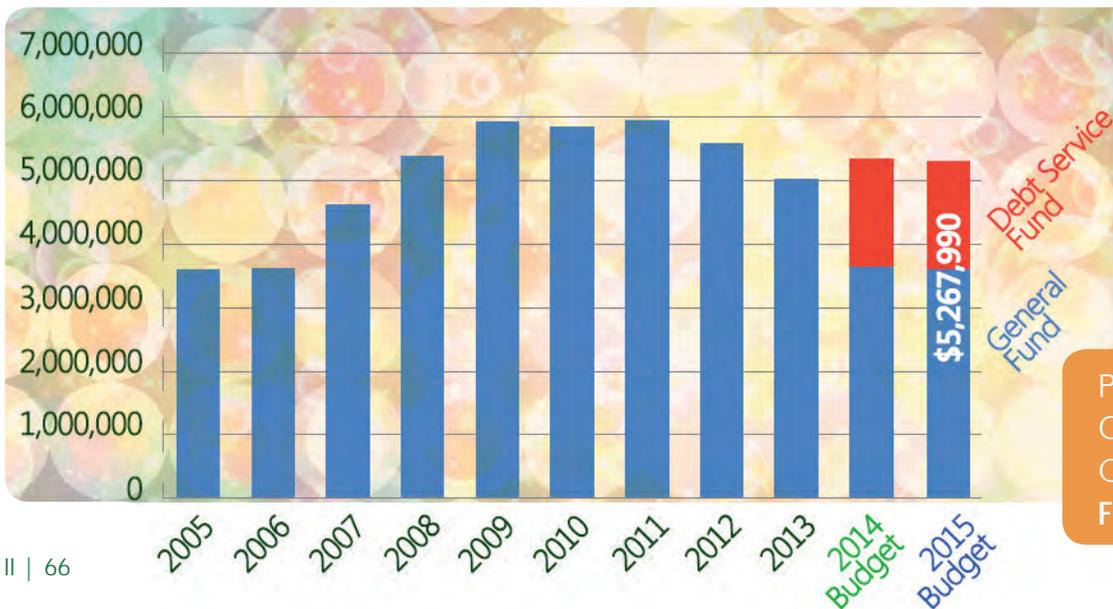

Real estate transfer tax revenues were projected using a rolling three-year average of change applied to the fiscal year 2014 collections. Motor vehicle used the lowest monthly collection value to predict a twelve month value. The new title tax, included in selective use taxes but combined with property taxes for budgeting, uses fiscal year 2014 as the base year. Motor vehicle taxes will continue to decline as new vehicle are purchased and the selective use tax is applied.

### FIRST METHOD: Summary of trend review of real and personal property

Projected FY 2014 Collection	\$	<u>4,340,234</u>
Projected FY 2015:		
Real estate	\$	3,963,178
Personal property		<u>684,864</u>
TOTAL FY 2015 PROJECTION	\$	<u>4,648,042</u>
Increase	\$	307,808
% Increase from PY collection		7%
Assumed Millage Rate		
Operating		3.24
Debt Service		<u>1.69</u>
TOTAL		<u>4.93</u>

### SECOND METHOD: Building Permit Activity

90 % of Construction Value	\$	<u>54,489,357</u>
Assessed Value @ 40%	\$	21,795,742.80
Millage Rate		<u>4.93</u>
Estimated Construction Value Added	\$	<u>107,453.01</u>

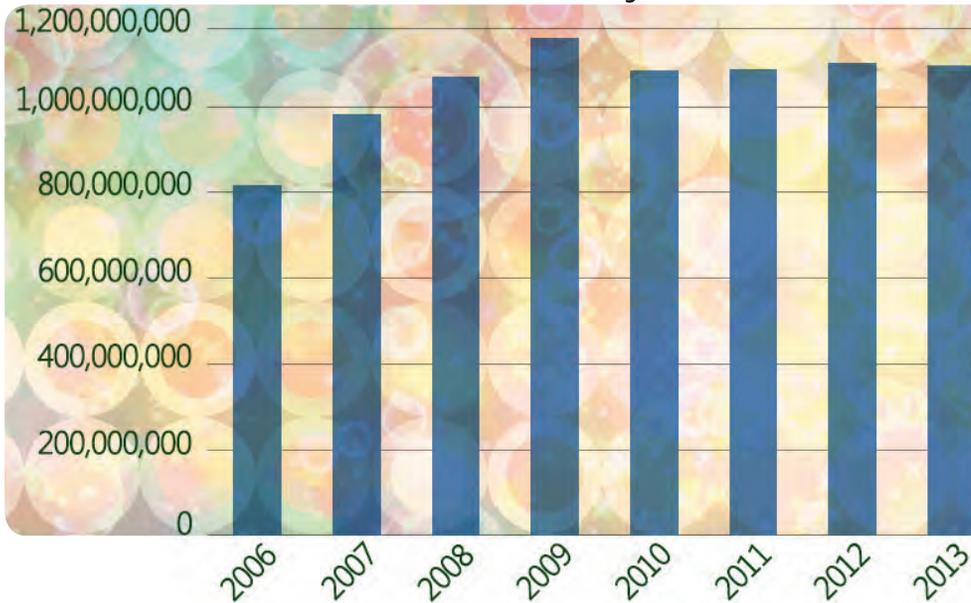

Projected FY 2014 Property Tax Revenues \$3,470,580  
 Original FY 2014 Budget \$4,965,350.  
 Current FY 2014 Budget \$3,688,490.  
 FY 2015 budget is a .3% decrease from FY 2014.

Assessed Values by Year

2013 Assessed Values

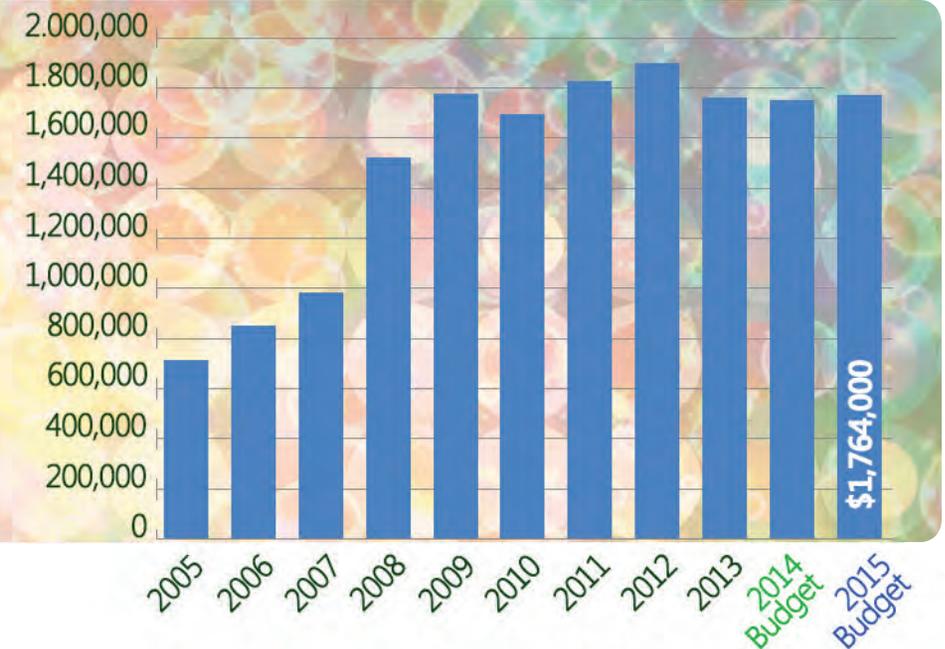

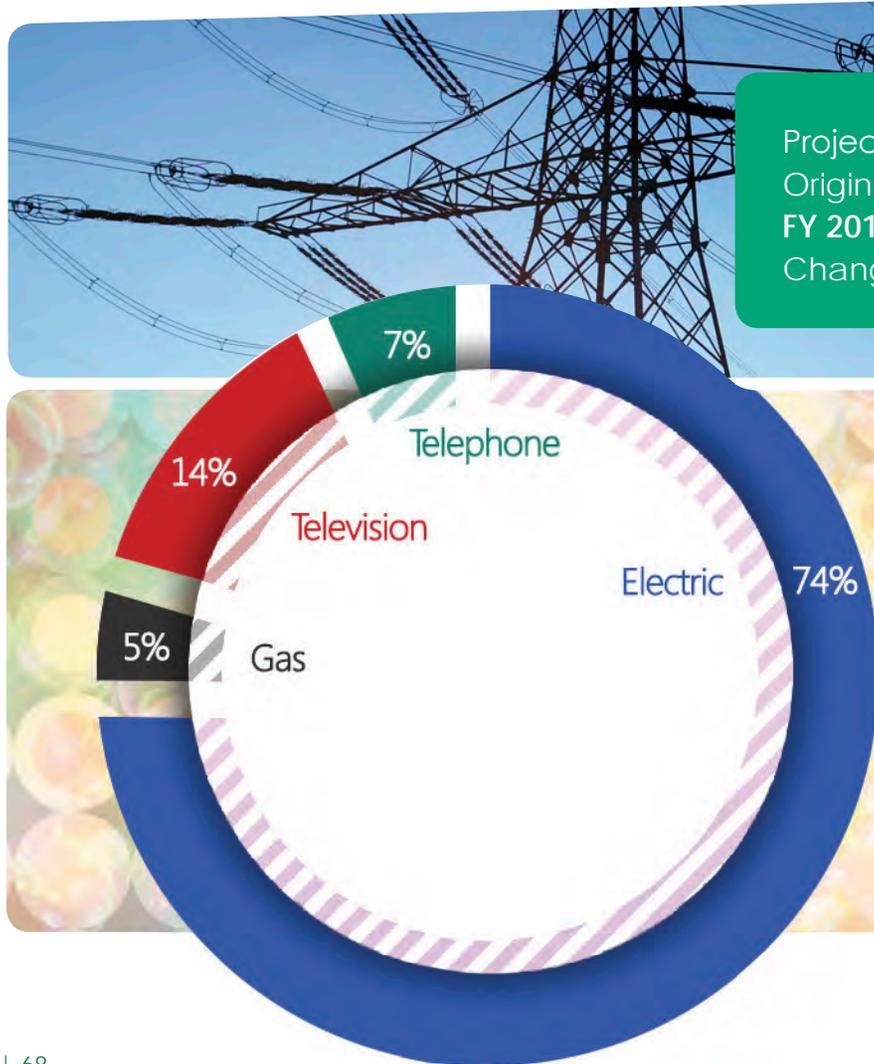

## Utility franchise fees

Franchise taxes are the fees charged to utility companies for use of City streets and rights-of-way to conduct their private business of delivering natural gas, telephone, cable television, water, and other fiber optics cable services. This category represents 14% of the total FY 2014 general fund revenues. Revenue projections are typically based on historical trends in conjunction with current economic indicators and past climate conditions. A cold winter and a hot summer will produce

additional power usage and cause the fees to increase. These fees are deposited in the general fund and are used along with other sources to support City operations.

The various utilities conducting business in the City are Atlanta Gas Light, Georgia Power, Jackson EMC, AT&T Communications, Birch Telecom, Charter Communications, and Time Warner.

Projected FY 2014 Franchise Fees \$1,717,013  
 Original FY 2014 Budget \$1,748,950. Current Budget \$1,748,950.  
 FY 2015 percentage of change from FY 2014 budget is a .9% increase.  
 Change from 2014 projected is \$46,987 increase.

## Franchise Fees

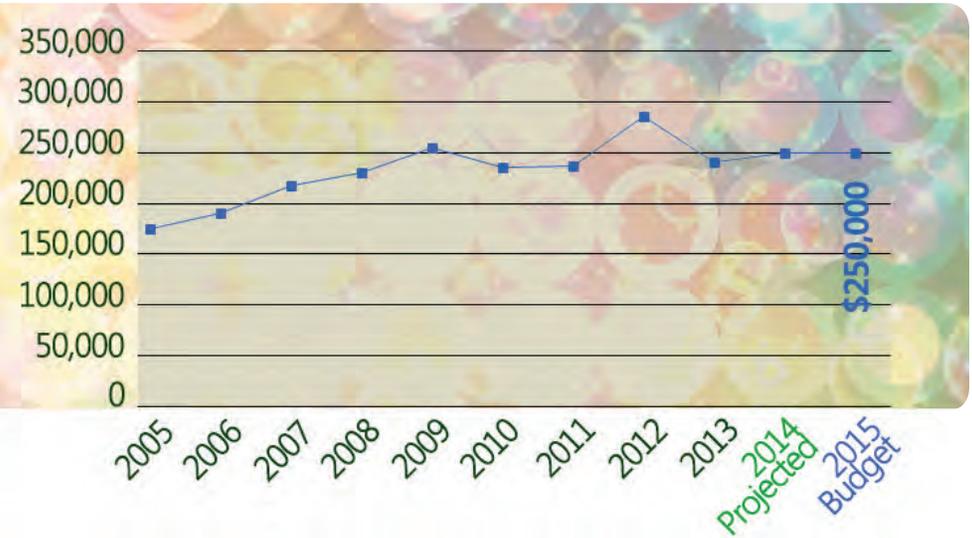

### ELECTRIC

Electric franchise fees were projected using fiscal year 2014 actual (flat line).

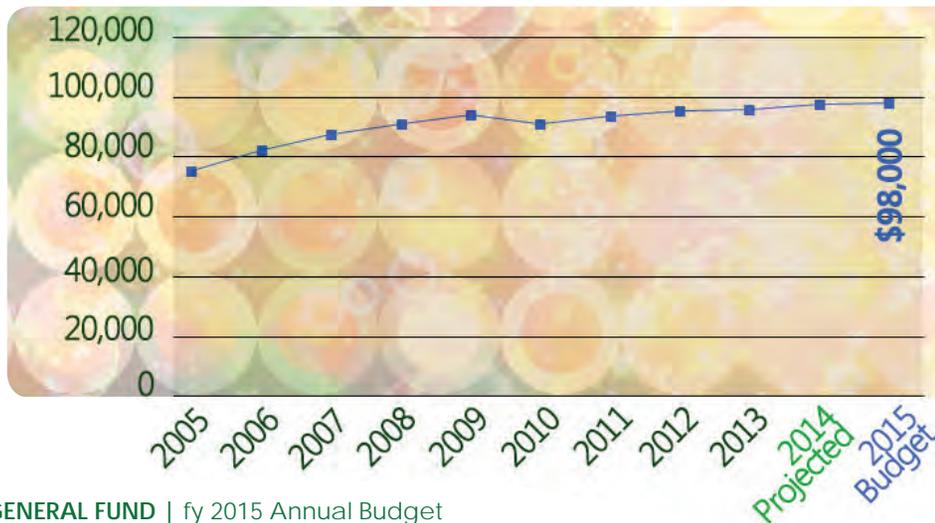

### CABLE TELEVISION

Cable television franchise fees were projected based on 2014 projected collections flat lined.

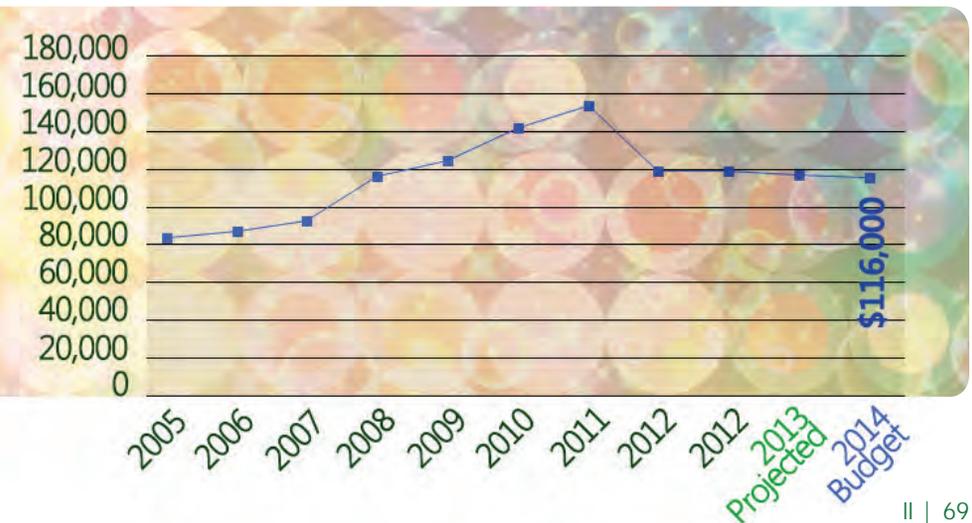

### GAS

Gas rates are changed in December of each year. Gas franchise fees were projected using the current rate for six months and the two year average rate for the remaining six months.

### TELEPHONE / INTERNET

Telephone/internet franchise fees were projected based on 2014 projected collections flat lined.

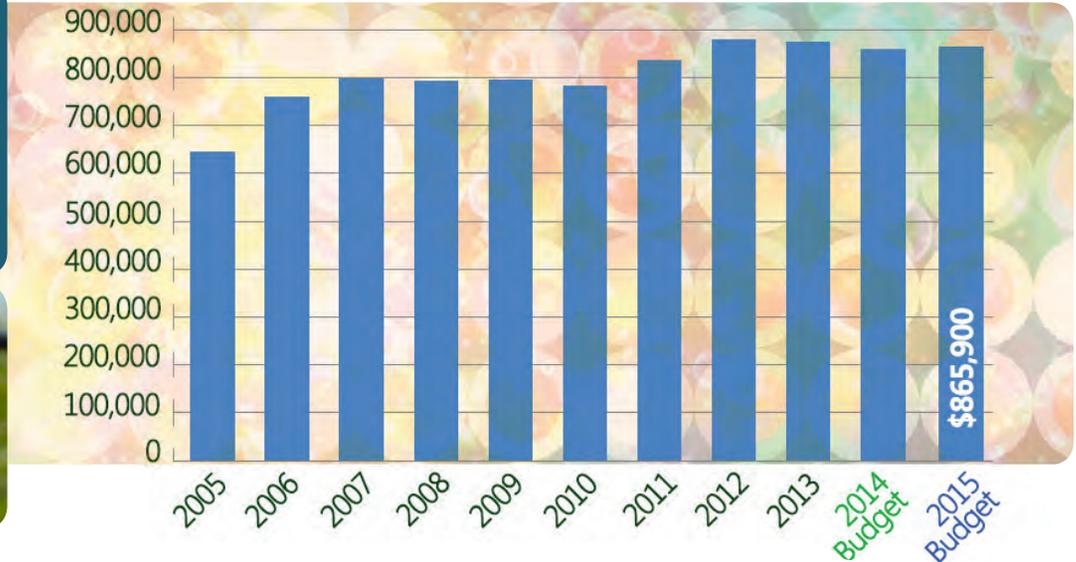

## Alcoholic beverage taxes

Alcoholic beverage taxes are levied on the sale, distribution, or consumption of selected goods and services. Included in this category are taxes imposed on the distribution of distilled spirits, malt beverages, and wine. Taxes are also imposed on the sale of distilled spirits by the drink. This category represents 8% of the total FY 2015 general fund revenues.

Revenue projections are based on historical trends in conjunction with current economic indicators. Current economic trends have noted a stabilization of these revenue sources. Based on current trends, these revenues were projected to increase by 1% from 2014 projected actuals.

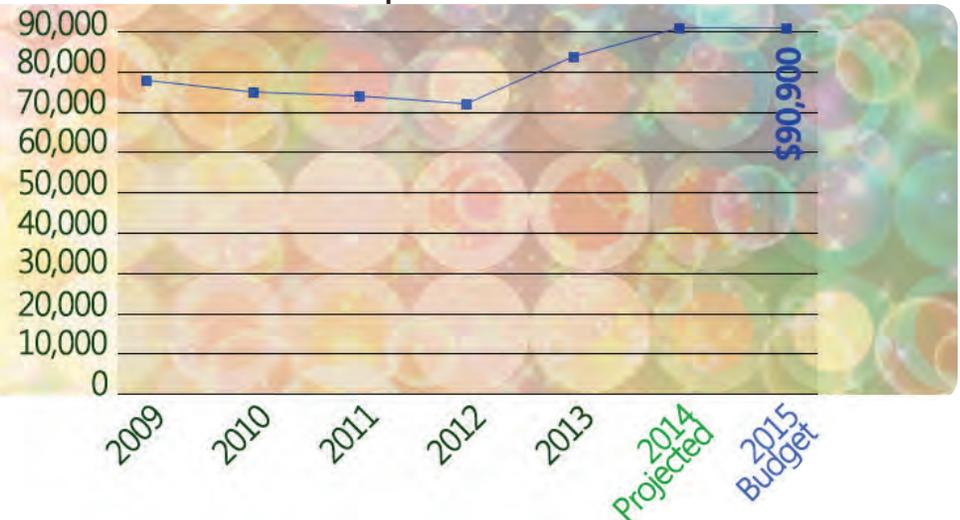

Projected FY 2014 Alcoholic Beverage Taxes **\$852,864**  
 Original FY 2014 Budget **\$860,500**  
 Current Budget **\$860,500**  
 FY 2015 percentage of change from FY 2014 budget is a .6% increase.

Alcoholic Beverage Excise

Local Option Mixed Drink

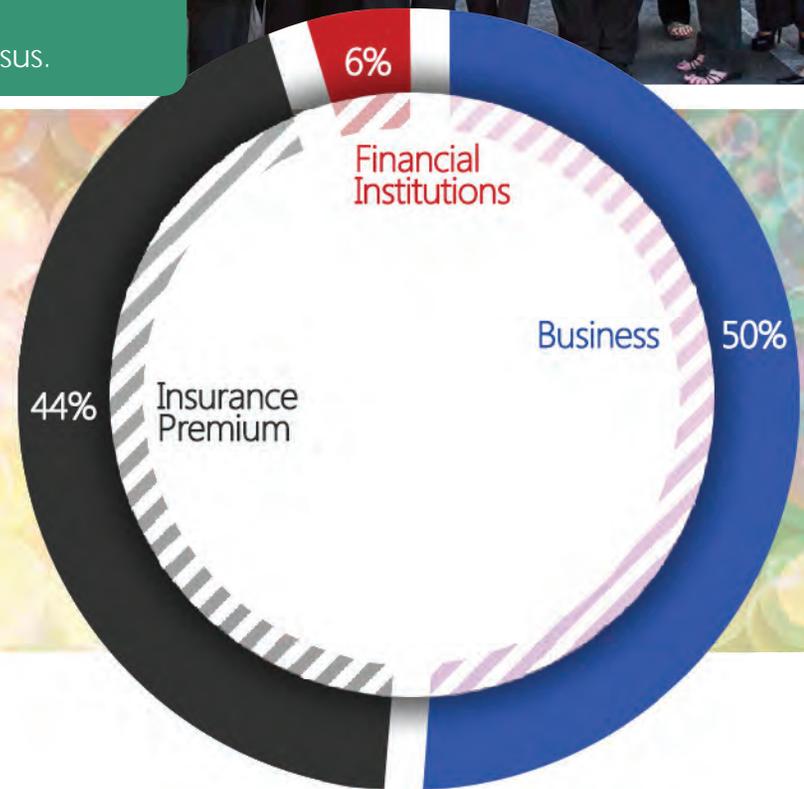

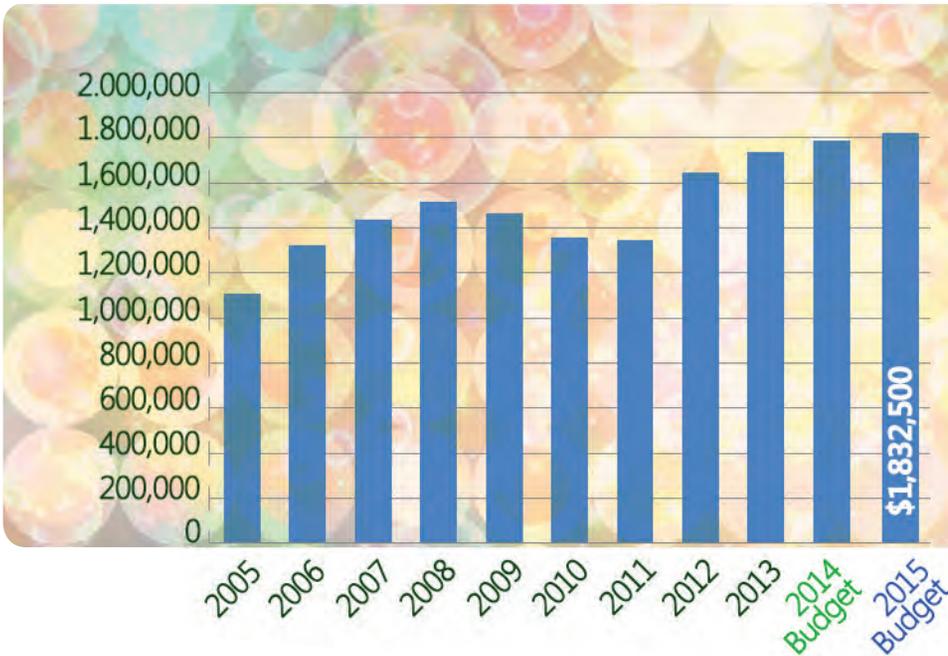

## Business taxes

This category includes revenues realized from business and financial institutions' occupational licenses and excise taxes on insurance premiums written by insurance companies conducting business within the City. This category represents 16% of the total FY 2015 general fund revenues. Projections are based on historical trend analysis, economic indicators, and anticipated economic growth. Current estimates for business and financial institutions' occupational licenses assume a 2% growth based on projected FY 2014 collections.

Excise taxes on insurance premiums written by insurance companies conducting business within the City are allocated from the state to local governments based on current census data. Official Census data is updated every ten years. This tax will grow at a modest 2.5% until the next official census.

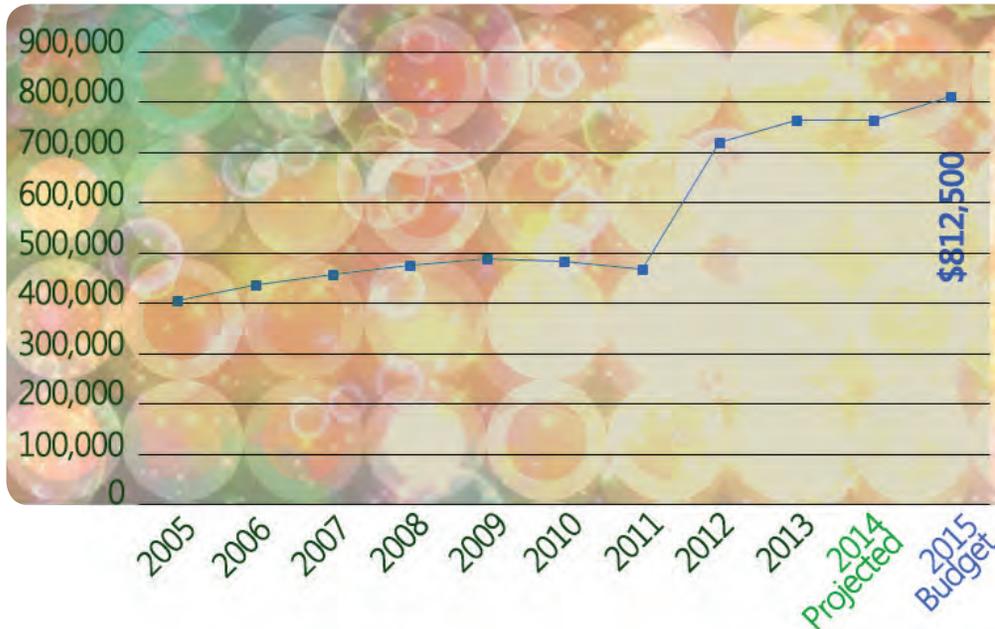

Projected FY 2014 Business Taxes Revenue \$1,799,001  
 Original FY 2014 Budget \$1,765,480. Current Budget \$1,782,480.  
 FY 2015 percentage of change from FY 2014 budget is a 2.8% increase.  
 FY 2012 revenues include a one-time anticipated increase from the state insurance premium tax as a result of the 2010 census.

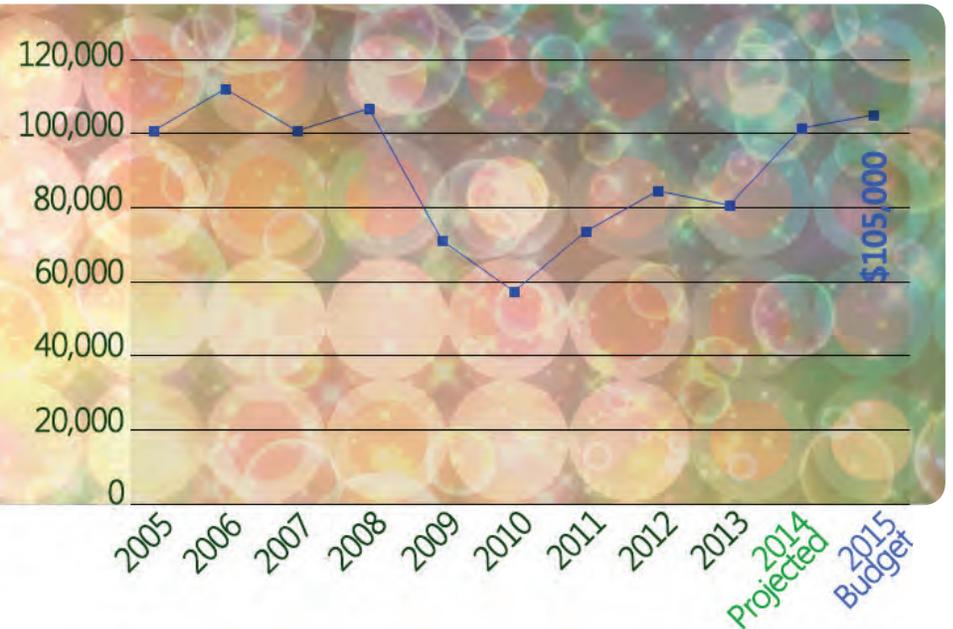

Business & Occupation

Insurance Premium

Financial Institutions

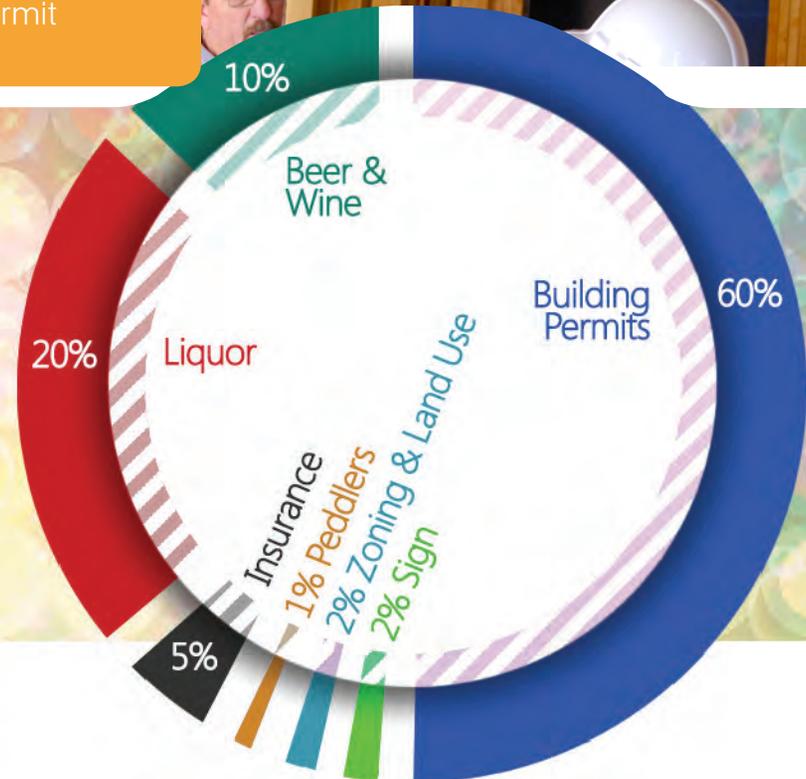

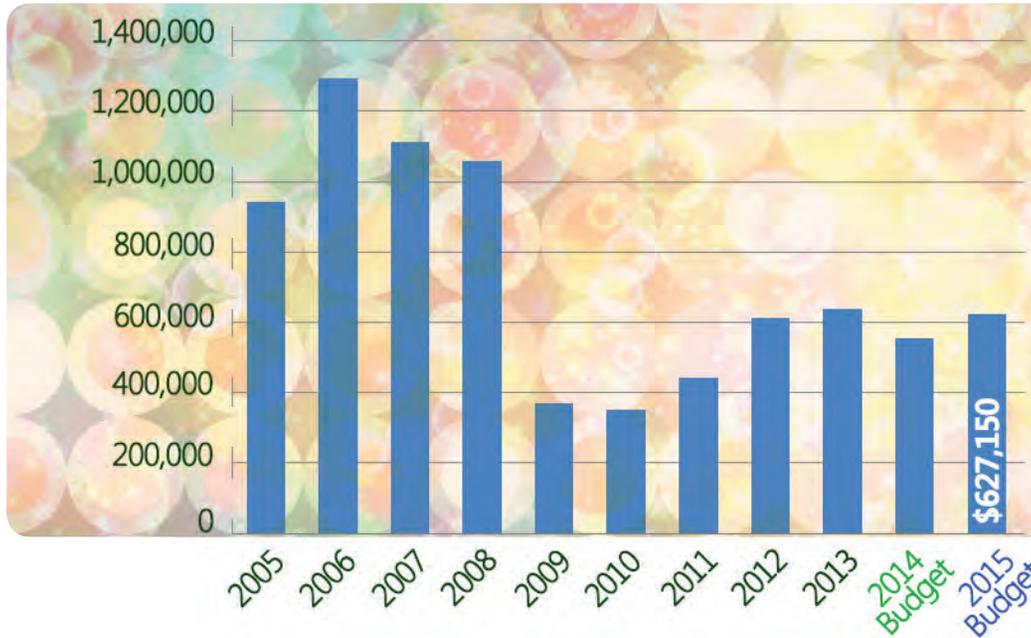

## Licenses and permits

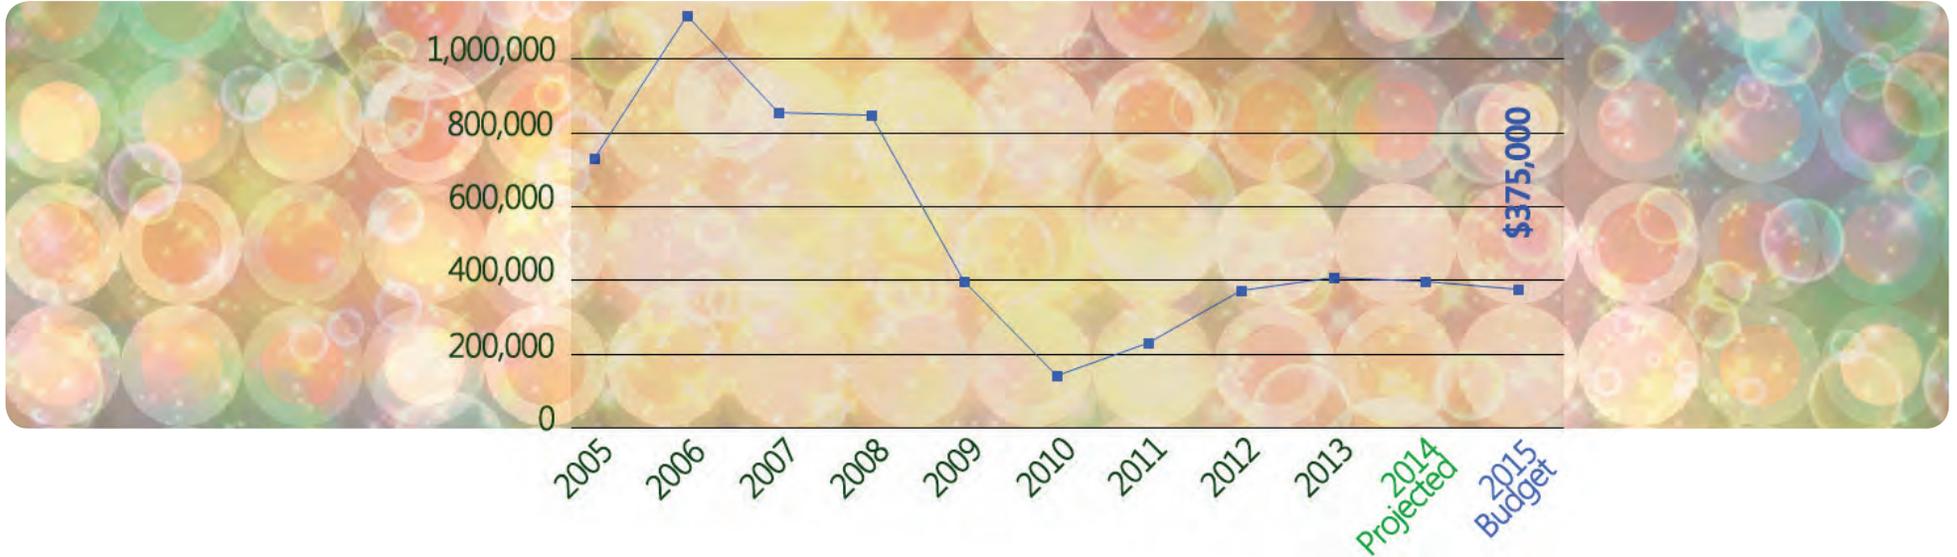

Licenses and permit fees include revenues realized from alcoholic privilege licenses, peddler license fees, fees for issuance of licenses to insurance companies that sell policies within the City, fees received from applications for zoning amendments, site plan reviews, special use and variance, and fees for sign permits. Regulatory fees charged for building permits and inspections also are included in this section. The revenue projections in this category are based on historical growth trends. Some of the larger changes in prior years are due to a new business receiving two alcohol

licenses during one fiscal year and the building expansion that occurred in fiscal years 2005 thru 2008. In fiscal year 2011, the City changed its alcohol ordinance to allow for pro-rated licenses. There have been no other changes to the rate structure. This category represents 5% of the total FY 2015 general fund revenues.

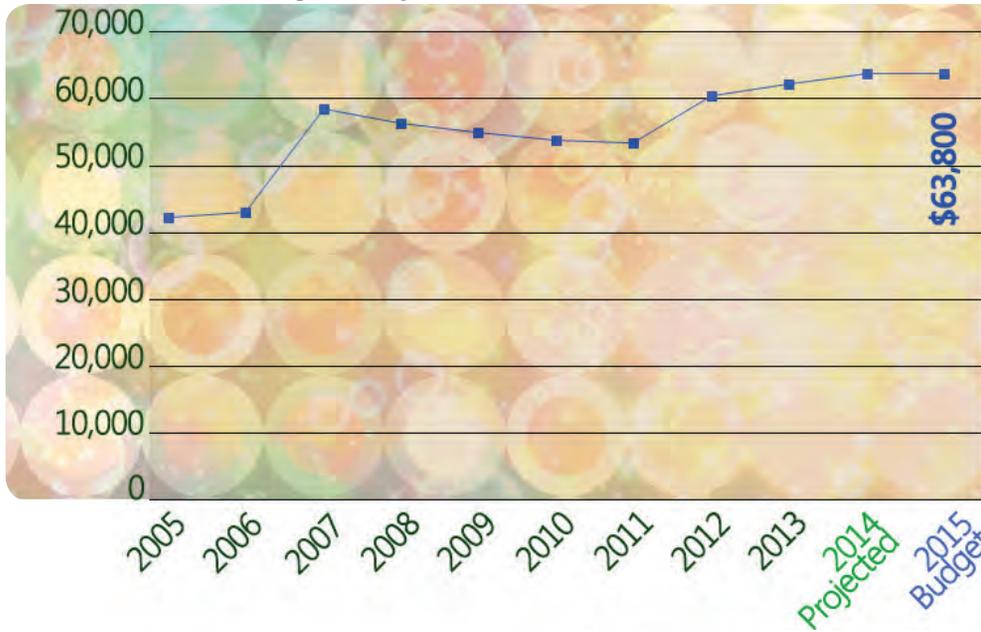

Projected FY 2014 Licenses and Permits Revenues \$643,315.  
Original FY 2014 Budget \$486,700. Current FY 2014 Budget \$556,700.  
FY 2015 percentage of change from FY 2014 budget is a 13% increase.  
This increase is due to a proposed data center interior expansion permit expected to be pulled during FY 2015.

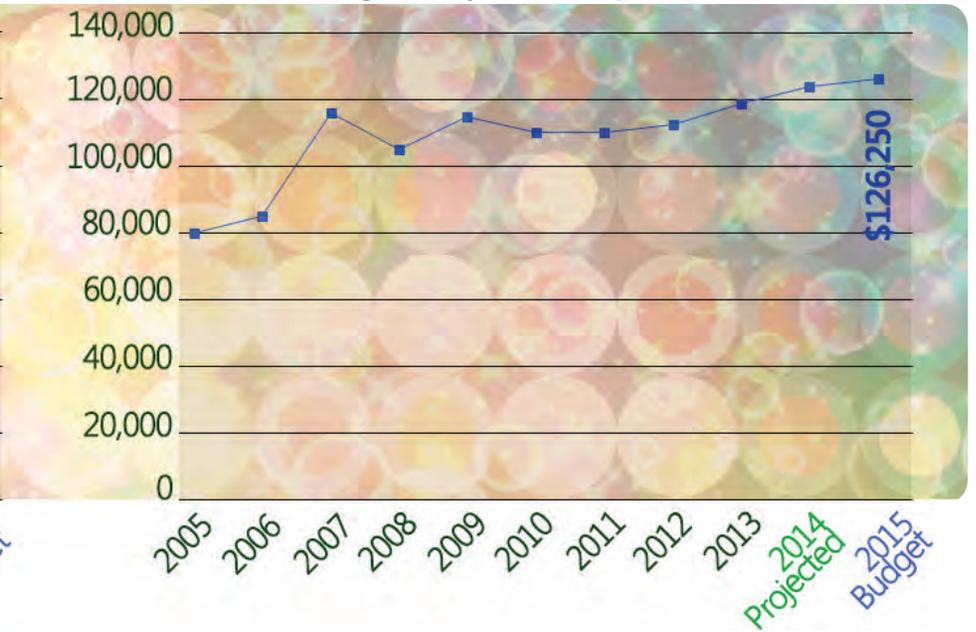

Building Permits

Regulatory Fees: Beer & Wine

Regulatory Fees: Liquor

The two charts above remove the duplicate license fees paid in fiscal year 2010 and 2011 for trend analysis purposes. In FY 2012, the alcohol ordinance was changed to allow pro-rating of fees.

## Intergovernmental

This category includes the annual negotiated settlement from Gwinnett County regarding service delivery. These payments are annual payments and will continue until fiscal year 2019, when the next service delivery strategy will be negotiated. Currently the projected amount of \$807,190 represents .85 mills. This calculation was used to offset the fiscal year 2015 proposed millage rate.

This category represents 7% of the total FY 2015 general fund revenues.

## Fines and forfeitures

Revenues in this category consist of fines and charges imposed by the City's Municipal Court. This category represents 11% of the total FY 2015 general fund revenues. Council sets some of the charges while others are mandated by the State and adopted by Council. Projections are based on rates set by the City Council and historical trends.

Fiscal year 2015 projections used a rolling five year average of receipts received from fiscal year 2010 thru 2014.

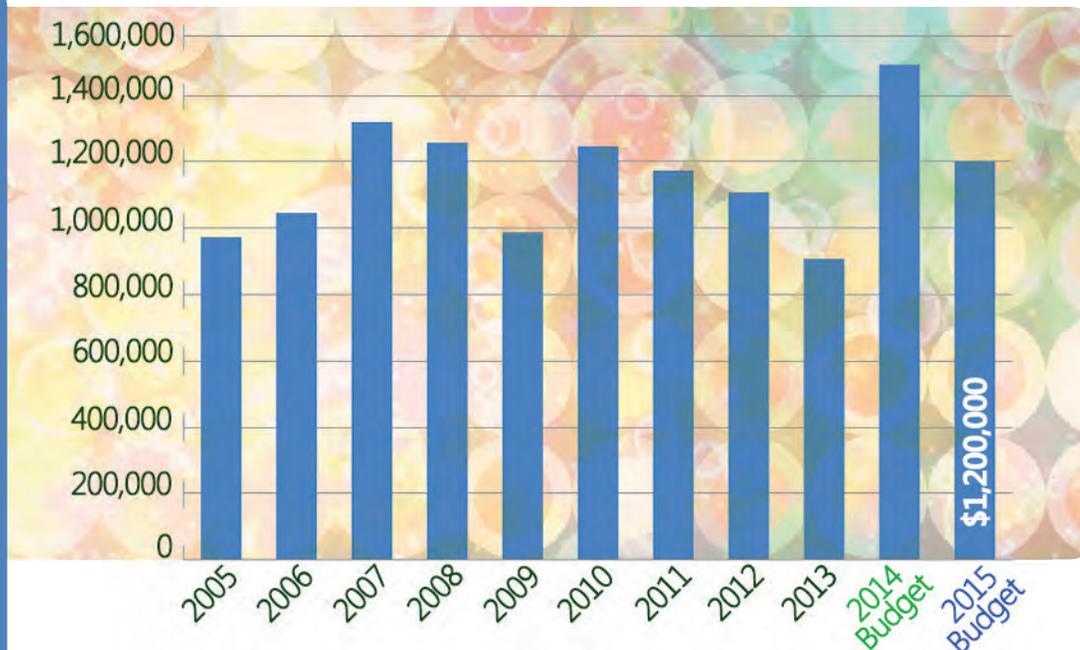

In fiscal year 2007, the City added a new red light camera program. The increase in fines in fiscal year 2007 and 2008 was due to this program. In fiscal year 2009, the City stopped this program, resulting in a decrease of fine revenues. The rate structure was changed in fiscal year 2010 to include a technology fee to cover police software cost. Calendar year 2012 state sanctions were in place regarding the use of radar for traffic control resulting in a decline in revenues.

Projected FY 2014 Fines and Forfeitures **\$1,524,610**

Original FY 2014 Budget **\$1,103,030**.

Current FY 2014 Budget **\$1,524,610**.

FY 2015 percentage of change from FY 2014 budget is a **21.3% decrease**.

## STATEMENT OF SERVICE

The City Council is the legislative governing authority of the City. It consists of a five member City Council and Mayor. The Mayor and all Councilmembers are elected at large, serving staggered four-year terms.

The Council is responsible for enacting City ordinances, appropriating funds to conduct City business, and providing policy direction to the City Staff.

## OBJECTIVES FOR FISCAL YEAR 2015

- Identify and implement strategies that relate to realizing the City's vision and mission.
- Protect and improve the quality of life for City residents by adopting policies that reflect the needs and desires of the majority of citizens living within the City.
- Facilitate implementation of the adopted short-term work program.
- To assist citizens in getting efficient resolutions to their concerns and inquiries regarding City services.

## STRATEGIC ANCHOR POINTS

Strategic Anchors are essentially the filters used when making long-term or notable strategic decisions. These anchors should cause the mayor, council members, and staff to pause and filter decisions, when appropriate, through these anchors. Therefore, when you are about to make a decision that doesn't fit these anchors, something may not be right and the decision may be going against what has made Suwanee successful.

1. **"SUWANEE QUALITY"** – high standards. Others take notice. Not done to receive awards, but awards are likely to follow. Examples: Suwanee Fest, City Hall, City Parks, S.E.E. (Suwanee Exceeds Expectations).
2. **UNIQUE** – bold, risky, quirky, artsy, cool, different, innovative, eye-catching. It hasn't been done before and if it has it will be different in Suwanee. The normal solution is not the solution in Suwanee. We push the limits of the status quo. Examples: City Hall Art, Community Garden.
3. **REMARKABLE** – attracting attention by being special, unusual or extraordinary. Worthy of remarks from others, both supportive and critical. Examples: City Hall design, marketing campaigns.
4. **VISIONARY** – lasting beyond those who make the decisions. Examples: Suwanee Town Center, Suwanee Gateway, Land use.

## COUNCIL VISION STATEMENT

We will lead by:

1. Promoting safe, sustainable and balanced growth meaning:
    - Aesthetically pleasing
    - Balance of business and commerce
    - Diverse population
    - Housing choices
    - Growth management
  2. Demanding (taking a proactive approach to) natural resource preservation meaning:
    - Environmental features
    - Greenspace
  3. Demanding progressive and responsible government meaning:
    - Open
    - Ethical
    - Efficient
    - Embracing change
- ...WHILE BUILDING A STRONG SENSE OF COMMUNITY.

## COUNCIL CODE OF CONDUCT

### WHAT WE COMMIT TO EACH OTHER...

- We will listen to each other objectively and openly.
- We will be informed prior to our debate.
- We will disagree with passion and respect.
- We will stay focused on the overall and long range good of the city.
- We will take our action, lay aside our differences, and move forward.
- We will support the actions of the council even though we may continue to disagree.
- We will seek to build a culture of trust.

## STATEMENT OF SERVICE

The City Manager's office is responsible for carrying out the City Council's policy decisions, for providing vision and leadership to the organization, and for overseeing the day-to-day operations. The City Manager is charged with preparing and submitting an annual budget, and staff hiring and retention.

The City Manager is responsible for:

- The direction, supervision, and review of departmental operations.

- Preparation of the annual operating and capital improvement budget.
- Responding to citizens concerns in a responsible and effective manner.
- Executing policies and directives.
- Ensuring that the affairs of the City are conducted in an effective and responsible manner to the benefit of City residents.
- Begin implementation for 20/20 Vision Strategic Plan.

## GOALS

1. Implement the goals of the Mayor and Council.
  - *STWP, Comprehensive Plan, Strategic Anchor Points, Strategic Plan Implementation, City Services, pages 316-326*
  - *CIP, Equipment & Vehicles Projects, Facilities, and Transportation, pages 299-300 & 307-308*
2. Ensure smooth day-to-day operations of the City.
3. Maintain high quality staff and high morale.
  - *STWP, City Services, Staffing, Strategic Anchor Points, pages 322-326*
4. Provide adequate maintenance to existing capital facilities.
  - *STWP, Facility Maintenance, page 324*
  - *CIP, Parks & Facilities Projects, Facility Maintenance, page 303*
5. Provide staff with direction and assistance in implementation of their duties, assignments and projects.
  - *STWP, City Services, Staffing, Strategic Anchor Points, pages 322 & 326*
6. Manage annual and capital budgets.
  - *STWP, City Services, Staffing, pages 322-326*
  - *CIP, Equipment & Vehicles Projects, Parks & Facilities Projects and Transportation Projects, pages 299-308*
7. Continue to work to provide quality services to citizens, residents, business operators, property owners, visitors and others within fiscal constraints.
8. Respond to Council's day-to-day needs.
  - *STWP, City Services, Staffing, Strategic Anchor Points, pages 322-326*
9. Reinforce City's culture. Empower employees to make decisions and be creative.
  - *STWP, Strategic Anchor Points, Strategic Plan Implementation, City Services, Staffing, pages 318-326*
10. Remain a regional leader.
  - *STWP, Strategic Anchor Points, Awards, Board Training, City Services, Citizen Engagement, Comprehensive Plan, Downtown Suwanee Master Plan, National Citizen Survey, Public Arts Master Plan, Staffing, pages 314-326*

## OBJECTIVES FOR FISCAL YEAR 2015

1. Evaluate and implement, as needed, organizational structuring to create a Business Services Department.
  - *STWP, Business Services Department, City Services, pages 314-322*
2. Evaluate and implement, as needed, daytime court proceedings.
3. Successfully issue RFP for probation services.
  - *STWP, Municipal Court Sessions, City Services, pages 314-322*
4. Oversee Capital Project implementation for:
  - Buford Highway Reconstruction implementation.
  - Pedestrian Bike Plan implementation.
  - Brushy Creek Greenway implementation.
  - Wayfinding Signage implementation.
  - *CIP, Transportation Projects, Buford Highway Corridor Improvements, Pedestrian Bicycle Plan Projects, Brushy Creek Greenway, and Wayfinding Signage, pages 307-308*
5. Conduct the 2014 National Citizen Survey®.
  - *STWP, National Citizen Survey, Citizen Engagement, and Strategic Plan Implementation, pages 314-318*
6. Develop project list and begin implementing 2014 SPLOST program.
  - *STWP, Comprehensive Plan, Downtown Suwanee Master Plan, Park Enhancements, Road Improvement Projects, Strategic Plan Implementation, pages 314-318*
  - *CIP, Transportation Projects, Stormwater Projects, Park Enhancement Projects, pages 303-308*
7. Other projects identified by the Mayor and Council.
  - *STWP, Comprehensive Plan, Strategic Plan Implementation, City Services, pages 316-322*
  - *CIP, Equipment & Vehicles, Parks & Facilities, and Transportation Projects, pages 299-308*

## STAFF MISSION STATEMENT

S.E.E. Suwanee Exceeds Expectations

Our Team Will:

- Strive for protection, well-being, and safety for all,
- Ensure responsible financial management,
- Provide high standards of customer service,

- Demand high ethical standards,
- Foster ownership for all stakeholders,
- Uphold quality, efficient, and effective service standards, and
- Be accountable.

## STATEMENT OF SERVICE

General Administration consists of the Human Resources division as well as the City Clerk. These core values are fundamental to success: support; integrity; professionalism; employee advocacy; staff development; and service delivery.

- The mission of Human Resources is to provide quality services and support to department managers and employees regarding employment, training, employee relations, benefits, compensation and safety in order to attract, develop, motivate and retain a diverse, energetic workforce within a supportive work environment. Human Resources is also responsible for creating and recommending policies to the City Manager in compliance with Federal and State laws.

- The mission of the City Clerk is to comply with Federal, State and City mandates and regulations governing official City Council meetings, actions, and documentation; Elections, codification of City ordinances; and, City-wide policies and procedures concerning official government records. The office of the City Clerk is firmly committed to excellence in public service by providing Elected Officials, the public and City departments accessible records and archives.

## GOALS - General Administration

1. Continue to maintain a high level of customer service to the citizens of Suwanee and co-workers.
  - **STWP, City Services, Strategic Anchor Points, pages 322-326**
2. Continue in all areas of responsibility in accordance with the City's vision and mission statement.
3. Continue to collect data and participate in the ICMA Performance Measures initiative.
4. Perform duties of City Clerk in coordination with Ethics Commission to comply with Council Reporting.
5. Monitor new employee work eligibility verification (E-Verify) as required by O.C.G.A. 13-10-91 and act as the City Systematic Alien Verification Entitlement (SAVE) contact; New Hire E-Verify, DOAA Reporting.
6. Monitor the City's Safety Committee and advise City Manager of progress, challenges and initiatives.
7. Continue training through University of Georgia and complete the mandatory 30 hours training every three years to maintain Municipal Clerk certification (1 training session per year); currently working on Masters Certification.
  - **STWP, Learning Opportunities, page 324**
8. Monitor Title II ADA Compliance.
9. Monitor Title VI Compliance.
10. Semi-Annual update of Code of Ordinances.
11. Department Retreat.
  - **STWP, Staffing, page 326**

## OBJECTIVES FOR FISCAL YEAR 2015 - Human Resources

- Provide assistance in filling open positions so that the open-to-fill ratio of non-professional positions is maintained at an average of 45 days, and the ratio of professional management positions is maintained at an average of 90 days.
- Determine supervisory and employee training and development needs, implement appropriate programs, and administer tuition reimbursement.
- Enhance employee involvement by providing recognition programs and assisting supervisors with employee relations and personnel issues.
- Work in conjunction with the Police Department to obtain national accreditation from the Commission on Accreditation for Law Enforcement Agencies (CALEA).
- Review Employee Handbook annually and provide updates for compliance with Federal and State laws.
- Evaluate vendors and potential service providers.
- Administrate and monitor our Drug Free Workplace; implementing policy, providing training, and initiating testing.
- Compliance with Federal/State regulations.
- Remain educated on new healthcare reform.
- Review and streamline hiring process; research online options.
- Work with Broker to administer, enroll, monitor and educate employees on benefit changes.
- Reconcile benefit change updates and enrollment with HR records and payroll.
- Evaluate positions in compliance with Federal standards.

**GOALS - Human Resources**

1. Continue to stay well informed on employment law changes and Healthcare Reform.
2. Continue to provide recruitment, selection, hiring and retention assistance to City departments.
  - **STWP, Staffing, page 326**
3. Continue to work with PD in CALEA National certification compliance in the areas of Human Resources to include recruiting, promotional process, policies, etc.
  - **STWP, Police CALEA, page 320**
4. Continue to collect data and participate in the ICMA Performance Measures initiative.
5. Redefine recruiting strategy to decrease time to fill.
6. Work with Benefits Broker to maintain and review employee benefit package.
7. RFP for drug free workplace screening.
8. Work with Wellness Team and broker (Ascension) to encourage employees to participate in the Wellness program to create a culture of personal wellness and maximize professional productivity citywide.
9. Begin utilizing BS&A application tracking for recruiting.
10. Use BS&A software as HRIS system. Continue to monitor employee benefits, etc.
11. Continue to provide new employee orientation to provide new hire employees policies and other pertinent information regarding the City on their first day of reporting.
  - **STWP, Staffing, page 326**
12. Develop PowerPoint orientation for 6 months post hire.
13. Continue supervisor and employee training in the following areas:
  - Drug Free Workplace
  - Employee Benefits (lunch and learn sessions)
  - Diversity
  - Unlawful Harassment in the Workplace (February 2013)
  - Employment Law Training for Supervisors
14. Track prior purchase years by enrollment date for GMEBS.
15. Continue training through GLGPA – at least one conference per year.
16. Continue to scan/purge records and files in accordance with retention schedule.
17. Annual Review of the Employee Handbook.
  - **STWP, Staffing, page 326**

## ICMA COMPARATIVE PERFORMANCE MEASUREMENT - 2013 Data Report Summary

Some of the factors that influence the comparability of Human Resources data are:

- Recruitment Process – Some jurisdictions decentralize the recruitment process, with larger departments conducting their own hiring.
- Staffing – Jurisdictions that contract for more services or have broader job classifications may need fewer staff within the central human resources office.

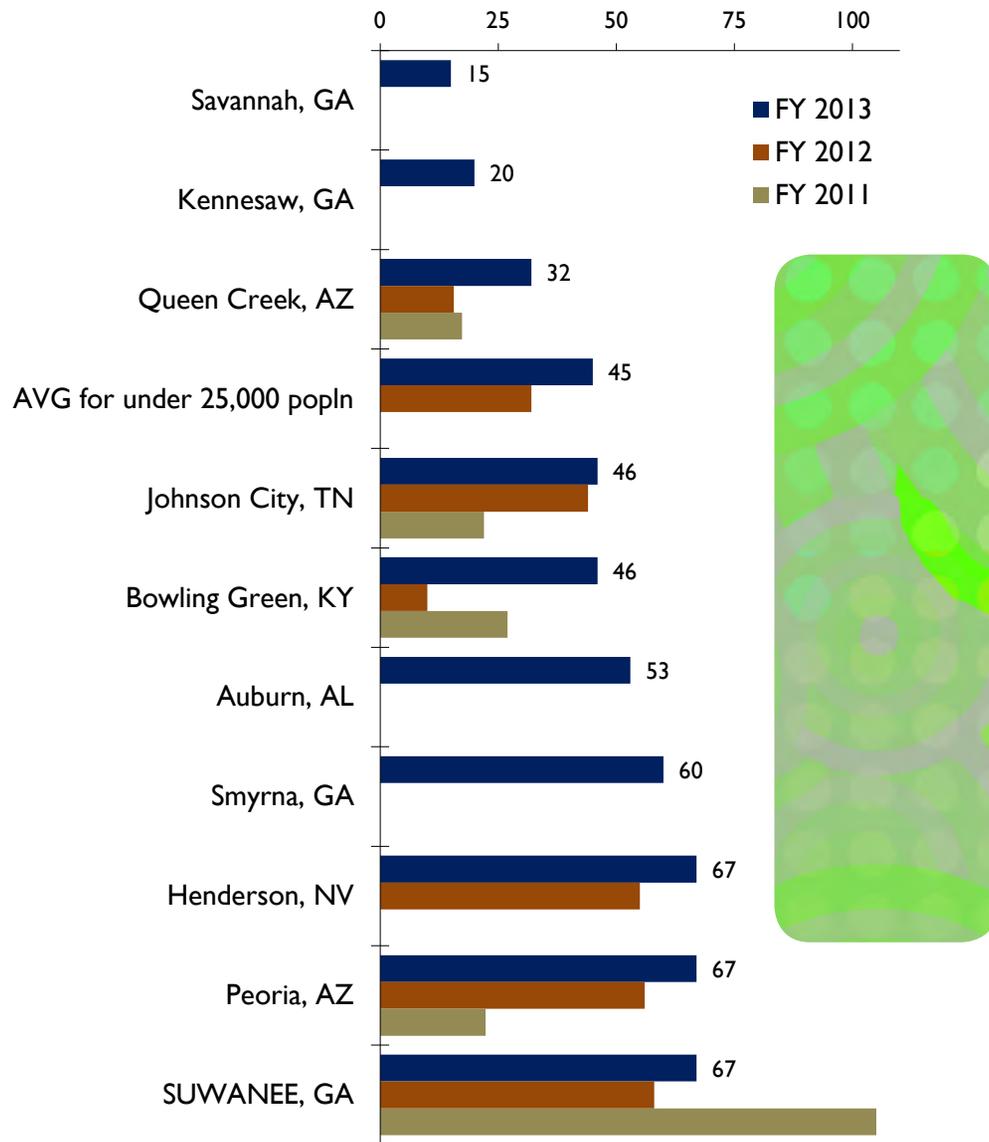

For the 2013 Data Report, 39 jurisdictions provided human resources data.

Descriptive information for the Human Resources services is as follows:

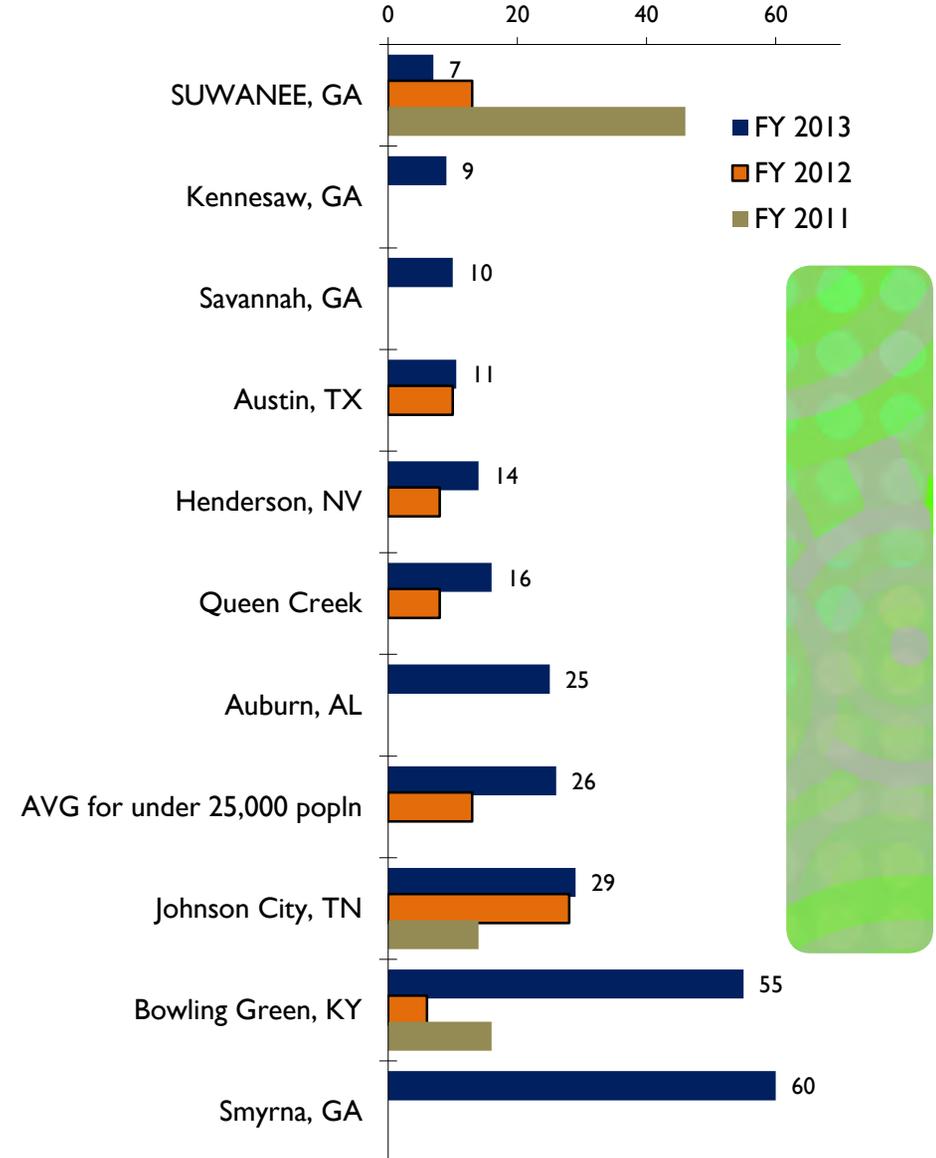

JURISDICTIONS-POPULATION	POPULATION	CENTRALIZED HUMAN RESOURCES STAFF FTES	LARGEST NUMBER OF EMPLOYEES AT ANY GIVEN TIME	EMPLOYEE BENEFITS AS PERCENTAGE OF TOTAL EMPLOYEE COMPENSATION	RECLASSIFICATION REQUESTS FOR OCCUPIED POSITIONS
<b>ALL</b>					
Mean		10.7	2,118	27%	13
<b>Under 25,000</b>					
Mean		1.7	231	28%	4
<b>GEORGIA JURISDICTIONS</b>					
Cartersville	20,041	-	351	-	-
Decatur	19,853	2.7	389	24%	19
Smyrna	51,271	4.0	462	23%	5
Suwanee	16,788	2.8	108	28%	4

## STATEMENT OF SERVICE

The mission of Suwanee's Municipal Court is to provide high quality customer service in an efficient, professional, and fair manner. We seek to maintain the public's respect, confidence, and satisfaction while accomplishing the duties incumbent on our court by the City Charter

and laws of the State of Georgia. We strive to use available tools and programs to reduce instances of recidivism and make the Suwanee community safer. Maintaining and preparing all of the Municipal dockets.

## GOALS - Municipal Court

1. Operations - Ensure that justice is administered in a fair, impartial, professional, and efficient manner.
  - **STWP, Municipal Court Sessions, City Services, pages 314-322**
2. Customer Service - Provide customer service that is consistent with the employee mission statement, "Suwanee Exceeds Expectations."
3. Education - Provide training opportunities for court personnel to ensure mandated training is completed and the court is providing "Suwanee Quality" services. Offer educational programs to defendants, as appropriate, in order to reduce rates of recidivism.
  - **STWP, Strategic Anchor Points, Municipal Court Sessions, City Services, Learning Opportunities, Staffing, pages 314-326**
4. Internal - Provide a supportive work environment in order to maintain an energetic, engaged, professional, and healthy workforce.
  - **STWP, City Services, Staffing pages 322-326**
5. Continue training through University of Georgia and complete the mandatory 30 hours training every three years to maintain Municipal Clerk certification (1 training session per year).
  - **STWP, City Services, Learning Opportunities, Staffing, pages 322-326**

## OBJECTIVES FOR FISCAL YEAR 2015

- Transition from evening to day sessions.
- Appoint two new associate judges.
- Appoint a new chief judge.
- Complete review of proposals from probation providers and execute contract.
- Reduce average number of defendants per arraignment session from 175 to 150 or less.
- Dispose no less than 94% of cases on a monthly basis.
- Reduce the length of the average arraignment session from 2.7 hours to 2.5 hours or less.
- Transition from two solicitors per arraignment session to one solicitor, if feasible.
- Update operating procedure manuals after transition to day sessions.
- Convert all archived records from paper to electronic files.
- Earn an overall average customer rating of no less than 4 on the annual survey.
- Evaluate, and if feasible, implement contracted services for phone payments.
- Improve web payment system by reducing service fee and installing self-service kiosks.
- Complete an annual customer service survey.
- Work with police to update customer service information provided to defendants.
- Work with probation provider to reduce fees for payment-only defendants.
- Train staff in City Hall to accept court payments.
- Ensure newly appointed personnel complete all mandated training.
- Train newly appointed personnel on Suwanee procedures and culture.
- Cross train all clerks on new procedures for day court sessions.
- Continue Teen Drivers program and Pre-Trial Diversion Program.
- Send court staff to one of the following classes: Word, Excel or Publisher.
- Send Court Administrator to annual conference of the National Association for Court Management.
- Develop a program outline to educate visiting court colleagues.
- Hold team building events, including weekly staff meetings, quarterly department meetings, an annual department retreat, and a holiday social event.
- Court Administrator participates in the City's Q2 program.
- Strive to have 100% employee participation in the wellness program.
- Evaluate the feasibility of installing a treadmill desk in the court building.

## SUWANEE MUNICIPAL COURT TRENDS

During the month of February 2014, the Suwanee Municipal Court set out on a new initiative that will continue throughout the coming years. The court will attempt to see the progress it has made in 2014 by year end and attempt to make the system better by analyzing the data accumulated from its surveys.

- The 2014 report contains five of the ten court measures regarding court performance. The results obtained through these measures highlight the court's successes as well as its deficiencies. Strategic recommendations will be provided from the results to help facilitate the continued success and improvement of the Court in the years to come. These trends and changes will then be assessed in order to define the Court's success in meeting its performance goals and objectives.

- "**CourTools**" are performance measures introduced by The National Center for State Courts. CourTools enables courts to collect and present evidence of the court success and what are the expectations of the stakeholders; these are necessary ingredients for accountability.
- CourTools** supports efforts toward improved court performance by helping:
  - Clarify performance goals
  - Develop a measurement plan
  - Document success

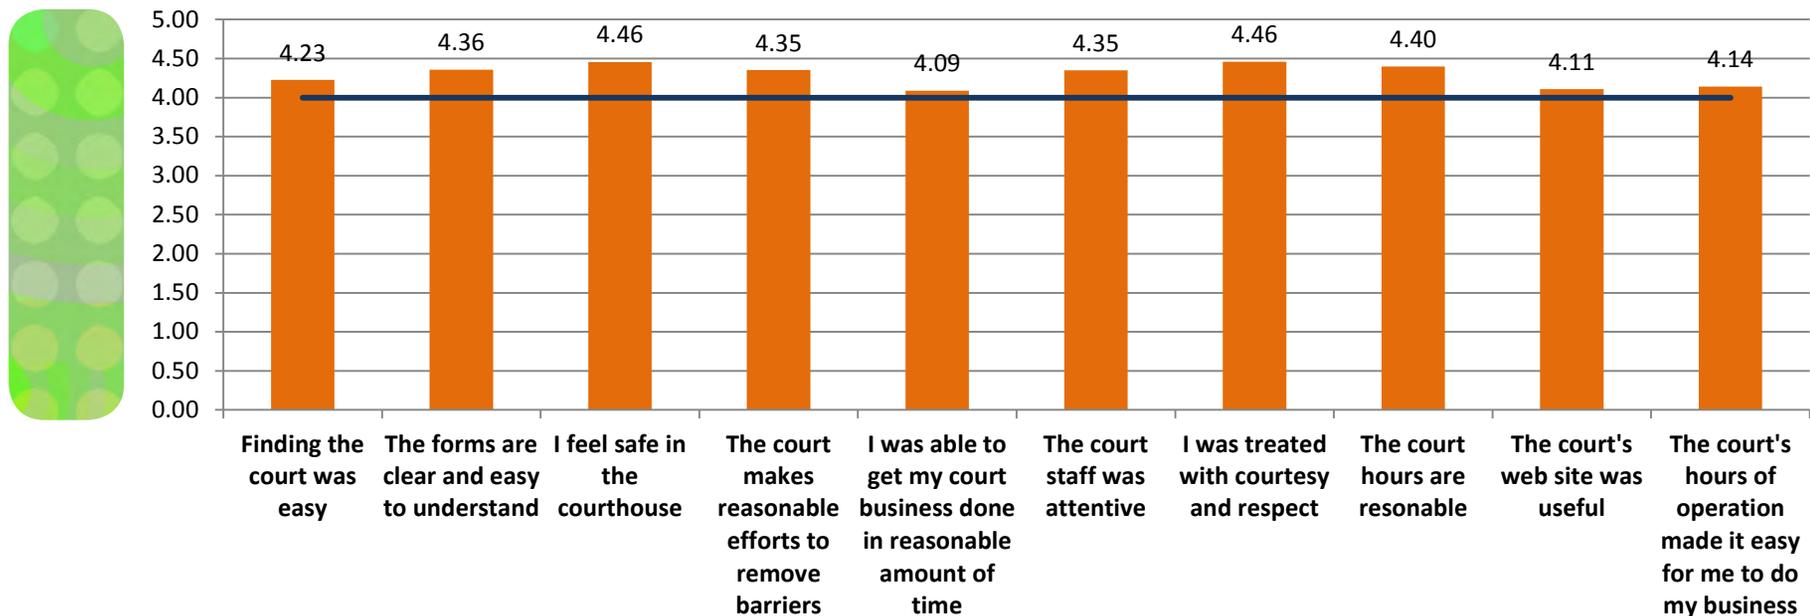

## COURTOOLS MEASURE 1: Access and Fairness

The access and fairness measure is composed of Court users' ratings of the Court's accessibility and its treatment of customers in terms of fairness, equality and respect.

**PERFORMANCE GOAL:** It is a goal of the Suwanee Municipal Court that those surveyed should rate all Access and Fairness measures at a 4 or 5 (agree/strongly agrees). The scale is 0.00-5.00.

- The surveys were given on February 5, 10, 19, 24 and 26, 2014. All of these dates were classic days at the courthouse. One hundred and sixty seven (167) surveys were collected as individuals exited the courthouse.

Average Rating on Access Questions

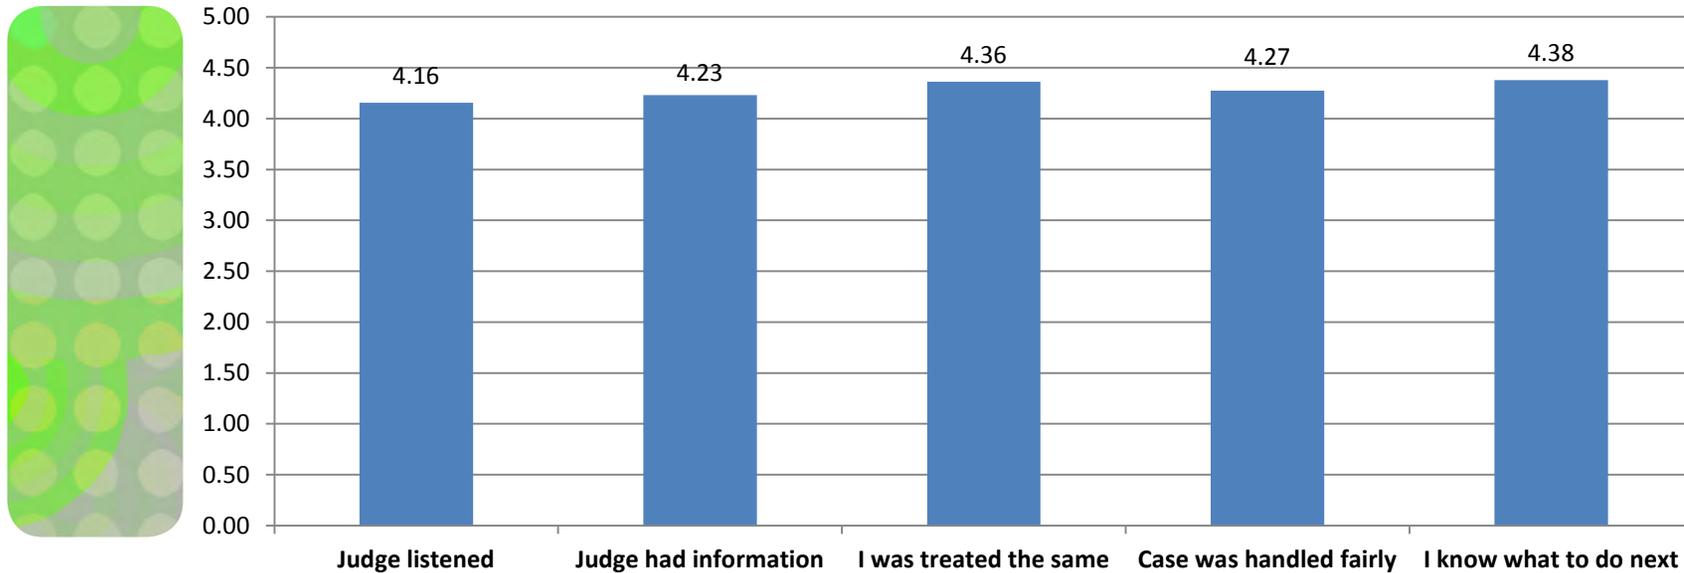

## COURTOOLS MEASURE 1: Access and Fairness

The overall index score for the Access portion of the Survey was 100%. The Court has visible met its goal or obtaining an average rating of 4 or 5 on Access Measures in all survey areas. However, **"I was able to get my court business done in a reasonable time;" "The court's web site was useful;"** and **"The Court's hours of operation made it easy for me to do business"** are

areas that the Court needs attention to make sure they won't fall below. The overall index score for the Fairness portion of the survey was 100%. The Court met its goal of receiving an average rating of 4 or 5 on Fairness Measures in all survey areas.

Average Rating on Fairness Questions

### Survey Comments ...

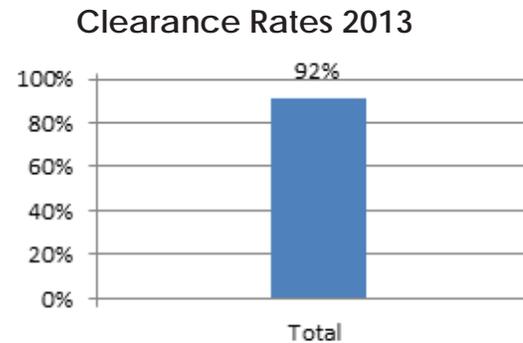

- Quick and easy.
- Thanks keep doing good work.
- You all do a good job! I'm an attorney in a bunch of courts and I look forward to coming here.
- Good prosecutor; judge o.k. – moody.
- Prompt service and friendly staff!

- Fingerprinting-awesome staff.
- The best judge.
- I was treated very well! Thank you.
- Best court I've ever dealt with!
- It's too small needs more room and more parking!
- I like the night hours because I can come after work.
- One of the nicest City courts in Georgia.
- Everyone was very helpful.

## COURTOOLS MEASURE 2: Clearance Rates

**Definition:** The Clearance rate measures whether the court is keeping up with its incoming caseload. This tool measures the number of outgoing cases as a percentage of the number of incoming cases.

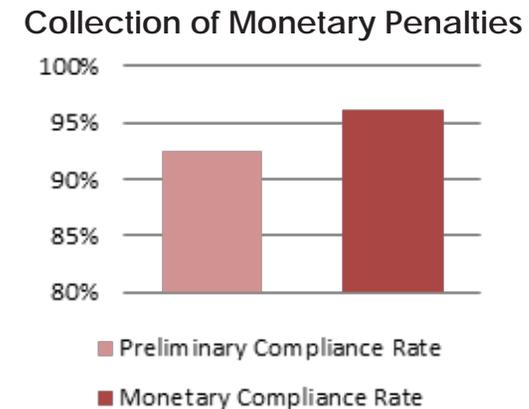

As illustrated by the graphical representation of the 2013 Case Clearance, rates were at 92 percent. The Suwanee Municipal court will continue to work hard to reach its objective of 100% clearance rate.

## COURTOOLS MEASURE 3: Collection of Monetary Penalties

**Definition:** The collection of Monetary Penalties measure the payments collected and distributed within established timelines, expressed as a percentage of total monetary penalties ordered in specific cases. The data utilized for this report are cases disposed From July 1, 2013 to April 23, 2014.

**Preliminary Compliance Rate** is 92% plus the 4% Conversion credit collected (jail time) gives the **96% total Monetary Compliance Rate**.

## COURTOOLS MEASURE 4: Cost per Case

**Definition:** The average cost of processing a single case. We have 7,660 cases disposed as February 2014 and \$194,319 YTD expenses.

Case Type	2013 Cost per Case
Disposed	\$25

## COURTOOLS MEASURE 5: Court Employee Satisfaction

**Definition:** Rating of court employees assessing the quality of the work environment and relations between staff and management.

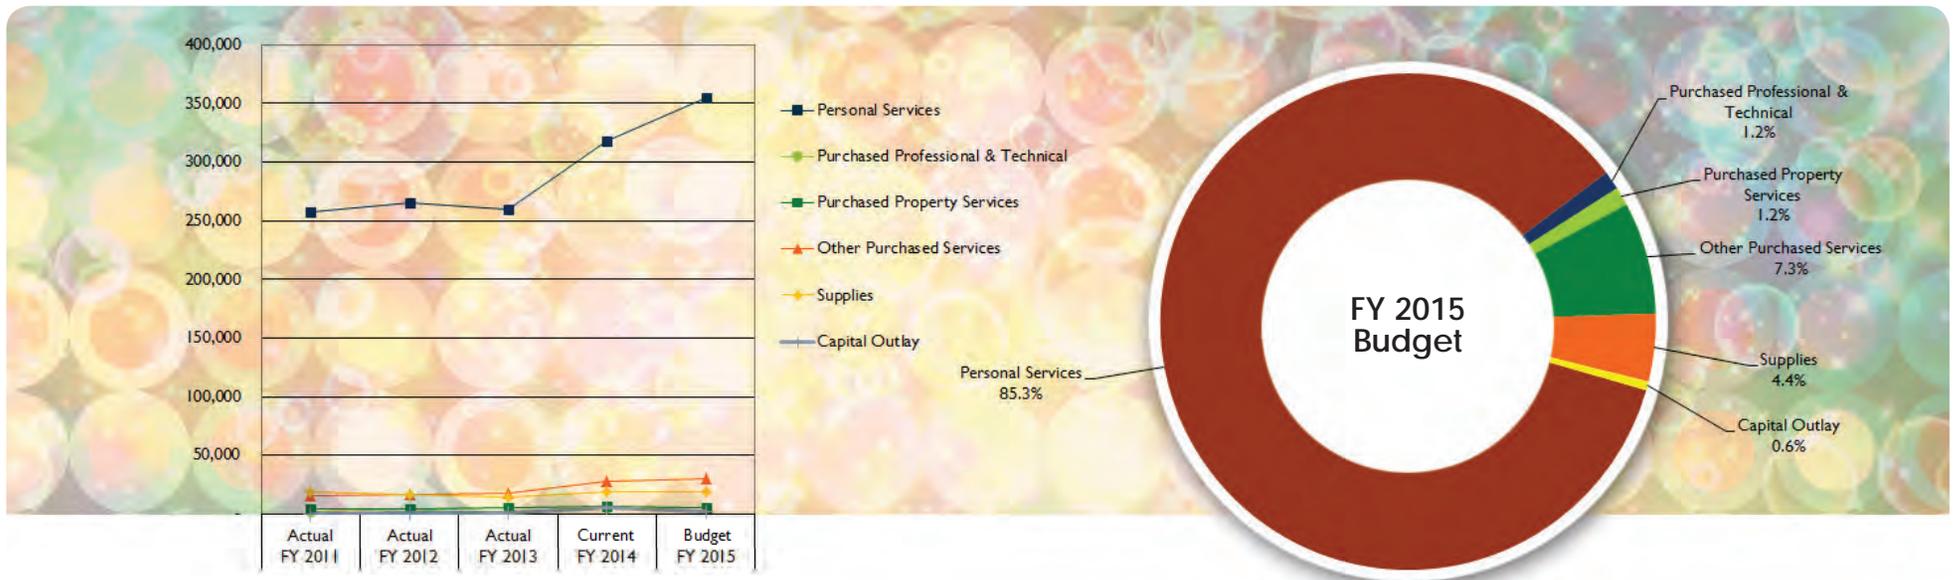

<b>Court Employee Satisfaction Survey</b>	<b>Average Response on 0-5 scale</b>	<b>Converted to 100 pt scale</b>
1. My work unit looks for ways to improve processes and procedures.	5.0	100

## STATEMENT OF SERVICE

Suwanee’s Public Information efforts serve to help create an informed and involved citizenry, and to promote the City’s image as a regional leader. Through these efforts, the City works to build a sense of community; make citizens and others aware of services, initiatives, and special events; and promote its image as a progressive community with a commitment to providing a high-quality of life for residents, preserving the environment and parks, supporting economic development opportunities, and supporting smart-growth strategies. Responsibilities of the public information officer include:

- Creating a newsletter for citizens six times a year.
- Updating and maintaining the City of Suwanee website.
- Managing the City’s media relations efforts.
- Creating brochures and other publications.
- Assisting with other writing-based promotional opportunities, such as ads, signs, award applications, correspondence, etc.
- Managing the City’s social media initiatives.

## GOALS

1. Manage City’s overall message and image-related items to external audiences:
  - Create existing publications (including newsletter, event postcard, etc.).
  - Manage all media relations and social media efforts.
  - Manage City-related websites (Suwanee.com, downtown, and Suwanee Fest).
  - Manage advertising messages, design, and placement.
2. Handle citizen inquiries.
  - **STWP, City Services, page 322**
3. Develop plan to communicate City’s economic development message/strategy (using “Suwanee Approach” sheets as a basis).
4. Create new publications including the visitor guide (pending available funding) and cut-sheets for major projects and initiative.
5. Make website mobile-friendly and update all information on all internal pages.
6. Totally re-vamp Economic Development pages on Suwanee.com to include resources available for small businesses, City’s new incentive ordinance, etc.
7. Advertising-Ongoing evaluation and maintenance of advertising efforts.
8. Evaluate and implement alternatives for more effectively using social media. Increase Twitter use and add on Vine Video App.
9. Investigate the possibility of creating a “Suwanee Tube” –type video series or adding video as a more prominent component of City website.
  - **STWP, Communications Technology, page 316**
10. Update all internal Suwanee.com website pages.
11. Update Suwanee Fest website.
12. Develop film policy.
13. Continue new logo implementation as opportunities arise to replace old logo.
14. Re-do the lamp-post banners for Town Center, Main Street and Suwanee Gateway incorporating new logo.
  - **CIP, Parks & Facilities Projects, Facility Enhancement, page 303**
15. Implement a “tagable” photo-sharing system for city-wide use.

## STATEMENT OF SERVICE

Special facilities and activities' focus is on:

- Planning and implementing a wide variety of free events for the greater Suwanee area, Gwinnett County, and metro Atlanta.
- Engaging volunteers to help plan and execute quality events.
- Building relationships with media partners to help leverage costs to produce events and to help build the City's image in metro Atlanta.
- Enhancing the quality of life by offering a wide variety of events for all ages.

Production costs generally include:

- Talent costs (cost of entertainment/performers)
- Sound/technical equipment costs
- Transportation costs
- Miscellaneous production costs (may include advertising, sponsor expenses, etc.)
- Rentals (portable restrooms, tents, tables, chairs, etc.)

## GOALS

1. Produce and manage City and non-City events best utilizing City resources.
  - **STWP, Special Events, page 326**
2. Develop partnerships to bring a wide variety of events to Suwanee. Evaluate existing partnerships to make sure they still meet our goals of successful events.
3. Continue to seek out media partners to add cost effective events to the event calendar and to expand the image of the City beyond Gwinnett.
4. Evaluate private events in order to leverage City resources; coordinate annual meeting for organizations hosting private events at Town Center Park.
5. Re-vamp Memorial Day event and August Concert creating an enhanced experience for attendees.
6. Implement decision to make Suwanee Fest a 2-day festival.
7. Manage vendors and patrons of growing farmers market.
8. Events Manager on target for CFEE (Certified Festival & Events Executive) designation in 2014.
9. Implement "Parker" /mascot policies; secure and train team of volunteers to coordinate use of mascot.
  - **STWP, Special Events, Staffing & Citizen Engagement, pages 316-326**
10. Incorporate a VIP tent at the August concert for City to host executives from our larger businesses and sponsors/partners of City initiatives.

## OBJECTIVES FOR FISCAL YEAR 2015

- Continue media partnerships that bring quality events to Suwanee.
- Bring Volunteer groups to events to help plan and implement events other than Suwanee Fest.
- Introduce new events and ideas to the event calendar.
- Host events in multiple locations and parks to utilize all Suwanee has to offer.

## STATEMENT OF SERVICE

The Economic and Community Development division strives to create and implement innovative strategies and programs that result in ensuring a high quality of life for the citizens of Suwanee.

Specific responsibilities of Economic and Community Development include:

- Managing the tourism dollars for the City.
- Overseeing all public relations and marketing efforts for the City.
- Managing all City economic development activities, including business

retention and recruitment.

- Representing the City and maintaining relationships with outside organizations both locally and at a state level.
- Provide public art to the community with a range of artistic styles, media and themes with the intent of enhancing the quality of life for our residents and visitors. This is the mission of Suwanee's Public Arts Commission (PAC).

## GOALS

1. Manage general Economic and Community Development Activities.
2. Manage DDA and other downtown initiatives.
  - **STWP, Downtown Promotions, page 322**
3. Manage hotel fund expenditures.
4. Continue participation in various community and state-wide activities and organizations.
  - **STWP, Learning Opportunities, page 324**
5. Continue to monitor TADs in area. e-initiate conversations with Gwinnett County and School Board if needed.
6. Evaluate existing TEE program and implement as needed.
7. Continue Gateway PACT program/participation through active conversation with business owners and bringing in guest speakers (3 meetings to be offered in 2014; 3 meetings held in 2013).
  - **STWP, Local Business Involvement, page 324**
  - **STWP, Community Policing, page 322**
8. Continue to support the ongoing communication with Gateway businesses via "list-serve" format; about one every other month augmented with e-mail communication as needed.
  - **STWP, Economic Development, page 322**
9. Participate in Partnership Gwinnett's Redevelopment Forum. (Sponsored event in 2010, 2011 and 2013); coordinated a Suwanee site in the "Top redevelopment sites for Gwinnett County" promotional piece.
10. Continue to coordinate 2nd-year participation in the "Southern Circuit Tour of Independent Filmmakers" 6-part film series (utilizing the Movie Tavern location in Suwanee Gateway). Evaluate future participation.
11. Monitor "Terraces at Suwanee Gateway" site and other development opportunities.
  - **STWP, Suwanee Gateway, page 326**
  - **STWP, Citizen Engagement, page 316**
12. Implement (dependent on funding) directional signage for the Gateway area as part of the overall City plan (planning department taking lead role).
  - **STWP, Branding, page 314**
  - **CIP, Parks & Facilities Projects, Facility Enhancement Projects, page 303**
13. Develop a one-page introduction to the Gateway initiative to hand out to Gateway businesses during ongoing visits; include recent Gateway improvements.
  - **STWP, Suwanee Gateway, page 326**
14. Evaluate, prioritize and implement Strategic Plan initiatives that come out of the 2014 Council Retreat.
15. Visit a minimum of 10 Gateway businesses per month.
16. Contact a minimum of 5 large employers in Suwanee per month.
17. Incorporate "shop local" messages in promotional materials as appropriate.
18. Continue to support Partnership Gwinnett activities (staff currently serves on four committees through Partnership Gwinnett); Partnership Gwinnett is our primary traditional economic development recruiting organization.
19. Coordinate community meeting highlighting Suwanee's participation in Partnership Gwinnett's Urban3 study.
20. Manage Suwanee Youth Leadership Program.
21. Continue to develop relationships with area colleges (GGC, PCOM, and Gwinnett Tech) and Peachtree Ridge High School; continue ongoing communication with North Gwinnett High and Peachtree Ridge High Schools.
22. Evaluate options ("quick-hitters") addressing how the City can be more business-friendly; put together an employee committee to brainstorm ideas and how best to communicate those ideas to existing and prospective businesses; a Q-2 initiative.
  - **STWP, Communications Technology, page 316**
23. Coordinate ED department employee "lunch-and-learn"; to educate new and existing employees on department initiatives and how they can assist with communication/ citizen-relations efforts.
24. Manage public arts initiative.
  - **STWP, Community Aesthetics, page 322**
25. Sculptour Program – prepare for fourth exhibit to be installed in 2015 (including fundraising, promotion, and artist RFP).
  - **STWP, Public Art Sculptour, page 320**
26. Continue refining developer component of the public arts initiative; promote private investment in public art.
  - **STWP, Public Art, page 326**
27. Host regional public art seminar in cooperation with Artworks! Gwinnett highlighting Sculptour.
28. Support and provide guidance to the Public Arts Commission (PAC). Following are selected PAC goals that came out of their 2014 planning sessions:
  - **Expand the circle of involvement and support for public arts initiatives in the City. Supporting strategies include:**
    - 1) Develop partnerships with and build leadership capacity of groups

## GOALS (continued)

- (including, but not limited to: schools, colleges and universities, churches, non-profits, senior groups, and civic organizations) that will engage in public arts initiatives.
- 2) Engage the North Gwinnett Arts Association (NGAA) in PAC initiatives.
  - 3) Initiate co-op meetings with DDA, Harvest Farm Board, City Council and other city groups that may have related/allied goals.
  - 4) Continue existing program encouraging new developments to spend 1% of construction cost on public art.
- **Integrate PAC work into the City's larger vision. Supporting strategies include:**
    - 1) Create and implement a Public Art Master Plan for the City (PAMP).
    - 2) Communicate PAC purpose and goals to other City staff, boards, committees and groups..
    - 3) Advance "community culture" goals set forth in City's Strategic Plan.
    - 4) Support and advocate for other art-related City goals/initiatives.
  - **Enhance the brand/identity of key City areas and points of entry through public art. Supporting strategies include:**
    - 1) Continue SculptTour program. Evaluate expanding efforts to the core historic old Town area.
    - 2) Incorporate public art into park enhancement projects.
    - 3) Work with City to identify funding, location for and installation of "LIVES" Gwinnett water tower piece.
    - 4) Identify, procure, fund, and place destination, monumental, and/or iconic public art piece (ex: "The Bean" in Chicago); long-term goal.
- 5) Incorporate social and community experiences into public arts efforts (ex: chalkboard areas, art-related podcasts, flash mobs, etc.).
  - 6) Evaluate programs to work with existing businesses to add public art to sites.
  - 7) Create and fund a maintenance plan for City's permanent public art pieces; long-term goal.
  - 8) Consider extending art into the Gateway area.
- **Identify Fundraising opportunities to sustain public art initiative.**
    - 1) Identify recruit and engage a group of patrons who tangible and actively support and advocate for the arts.
    - 2) Develop overall short term and long range fundraising plan.
    - 3) Short term fundraising; create a list of local persons and businesses to approach for SculptTour funding.
    - 4) Plan and organize a "Who's coming to dinner" fundraiser/event. Two goals of this event are to fundraise and create awareness.
  - **Other Support/Advocate Activities include:**
    - 1) Identify potential locations for and support development of future arts center; long-term goal.
    - 2) Support development of Old Town area into an "artist colony" or art-focused (galleries, studios etc..) area; long-term goal.
      - **STWP, Community Aesthetics, page 322**
      - **STWP, Downtown Promotions, page 322**

## OBJECTIVES FOR FISCAL YEAR 2015

- Track overall progress of Suwanee Gateway Initiative.
- Continue Branding Campaign for Suwanee Gateway Initiative.
  - Organize Volunteer Arts group to work in concert with the Public Arts Commission.
  - Create Public Arts locational Master Plan in the Downtown area.
  - Refine the process for developers to participate in the public art initiative.
  - Organize Public Arts fundraising effort.

## STATEMENT OF SERVICE

The mission of the Downtown Suwanee program is to enable the Downtown district to become the social, economic and cultural heart of Suwanee and a destination for visitors. The program goals are to foster a viable and sustainable

economic base, a marketable identity for Downtown, and an attractive, well-connected, walkable district with lifetime housing. This will be accomplished through economic redevelopment, design, historic preservation, and promotion.

## OBJECTIVES FOR FISCAL YEAR 2015

- Identify and implement strategies that meet Old Town Master Plan goals.
- Implement portions of the City's short term work program that relate to downtown Suwanee.
- Develop additional sources of funding and/or earned revenue for the Downtown Development Authority (DDA).
- Proceed with the redevelopment of Pierce's Corner.

## GOALS

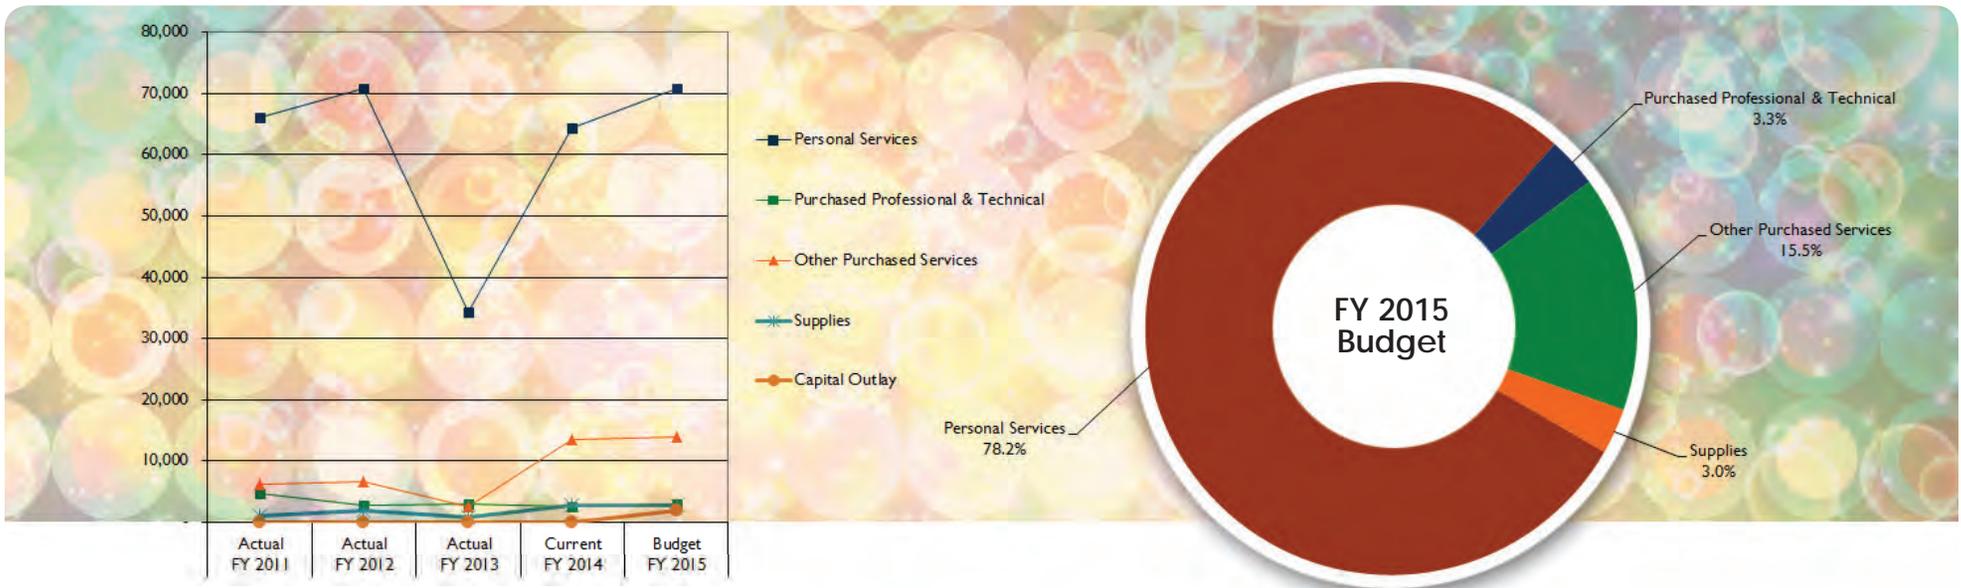

- Evaluate downtown priorities and initiatives with new manager in place.
- Evaluate options to capitalize on newly acquired National Historic Register District designation; create signage for individual contributing historic resources and area entrance signs.
- Develop a list of available properties in downtown.
  - STWP, Downtown Promotions, page 322*
- Continue to market Pierce's Corner to prospective tenants.
- Complete revolving loan fund applications (through DCA and Georgia Cities Foundation) for the DDA for Pierce's Corner.
- Continue regular communication with Madison Retail as it relates to tenant recruitment, tenant retention, and property maintenance.
  - STWP, Economic Development, page 322*
- Coordinate meetings with downtown merchants at least every other month and before major events for a minimum of 6 per year.
- Complete a downtown brochure.
  - STWP, Downtown Promotions, page 322*
- Coordinate DDA planning retreat.
- Contact minimum of 15 business "prospects" per month (net new cold calls or follow-up calls; once new manager in place).
  - STWP, Economic Development, page 322*
- Evaluate best approaches for creating commercial/industrial real estate database for City use.
  - STWP, Commercial Centers, page 322*
  - STWP, Communications Technology, page 316*
- Evaluate cost/benefit of façade grant program; if kept – evaluate funding, raise funds as needed, promote program, and award grants.
- Explore ways to assist with relocation of Metal Products Company facility.
- Visit four well-established DDA/downtown program managers. op a list of available properties in downtown.

<b>FY 2015 Proposed Budget</b>	<b>\$506,990</b>	

## STATEMENT OF SERVICE

The mission of Financial Administration is to provide superior customer and financial services with integrity for the enhancement of the City and the community.

Financial Administration is responsible for the accounting and financial reporting of all City operations and is entrusted with collecting, depositing, and investing all City funds. This includes the maintenance of all financial records, billing and collections, payroll, accounts payable, investments and cash management, and property tax collections. The Department is responsible for the following items:

- Coordination of the annual operating budget process for all City operations.
- Determination and recommendation of affordable debt levels.
- Issuance of general obligation and revenue bonds.
- Administration of debt.

All financial activities of the City are monitored by this department to ensure the financial integrity and the continued financial operations of the City. These services are provided to the City Council, City Manager, other departments, and additional users as needed.

## GOALS

1. Report the financial position and economic condition of the City in an accurate, timely, consistent, reliable manner, leading to the publication of a Comprehensive Annual Financial Report (CAFR) that receives an unmodified audit opinion.
2. Respond efficiently to requests by elected officials and Suwanee team members for financial information and analysis. Increase availability of financial reports to management team.
3. Maintain or upgrade bond ratings by Standard and Poor's (AA) and Fitch Rating Services (AA+).
4. Provide technical support to Gwinnett Municipal Association (GwMA).
5. Review and revise the City's budget practices to ensure that the City continues to receive the Distinguished Budget Presentation Award from GFOA and to strive for special recognition for policy communication.
  - **STWP, Communication Technology, City Services, Staffing, pages 316-326**
6. Issue payments to vendors, for goods and services delivered, in a timely and accurate manner.
7. Review, enhance and/or implement operational internal controls, process, and procedures, which includes updating the operating and internal control policies and procedures manual.
8. Analyze the cash reserve, investment, procurement, and debt policies to ensure they are within the established guidelines.
9. Prepare and analyze the various monthly financial statements and monitor projected budgets and capital reporting. Distribute monthly financial reports by the 10th working day of the month. Complete monthly bank reconciliations by the 25th of each month.
10. Calculate and distribute payroll payments to employees and ensure that payroll tax liabilities are paid in a timely manner.
11. Maintain current inventory of fixed assets.
  - **STWP, City Services, Staffing, pages 322-326**
12. Cross-Train department staff to provide assistance, back-up coverage, and enhanced customer service in daily operations. Continue staff professional and technical development.
13. Improve internal and external customer communications.
  - **STWP, Learning Opportunities, City Services, Staffing, pages 322-326**
  - **STWP, Citizen Engagement, page 316**
14. Conduct the biennial National Citizen Survey and communicate survey results, which provides a means to measure Council and departmental goals outcomes and to provide a benchmark/score card of Suwanee's performance.
  - **STWP, National Citizen Survey, Citizen Engagement, Communications Technology, pages 314-316**
15. Provide the accounting structure and funding for sustainability of City facilities, capital assets, and infrastructure at accepted conditions levels.
  - **STWP, Facility Maintenance, Fleet Replacement, City Services, pages 322-326**
  - **CIP, Parks & Facilities Projects, Equipment & Vehicles Projects, Transportation Projects, pages 299-308**

## OBJECTIVES FOR FISCAL YEAR 2015

- Continue a fiscally sound approach to Suwanee's finances to ensure that expenditures do not exceed the resources available and a balanced budget is maintained.
- Ensure the integrity of departmental work products and the continued use of best practices through the professional development of finance team members.
- Focus on long-term financial planning, which includes preparation of ten year projections of general fund revenues and expenditures.
- Continue operating to best practices standards and gauge success by receiving awards of excellence from the Government Finance Officers Association (GFOA) for the Popular Annual Financial Report (PAFR), Comprehensive Annual Financial Report (CAFR), and the Budget document.
- Enhance the use of technology for performance and program measurements in the budget and operational decision making process
- Administer the investment portfolio of the City in a manner consistent with prudent financial practices and maintain a high level of safety through ongoing review.
- Improve coordination and consistency of procurement activities among all departments to increase efficiency through utilization of technology.

## STATEMENT OF SERVICE

Accounting's mission is to ensure compliance with applicable accounting laws and procedures. The Accounting function is primarily responsible for the external audit of the City's financial records and preparation of the Comprehensive Annual Financial Report.

## GOALS

1. To continue to receive the certificate of excellence in financial reporting from the Government Finance Officers Association (GFOA).
2. Participate in Government Finance Officers Association (GFOA) Popular Annual Financial Reporting Awards Program (PAFR).

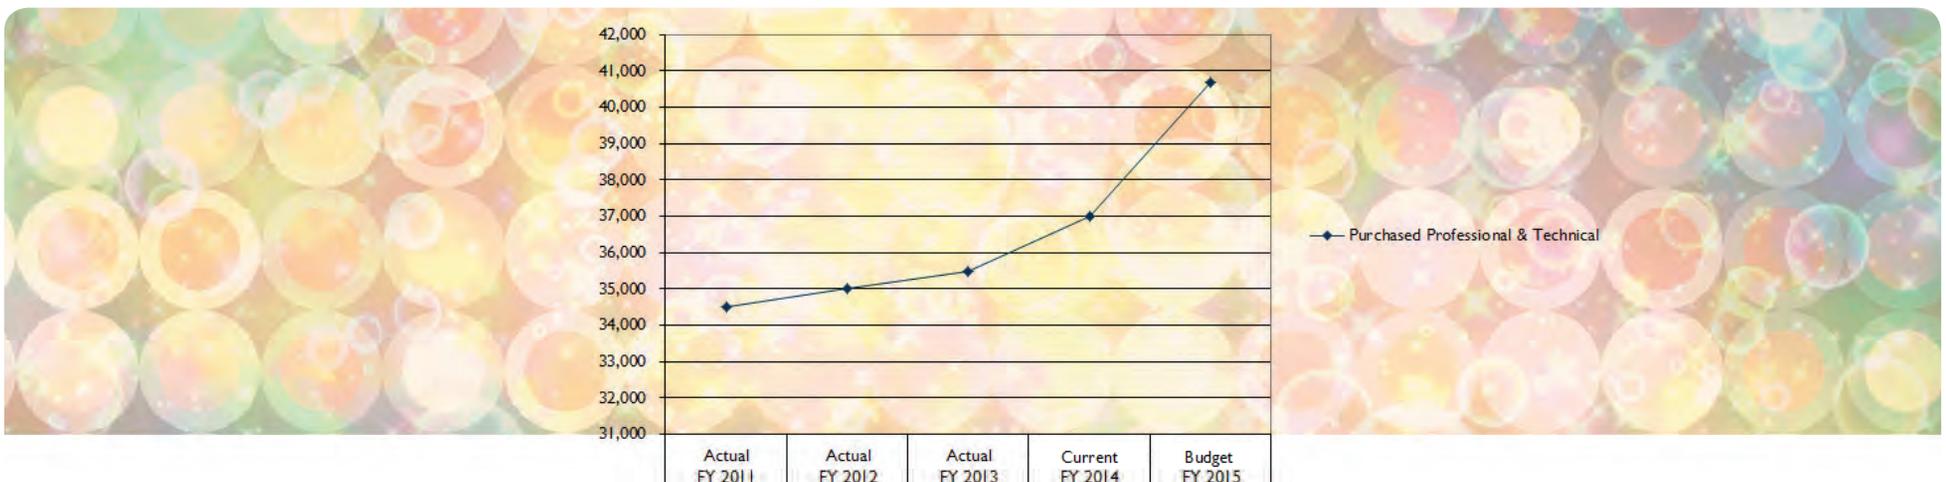

## OBJECTIVES FOR FISCAL YEAR 2015

- Prepare the Comprehensive Annual Financial Report (CAFR) within 120 days of fiscal year end.
- Earn the GFOA Certificate of Achievement for Excellence in Financial Reporting for the City's CAFR.

PRODUCTIVITY MEASURES	2011 ACTUAL	2012 ACTUAL	2013 ACTUAL	2014 BUDGET	2014 ACTUAL	2015 BUDGET

## Parks & Public Works

<b>Functions</b>	Includes the operations of Public Works Administration, Paved Streets, Storm Drainage, and Park Areas.
<b>Positions</b>	16 full-time, 7 part-time, and a pool of event staff workers.
<b>Role</b>	Maintenance and repair of City-owned facilities, grounds, and infrastructure, including the City's water system.
<b>Notable FY 2015 Budget Items</b>	Includes funding for one new equipment operator I for six months, two riding mowers, snow plow attachment, and geese police contracted services
<b>Current FY 2014 Budget</b>	\$2,086,190
<b>Adopted FY 2015 Budget</b>	\$2,137,130
<b>Change from PY Budget</b>	\$50,940
<b>Reason for Change</b>	Increase in FY 2015 budget is due to a new equipment operator position (six months), salary adjustments 4%, and 10.5% group health insurance increase.

<b>FY 2014 CURRENT BUDGET</b>	<b>\$2,086,190</b>	
<b>Changes:</b>		
New Position Request (full time 1/2 year)	28,630	(salary, benefits, and equipment)
Salary & benefit changes due to 4% raises	40,130	
Reduction in Overtime	(15,500)	
Group Health Insurance 10.5% increase	25,450	Includes part-time employees funding for 12 months instead of 6 months.
15% increase in workers compensation	3,800	
Repairs	1,100	PW
Rental	(800)	PW
Communications	560	PW
Dues & Fees	(1,250)	PW
Contract Services	8,750	Storage of Christmas tree
Solid Waste	1,500	Expanding recycling program
General Supplies	7,700	Additional spray for the disc golf course. Altosid larvicies (\$2,000) for disc golf & Suwanee Creek Greenway.
Uniforms	(2,370)	PW (prior year included set up fees for new company)
Janitorial	340	PW
Water & Sewer	(5,250)	
Natural gas	380	PW
Electricity	3,090	PW
Small Equipment	2,000	Purchasing welding machine, plasma cutter, chain saws, pole saw, weed eaters, blowers, vacuums.
Zero Turn mowers	3,930	Request for two new zero turn, rear discharge
Utility Vehicle	(21,880)	FY 2014 request
Town Center generators and trailers	(25,000)	FY 2014 request
Snow plow attachment	5,600	PW
Computers	(3,170)	
Street Sweeping	(1,540)	Paved Streets
I85 Landscape	320	Total request \$44,200
PIB Landscape	1,750	Total request \$58,200
Railroad bank	(9,200)	Prior year installation
Railroad bank chemical spraying	3,000	
MS4 monitoring	(1,920)	
Park Areas -Professional Services	7,700	Increase for Contractual Geese Police service program
Park Repairs	3,160	
Park Rental	30	
Park Supplies	900	
Parks Site improvements	4,000	Increase - mulch disc golf course
Town Center electrical project	(15,000)	prior year project
<b>FY 2015 Proposed Budget</b>	<b>\$2,137,130</b>	

## STATEMENT OF SERVICE

Public Works values and provides high quality construction and maintenance of the following areas to promote a safe, comfortable, and attractive environment in and around City rights-of-ways, buildings and grounds:

- Infrastructure such as the water system, stormwater system, streets, and signs;
- Public Facilities including municipal buildings, parking lots, sidewalks, cemeteries; and

- Amenities to enhance quality of life such as the parks, trails, events, lake, interactive fountain, and amphitheater.

Resources required to provide a high quality experience of living, working and playing in Suwanee include capital and long range planning, staff, fleet vehicles, equipment, and contracting.

## GOALS

1. Direct, supervise and coordinate the operations of the Public Works Department to ensure that responsibilities and projects are performed in the most efficient, practical and cost effective manner.
  - **STWP, Staffing, page 326**
2. Maintain and improve lines of communication and continuity between Public Works Department and other City Departments, Council, general public, Georgia Department of Transportation, Georgia Environmental Protection Division, developers, contractors, etc.
3. Continue to maintain good Customer Service by monitoring and addressing service request and work orders in a timely manner, etc. and strive to improve communications and Customer Service.
  - **STWP, City Services, page 322**
4. Monitor and direct the inmate labor force from Gwinnett County Department of Corrections to augment City employees in ground maintenance, etc.
5. Via the utilization of the Go! Suwanee app, improve communications with citizens on service request needs.
  - **STWP, Communications Technology, page 316**
6. Continue efforts to maximize efficiency and effectiveness of community service workers.
7. Manage employee based custodial services for City owned facilities including the newly opened Police Precinct Building and continue training program for custodians on various specialty items.
8. Continue training programs, certification, and/or recertification for Water System Operators, Water System Distribution Operators, soil erosion and sedimentation control, pesticide applicators, professional turf grass, etc. for Public Works employees.
9. Work with Public Works staff to attain additional CDL, pool operator, and back flow device license holders within the department.
10. Monitor water quality testing and continue to provide safe drinking water to the City of Suwanee water system customers.
11. Continue management efforts of staff and City of Suwanee consultant, Warren Tingle in managing manganese sequestration.
12. Prepare annual Water System Water Quality Report (aka Consumer Confidence Report) and provide to GaEPD and citizens.
13. Continue education programs for water system operators and increase the number of State certified water distribution/operator license holders within the Public Works employees.
  - **STWP, City Services, page 322**
  - **STWP, Staffing, page 326**
14. Continue to improve reliability of computer data communication connectivity between the Windsor Park Drive Public Works Facility and the computer server units housed in the City Hall Building and Police Station Building via new software and equipment communication monitoring system.
15. Improve our Water System operations by enhancing our SCADA system to allow remote login into the system. Presently, the system monitors specific aspects of our water system and sends alarm notifications upon set thresholds being breached.
16. Continue communications improvements with the implemented calling post system and e-mail list for water system customers - notifying customers of such instances as water main breaks, flushing, etc.
  - **STWP, Communications Technology, page 316**
  - **CIP, Parks & Facilities Projects, Facility Maintenance, page 303**
17. Manage maintenance and monitoring vendors for various elements for the City Hall Building and other City owned buildings such as elevator, HVAC, janitorial, generator, fire alarm, sprinkler systems, building access, video monitoring system, back flow inspections, etc.
  - **STWP, Facility Maintenance, page 316**
  - **CIP, Parks & Facilities Projects, Facility Maintenance, page 303**
18. Use the Facilities Master Plan for Building and Park Facilities to assist in a proactive planning and budgeting process to facilitate short and long term building and park facilities needs, to inform various departments of upcoming facilities needs, and assist in the scheduling of activities.
  - **CIP, Parks & Facilities Projects, Facility Maintenance, page 303**
19. Investigate HVAC at Crossroads Building, develop a plan of action such as RFP, and make appropriate corrections as necessary to provide adequate level of service for the Courtroom side of the building.
20. Modify Public Works staff duties and responsibilities as needed to accommodate management of additional assigned Capital Projects.
21. Continue and improve maintenance of existing parks, greenways, rights-of-ways, highway medians, sidewalks, roads, and City facilities.
  - **STWP, Community Aesthetics, page 322**

## GOALS (continued)

- *STWP, Park Enhancements, page 316*
- 22. Continue to make improvements at the Public Works maintenance facility to improve functionality of the facility and grounds.
  - *STWP, Facility Maintenance, page 316*
  - *CIP, Parks & Facilities Projects, Facility Maintenance, page 303*
- 23. Identify, replace and/or acquire additional maintenance equipment. Such items that may or may not be identified as of yet, could be but not limited to mowers, trucks, weed eaters, chain saws, ditching equipment, blowers, testing equipment, pipe jetting equipment, pipe camera equipment, computers, desk, and other types of equipment.
  - *STWP, Public Works Equipment, New & Replacement, page 326*
  - *CIP, Equipment & Vehicles Projects, Public Works Equipment – Replacement and New Purchases, page 300*
- 24. Develop and manage the second phase of railroad bank landscape project.
- 25. Continue management of consultant in an ongoing on-site pole camera, etc. study of existing corrugated metal drainage pipes and development of condition and prioritization of corrugated metal drainage infrastructure replacement or relining projects.
- 26. Repair, replace, or reline identified prioritized deteriorated corrugated metal drainage pipe projects.
- 27. Continue updating process of the water system map via ESRI ArcMap software.
- 28. Provide training to insure proficiency in operating the wells and the SCADA system, for all water operators.
  - *STWP, City Services, page 322*
  - *STWP, Staffing, page 326*
- 29. Study our water rate structure and operational cost and determine recommendations on water rates beyond the July 2013 water rate structure and submit recommendations to Council and implement accordingly.
  - *STWP, Water System Structure, page 318*
- 30. Investigate the method being used for water meter reading and determine if modifications are needed to improve the process of transferring data to the proposed new finance software.
- 31. Develop RFP, recommend award of Contract, and complete installation of an approximately 800 feet section of 2 inch water line with an 8 inch water line along Eva Kennedy Road from Stonecypher Road to existing cross county water line that extends to Stonecypher s/d.
- 32. Research and develop standards to consider a proposed water backflow ordinance.
- 33. Monitor State laws and regulations that may affect our water supply and system.
  - *STWP, Water Regulations, page 318*
- 34. Continue to plan future approved recommended items contained within the Water System Study or that have subsequently been discovered, including but not limited to such things as additional water main replacements, water supply improvements, etc.
  - *STWP, Water System Strategy, page 318*
- 35. Continue to monitor the water system cross connection with Gwinnett County, our elevated water tank, water system equipment, and well capacity to provide a water source for City water customers.
  - *STWP, Water System Infrastructure Improvements, page 318*
  - *STWP, Water System Strategy, page 318*
  - *CIP, Transportation Projects, Stormwater Projects, page 303*
- 36. Continue with implementation and management of the first and second phase recommendations as outlined in the Preservation Assessment for Three Suwanee, Georgia Cemeteries master planning document, including community outreach.
  - *STWP, Citizen Engagement, page 316*
  - *STWP, Land Use, page 324*
  - *CIP, Parks & Facilities Projects, Cemetery Improvements, page 303*
- 37. Manage installation of the dynamic driver speed feedback (radar) signs.
  - *CIP, Equipment & Vehicles Projects, Public Safety Projects, Radar Signs, pages 299-300*
- 38. Prepare traffic safety resolutions such as Speed Zones, No Parking, No Thru Trucks, etc. and maintain proper street signage to ensure safe travel on City streets.
  - *STWP, Citizen Engagement, page 316*
  - *STWP, Driver Speeding, page 322*
  - *CIP, Equipment & Vehicles Projects, Public Safety Projects, Radar Signs pages 299-300*
  - *CIP, Transportation Projects, Transportation Enhancement Projects, Sign Reflectivity Program, page 308*
- 39. Conduct study of implementation program to promote Suwanee Branding on street name signage.
  - *STWP, Branding, page 314*
  - *STWP, Signage/Wayfinding, page 314*
  - *STWP, Community Aesthetics, page 322*
  - *CIP, Parks & Facilities Projects, Facility Enhancement Projects, page 303*

## OBJECTIVES FOR FISCAL YEAR 2015

- Construction management of various capital improvement projects.
- Maintenance of streets, parks, greenways, playgrounds, buildings, and grounds.
- Provide a safe and dependable water supply to the City of Suwanee water system customers.

## ICMA COMPARATIVE PERFORMANCE MEASUREMENT - FY 2013 Data Report Summary

Highway and road maintenance performance may be assessed using several key measures, including citizen satisfaction with road condition, objective assessment of road condition (using pavers or other objective systems), expenditures, and other measures. Variations in performance may relate to differences in population density, traffic conditions, paving material, weather, and other factors.

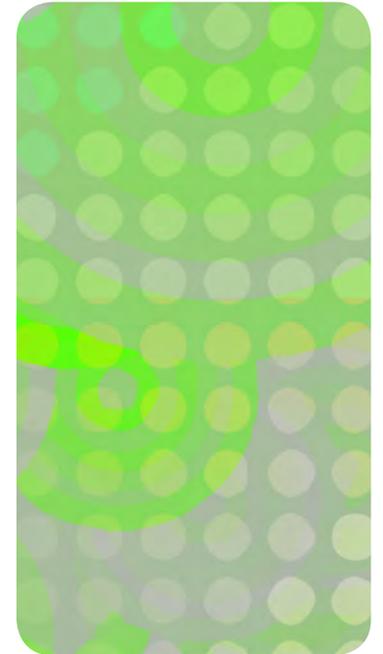

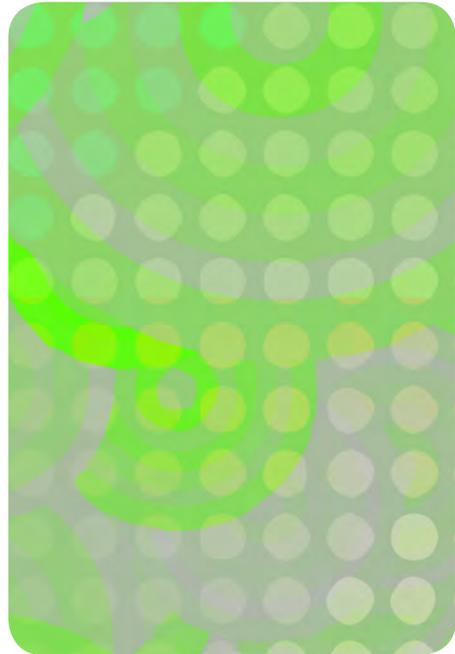

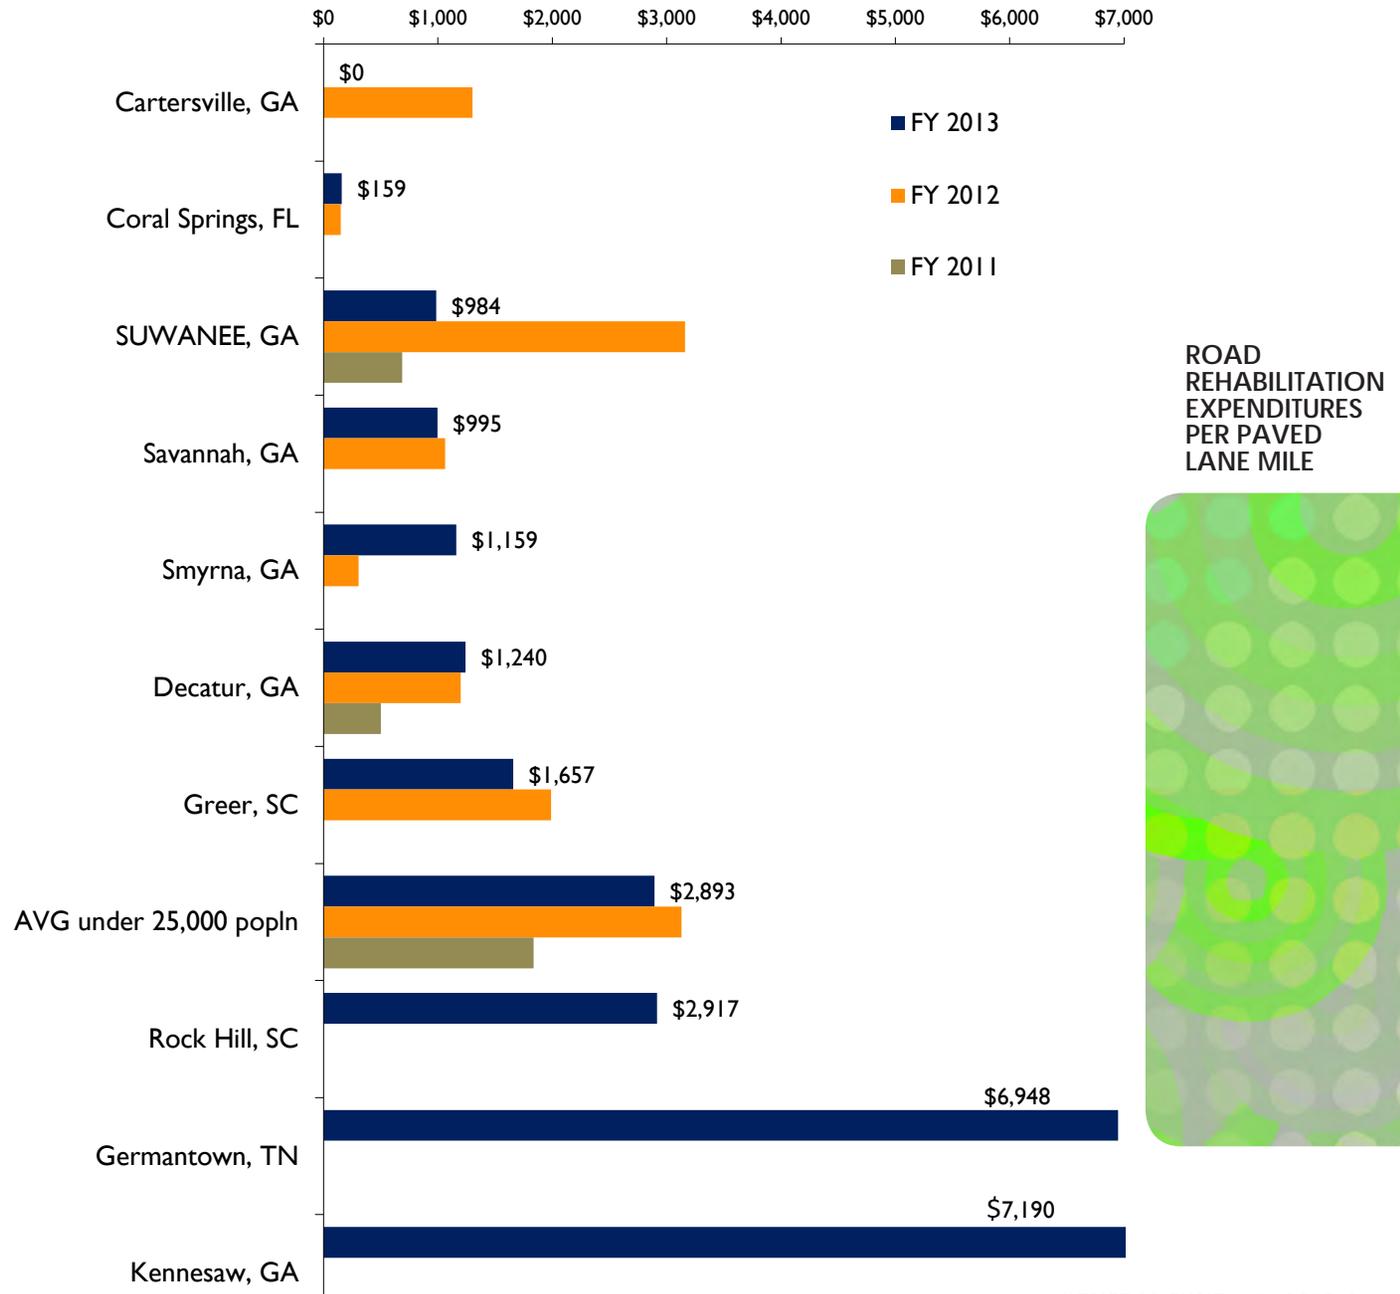

Some jurisdictions attribute expenditure differences to extreme weather conditions that sometimes cause road damage. In addition, expenditures may vary greatly from one year to the next owing to the addition of a large capital improvement project or the deferment of routine maintenance.

For the FY 2013 Fiscal Year Data Report, 122 jurisdictions provided highway and road maintenance data.

### Highway and Road Maintenance Characteristics

ICMA COMPARATIVE PERFORMANCE MEASUREMENT - FY 2013 Data Report Summary (continued)

## ICMA COMPARATIVE PERFORMANCE MEASUREMENT - FY 2013 Data Report Summary (continued)

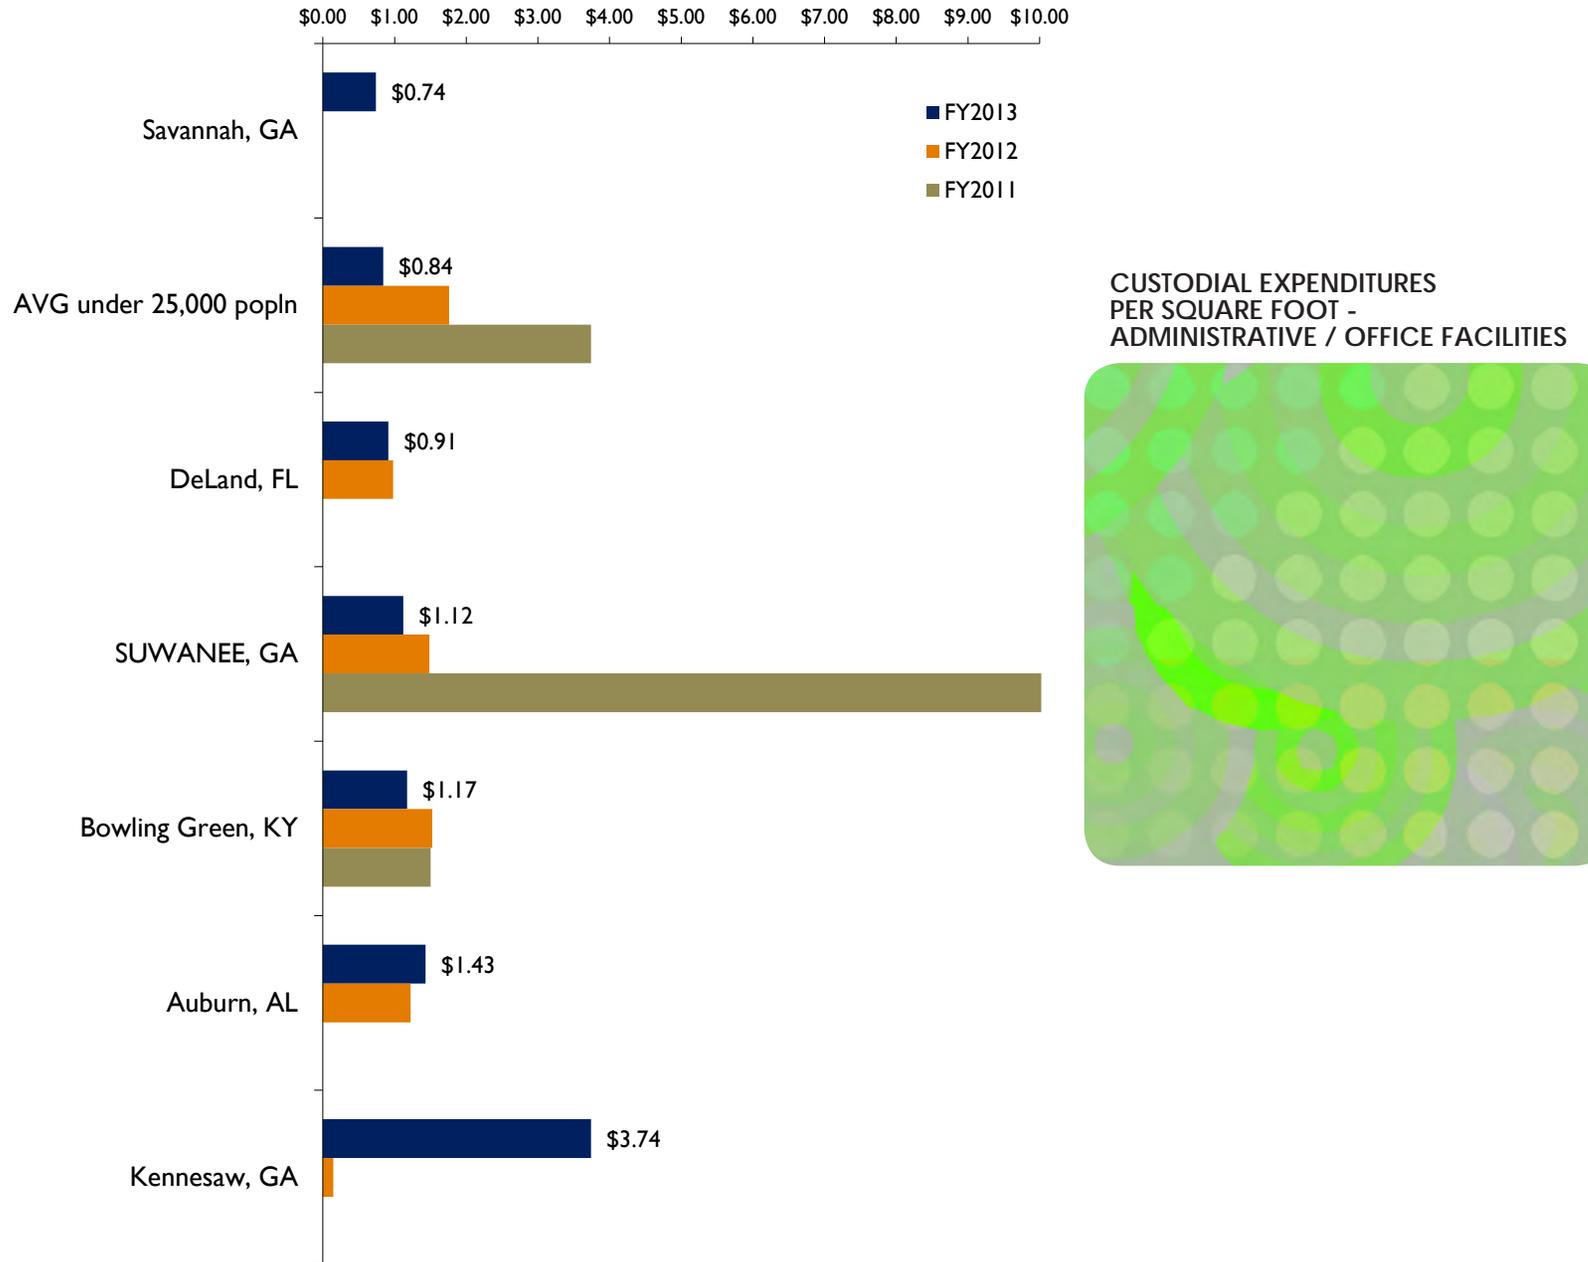

FY 2013 marks the fourth year the City of Suwanee contributed to the Facilities Management data chapter; 118 other jurisdictions provided data as well. Some of the factors that influence the comparability of facilities management data are:

- **Staffing** – Contractual and in-house staff may maintain different aspects of the same square footage.
- **Mixed-Use Buildings** – Some facilities have multiple uses, such as office and industrial. As a result, some jurisdictions' data may not easily be broken down into the categories requested.
- **Utilities** – Electricity costs may tend to reflect the lighting, computer use, and some HVAC in a facility, but they may also be skewed by large equipment present in some facilities but not in others.

Facilities Management Characteristics

ICMA COMPARATIVE PERFORMANCE MEASUREMENT - FY 2013 Data Report Summary (continued)

## ICMA COMPARATIVE PERFORMANCE MEASUREMENT - FY 2013 Data Report Summary (continued)

FY 2013 marks the fourth year the City of Suwanee contributed to the Fleet Management data chapter. One hundred seventeen (117) other jurisdictions provided data as well. Some of the factors that influence the comparability of fleet management data are:

- Policies may influence vehicle use and care, such as those that affect or prefer vehicle allowances, mileage reimbursements, designated versus pool cars, driver preventive maintenance checks, and personal use of vehicles (e.g., marked patrol cars that may be driven home).
- Communities that have a broad range of services (e.g., utilities, human services, jails); these communities may have more vehicles and, thus, be less affected by a few vehicles or subclasses of vehicles with high maintenance costs.

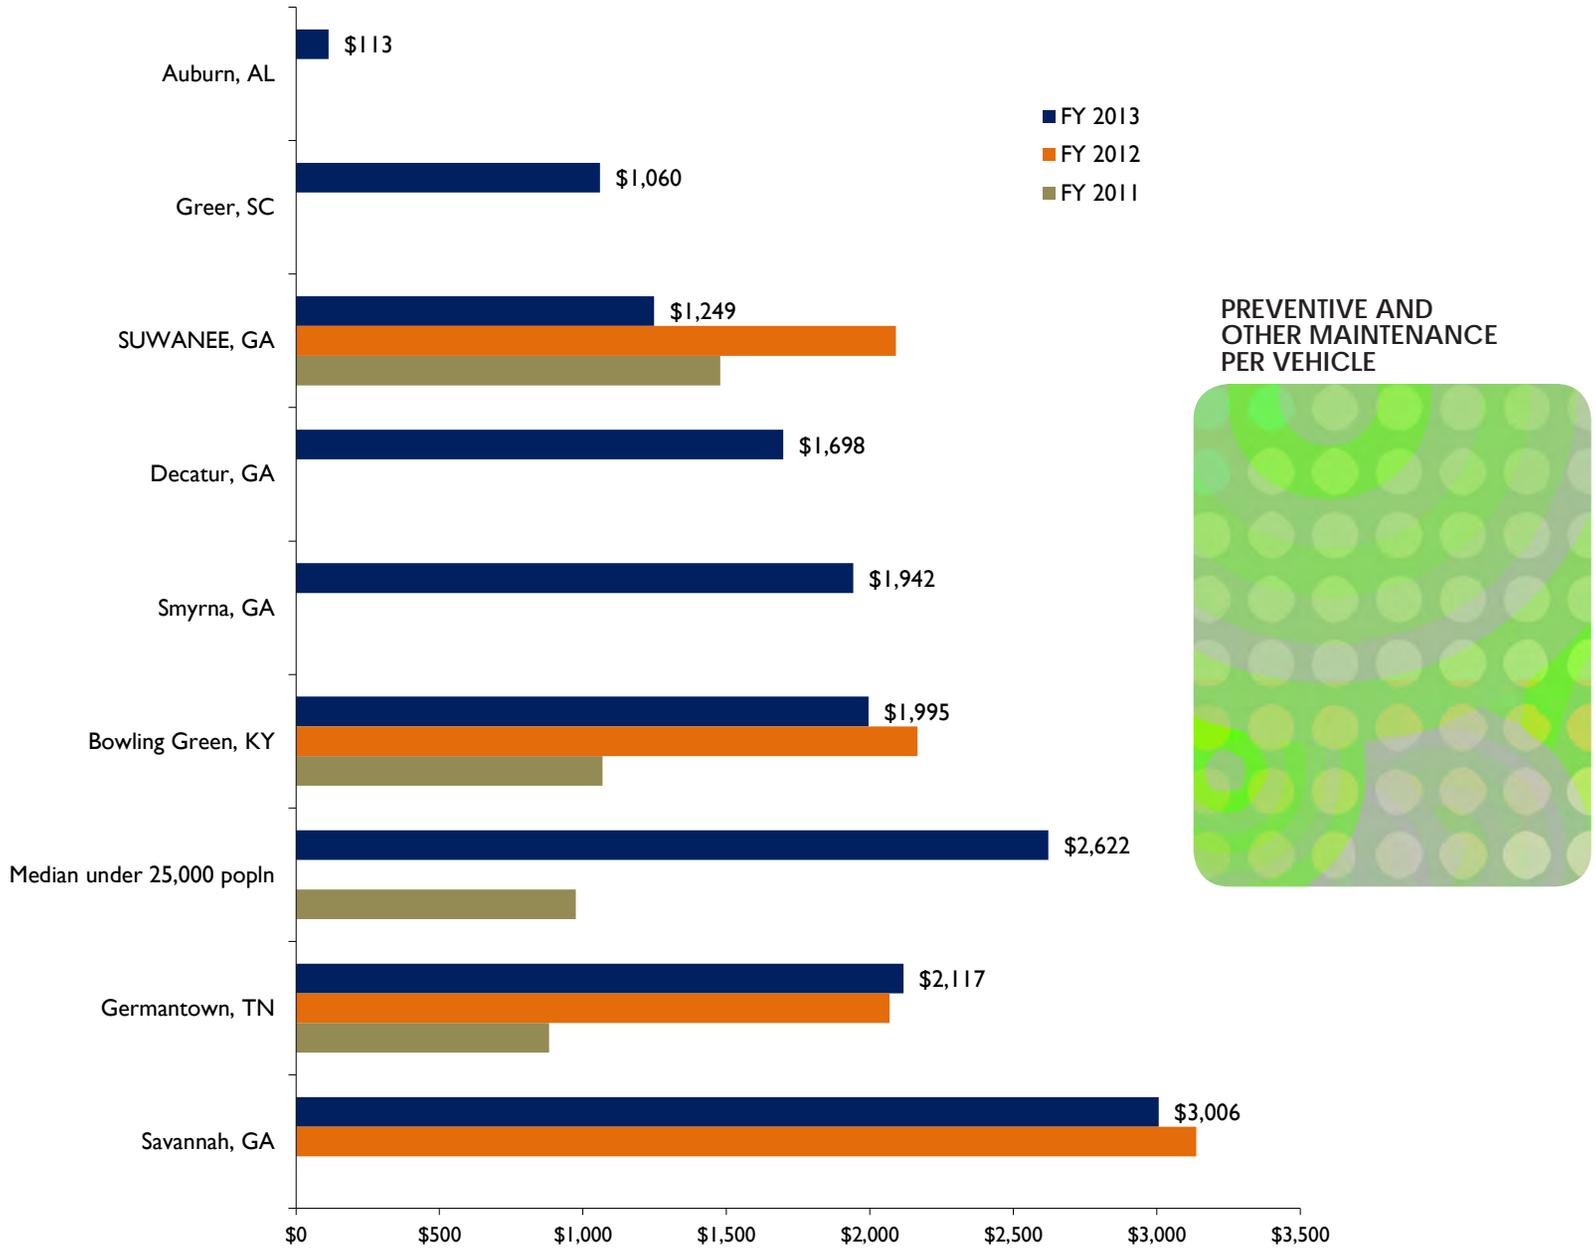

### Fleet Management Characteristics

JURISDICTIONS	RESIDENTIAL POPULATION	TOTAL VEHICLES INCLUDING POLICE	LIGHT DUTY VEHICLES*	MEDIUM DUTY VEHICLES**	VEHICLES USING ALTERNATIVE FUEL
<b>ALL</b>

## STATEMENT OF SERVICE

The Paved Streets Function of Public Works is responsible for the repair and maintenance of all streets within the city limits in a condition that provides a superior

level of service and safety to the general public. This function assists with planning major renovations, roadway repair, and management of paving contracts.

## GOALS

1. Re-inspect City's roads to update road conditions in the pavement management system.
2. Implement the City's road maintenance contracts.
3. Update and expand traffic control mapping and continue with management and implementation of year one and begin year three of multi-year program to meet FHWA Traffic Control Sign Reflectivity requirements.
  - *STWP, Road Improvement Projects, page 318*
  - *STWP, Annual Resurfacing Projects, page 322*
  - *STWP, Road Maintenance, page 318*
  - *CIP, Transportation Projects, Street Maintenance & Resurfacing Program, page 308*
  - *CIP, Transportation Projects, Transportation Enhancement Projects, Sign Reflectivity Program, page 308*
4. Manage Contract and Russell Landscape Group in completion of punch list/item warranty for the Peachtree Industrial Boulevard planted medians project.
  - *STWP, Peachtree Industrial Blvd. Medians, page 314*
  - *CIP, Transportation Projects, Transportation Enhancement Projects: PIB*

5. *Crossing Improvements, page 307*  
Continue enhanced right-of-way/grounds maintenance program of the installed landscaping in the Suwanee Gateway area at the four corners of I-85 and Lawrenceville Suwanee Road and along section of Lawrenceville Suwanee Road.
  - *STWP, Suwanee Gateway, I-85 Business District Economic Development Plan, pages 316-326*
  - *STWP, Road Improvement Projects, Branding, pages 314-318*
  - *STWP, Community Aesthetics, page 322*
6. Bid and recommend award to a Vendor to be Named for the Peachtree Industrial Boulevard medians and right-of-way maintenance.
7. Complete GaDOT audit process for 2012 LMIG resurfacing program.
8. Bid, recommend award of Contract to Council, and complete 2013 LMIG Resurfacing Street Resurfacing Projects.
9. Develop Program, submit 2014 LMIG priority list to GaDOT, receive GaDOT approval and LMIG check, prepare RFP and bid projects, recommend award of Contract, and complete resurfacing projects.

## OBJECTIVES FOR FISCAL YEAR 2015

- Resurface streets as pavement conditions warrant.
- Keep City right-of-way and medians landscaped and litter controlled.
- Implement third year of sign reflectivity program.

## STATEMENT OF SERVICE

The Storm Drainage function of Public Works is responsible for the repair and maintenance of the storm drainage infrastructure and other related facilities located within the city limits in a condition that provides a superior level of service and safety to the general public.

## GOALS

1. Implement and ensure compliance of the City's existing NPDES Phase I MS4 Permit through inspection programs, testing, maintenance program, corrective work, etc. and prepare the required annual report to GaEPD.
  - *STWP, MS4 Operating Permit, page 316*
2. Manage efforts of staff and the City of Suwanee's consultant, Integrated Science and Engineering, Inc., in negotiating various NPDES MS4 Stormwater Permit compliance issues with GaEPD and begin preparation work to apply for renewal of the Permit which expires June 11, 2014.
3. Continue TMDL (Total Maximum Daily Load) Monitoring and Evaluation Plan for four 305 (b) 303 (d) listed stream segments, and continue the attempt that is underway to have one segment de-listed via use of additional monitoring.
  - *STWP, Water Regulations, page 318*
  - *STWP, Annual Stormwater Projects, page 322*
  - *STWP, MS4 Operating Permit, page 316*
  - *CIP, Transportation Projects, Stormwater Projects, page 308*
4. Continue to study ways to expand the present level of joint involvement with other Gwinnett Municipalities in the management of all aspects of public works such as the Stormwater program (NPDES) should opportunities be available, reasonable, economically sound, and feasible.
5. Manage design and construction of 2014 SPLOST program drainage improvement projects.
  - *STWP, Annual Stormwater Projects, page 322*
  - *CIP, Transportation Projects, Stormwater Projects, page 308*

## OBJECTIVES FOR FISCAL YEAR 2015

- Meet GaEPD NPDES MS4 Permit requirements.
- Successfully delist one of the four stream segments that has been determined by GaEPD and listed on the impaired stream segment list commonly known as "305(b)/303(d)."
- Complete the renewal permit process and acquire renewal of the NPDES MS4 Permit.

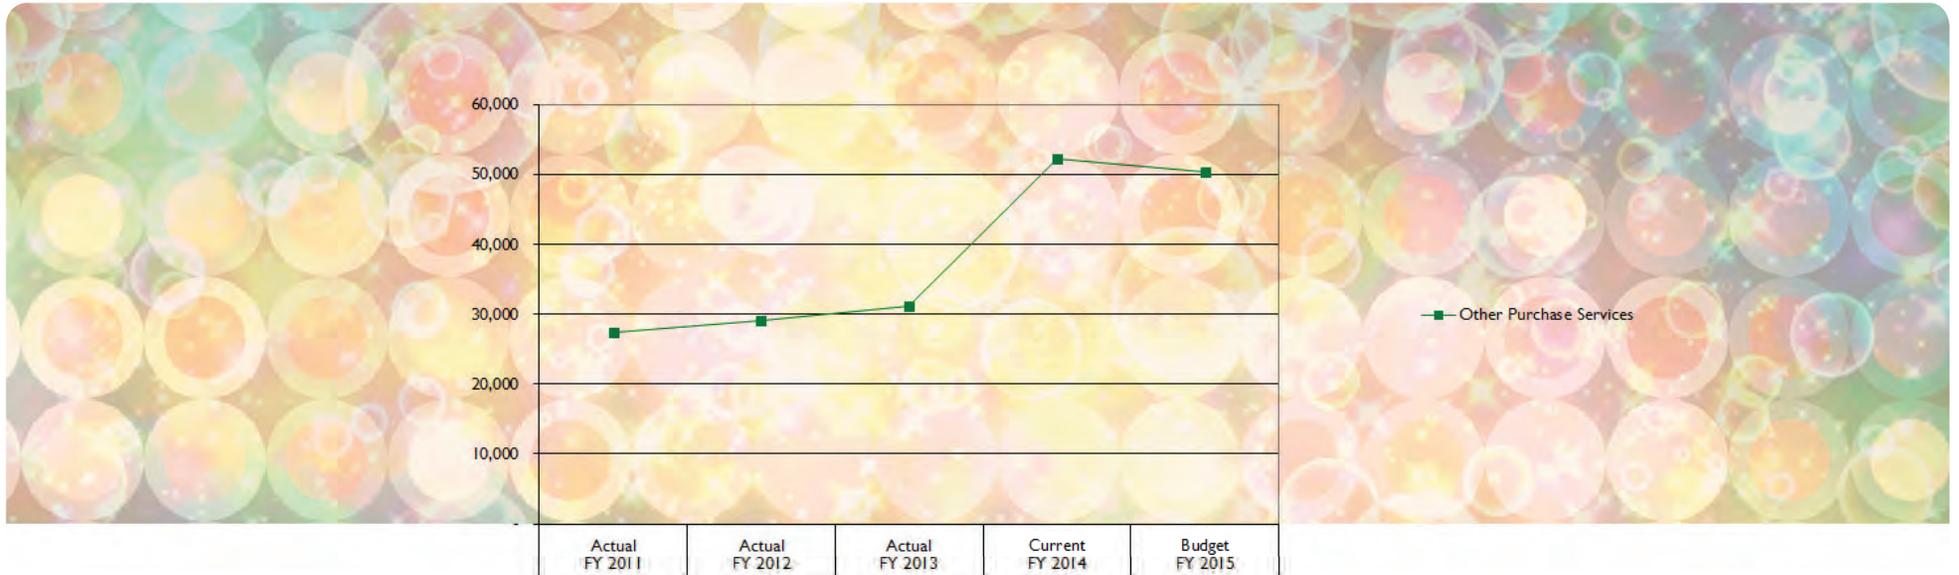

WORKLOAD MEASURES	2011 ACTUAL	2012 ACTUAL	2013 ACTUAL	2014 BUDGET	2014 ACTUAL	2015 BUDGET

## STATEMENT OF SERVICE

As part of Public Works, the purpose of this function is to manage a cost effective maintenance program for the City's parks and greenways to improve quality of life. An additional aim is to create an identity for the community through the provision of high quality passive parks that are ready for use and enjoyment by the citizens. The City owns approximately 372 acres of green space and park properties

## GOALS

1. Continue to work with Volunteers/Scouts to implement small community enrichment improvement projects in our Parks/Greenway.
  - *STWP, Citizen Engagement, page 316*
  - *CIP, Parks & Facilities Projects, Park Enhancements, page 303*
2. Ensure Public Works Department staff maintains and operates Town Center Park, Sims Lake Park and other City parks and Suwanee Creek Greenway so as to achieve a high level of user satisfaction.
  - *STWP, City Services, page 322*
3. Monitor maintenance programs of the Parks and grounds to determine if any changes are needed and continue to make operational changes to improve productivity and cost.
  - *STWP, City Services, page 322*
  - *STWP, Facility Maintenance, page 324*
  - *STWP, Community Aesthetics, page 326*
  - *CIP, Parks & Facilities Projects, Facility Maintenance, page 303*
4. Investigate a recycling implementation program for another one or two parks much like Town Center Park's recycling program.
  - *STWP, Environmental Stewardship & Sustainability, page 324*
  - *STWP, Facility Maintenance, page 324*
  - *CIP, Parks & Facilities Projects, Facility Maintenance, page 303*
5. Manage development and completion of signage project along the rehabilitated section of the Suwanee Gateway.
  - *STWP, Communications & Engagement, Signage, pages 314-316*
  - *STWP, Facility Maintenance, page 324*
6. Develop management plan and begin implementation thereof for the proposed Brushy Creek Greenway
  - *CIP, Parks & Facilities Projects, Facility Enhancements Projects, page 303*
7. Develop management plan and begin implementation thereof for the new Disc Golf Course in Suwanee Creek Park.
  - *CIP, Transportation Projects, Brushy Creek Greenway, page 307*
8. Manage some of the contractors' construction efforts alone with construction of portions of the Disc Golf Course in Suwanee Creek Park.
9. Continue to improve reliability of installed video surveillance system in various parks via new software and equipment communication monitoring system.
  - *CIP, Equipment & Vehicles, Public Safety Projects, Parks Video Surveillance, page 299*
10. Continue managing maintenance contracts for Town Center Park grounds.
11. Provide training in operation and maintenance of the new Town Center Park irrigation system for all Equipment Operators.
12. Manage operations and maintenance of the Big Splash Interactive Fountain to provide a safe environment for users and continue to investigate operational options to minimize potential challenges of the interactive fountain as issues may arise.
  - *STWP, Facility Maintenance, page 324*
  - *STWP, Staffing, page 326*
  - *CIP, Facilities Projects, Facility Maintenance, page 303*

## OBJECTIVES FOR FISCAL YEAR 2015

- To provide maintenance services for all parks the interactive fountain, playgrounds, lake, water features, and the greenway.
- To manage landscape maintenance contract for Town Center Park.

<b>WORKLOAD MEASURES</b>	<b>2011 ACTUAL</b>	<b>2012 ACTUAL</b>	<b>2013 ACTUAL</b>	<b>2014 BUDGET</b>	<b>2014 ACTUAL</b>	<b>2015 BUDGET</b>

## ICMA COMPARATIVE PERFORMANCE MEASUREMENT - FY 2013 Data Report Summary

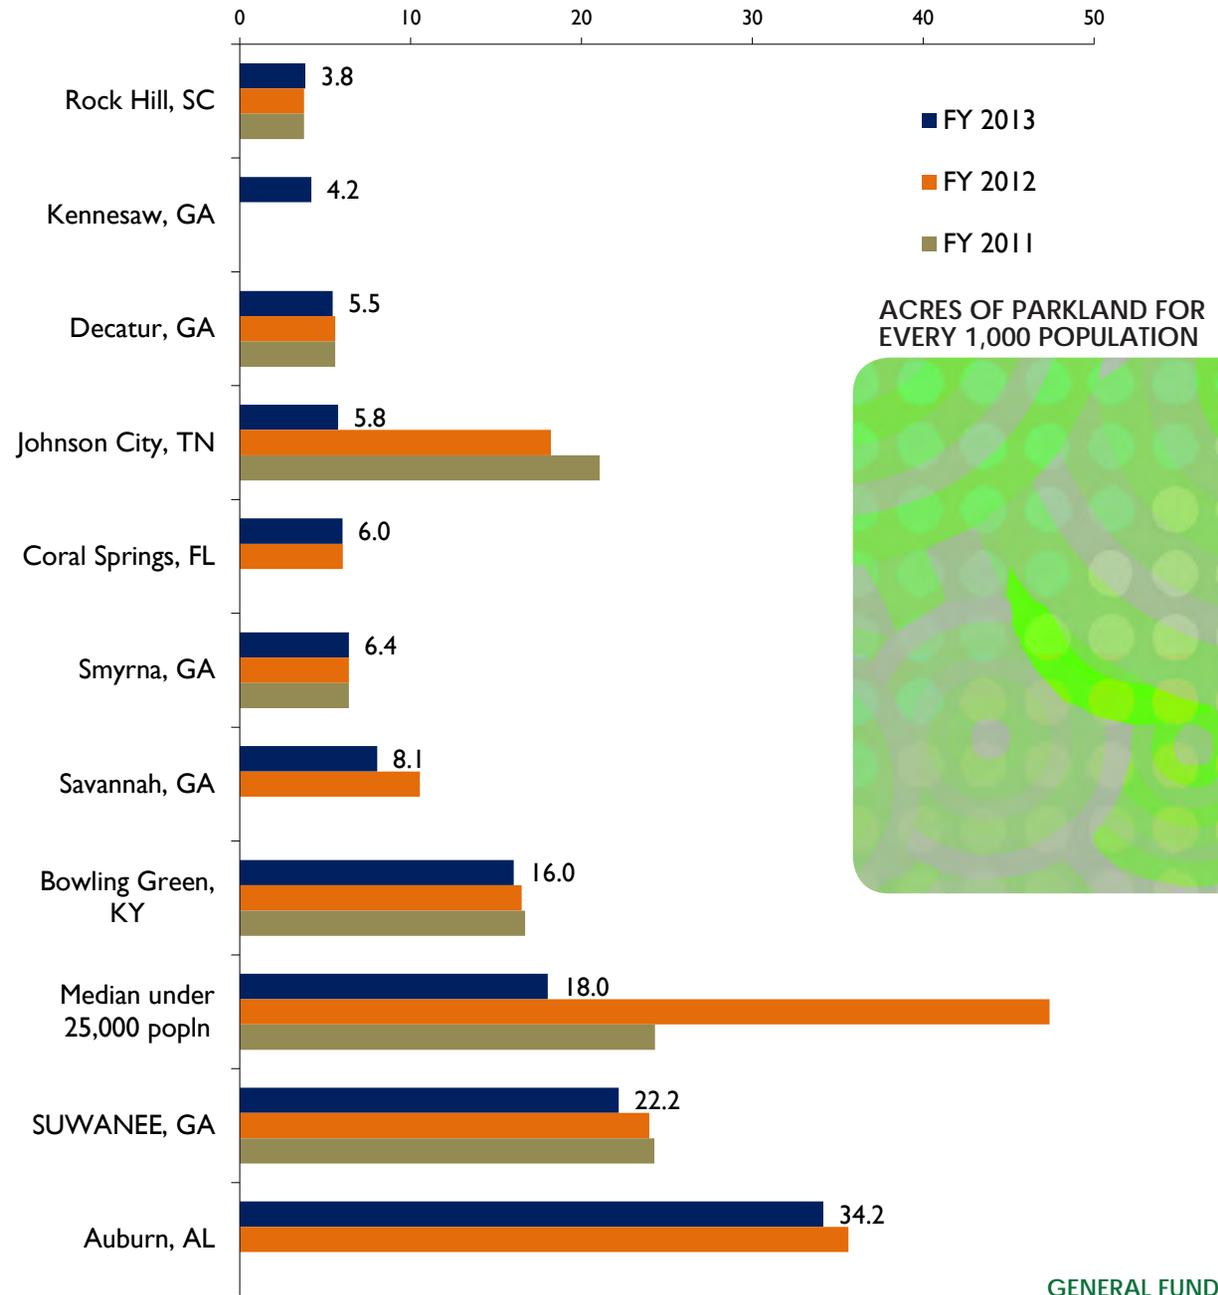

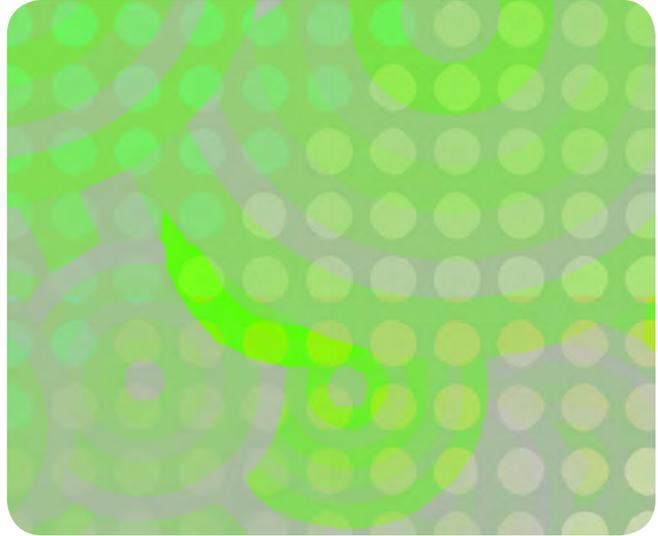

For the FY 2013 Fiscal Year Data Report, 119 jurisdictions provided parks and recreation data.

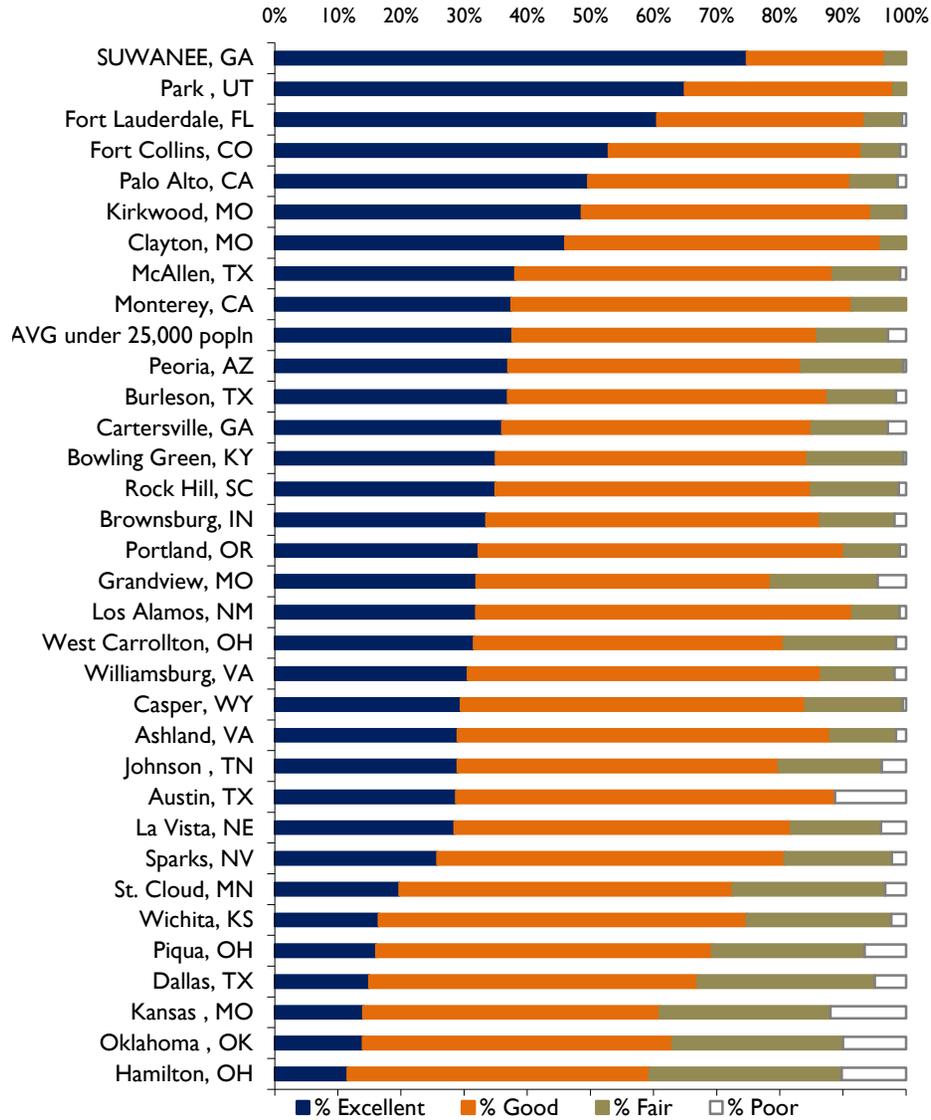

A factor that may influence the comparability of parks and recreation data is the amount of expenditures and hours paid for the department performing activities such as maintenance to nature areas, cemeteries, and trees. In addition, whether a jurisdiction offers certain high expenditure, high revenue activities can affect total net operating and maintenance expenditures.

Descriptive information among jurisdictions for Parks and Recreation is as follows:

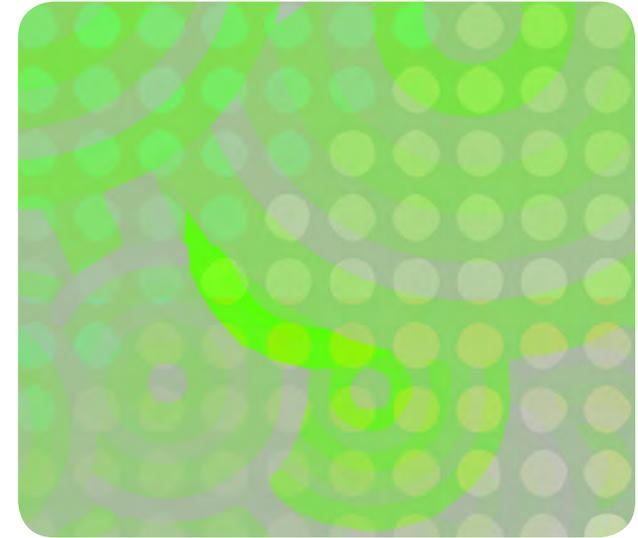

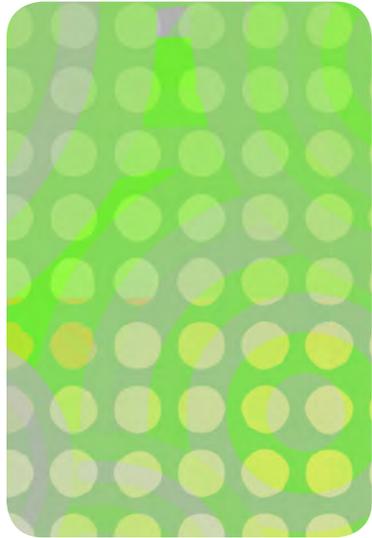

JURISDICTIONS	PERCENTAGE OF POPULATION SERVED THAT IS JUVENILE	SQUARE MILES OF AREA SERVED	TOTAL PARK ACREAGE. LAND & WATER	PERCENTAGE OF PARK ACREAGE THAT IS DEVELOPED	PERCENTAGE OF PARKS MAINTENANCE WORK PERFORMED BY CONTRACTORS	NUMBER OF PLAY STRUCTURES
<b>ALL</b>						
Mean	24%	186	3,731	66%	15%	57
<b>Under 25,000</b>						
Mean	24%	7	793	67%	21%	6
<b>GEORGIA JURISDICTIONS</b>						
Cartersville	26%	30.0	434	48%	-	6
Decatur	23%	4.3	108	86%	11%	6
Kennesaw	26%	10.0	130	100%	92%	15
Savannah	28%	108.0	1,144	83%	1%	62
Smyrna	23%	15.2	327	79%	48%	14
Suwanee	34%	10.9	373	32%	15%	13

## Planning

<b>Functions</b>	Includes the operations of Protective Inspection Administration, Planning & Zoning, and Code Enforcement.
<b>Positions</b>	6 full-time and 1 part-time
<b>Role</b>	Manages the current and long-range planning activities and provides guidance to citizens, developers, and property owners regarding zoning, development, code enforcement, and building inspections.
<b>Notable FY 2015 Budget Items</b>	Includes funding for updating the Downtown Suwanee Master Plan, \$95,000.
<b>Current FY 2014 Budget</b>	\$655,330
<b>Adopted FY 2015 Budget</b>	\$779,550
<b>Change from PY Budget</b>	\$124,220
<b>Reason for Change</b>	The majority of the increase is for the update to the Downtown Master Plan, \$95,000. The additional increase is due to 4% salary adjustments and 10.5% group health insurance increase.

<b>FY 2014 CURRENT BUDGET</b>	<b>\$655,330</b>	
<b>Changes:</b>		
Salary & benefit changes due to 4% raises	19,050	
Reduction in Overtime	(1,750)	
Group Health Insurance 10.5% increase	8,900	Includes part time employee 6 months expense for 12 months.
15% increase in workers compensation	2,020	
Protective Services Travel	500	
Protective Services Education	500	
Planning Professional Services	95,000	Downtown Suwanee master plan
<b>FY 2015 Proposed Budget</b>	<b>\$779,550</b>	

## STATEMENT OF SERVICE

Legislative committees consist of two boards, the Planning and Zoning Commission and the Planning and Zoning Appeals Board.

The Planning and Zoning Commission serves as a technical review committee for planning issues that are then passed along to City Council for action. The Planning and Zoning Commission:

- Hears all planning and zoning matters, including all rezoning and special use permit requests.
- Makes recommendations to City Council regarding rezoning and special use permit requests.

- Serves as an ad hoc committee that studies, researches, and presents recommendations to City Council on a variety of development issues, such as buffer, landscape, and tree requirements for developers; telecommunications tower regulations; and guidelines for extended stay hotels.

The Planning and Zoning Appeals Board considers and rules on all variance requests submitted to the City. A variance request is needed when someone desires to do something not ordinarily allowed by the City's zoning ordinances or when the City's zoning ordinances create a hardship.

## GOALS

1. Enhance Training for appointed Board Members or incorporate training into the Community Planning Academy.
    - *STWP, Board Training, page 322*
- *STWP, Joint Meetings, page 316*
  - *STWP, Land Use, Design Guidelines, Zoning Ordinance Review, page 316-324*

## OBJECTIVES FOR FISCAL YEAR 2015

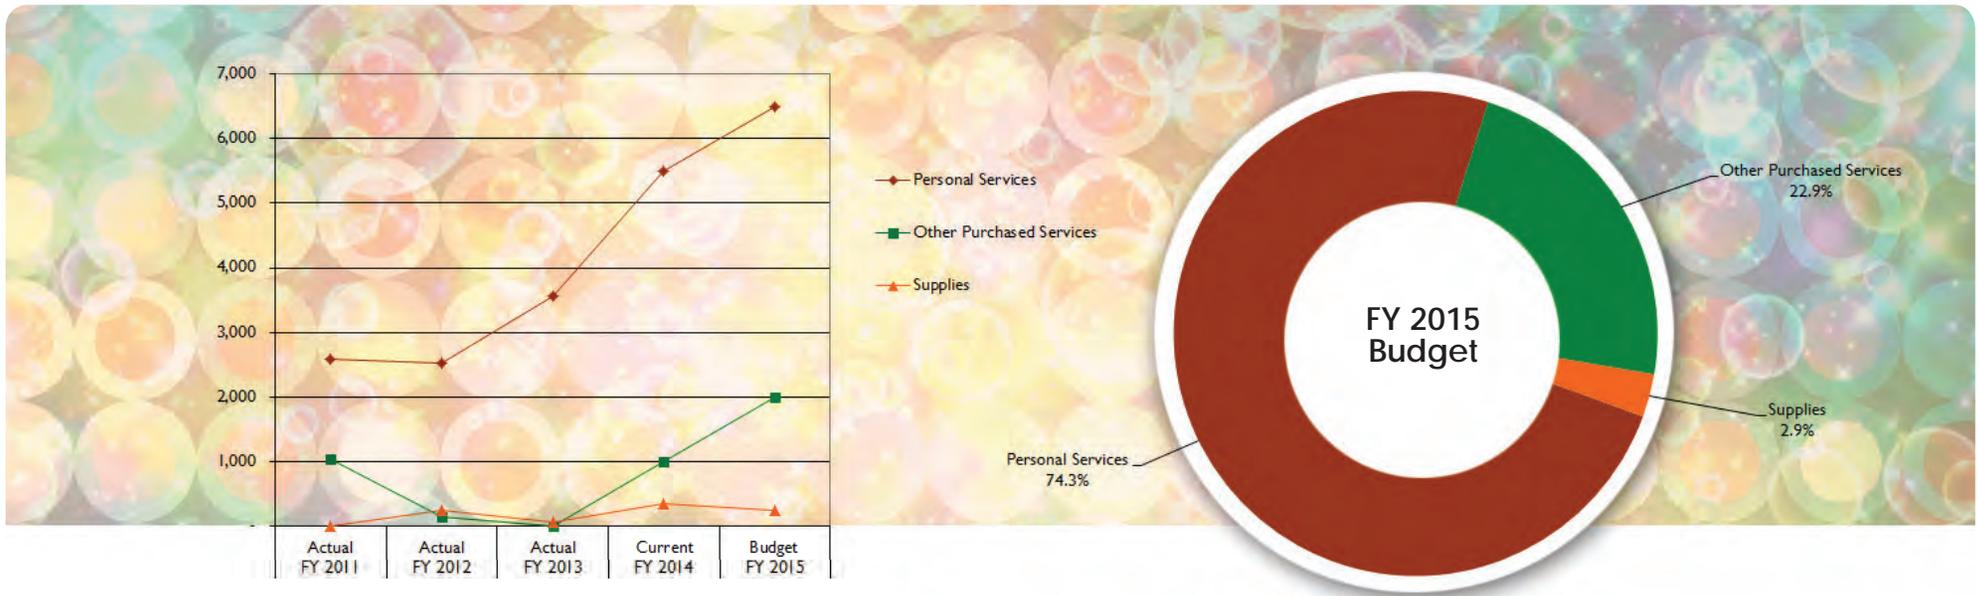

- Review all rezoning cases and special use permit requests and make recommendations to the City Council.
- Review all submitted variance requests and make recommendations to the City Council.

## STATEMENT OF SERVICE

The mission of the Building Inspection Department is to enforce the requirements as adopted by the City in order to safeguard the public health, safety, and general welfare of life and property.

## GOALS

1. Successfully Undertake the Department's Daily Activities
  - Enforce development regulations
  - Conduct daily inspections
  - Conduct plan review for commercial projects
  - Conduct erosion control inspections
  - Address service requests
  - Implement special projects as directed
2. Take part in available code training opportunities and obtain ICC certifications in Building inspection trades.
  - **STWP, Staffing, page 326**
3. Improve permit software capabilities by implementing web-based access for contractors and implementation of GIS capabilities within program.
4. Implement credit card payment capabilities for payment of building permits.
5. Complete digitizing files and keep up with electronic files day forward.

## OBJECTIVES FOR FISCAL YEAR 2015

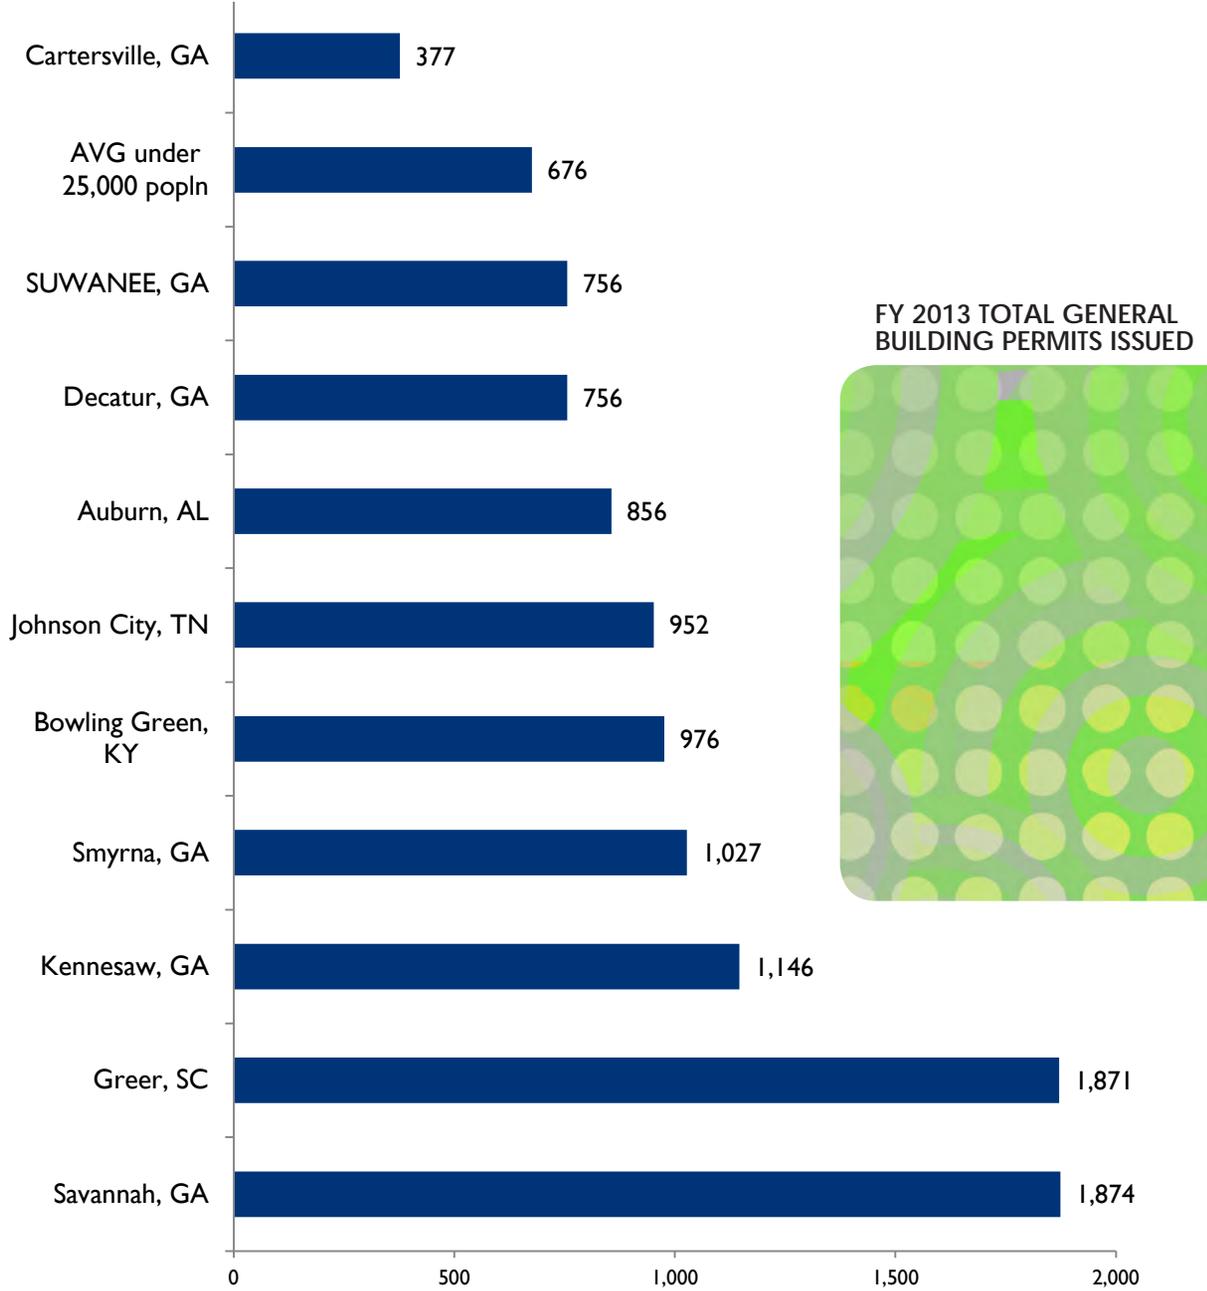

- Respond to inspection requests within 24 hours of receipt.
- Be responsive to special requests of clients.
- Respond to all new projects and reports as needed.

## STATEMENT OF SERVICE

Planning and Zoning activities are conducted by the Planning and Community Development Department. The Planning Division is responsible for managing current and long-range planning activities and overseeing development review activities. The Department's efforts include development and management of the City's 2020 Comprehensive Plan, 1998 Zoning Ordinance, the City's Development Regulations, Soil Erosion and Sedimentation Control Ordinance, Architectural Standards, Stream Buffer Protection Ordinance, Floodplain Management Ordinance, and other related development rules and standards.

Some of the responsibilities of staff include the following:

- Reviewing and reporting on Rezoning, Special Use Permit and Variance requests.
- Reviewing construction plans.
- Providing guidance to citizens, developers, and property owners regarding zoning and development matters.

The Planning and Community Development Department is responsible for staffing various planning and related boards including the Planning and Zoning Commission and Zoning Appeals Board. Activities associated with these boards include providing background information, preparing agendas and minutes, providing analysis and recommendation, and providing educational opportunities.

## GOALS

1. Successfully Undertake the Department's Daily Activities.
  - Manage Development Process.
  - Manage Rezoning/Variance/SUP Processes.
  - Handle Citizen Inquiries.
  - Manage Zoning Ordinance and Development Regulations.
  - Continue participation in various community and state-wide activities and organizations.
2. Implement the 2030 Comprehensive Plan; implement projects in the plan.3. Research grant opportunities to implement projects.
  - **STWP, Comprehensive Plan, page 322**
3. Continue to implement/create Town Center; manage site development.
  - **STWP, Town Center, page 326**
4. Continue to monitor economic conditions.
  - Monitor trends.
  - Create quarterly report.
  - Create annual report
  - **STWP, Economic Indicators, page 316**
5. Work towards advancing GIS capabilities including enterprise GIS system.
  - Increase capabilities of current data.
  - Prepare data for future public use.
6. Research grant opportunities to implement projects.
7. Manage the Mixed-Use and ongoing projects to insure a quality development.
  - Highland Station and Three Bridges
8. Work to create a Tree Maintenance Plan, based upon the tree survey.
  - **STWP, Staffing, page 326**
9. Implement Buford Highway reconstruction project.
  - **STWP, Buford Highway Reconstruction & Streetscaping, page 314**
  - **CIP, Transportation Projects, Buford Highway Corridor Improvements, page 307**
10. Complete annual update to the comprehensive plan.
  - **STWP, Comprehensive Plan, page 316**
11. Continue promoting commuter rail services in Suwanee and beyond with the appropriate entities.
  - **STWP, Commuter Rail, page 322**
12. Continue implementing Pedestrian and Bicycle Plan.
  - **STWP, Pedestrian Bicycle Plan Implementation, page 316**
  - **CIP, Transportation Projects, Pedestrian Bicycle Plan Projects, page 307**
13. Implement recommendations from the Downtown Suwanee Master Plan.
  - **STWP, Downtown Suwanee Master Plan, page 316**
  - **CIP, Parks & Facilities Projects, Facility Maintenance, page 303**
14. Create a Comprehensive Suwanee Gateway master plan Utilizing past studies.
  - **CIP, Transportation Projects, Transportation & Enhancement Projects, page 308**
15. Implement Brushy Creek Greenway and Suwanee Dam Road/PIB intersection improvements.
  - **STWP, Pedestrian Bicycle Plan Implementation, page 316**
  - **CIP, Transportation Projects, Brushy Creek Greenway, page 307**
16. Fully utilize BS&A software.
17. Organize and maintain ViewWise.
18. Complete Suwanee Station Commuter Rail Station Study/LCI Plan.
  - **STWP, Commuter Rail, page 322**
  - **STWP, Rail, page 326**

## ICMA COMPARATIVE PERFORMANCE MEASUREMENT - FY 2013 Data Report Summary

Whether a jurisdiction engages in permitting for various activities can affect the overall volume of permits tracked, as well as the time needed for each permit. Also, the availability of dedicated permit staff can influence a jurisdiction's ability to address permits quickly, which in turn may impact approval time frames.

For the FY 2013 Fiscal Year Data Report, 112 jurisdictions provided permit data.

Descriptive information among jurisdictions for Permits, Land Use, and Plan Review is as follows:

JURISDICTIONS	POPULATION	NUMBER OF BUILDING PERMITS ISSUED	NUMBER OF BUILDING INSPECTIONS CONDUCTED	NUMBER OF PLAN REVIEWS	TOTAL PERMITTING, INSPECTIONS AND PLAN REVIEW FTES	TOTAL EXPENDITURES FOR PERMITTING, INSPECTIONS AND PLAN REVIEW SERVICES

## STATEMENT OF SERVICE

The Code Enforcement Unit of the Inspections Department is dedicated to enhancing the quality of life for the citizens of the City of Suwanee by providing effective public service in the enforcement of building, zoning, and public

nuisance ordinances. We are committed to working with both residences and businesses in a professional and effective manner.

## GOALS

- Enforcement of housing, sign, zoning and environmental regulations.
  - *STWP, Code Enforcement, page 322*
- Ongoing education of citizens and business owners about code enforcement regulations and issues.
  - *STWP, Citizen Engagement, page 316*
- Response and resolution of citizen complaints and inquiries.
  - *STWP, City Services, page 322*
- Proactive removal of illegal signs on City's right-of-way.
  - *STWP, Code Enforcement, page 322*
- Review of sign permit applications to ensure compliance with applicable city regulations.
  - *STWP, Staffing, page 326*
- Develop and implement the first annual City wide clean up day.
  - *STWP, Environmental Stewardship & Sustainability, page 324*
- Identify properties with code violations that could be catalysts for change. Aggressively pursue code compliance, demolition, or abatement.
  - *STWP, Code Enforcement, page 322*
- Completion of Level 2 GACE certification by the Building Official, Level I Certification by Building Inspector.

## OBJECTIVES FOR FISCAL YEAR 2015

- Enforcement of housing, sign, zoning, and environmental regulations.
- Continuing education of citizens and business owners about code enforcement regulations and issues.
- Response and resolution of citizen complaints and inquiries.
- Proactive removal of illegal signs on City's right of ways.
- Review of sign permit applications to ensure compliance with applicable City regulations.
- Increase emphasis on code compliance in the Suwanee Gateway Area.

## STATEMENT OF SERVICE

The mission of Police Administration is to consistently seek and find ways to promote, preserve and deliver quality security and safety services to our community.

Police Administration strives to promote a commitment to quality performance from all members of the department by providing the foundation upon which all operational decisions and organizational directives will be formed. Directives include rules, regulations, and standard operating policies, procedures, and practices.

The mission represents the commitment of the administration to the concepts of quality performance management. Members are expected to consistently work in a quality manner during the daily performance of those duties, job responsibilities, and work tasks associated with this mission. Quality manner means that performance outcomes comply with the performance standards established for this agency and for each member associated with this agency. Examples of performance standards include the oath of office, code of ethics, agency standards, operating procedures, general orders, and City wide policies. The Police Administration function:

- Plans, directs, and manages the Police Department including patrol services, investigations, communications, training, community policing and public relations,
- Maintains standards to ensure statewide certification from the Georgia Association of Chiefs of Police every 3 years.

- Develops, implements, and enforces departmental rules, regulations, standard operating procedures, policies, philosophies, and programs.
- Monitors and ensures the scheduling and assigning of work, the instruction and training of employees, the work and performance of employees, as well as exercising disciplinary action when necessary.
- Provides technical knowledge and problem solving.
- Prepares the departmental operating budget for review and consideration by the City Manager, Mayor, and City Council; monitors and controls the expenditure of all departmental funds; reviews purchase orders and other financial forms requiring department head approval.
- Monitors the security and tracking of evidence, records, and tickets.
- Recruits, selects, and hires departmental employees.
- Develops and supervises the hiring process including testing, interviews, background investigations, and job offers.
- Prepares correspondence, reports, and other written documents; reviews and approves law enforcement forms, reports, evaluations, media releases, and other administrative paperwork and documentation.
- Directs the internal affairs function of investigating citizen complaints and employee grievances.
- Manages technical hardware and software.

## GOALS

- I. Maintain requirements for CALEA accreditation and State certification.
  - Complete all time sensitive activities.
  - Continue to educate officers on benefits of programs.
  - Upgrade from the current platform of PowerDMS to the cloud.
- Relocate the temporary evidence room ensuring that compliance with standards is maintained.
  - **STWP, Police CALEA, page 320**
  - **STWP, Police State Certification, page 320**

## OBJECTIVES FOR FISCAL YEAR 2015

- Ensure that police services are handled in a professional and timely manner.
- Evaluate the Police and Citizens Together (PACT) program and implement action plans to address expansion of the program.
- Upgrade technological capabilities, ensuring that computer systems and equipment are functional and serve the department to their maximum potential.
- Review current processes and programs to evaluate efficiency of deployment of manpower in order to maintain the highest possible level of service delivery.
- Continue to meet statewide certification standards.
- Continue the process to achieve national accreditation from the Commission on Accreditation for Law Enforcement Agencies Inc. (CALEA).
- Improve benefit package for police officers for purposes of improving recruitment and retention efforts.

## ICMA COMPARATIVE PERFORMANCE MEASUREMENT - FY 2013 Data Report Summary

For the FY 2013 Fiscal Year Data Report, 119 jurisdictions provided Police data.

A factor which influences the comparability of Police services data is the area served; the presence of overlapping law enforcement jurisdictions can affect operating and maintenance (O&M) expenditures per capita, plus some jurisdictions may also benefit from services provided by state law enforcement officials. In addition, state and local arrest policies tend to influence the number of arrests per 1,000 population for different types of crimes.

ALL JURISDICTIONS	RESIDENTIAL POPULATION OF AREA SERVED	SQUARE MILES OF AREA SERVED	POPULATION DENSITY	TOTAL BUDGETED SWORN STAFF FTE'S	ACCREDITATION

## STATEMENT OF SERVICE

The mission of the Criminal Investigation Division is the protection of persons, the apprehension of criminals, the recovery of property, and the prevention of crime. The mission is accomplished by the following objectives:

- Maximize the use of all available resources to solve crimes, apprehend suspects, as well as locate missing persons, and recover stolen property.
- Process crime scenes and collect and preserve evidence.
- Perform Annual Performance Evaluations in a timely manner.

## GOALS

1. Monitor establishments to ensure city ordinances and laws are being maintained.
  - Conduct at least 1 underage alcohol sting at retail and restaurant locations.
  - Conduct at least 2 compliance checks on massage businesses.
  - Continue to monitor the precious metal dealers, smoke shops and gaming machines in the City.
    - *STWP, Community Policing, page 322*
2. Increase our effectiveness in investigating and responding to various crimes in the City.
  - Criminal investigation Division to conduct Roll Call Training with the shifts in relation to fingerprinting, DNA collection, etc.
  - Acquire a Critical Incident Van that can be used in response to various calls with necessary equipment to process scenes or be used as a Command Post.

## OBJECTIVES FOR FISCAL YEAR 2015

- Ensure that referred cases are followed up in a timely manner and the victim notified of the case status.
- Maintain a solvability rate of 40% or higher on assigned cases.
- Ensure that background investigations are done in a timely and efficient manner.
- Attend and complete specialized training in the areas of juvenile investigations and child abuse.
- Perform Annual Performance Evaluations in a timely manner.

## STATEMENT OF SERVICE

The mission of the Patrol Division is to provide the highest quality of Police services while maintaining and improving the quality of life for citizens, businesses, and the motoring public in a professional, courteous, and empathetic manner. This mission is accomplished by an array of functions and duties, including:

- Preventive patrols of neighborhoods and businesses.
- Interaction with the public to foster better community relations.
- Responding to calls for service.

- Compiling incident reports.
- Assisting persons in need.
- Providing assistance to investigative personnel.
- Taking enforcement action in matters related to the assignment.
- Investigation of offenses, crimes, traffic accidents, disturbances, and all other incidents that require police service.

## GOALS

1. Continue to develop a core set of officers that can conduct follow ups on certain types of cases to provide more customer service to the victims.
  - Send officer(s) to receive additional training in Domestic Violence.
  - Send officer(s) to receive additional training in Traffic Crash.
  - Continue tactical type training when time allows at the shift level.
    - *STWP, Citizen Engagement, page 316*
    - *STWP, City Services, page 316*
2. Continue to utilize patrol officers for patrolling the area of parks and trails.
  - Continue patrol of these areas by foot, bicycle, and using the Sentinel.
    - *STWP, Park Ambassador Program, page 324*

- *CIP, Equipment & Vehicles Projects, Public Safety Projects, pages 299-300*
- 3. Maintain a safe environment for our citizens to travel upon the roadways.
  - Conduct 2 safety checkpoints every six months.
  - Engage the patrol officers to implement enforcement strategies that assist with Governor's Office of Highway Safety initiatives (Click it or Ticket, Summer HEAT, etc.) throughout the year.
    - *STWP, Traffic Enforcement, page 326*
    - *CIP, Equipment & Vehicles Projects, Public Safety Projects, pages 299-300*

## OBJECTIVES FOR FISCAL YEAR 2015

- Ensure that police services are handled in a professional and timely manner.
- Limit the number of sustained complaints filed against officers.
- Limit the number of accidents and resulting injuries through enforcement and education.
- Improve police response times to emergency and non-emergency calls.

## STATEMENT OF SERVICE

The mission of the Records Unit is to maintain accurate records of arrests, reported crimes, and traffic related incidents as well as ensure the security and integrity of these records in accordance with statutes, policies, and regulations.

## GOALS

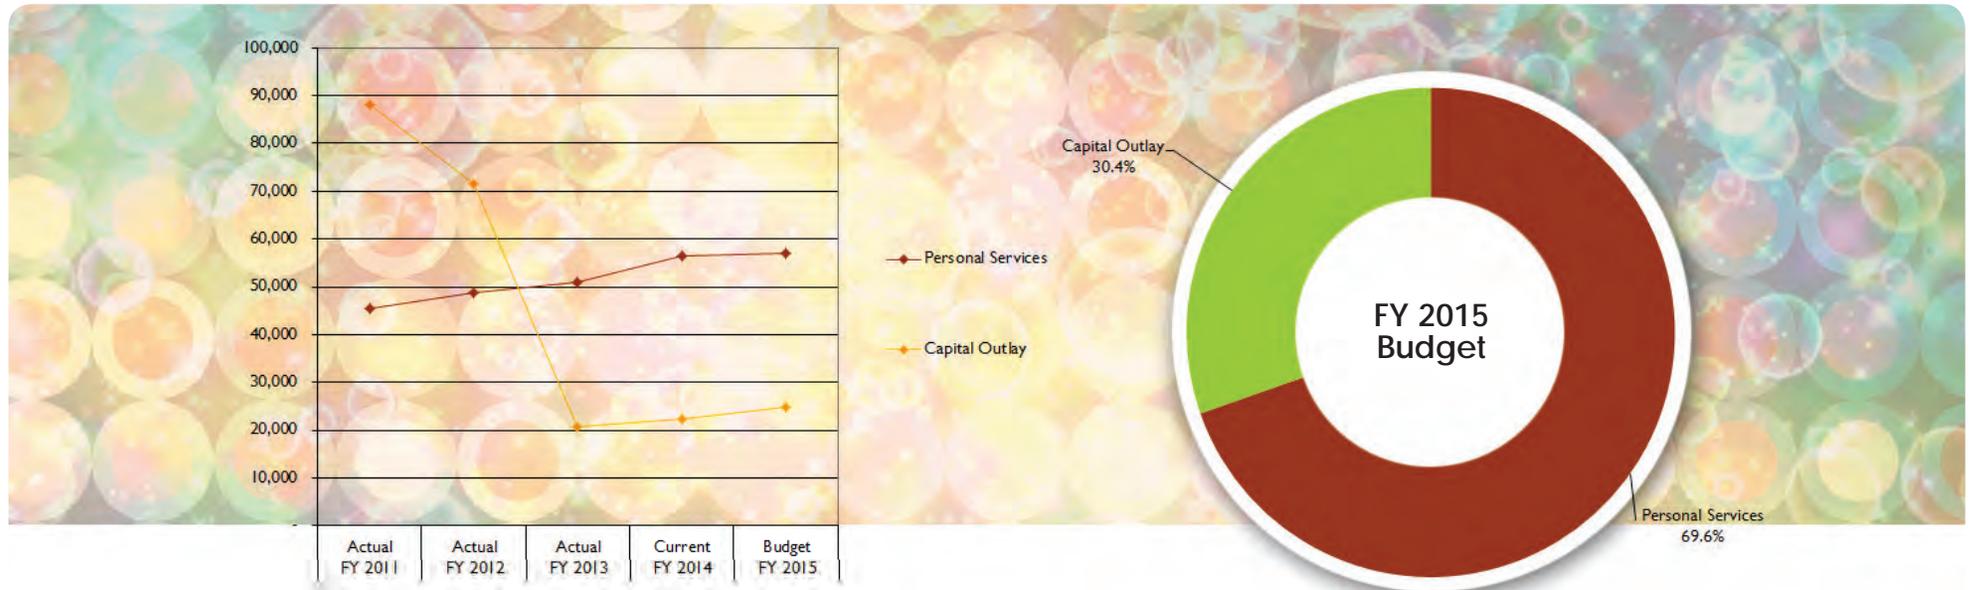

1. Determine if it is feasible to harden up the area in the lobby at Records.
  - Consult with personnel to determine what could be done with our open area lobby to protect our employees from potential harm.
  - If measures are identified, seek funding in the FY 2015 Budget.
    - *STWP, Facility Maintenance, page 316*
    - *CIP, Parks & Facilities Projects,, Facility Enhancement Projects, page 303*

## OBJECTIVES FOR FISCAL YEAR 2015

- Ensure that accurate reports of incidents and accidents are maintained.
- Provide reports to the public, media, courts, and other interested parties in a timely manner.
- Ensure that all open records requests are responded to in accordance with State Law.
- Ensure the security and integrity of all records and reports maintained are within statutes, policies, and regulations.
- Act as liaison to the various courts in providing evidence and documentation

## STATEMENT OF SERVICE

The mission of Police Training is to protect the lives, rights, property, and dignity of all citizens and visitors of our City by providing all members of the Police Department with the best training possible. This mission is accomplished by ensuring that all members of the department receive the maximum benefit from training, providing them with the professional and personal development that

will enhance their well-being, which in turn allows them to excel in their ability to serve the public. The goal of Police Training is to instill and foster a higher level of knowledge and confidence that will allow department members to meet the daily challenges associated with an ever changing and complex environment.

## GOALS

- Utilize the Training Center to provide advanced police related training.
  - Establish a training schedule that incorporates at least 2 intermediate and advanced courses using in-house and outside instructors.
  - Begin to bring in outside subject matter experts to conduct specialized training
  - Provide each officer with 50 rounds of practice ammunition each month to work on firearms skills during open range.
  - Begin to develop more tactical type training that can be conducted by the shifts to enhance their officer safety skills.
  - Continue working with the School Police to conduct Active Shooter Class with multiple agencies participating in the training.
- Conduct a class to train officers in investigation of Sexual Assault cases.
  - Implement quarterly defensive tactics training for the officers.
  - Develop a Career Development Plan for each officer.
  - All sworn officers to attend the Below 100 training classes.
- Expand the current number of in-house instructors we have at the agency.
  - Send at least one officer to Firearms Instructor course.
  - Send at least one officer to POST Instructor course.
    - STWP, Police Substation & Training Facility, page 326
    - STWP, Communications Technology, page 316

## OBJECTIVES FOR FISCAL YEAR 2015

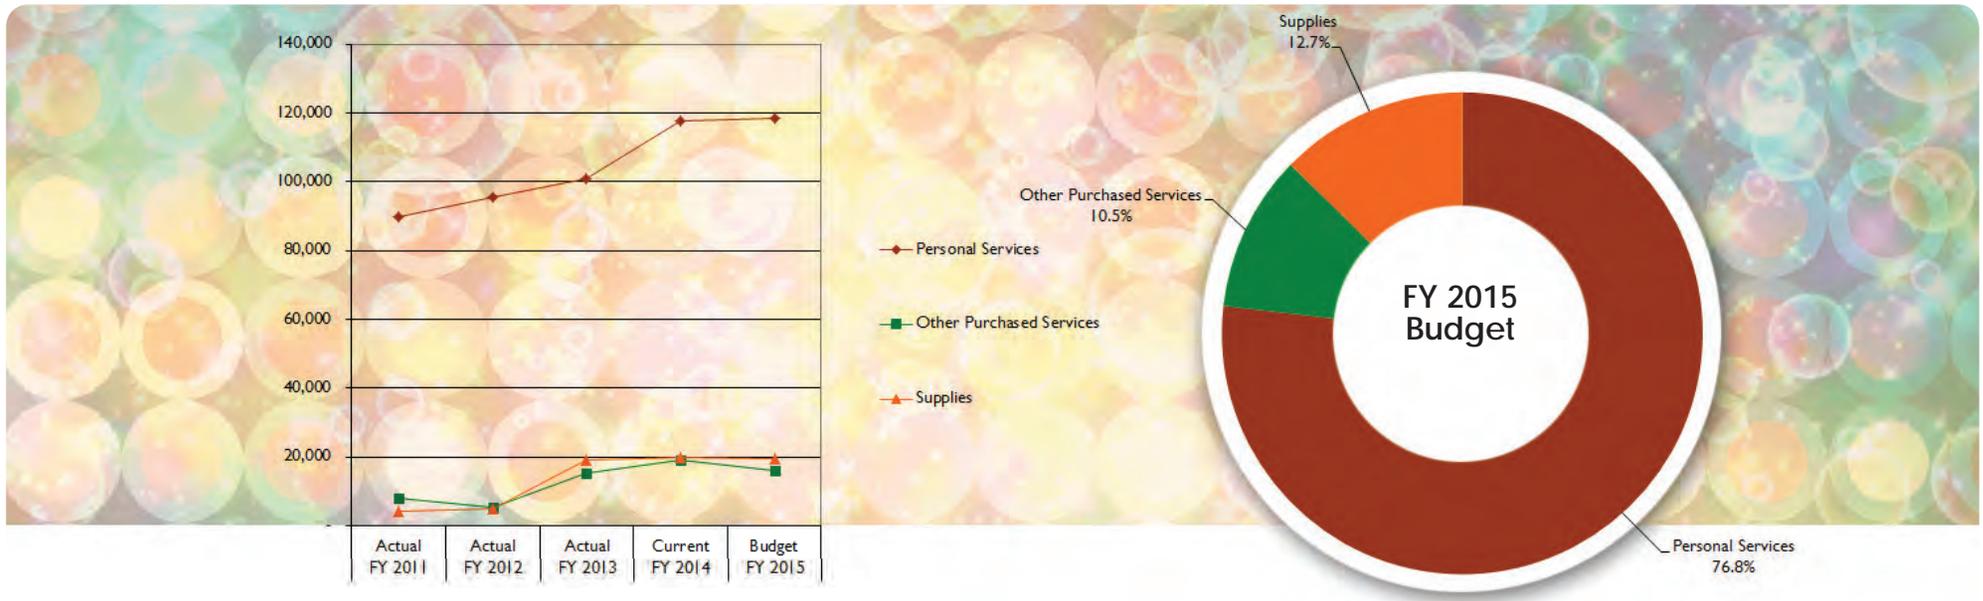

- Provide all members of the Suwanee Police Department with the best training possible.
- Ensure that all members of the department receive the maximum benefit from training.
- Provide all members with professional and personal development that will enable them to serve the community better.
- Foster a higher level of knowledge and confidence that will allow department members to meet the challenges of a changing and complex environment.
- Ensure that all required annual training is provided and documented to meet Georgia State Law, State Certification, and CALEA requirements.
- Ensure that attended training is submitted to Georgia Peace Officers Standards and Training (P.O.S.T.) for credit.
- Document and submit Roll-Call training to Georgia P.O.S.T. for credit.
- Provide Annual Firearms proficiency/qualification and quarterly firearms training.

## STATEMENT OF SERVICE

Special Detail Services refers to police officers who work off-duty assignments at various events and businesses within the City. There are no regularly assigned staff because participation is strictly on a voluntary basis. There are some events sponsored by the private sector that require a certified police officer. The City

of Suwanee pays the officers and then bills the private entity for the services rendered. The mission of Special Detail Services is to promote a safe and secure environment in which our citizens can gather and enjoy the venues offered without fear of crime or unruly disruptions.

## STATEMENT OF SERVICE

The mission of Public Relations is to foster an atmosphere of mutual trust, cooperation, and respect with the public. This mission is accomplished in the following ways:

- Recognizing a shared responsibility between the police and the community.
- Encouraging a problem solving partnership.
- Improving communication with the community.

- Developing and maintaining a close association with merchants, business people, and commercial establishments within the City.
- Offering advice, recommendations, and training programs in crime prevention methods.

## GOALS

1. Continue Community Oriented Policing initiatives.
  - Conduct 2 Citizen Police Academies a year.
  - Conduct 1 Citizen Police Academy alumni reunion class.
  - Continue to conduct Caring Officers Providing Support (C.O.P.S.) mentoring sessions at the school.
  - Continue to conduct the Parents Reducing Incidents of Driver Error (P.R.I.D.E.) classes.
  - Continue Police and Citizens Together (P.A.C.T.) in the subdivisions and the Gateway area.
  - Conduct meetings with the banking institutions quarterly for information sharing.
2. Begin to publish public safety topics / educational information to citizens.
  - Publish articles in City's Newsletter, utilize Twitter and Facebook.
    - *STWP, Citizen Engagement, Communications Technology, pages 316*

- Implement a Citizen Police Academy Alumni Association.
- Continue to utilize Citizen Police Academy Graduates at special events.
- Continue monthly meeting with the Police Explorer Post 980 to include training sessions.
- Continue to utilize Police Explorers at special events.
  - *STWP, Citizens Police Academy, Community Policing, page 316*
  - *STWP, Citizen Engagement, page 316*

## OBJECTIVES FOR FISCAL YEAR 2015

- Schedule, recruit and facilitate two Citizen's Police Academies (CPA).
- Maintain records for and facilitate the Police and Citizens Together (PACT) Program.
- Promote and document interaction with civic groups, neighborhood associations, and Suwanee Businesses.
- Organize and supervise the Explorer Unit. Suwanee Police Explorers is a career program under the umbrella of the Boy Scouts of America, where children between the ages of 14 and 20 years of age learn what a career

in law enforcement would be like. It teaches children about integrity, honesty and civic duty.

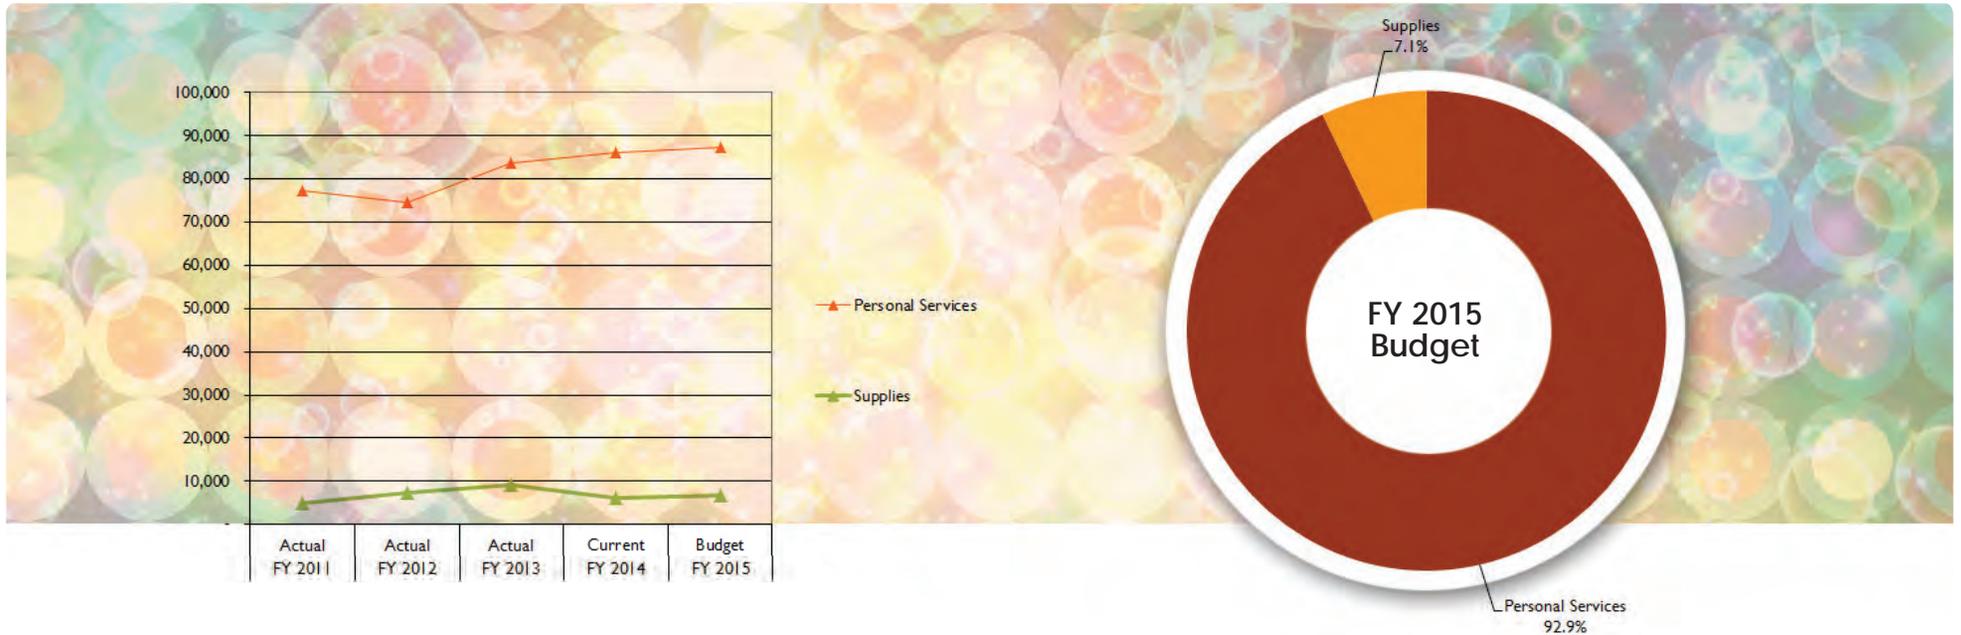

- Attend special events and interact with those that attend them to promote a positive image of the department and an outlet to discuss the services provided by the department.
- Organize and schedule CPA graduates to do volunteer work at various special events.

## STATEMENT OF SERVICE

The mission of the City Attorney is to provide timely and effective advice and professional representation to the City's officials. The City Attorney has the responsibility of responding to requests for advice and in answering lawsuits

in a manner as to eliminate or minimize legal difficulties and damages before decisions are made which might create legal problems.

## OBJECTIVES FOR FISCAL YEAR 2015

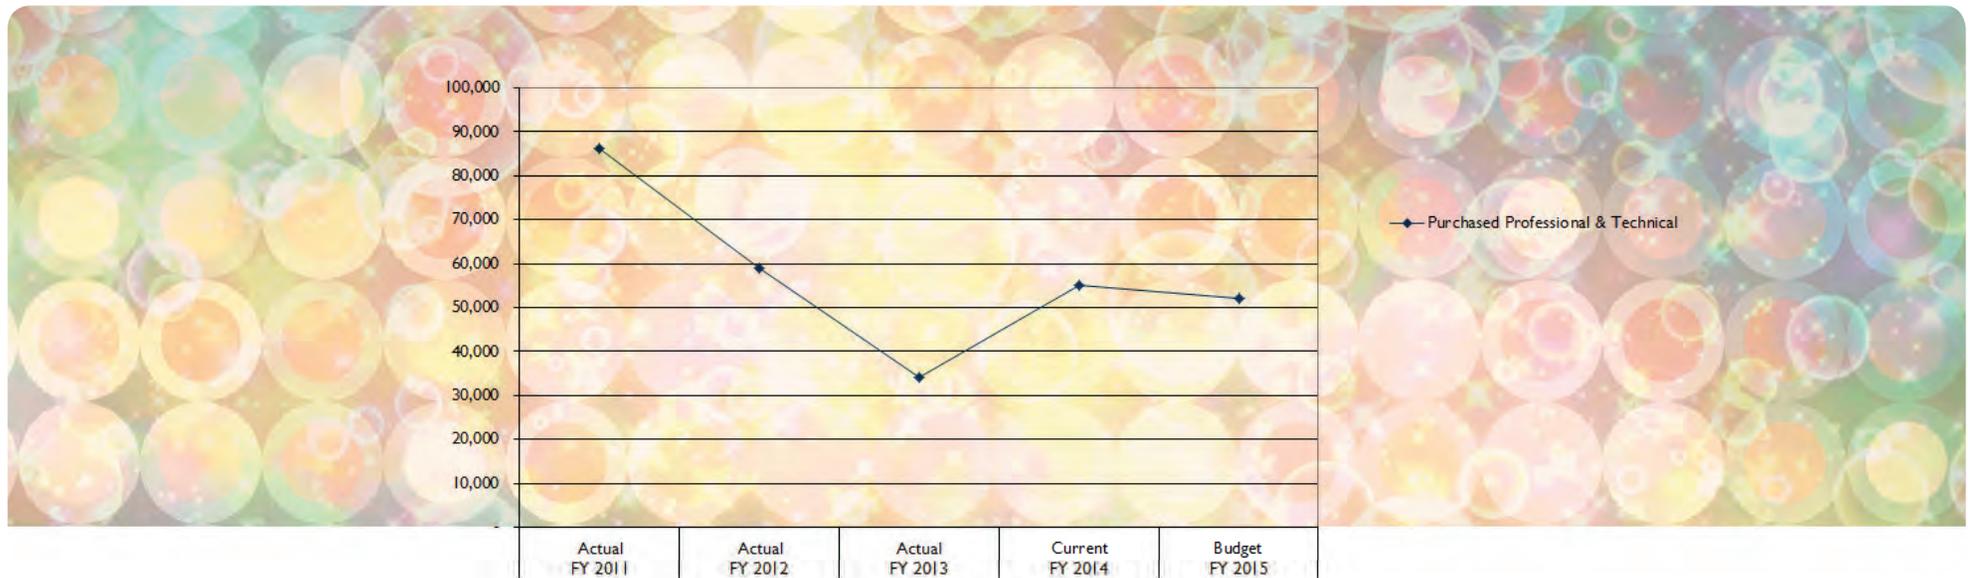

- Draft and review municipal ordinances and resolutions adopted by City Council.
- Draft and review all contracts, leases, and agreements between the City and other organizations and individuals.
- Competently represent the City in legal actions filed against it and monitor outside counsel.
- Work with City on successful implementation of Tax Allocation Districts (TAD).

## STATEMENT OF SERVICE

The mission of the Data Processing function is to provide secure, efficient, innovative, and cost effective data communication services that will support and enhance the daily business operations of the City and enable staff to better serve the citizens of Suwanee, Georgia.

## OBJECTIVES FOR FISCAL YEAR 2015

- Maintain Network Operating System (NOS) infrastructures of Microsoft, VMWare, and Linux servers to ensure minimum down time.
- Maintain virtual server infrastructure.
- Maintain Secure Socket Link (SSL) published applications and desktop for remote access.
- Expand & maintain data backup systems for data integrity.
- Assist and maintain data security and compliancy for departments.
- Coordinate, support and maintain data infrastructure in compliance with various intergovernmental agencies including that of Georgia Criminal Information Center (GCIC) and private vendors for the police department.
- Maintain email system.
- Improve data system performance and availability.
- Maintain and upgrade existing applications as necessary.
- Provide assistance in the selection of new computer, related hardware and software applications.
- Complete projects in keeping with the agreed upon time and budget constraints.
- Continued exploration and creation of a green and cost effective department.
- Implement and maintain the hardware and software related to the new Financial Management system.

## ICMA COMPARATIVE PERFORMANCE MEASUREMENT - FY 2013 Data Report Summary

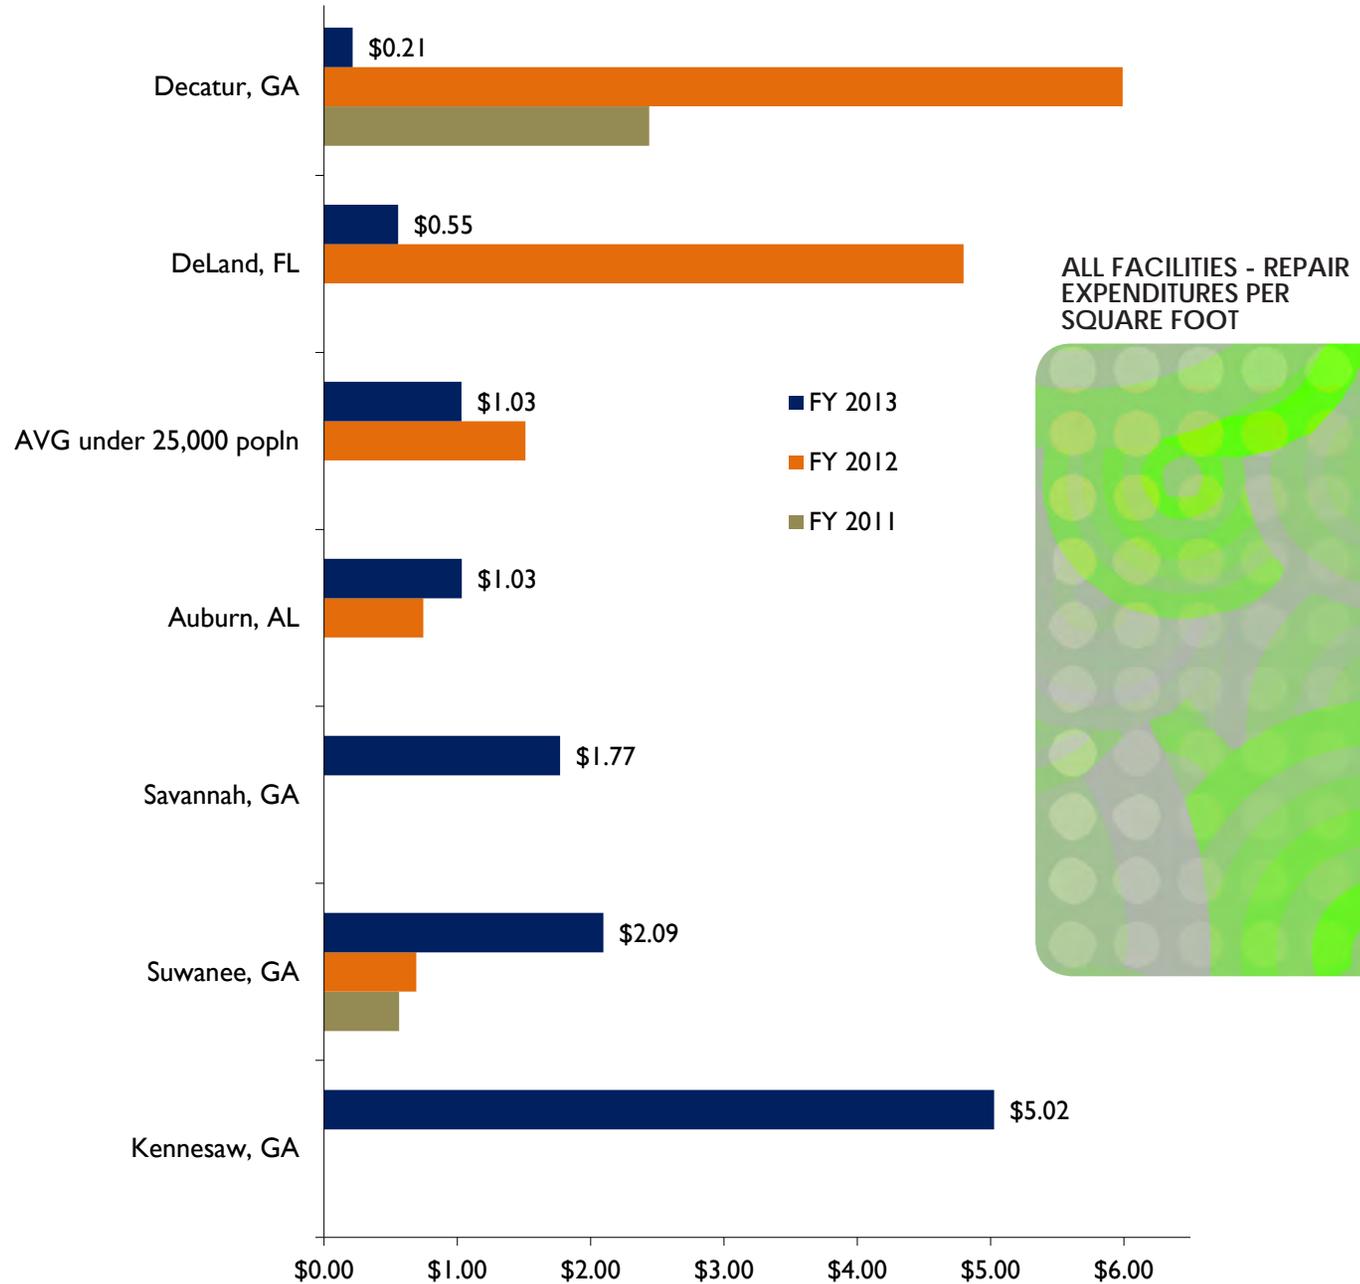

FY 2013 marks the fourth year the City of Suwanee contributed to the Facilities Management data chapter; 118 other jurisdictions provided data as well. Some of the factors that influence the comparability of facilities management data are:

- **Staffing** – Contractual and in-house staff may maintain different aspects of the same square footage.
- **Mixed-Use Buildings** – Some facilities have multiple uses, such as office and industrial. As a result, some jurisdictions' data may not easily be broken down into the categories requested.
- **Utilities** – Electricity costs may tend to reflect the lighting, computer use, and some HVAC in a facility, but they may also be skewed by large equipment present in some facilities but not in others.

### Facilities Management Characteristics

ICMA COMPARATIVE PERFORMANCE MEASUREMENT - FY 2013 Data Report Summary (continued)

## STATEMENT OF SERVICE

This function accounts for operation transfers from the general fund to other funds. Transfers are made to provide required matching funds for federal and state awards, to account for resources transferred to other funds or agencies where actual costs are recorded with funding assistance from the general fund, and to account for funds allocated to the debt service fund for the payment of the general obligation bonds and URA revenue bonds.

SUMMARY OF EXPENDITURES BY CATEGORY	FY 2011 ACTUAL	FY 2012 ACTUAL	FY 2013 ACTUAL	FY 2014 CURRENT	FY 2015 BUDGET

# Ten-Year Projections

## TEN-YEAR PLANNING

Beginning in fiscal year 2008, the City started the process of projecting long-term economic impacts to the general fund revenues and expenditures. This enables the City to anticipate potential problems early, respond before a problem develops, and determine if the City can accommodate today's decisions tomorrow. It helps answer the question, "Can we support future projects and their operating and maintenance costs?"

Each year the City reviews the assumptions, makes adjustments as necessary, and updates the plan on a rolling ten-year basis. The schedules and assumptions used provide elected officials and staff with data needed to analyze the long-term effects of current programs and the economic health of the City as we mature. One purpose of projecting long-term financial stability is to provide a roadmap to aid in understanding if costs of implementing new capital projects, maintaining infrastructure needs, and operating costs are obtainable and realistic within the limitations of the anticipated economic resources. All capital projects, in the capital improvement program (CIP),

are indicated in the anticipated implementation year. Maintenance costs associated with capital projects are noted per the Facilities and Parks Maintenance Plan. This plan was completed in June 2011 and provides the City with a twenty year budgeting tool that estimates repairs and maintenance costs. Actual maintenance and replacement completed may be different than the plan based on actual asset conditions.

The chart below compares 10 year projections prepared in fiscal year 2011 - 2014 for fiscal years 2012-2015. Revenue projections appear to be on target with current assumptions. Fourth quarter pre-funding adjustments caused larger expenditure variances. These pre-funding adjustments are using the current revenue resources to fund the subsequent year's CIP funding. For projection purposes, we will continue to assume that the current CIP funding will correlate with the requesting fiscal year, no pre-funding is assumed.

### COMPARISON OF 10 YEAR TREND PROJECTIONS

FY 2011 - 10 Year Budget Projections for:	REVENUES			EXPENDITURES

\*Change in accounting practice: During fiscal year 2014, Suwanee implemented a new accounting system. The new accounting system receipts property tax collections based on operating and debt service millage rates into the general fund and the debt service fund. Based on this change in technology, fiscal year 2014 budget was amended to remove the debt service millage rate receipts and transfer to the debt service fund. Previous fiscal year projections have been modified to reflect this change in accounting practice.

## Assumptions

### REVENUES

The local economy continues to grow modestly. Suwanee continues to show signs of a slow growth recovery. In fiscal year 2015, most revenue sources showed a modest 3% increase or remained flat when compared to adopted fiscal year 2014 budget. Nationally, the economy is continuing a slow recovery from the recent recession. With a constantly changing economic climate, it is important that the City continue to monitor local, regional and national economic trends.

After years of explosive growth, Suwanee's economy slowed dramatically between 2008 and 2012. Suwanee seems to be settling into a new norm now. This new norm is closer to growth experienced in 2003 and 2004 and not the rapid growth pattern experienced in 2005 thru 2008. Commercial and residential inspections revenue should stabilize between \$250,000 to \$350,000. Property values are predicted to increase by 5% for fiscal year 2015 and collection rates are predicted to improve from 95% experienced in earlier years to the current collection rate of 98%. Excise taxes and licenses are also predicted to maintain current levels (fiscal year 2014 balances) which have shown a modest 3% growth from the previous year. The economy is expected to maintain the new norm into fiscal year 2016 and 2017 with most revenues showing a 3.5% to 4% increase.

Starting in fiscal year 2018, revenues are predicted to improve to a 5% increase for the next five years. In year eight, revenues are predicted to stabilize to a 4% increases for the remaining three years. Also in fiscal year 2019, the intergovernmental funds we are currently receiving from Gwinnett County Service Delivery Strategy (SDS) agreement is predicted to end. The model assumes that this revenue will be replaced by property tax revenue. All projections are based on no additional annexations. If annexation occurs, projections will change.

### EXPENDITURES

A return to pay for performance reviews was implemented in fiscal year 2014, fiscal year 2015 includes a 4% pay for performance reviews. Future period projections include an average of 3% increase being applied to salary projections to continuing with pay for performance reviews for future periods. Population to employee ratios are used to predict possible future staffing needs. Benefit increases were projected using 7% annual increases based on our past market renewal trends. The population is projected to grow from 16,571 in fiscal year 2015 to 20,817 in fiscal year 2025. Our projected population to employment ratio will range from 5.73 the first year to 4.88 at year ten. Part time employees have been converted to full time equivalent. Other operating costs have been inflated by 2.1% compounded each year using the past twelve-month's consumer price index (CPI). The additional staff projected is for planning purposes only. Projecting future staffing assists the City in understanding potential budgeting needs in the future. However, staffing requests will continue to be monitored and evaluated annually. No specific positions are being anticipated or authorized by these planning predictions. The projections are not intended to be used as justification for future positions.

Repairs and maintenance cost follow our current funding levels for road and storm drainage repairs with \$100,000 for roads and \$100,000 for storm drainage. Sidewalk repairs and new sidewalk construction will continue with \$100,000 annually. These assumptions are based on the current 2014 SPLOST collections of these funds ends in fiscal year 2016 but expenditures of these funds will continue until all funds collected have been expended, current estimates has these funds fully expended by fiscal year 2020.

### OPERATING IMPACTS

Current capital projects with operating impacts are included in the budget year they are predicted to go on line. Summarized below are the operating impacts by project. Additional information for each project can be located in the capital project funds tab and in the capital improvement program tab.

## OPERATING IMPACTS

PROJECT	NARRATIVE
2014 SPLOST Projects	The 2014 SPLOST funds will focus on various transportation projects, sidewalk improvements projects and recreational improvements. Annual operating costs are estimated at \$15,000.
Annual Resurfacing	Annual repair costs are estimated at 2% of annual paving. Total annual operating costs \$16,000.
Annual Stormwater	Replacement of stormwater infrastructure generally does not increase operational costs. Upgrades usually only require inspections, some cleaning, and minor maintenance. Repair costs are estimated at 2% of the construction costs. Total annual operating costs \$10,000.
Banner Replacement	Estimated operating cost of replacing current street light banners with new banners every five years is \$40,000.
Buford Highway Reconstruction & Streetscape	Operating costs for the landscaping component of this project are estimated at \$61,000 annually. Depending on the options selected and state approvals, additional operating impacts will be determined.
Cemetery	Operational impacts for landscaping and other infrastructure improvements should be minor ranging from \$5,000 to \$7,000 annually.
Facilities Maintenance	The public facilities maintenance fund uses the planning projections developed from the facilities and parks maintenance study to provide annual resources to implement the study's recommendations. The average funding requirement is \$211,400 per year.
I-85 Streetscape	Annual operating impact will include professional services for landscape maintenance and replacement of landscape. Cost are estimated at \$44,000 annually.
Pedestrian Bicycle Plan	Operational costs would include maintenance for concrete, painting crosswalks, restriping, and possible pedestrian safety improvements and are estimated using 2% of the total construction costs. Total annual operating costs \$13,250.
Public Safety Projects	Annual operating costs for continued implementation and maintenance of public safety projects are estimated at \$7,000 annually.
Wayfinding Signage	New operational costs are estimated at \$5,000 annually. This estimate is based on replacing one of the ten proposed signs per year.

## CIP FUNDING

Suwanee's capital improvement plan general fund contributions have been included for year one thru four. Future periods include continuation of current funding request with a two and half percent inflator added for equipment. New and replacement police vehicles are already a component of the current year expenditures. Additional police vehicles have been included with the projections of additional staff.

Based on the current economic revenue trends, decisions may need to be reviewed regarding projects to be funded by the general fund. Some projects may need to be delayed, alternative funding sources may need to be obtained, or tax and fee structures may need to be modified.

## Summary of Operating Impacts by Capital Projects

Ten Year Projections

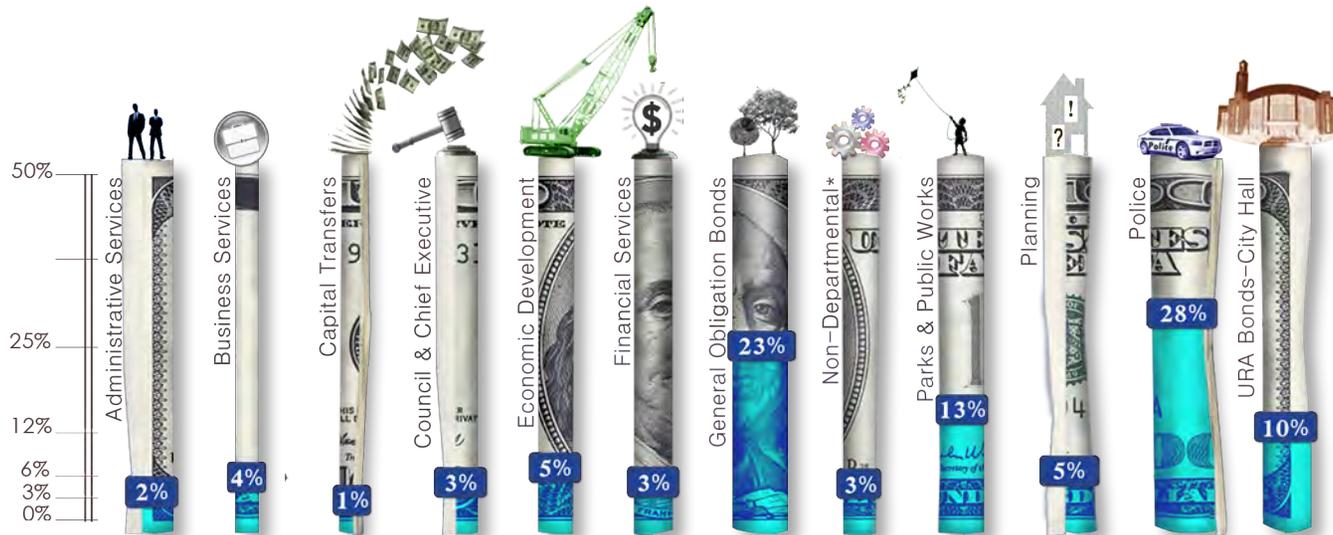

## Where do your taxes go?

### How are residential property taxes spent?

The City provides a wide range of municipal services to citizens including police protection, parks and recreation, planning and zoning, building inspections, code enforcement, economic and community development, special events, municipal court services, and infrastructure maintenance.

In 2014, the average home value in Suwanee is \$225,000 and the typical resident will pay about \$444 in property taxes. The chart below answers a common question asked by Suwanee residents, "Where do my property taxes go?"

$$\$7 + \$20 + \$4 + \$15 + \$21 + \$13 + \$103 + \$14 + \$57 + \$21 + \$124 + \$45 = \$444$$

\* Non-Department = law, data processing, general government building.

The average home owner pays \$444 per year in property taxes. The chart below illustrates the yearly cost for various services the City provides.

Administrative Services	\$7
Business Services	\$20
Capital Transfers	\$4
Council & Chief Executive	\$15
Economic Development	\$21
Financial Services	\$13
General Obligation Bonds	\$103
Non-Departmental	\$14
Parks & Public Works	\$57
Planning	\$21
Police	\$124
URA Bonds - City Hall	\$45
<b>Total</b>	<b>\$444</b>

# Special Revenue Funds

*fiscal year 2014-2015*

Special Revenue Funds account for the proceeds of specific revenue sources that are restricted legally to expenditures for specified purposes.

## Statement of Service

The purpose of the Suwanee Fest is to provide a high-quality family festival for the citizens of Suwanee and it's surrounding neighbors. The festival is self-funded whereby it generates sponsorship dollars to offset the cost of the festival. In addition, the festival is organized by a volunteer group of citizens with a great deal of City guidance, support, and staffing.

## Revenue Assumptions

### Investment Income

**Definition:** Investment income includes revenue from investment of fund equity.

**Assumptions:** Revenues are based on projected rates of return on invested funds in conjunction with current economic indicators.

### Contributions and Donations

**Definition:** Contributions and donations include revenues received from sponsorships, booth rentals, and sales of tee shirts and hats for the annual Suwanee Fest celebration.

**Assumptions:** Revenue projections are based on historical growth trends and estimates from the Suwanee Fest Committee.

## Statement of Service

The City Council appointed Public Arts Commission (PAC) was established to work with and encourage developers to include public art or support public art as a component of new projects and to create programs that bring and promote public art in Suwanee. The duties of Suwanee's Public Arts Commission are listed below.

### Public Arts Commission

- Coordinate developer component of public arts initiative.
- Coordinate Sculptour program.
- Develop Citywide public art master plan.
- Recommend public artwork pieces on behalf of City of Suwanee.
- Acquire art using public art funds.

## Revenue Assumptions

### Investment Income

**Definition:** Investment income includes revenue from investment of fund equity.

**Assumptions:** Revenues are based on projected rates of return on invested funds in conjunction with current economic indicators.

### Intergovernmental

**Definition:** This category includes one time grant payments from federal, state, and local agencies.

**Assumptions:** Revenues are based on actual grant awards.

### Contributions and Donations

**Definition:** Contributions and donations include funds received through corporate donations, individuals, and citizen groups.

**Assumptions:** Revenue projections are based on estimates provided from the Public Arts Commission.

## Statement of Service

Georgia law allows police agencies to file for seizure of property related to illegal substance or activities. These funds must be used to purchase police equipment. Suwanee participates in the Federal Drug Task Force and the Joint Gwinnett Municipal Drug Task Force. These task forces provide the participants a percentage of the amount of funds/property seized. Currently, Suwanee has one police officer assigned to each of these task forces.

## Revenue Assumptions

### Fines and Forfeitures

**Definition:** Cash and property confiscations relating to illegal activities.

**Assumptions:** Current revenue projections are based on the previous year's unspent forfeiture balances.

### Investment Income

**Definition:** Investment income includes revenue from investment of fund equity.

**Assumptions:** Revenues are based on projected rates of return on invested funds in conjunction with current economic indicators.

## Statement of Service

Harvest Farm is one of the Southeast's largest organic community gardens. The garden features 76 raised beds, which are all tended organically. Harvest Farm opened in April 2010 and is located in Suwanee's White Street Park. A former farm, White Street Park is located in the Old Town historic district. With a mission of "Growing a Healthier Suwanee", Harvest Farm also serves as an educational resource for the Suwanee community, offering classes and educational events related to gardening, organic living, sustainability, and other relevant topics. Harvest Farm is proud to support the greater Suwanee community, donating both food and supplies to local food banks.

Harvest Farm seeks to provide value to the Suwanee community by:

**Health:** Harvest Farm will provide an opportunity for improved health through exercise and homegrown food.

**Raised Awareness:** Harvest Farm will provide awareness to the members of how our actions can affect the environment and in turn the community as a whole, as well as the importance of greenspace.

**Valuable to the Community:** Harvest Farm will foster volunteerism, cooperation, diversity, and family activities.

**Access:** Harvest Farm will provide access to all members of the community.

**Sustainability:** Harvest Farm will be organic and encourage sound decisions in all day-to-day practices, as well as being aware of how we impact our environment.

**Engage the Community with Education:** Harvest Farm will provide educational opportunities to enhance our knowledge of organic gardening, health and nutrition, and being environmentally aware.

**Time Spent with Family, Community, and Nature:** Harvest Farm will encourage everyone to take time out of our hectic lives to spend in the outdoors and regenerate.

## Revenue Assumptions

### Investment Income

**Definition:** Investment income includes revenue from investment of fund equity.

**Assumptions:** Revenues are based on projected rates of return on invested funds in conjunction with current economic indicators.

### Contributions and Donations

**Definition:** Contributions include plot rental fees and funds received through corporate donations, individuals, and citizen groups.

**Assumptions:** Revenue projections are based on current plot rental fees and donation estimates from the Harvest Farm Board.

### Other Financing Sources

**Definition:** Other financing sources includes operating financial inflows from the general fund and the use of accumulated reserves for a balanced budget.

**Assumptions:** Operating resources are transfers from the general fund for capital improvements.

## Statement of Service

This fund accounts for 57% of the accommodation taxes collected from the 7% Hotel/Motel tax. These revenues are collected on a monthly basis from each hotel or motel in Suwanee. By state law, the City is required to spend 57% of the collections on programs and initiatives that promote tourism.

## Revenue Assumptions

### Selective Sales and Use Taxes

**Definition:** Selective sales and use taxes are taxes levied on the sale, distribution, or consumption of selected goods and services. Included in this category are taxes charged for rooms or accommodations furnished by hotels.

**Assumptions:** The revenue projections for selective sales and use taxes are based on historical trends in conjunction with current economic indicators. To determine the projection for room accommodation taxes, a monthly average for the prior year is determined and a twelve-month projection of this average was used for the fiscal year 2015 estimate.

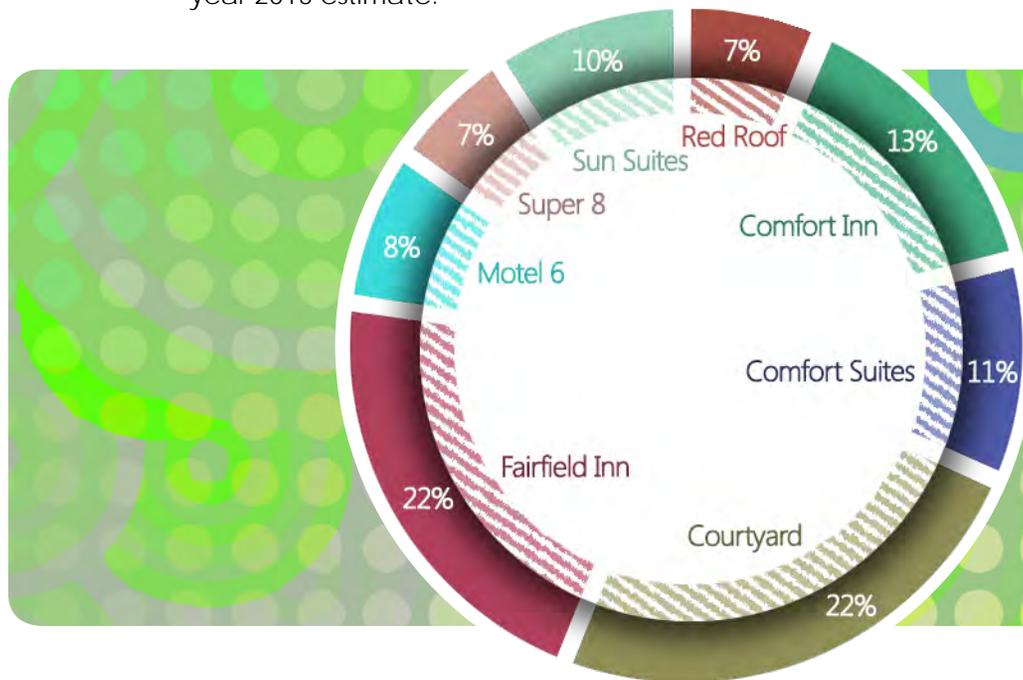

### Investment Income

**Definition:** Investment income includes revenue from investment of fund equity.

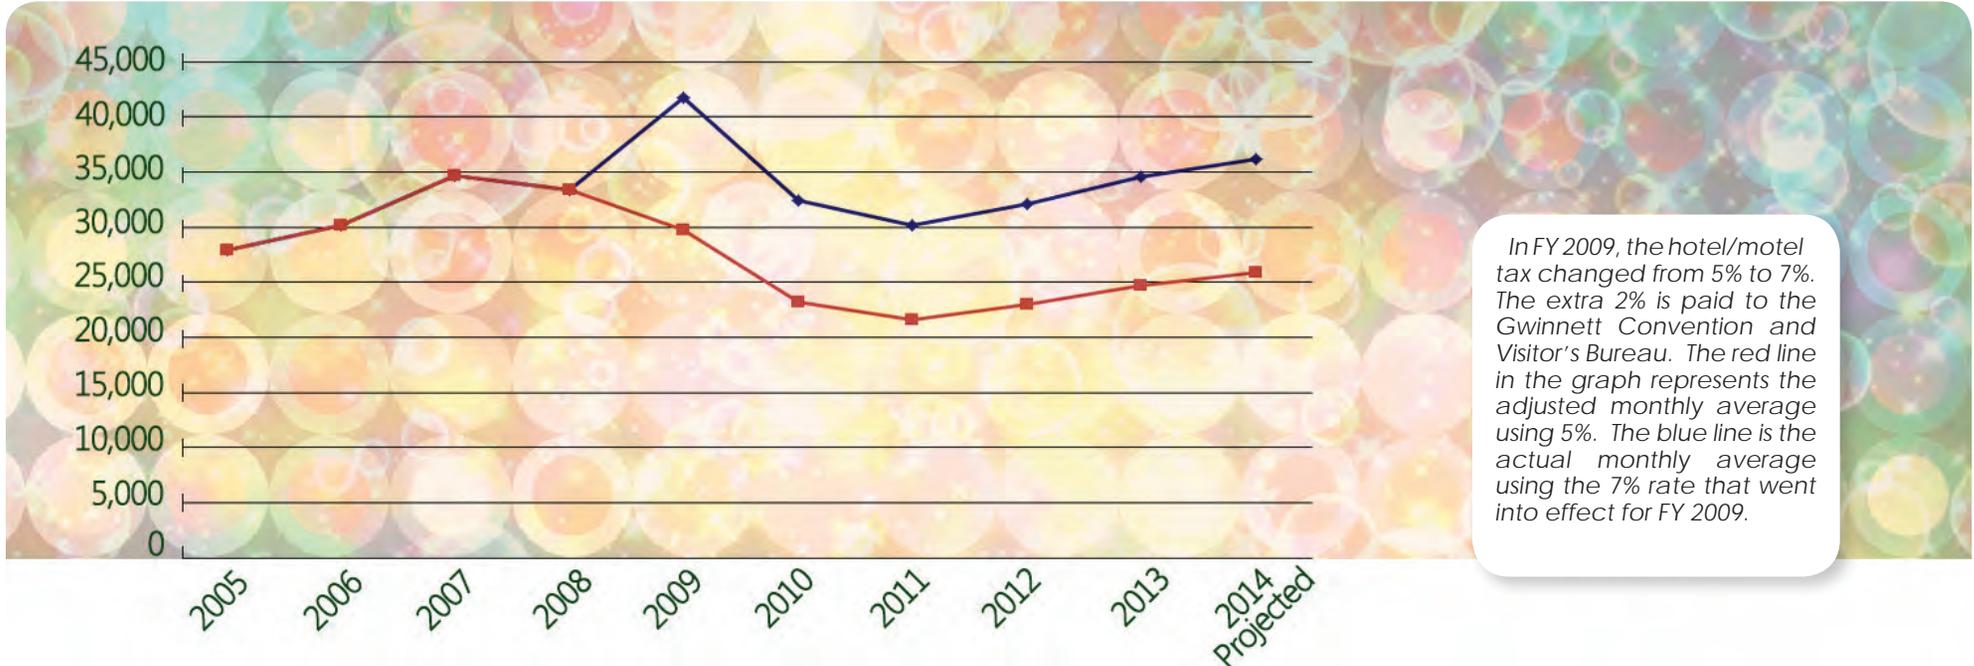

**Assumptions:** Revenues are based on projected rates of return on invested funds in conjunction with current economic indicators.

# Capital Project Funds

*fiscal year 2014-2015*

Capital Project Funds account for financial resources to be used for the acquisition or construction of major capital facilities for the City's governmental funds.

## Statement of Service

The 2009 special purpose local option sales tax fund accounts for the financial resources provided from a one-cent special local option sales tax approved by Gwinnett County voters in 2008. The majority of the projects summarized below have not been formally designed or engineered. The cost estimates represent placeholders for future funding. Timing of the cost estimate, conditions on the ground, and fluctuations in the economy among other factors may alter the final budget. As additional information is obtained, cost projections and funding resources will be updated. Project budgets are established as part of the City's annual approved budget.

## Revenue Assumptions

### Intergovernmental Grants

**Definition:** This category includes the distribution of the proceeds generated by the 2008 special purpose local option sales tax referendum. The City has entered into an intergovernmental agreement with Gwinnett County and has been allocated \$10,356,865 to be paid out as collected from the County from May 2009 until April 2014. Also included in this category is grant awards for the Buford Highway Reconstruction and Streetscape project and the trail along Brushy Creek project.

**Assumptions:** Revenue projections for sales tax are sensitive to economic conditions. Due to this sensitivity, the City used 90% of the projected cash receipt estimate provided by Gwinnett County. The original estimate of \$11,878,050 has been further reduced by \$1,521,185 or another 13% due to declining sales tax collections over the past 2 1/2 years. Based on these reductions, smaller projects have been removed from the proposed project list and a general pool of funds has been created for park enhancements and recreation projects. Federal grant awards have been budgeted based on actual approved grant awards. The City has received all of the 2009 SPLOST proceeds.

### Investment Income

**Definition:** Investment income includes revenue from investment of fund equity.

**Assumptions:** Revenues are based on projected rates of return on invested funds in conjunction with current economic indicators.

### Other Financing Sources

**Definition:** Other financing sources include operating financial inflows from other funds.

**Assumptions:** Transfers have included funding from the 2002 Open Space Bonds along with local funds from the general fund and other local resources previously allocated to other capital projects.

## Operational Impact (open projects)

PROJECT	COMMENTS
<b>308</b> Annual Resurfacing	This project provides the funding for the annual street resurfacing program. This project will continue with the 2014 SPLOST program. To reduce the dependence on SPLOST funding for paving, the City has maintained \$150,000 in annual local funding for resurfacing in fund 344 Paved Streets. Annual repair costs are estimated at 2% of annual paving. Total annual operating costs \$16,000.
<b>310</b> Annual Stormwater	This project provides the funding for the annual storm drainage program. This program was continued with the 2014 SPLOST program. To reduce the dependence on SPLOST funding for storm drainage, the City has maintained \$150,000 in annual local funding for storm drainage in fund 345 Storm Drainage. Replacement of stormwater infrastructure generally does not increase operational costs. Upgrades usually only require inspections, some cleaning, and minor maintenance. Repair costs are estimated as 2% of the construction cost. Total annual operating costs \$10,000.
<b>311</b> Buford Highway Reconstruction & Streetscape	The City has completed a corridor study along Buford Highway that identified improvements for sidewalks, streetlights, crosswalks, and landscaping along Buford Highway between Russell Street and Suwanee Dam Road. In 2012, the City received funding for a portion of this project, Davis Street to Suwanee Dam Road, from the Atlanta Regional Commission (ARC). A consultant was selected in the fall of 2013 for design services and construction management. Operating costs for the landscaping component of this project are estimated at \$61,000 annually. Depending on the options selected and state approvals, additional operating impacts will be determined.
<b>312</b> Pedestrian Bicycle Plan	This project provides the funding for the annual sidewalk program and updating the pedestrian bicycle plan. One part of the plan includes construction of an asphalt trail along Brushy Creek from Suwanee Dam Road to Stonecypher Road. Operational costs would include maintenance for concrete, painting crosswalks, restriping, and possible pedestrian safety improvements and are estimated using 2% of the total construction costs of \$562,500 (Brushy Creek Project) plus 2% of the \$100,000 annual sidewalk construction. Total annual operating costs \$13,250.
<b>314</b> Police Substation	This project is 99% completed. The fy 2015 budget includes operating, maintenance and repair cost of \$76,100 (\$51,200 in the Police Substation budget and the remainder in Public Works for maintenance and repairs). This project includes 7,000 total square feet, including 2,200 for an indoor firing range and 4,800 for training and administrative, is nearing completion (99%) with only minor items to finalize.
<b>315</b> Parking Facilities	Additional parking spaces are needed to handle the anticipated growth in the City. Based on the type of structure(s) added, annual operating costs will range from \$15,000 to \$50,000.
<b>316</b> Park Enhancements	Due to declining sales tax revenues, some proposed projects have been removed from the funding list and a pooled fund approach has been created to help fund smaller projects or provide additional resources to enhance other projects. Since the scope of these projects has not been identified, no additional operating cost projections are available.
<b>318</b> Sign Reflectivity Program	This project will replace our current traffic signs with new signs that meet the Georgia Department of Transportation sign reflectivity requirements. As a detailed sign inventory is developed, the cost estimated for sign replacement may need to be revised. Once completed, we expect no operational impact.

## Statement of Service

The 2005 special purpose local option sales tax fund accounts for the financial resources provided from a one-cent special local option sales tax approved by Gwinnett County voters in 2004. It also includes \$357,369 in the reallocation of 2001 sales tax funds. The cost estimates represent placeholders for future funding. Timing of the cost estimate, conditions on the ground, and fluctuations in the economy among other factors may alter the final budget. As additional information is obtained, cost projections and funding resources will be updated. Project budgets are established as part of the City's annual approved budget.

## Revenue Assumptions

### Intergovernmental Grants

**Definition:** This category includes the distribution of the proceeds generated by the 2004 special purpose local option sales tax referendum. The City entered into an intergovernmental agreement with Gwinnett County to receive the funds over a four-year period as the taxes are collected. This category also includes combining a small portion of the 2009 SPLOST along with grants received from the state.

**Assumptions:** Revenue projections for sales tax are sensitive to economic conditions. The City has received all of the 2005 SPLOST proceeds.

### Investment Income

**Definition:** Investment income includes revenue from investment of fund equity.

**Assumptions:** Revenues are based on projected rates of return on invested funds in conjunction with current economic indicators.

### Other Financing Sources

**Definition:** Other financing sources include operating financial inflows from other funds.

**Assumptions:** Transfers have included funding from the general fund and other local resources previously allocated to other capital projects.

## Operational Impact (open projects)

PROJECT	COMMENTS
<b>321</b> Street Resurfacing & Safety Improvements	This project provides the funding for the annual street resurfacing program to maintain the existing street conditions. This annual program has continued with the 2009 and 2014 SPLOST programs. Ongoing operating cost projections have been included in the 2015 operating impacts.
<b>323</b> Storm Drainage System Improvements	This project provides the funding for the annual storm drainage program. This annual program has continued with the 2009 and 2014 SPLOST programs. Ongoing operating cost projections have been included in the 2015 operating impacts.

Suwanee Creek Park by City of Suwanee

## Statement of Service

In fiscal year 2011, Suwanee completed a facilities and parks maintenance study. This study included a condition assessment of all City facilities including parks and buildings, recommendations for repairs, and development of a capital maintenance and replacement schedule. The public facilities maintenance fund uses the planning projections developed from the study to provide annual resources to implement the planning recommendations.

## Revenue Assumptions

### Investment Income

Definition: Investment income includes revenue from investment of fund equity.

Assumptions: Revenues are based on projected rates of return on invested funds in conjunction with current economic indicators.

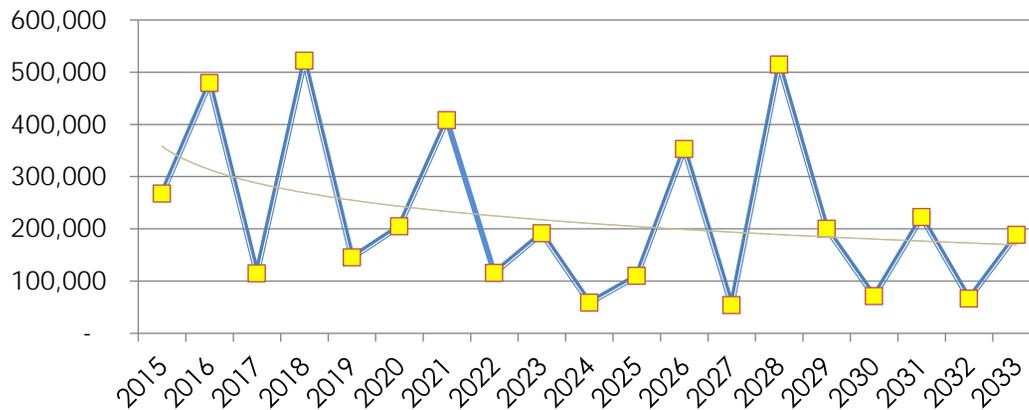

### Other Financing Sources

Definition: Other financing sources include operating financial inflows from other funds.

Assumptions: Funds are transferred from the general fund to cover annual cost estimates as determined by the maintenance study.

## Operational Impact

The chart below shows the twenty year projected funding requirements. This plan provides a tool for future maintenance and replacement budgeting. Actual maintenance and replacement may be different from the plan based on actual asset conditions.

### SUMMARY OF REVENUES BY CATEGORY

	FY 2015 BUDGET
Investment Income	\$ 500
Other Financing Sources	274,500
<b>TOTAL REVENUES</b>	<b>\$ 275,000</b>

### SUMMARY OF EXPENDITURES BY CATEGORY

Purchase Professional and Technical Services	\$ 25,000
Supplies	10,000
Capital Outlay Property	240,000
<b>TOTAL EXPENDITURES</b>	<b>\$ 275,000</b>

Summarized below are highlights of large capital maintenance items for FY 2015 by location.

- Public Works Building (Windsor Park):** Brick wall mortar repair. **\$5,000**
- Sims Lake Park:** Brick bathroom building mortar repair. **\$5,000**
- Public Works Building (Windsor Park):** Replace damaged metal wall panels. **\$10,000**
- Police Station:** Replace 40kw generator at Police Station. **\$45,000**
- Sims Lake Park:** Repair and paint exterior wood on cottage **\$5,000**
- Court Building (Crossroads):** Install back-up power generator. **\$42,000**
- Court Building (Crossroads):** HVAC improvement project. **\$40,000**
- Suwanee Creek Park:** Replace drinking fountain at bathroom building. **\$2,000**

## Statement of Service

The purpose of this fund is to provide funding for improvements to City facilities and parks. Enhancements include equipment, software, furniture, sidewalks, bike racks, and other capital improvements.

## Revenue Assumptions

### Investment Income

Definition: Investment income includes revenue from investment of fund equity.

Assumptions: Revenues are based on projected rates of return on invested funds in conjunction with current economic indicators.

### Other Financing Sources

Definition: Other financing sources include operating financial inflows from other funds.

Assumptions: Current funding includes unused resources from the closed City Hall capital project.

FY 15 projects include completing the new accounting software conversion, landscaping on the railroad sloped right-of-way, Lawrenceville Suwanee Road sloped bank landscaping, public safety projects, and replacement of banners.

## Operational Impact

**Accounting Software** - The new accounting software is anticipated to have annual support fees of \$25,000; this is a reduction of \$16,000 from our current software support fee. This cost has been included in the FY 2015 operating budget.

**Railroad Landscaping** - The new landscaping along the sloped railroad right-of-way and slope bank on Lawrenceville Suwanee Road should have minimum additional operating costs since the plan is to replace current grass areas with low maintenance landscaping. Operational estimates include \$5,000 in replacement plantings but a reduction of \$5,000 in mowing labor costs.

**Lawrenceville Suwanee Road Landscaping** - The new landscaping along the sloped bank on Lawrenceville Suwanee Road should have minimum additional operating costs since the plan is to replace current grass areas with low maintenance landscaping. Operational estimates include \$5,000 in replacement plantings but a reduction of \$5,000 in mowing labor costs.

**Public Safety Projects** - Continued implementation of the park video surveillance program to enhance the safety of public facilities, parks, and trails. The video surveillance and Wi-Fi systems will require preventative maintenance as repairs and replacements. Operating costs for the radar signs include battery replacements (battery back-up to solar powered systems) and other small repairs due to vandalism or car accidents. Annual estimated operating costs are predicted at \$7,000.

**Banners** - This project includes replacing current street light banners with new banners. Continued operating costs would include the replacement of these banners in five years, estimated replacement costs \$40,000.

SUMMARY OF REVENUES BY CATEGORY		FY 2015 BUDGET
Investment Income	\$	1,000
Other Financing Sources		399,000
<b>TOTAL REVENUES</b>	<b>\$</b>	<b>400,000</b>

SUMMARY OF EXPENDITURES BY CATEGORY	
Purchase Professional and Technical Services	\$ 25,000
Capital Outlay Property	375,000
<b>TOTAL EXPENDITURES</b>	<b>\$ 400,000</b>

## Statement of Service

The cemetery fund was created to implement landscaping and other infrastructure improvements to Suwanee's small cemeteries as outlined in the 2009 Cemetery Preservation Assessment. Phases of this study will be implemented over the next three to five years as funding allows. Cemeteries included in the study were Jackson Street, Shadowbrook, and Sims Lake.

## Revenue Assumptions

### Investment Income

Definition: Investment income includes revenue from investment of fund equity.

Assumptions: Revenues are based on projected rates of return on invested funds in conjunction with current economic indicators.

### Other Financing Sources

Definition: Other financing sources include operating financial inflows from other funds.

Assumptions: Current funding includes unused resources from the cemetery committee and general fund transfers.

## Operational Impact

Enhancements include minor changes to current structures. Operational impact should be minor ranging from \$5,000 to \$7,000 annually.

SUMMARY OF REVENUES BY CATEGORY		FY 2015 BUDGET
Investment Income	\$	250
Other Financing Sources		110,250
<b>TOTAL REVENUES</b>	<b>\$</b>	<b>110,500</b>

<b>TOTAL EXPENDITURES</b>	<b>\$</b>	<b>110,500</b>

Shadowbrook cemetery by City of Suwanee

## Statement of Service

This fund accounts for the annual maintenance and repair of street surfaces, curbs, and gutters on streets paved with concrete, asphalt, or brick.

## Revenue Assumptions

### Investment Income

Definition: Investment income includes revenue from investment of fund equity.

Assumptions: Revenues are based on projected rates of return on invested funds in conjunction with current economic indicators.

### Other Financing Sources

Definition: Other financing sources include operating financial inflows from other funds.

Assumptions: Funds are transferred from the general fund to cover annual cost estimates for street repairs and maintenance. Accumulated reserves are also used based on actual budgetary needs to balance the funds budget.

## Operational Impact

This fund covers the annual maintenance and repair of street resurfacing. The fund itself is the ongoing maintenance costs for Suwanee's street system.

Stormwater

## Statement of Service

This fund was established in February 2012 to provide funding to pay for houses and other structures that need to be demolished throughout the City in order to prevent blight and other purposes.

## Revenue Assumptions

### Investment Income

Definition: Investment income includes revenue from investment of fund equity.

Assumptions: Revenues are based on projected rates of return on invested funds in conjunction with current economic indicators.

### Intergovernmental

Definition: This category includes the one time payment received from Gwinnett County from the negotiated Service Delivery Strategy (SDS) settlement.

Assumptions: Funds budgeted are the actual funds received from the negotiated settlement.

## Operational Impact

No current operational impacts are expected. Current efforts related to economic development blight removal and redevelopment opportunities.

## Statement of Service

Suwanee's Tax Allocation District (TAD) was created to revitalize Suwanee's commercial district along I-85, Suwanee's Gateway. Funds obtained through the creation of a tax allocation district will ignite additional private investment and growth. Suwanee's Gateway redevelopment plan includes the following:

- Improvement of the transportation infrastructure.
- Strategic streetscape improvements that better accommodate pedestrians.
- New office and commercial sites to attract additional private investment.
- Infrastructure improvements for enhanced safety and appeal.
- Bold, new development as a catalyst for complementary development.
- Cooperative branding and marketing.
- Elimination of eyesores and obsolete structures and facilities.

## Revenue Assumptions

### Investment Income

Definition: Investment income includes revenue from investment of fund equity.

Assumptions: Revenues are based on projected rates of return on invested funds in conjunction with current economic indicators.

### Other Financing Sources

Definition: Other financing sources include operating financial inflows from other funds.

Assumptions: Currently other financial sources include Suwanee's tax allocation from the general fund for the increased taxes received from the base level of the district.

## Operational Impact

No current operational impact is expected. Current efforts relate to economic development opportunities.

<b>TOTAL EXPENDITURES</b>	<b>\$ 150,000</b>

Suwanee gateway

## Statement of Service

The 2014 special purpose local option sales tax fund accounts for the financial resources provided from a one-cent special local option sales tax approved by Gwinnett County voters in 2013. This is a continuation of the 2004 and 2009 SPLOST program. The 2014 SPLOST program focuses on various transportation projects, sidewalk improvement projects, and recreational improvements. Timing of the cost estimate, conditions on the ground, and fluctuations in the economy among other factors may alter the final budget. As additional information is obtained, cost projections and funding resources will be updated. Project budgets are established as part of the City's annual approved budget.

## Revenue Assumptions

### Intergovernmental Grants

- Definition: This category includes the distribution of the proceeds generated by the three year 2014 special purpose local option sales tax referendum. The City entered into an intergovernmental agreement with Gwinnett County to receive the funds over a three-year period as the taxes are collected.
- Assumptions: Revenue projections for sales tax are sensitive to economic conditions. For budgeting purposes, Suwanee has used 90% of the estimated probable number provided by Gwinnett County.
- Assumptions: Transfers have included funding from the general fund and other local resources previously allocated to other capital projects.

## Operational Impact

PROJECT	COMMENTS
<b>371</b> Park Enhancements	This fund will allow for minor enhancements to the City's existing parks. These are not intended to be significant projects, but may include additional signage, benches, kiosks, etc. Since the scope of these projects has not been identified, no additional operating cost projections are available.
<b>372</b> Master Plan Implementation Transportation Projects	The purpose of the project is to allocate funds that can be used to complete projects identified in the 2014 update to the Downtown Master Plan. Projects may include major streetscaping, road, sidewalk and trail construction. Specific details of these projects including costs, scope, etc. will be determined after the Master Plan is updated.
<b>373</b> Street Maintenance & Resurfacing	This project provides the funding for the annual street resurfacing program to maintain the existing street conditions. Operating costs are estimated to be \$16,000 annually. Total annual operating costs \$10,000.
<b>374</b> Stormwater Projects	This project provides the funding for the annual storm drainage program. The purpose of the program is to address stormwater issues identified from needs assessments, citizen complaints and failing infrastructure.
<b>375</b> Transportation Enhancements	The purpose of this project is to implement various types of road improvement needs, including streetscaping, traffic signal improvements, signage, traffic calming and others. \$50,000 per year has been allocated for these types of projects.

# Debt Service Fund

*fiscal year 2014-2015*

The Debt Service Fund accounts for the accumulation of resources for, and the payment of, general long term debt principal and interest.

## Statement of Service

This fund accounts for the accumulation of resources for, and the payment of, the refunded 2002 general obligation bonds for open greenspace and the 2006 Urban Redevelopment Authority revenue bonds for the construction of a new City Hall.

## Revenue Assumptions

### General Property Taxes

**Definition:** Ad valorem taxes are levied at 40% of the assessed value on real and personal property at the millage rate adopted by the City Council.

**Assumptions:** Debt Service millage rate for fiscal year 2015 is estimated at 1.69 mills. This millage rate is applied to the estimated assessed values for calendar year 2014. Please see Property taxes assumptions on page 66 for additional information.

### Investment Income

**Definition:** Investment income includes revenue from investment of fund equity.

**Assumptions:** Revenues are based on projected rates of return on invested funds in conjunction with current economic indicators.

### Other Financing Sources

**Definition:** Other financing sources include debt service millage rate collections transferred from the general fund to the debt service fund.

**Assumptions:** The portion of the millage rate that is assessed for the current debt service payment is transferred to the debt service fund as required by bond covenants. In fiscal year 2014, the City implemented new accounting software. The new software allocates general property taxes based on millage rate between the general fund and debt service.

## Combined Debt Service Requirements Calendar Year

## General Obligation Bonds

### 2006 Refunding Series, 2002 General Obligation

The General Obligation Refunding Bonds, Series 2006, were issued to advance refund a portion of the City's General Obligation Bonds, Series 2002, maturing January 2, 2013 through 2032, the aggregate principal amount of \$14,110,000. After the effect of refunding and defeasance of the Refunding bonds, the City has a current outstanding balance of \$13,940,000 in aggregate principal amount of general obligation bonds. The weighted average interest rate of the Bonds is approximately 5.15%.

## 2006 Revenue Bonds

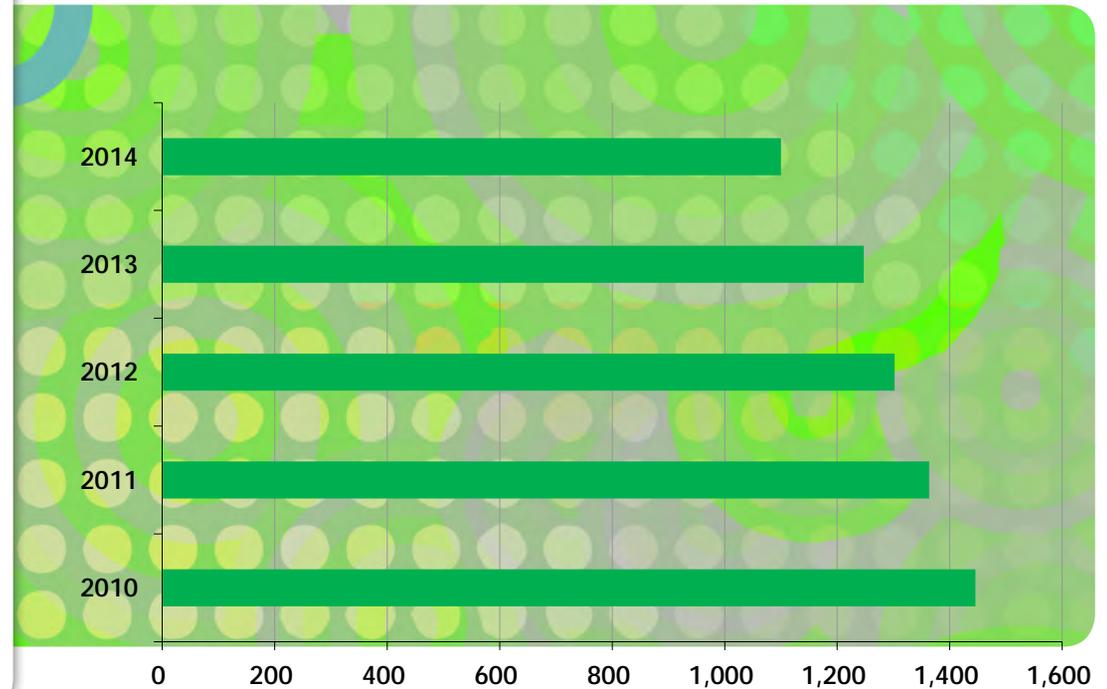

In 2002, the City approved an urban redevelopment plan, entitled "Old Town Suwanee Urban Redevelopment Plan", to redevelop the area of the City known as "Old Town Suwanee" as the focal point of the City's center. The Urban Redevelopment Plan anticipated that the City would purchase certain tracts of land in the Old Town Suwanee area, and construct a new city park and city hall surrounded by mixed use development including commercial/retail space, office/professional uses, and residential units. All of these uses were designed to functionally integrate, with the new city hall as the centerpiece.

The project consists of the acquisition, construction, and installation of a building to be used as the new city hall for the City. The city hall site consists of approximately 1.3 acres and is located directly across from Town Center Park. The Urban Redevelopment Agency and the City have developed a plan to finance the project which relies on the proceeds of the bonds, funds contributed by the City, and investment earnings.

Debt Per Capita 2010 - 2014

## Direct and Overlapping Debt

Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the City. The schedules estimate the portion of the outstanding debt of those overlapping governments that is borne by the residents and businesses of the City.

JURISDICTION	GROSS OUTSTANDING	ESTIMATED PERCENTAGE APPLICABLE	ESTIMATED SHARE OF OVERLAPPING DEBT
<b>Direct Debt:</b>			
City of Suwanee			
General Obligation Bonds	\$ 13,940,000	100.00%	\$ 13,940,000
Revenue Bonds	4,810,000	100.00%	4,810,000
TOTAL DIRECT DEBT	<u>18,750,000</u>		<u>18,750,000</u>
<b>Overlapping Debt:</b>			
Gwinnett County General Obligation Bonds	24,361,643	4.62%	1,125,508
Gwinnett County Board of Education	1,001,340,000	4.62%	46,261,908
TOTAL OVERLAPPING DEBT	<u>1,025,701,643</u>		<u>47,387,416</u>
<b>TOTAL DIRECT AND OVERLAPPING DEBT</b>	<b>\$ <u>1,044,451,643</u></b>		<b>\$ <u>66,137,416</u></b>

## Ratio of Outstanding Debt by Type

### Last Five Years

The debt per capita figure is an indicator of the debt burden apportioned to individual residents of the City (assuming each resident is responsible for an equal share of the debt.) Debt per capita continues to show consistent annual declines.

FISCAL YEAR	GOVERNMENTAL ACTIVITIES			BUSINESS-TYPE ACTIVITIES		TOTAL OUTSTANDING DEBT	PERCENTAGE OF PERSONAL INCOME	OUTSTANDING DEBT PER CAPITA
	GENERAL OBLIGATION DEBT	REVENUE BONDS	CAPITAL LEASES	NOTE PAYABLE				
2010	\$ 15,920,000	\$ 5,900,000	\$ 61,754	\$ 339,965	\$ 22,221,719	4.31%	\$ 1,446	
2011	15,455,000	5,640,000	10,795	-	21,105,795	4.30%	1,364	
2012	14,970,000	5,370,000	-	-	20,340,000	4.07%	1,302	
2013	14,465,000	5,095,000	-	-	19,560,000	3.80%	1,247	
2014	13,940,000	4,810,000	-	-	18,750,000	3.64%	1,100	

1 Personal income data provided by the Bureau of Economic Analysis.

2 Population figures are estimated by the City of Suwanee's Planning Department.

## Legal Debt Margin

### Last Five Years

Under state law, the constitutional debt limit for direct general obligation (G.O.) bonds is limited to 10% of the assessed value of all taxable property within the City. The legal debt margin is the difference between the outstanding debt and the total amount the City is legally allowed to borrow. The City of Suwanee remains below the debt ceiling for general obligation debt, as determined by the following computation:

	FY 2010	FY 2011	FY 2012	FY 2013	FY 2014
Assessed value of all taxable property	\$ 1,174,713,298	\$ 1,084,267,457	\$ 1,086,484,780	\$ 1,101,919,900	\$ 1,096,919,530
Debt limit 10% of assessed value	117,471,330	108,426,746	108,648,478	110,191,990	109,691,953
Less: Total debt applicable to limit	14,702,932	14,125,505	13,631,622	13,123,033	12,708,990
Legal debt margin available	\$ <u>102,768,398</u>	\$ <u>94,301,241</u>	\$ <u>95,016,856</u>	\$ <u>97,068,957</u>	\$ <u>96,982,963</u>
Total debt applicable to the limit as a percentage of debt limit	12.52%	13.03%	12.55%	11.91%	11.59%

# Enterprise Fund

*fiscal year 2014-2015*

The Enterprise Fund is used to account for those operations that are financed and operated in a manner similar to private business, or where the City has decided that the determination of revenues earned, cost incurred and/or net income is necessary for management accountability.

## Statement of Service

The City of Suwanee owns and operates a water supply, treatment, and distribution system serving approximately 359 metered customers. The current average consumption of water from the City's water system is approximately 47,612 gallons per day. Water is supplied to the City's water system by 235 foot and 600 foot wells and stored in a 150,000 gallon tank owned by the City. Water drawn from the well requires treatment for fluoridation, phosphate, and chlorination. Suwanee's water system has approximately 6.8 miles of water mains with primarily 8-inch, 6-inch, and 2-inch lines. The water fund accounts for the operations of the water system including all revenues applicable to the system operations and all related expenses.

## Revenue Assumptions

### Charge for Service

**Definition:** Charge for service consists of revenues realized from fees charged for water services.

**Assumptions:** Revenue projections are based on historical consumption usage.

### Investment Income

**Definition:** Investment income includes revenue from investment of fund equity.

**Assumptions:** Revenues are based on projected rates of return on invested funds in conjunction with current economic indicators.

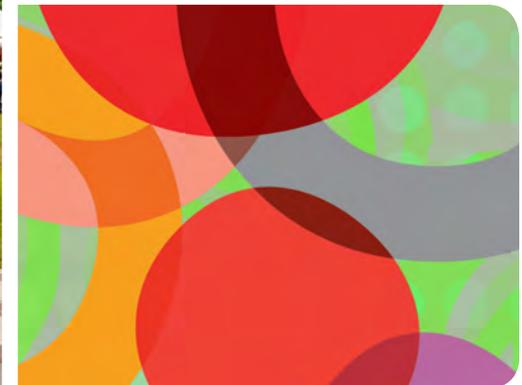

### Other Financing Sources

**Definition:** Other financing sources include operating financial inflows from the general fund and the use of accumulated reserves for a balanced budget.

**Assumptions:** Operating resources are transferred from the general fund to provide funding for system upgrades and other minor operational repairs.

<b>Phase VII</b>	Replace PVC line on Bluegrass Trail.	39,070
	Connect Bluegrass Trail to Greenpark Drive.	28,651
	Replace 2" line on Calaboose Street from Jackson Street to Scales Road.	57,302
	Replace the 2" line on Mary Lou Street.	64,480
<b>TOTAL</b>		<u>\$ 1,964,433</u>

# Agency Fund

*fiscal year 2014-2015*

The Agency Fund is custodial in nature and does not present results of operations or have a measurement focus. This fund is used to account for assets that the City holds for others in an agency capacity.

## Statement of Service

The Municipal Court fund accounts for the collection of various fines and forfeitures (mostly traffic violations) a portion of which are disbursed to other parties and the remaining balance is transferred to the general fund.

## Revenue Assumptions

### Fines and Forfeitures

**Definition:** Revenues in this category consist of fines and charges imposed by the City's Municipal Court. Council sets some of these charges while others are mandated by the State and adopted by the Council.

**Assumptions:** Projections are based on the rates set by Council and historical trends. Fiscal year 2015 projections used a rolling five year average receipts received for fiscal year 2010 thru 2014 to project a twelve month total.

SUMMARY OF REVENUES BY CATEGORY	FY 2011 ACTUAL	FY 2012 ACTUAL	FY 2013 ACTUAL	FY 2014 CURRENT	FY 2015 BUDGET

# Capital Improvement Program

*2015-2019*

The Capital Improvement program outlines in detail the proposed projects by each department over the next five years.

This section includes a summary of the proposed projects, the funding required and the proposed funding source.

Suwanee’s capital assets are the physical foundation of our service delivery. The City owns and maintains a variety of facilities, ranging from recreational assets like the Suwanee Creek Disc Golf Course and Harvest Farm community garden to public buildings like City Hall, Municipal Court and the Police facilities, among others. Suwanee has an extensive network of parks, trails, and other protected open spaces. The City owns and maintains an expansive network of infrastructure, including 62 miles of streets, a growing stormwater system, and a water system with a well, a 150,000 gallon elevated water storage tank, and 6.5 miles of water lines. Lastly, the City owns a fleet of over 50 vehicles and inventory of equipment ranging from a state-of-the-art police communication system to mowers and tractors for maintaining Suwanee’s rights-of-way.

**City-Owned Facilities & Structures**

Facility or Structure	Year of Acquisition or Construction
Burnette Rogers Pavilion	1999
City Hall	2009
City Hall Park	1992
Municipal Court	1962
Fire Station #13	1975
Harvest Farm	2010
Pierce’s Corner	1910
PlayTown Suwanee	2004
Police Station	1997
Police Substation & Training Facility	2012
Public Works Facility	2008
Sims Lake Park	2008
Suwanee Creek Park	2004
Suwanee Creek Disc Golf Course	2014
Suwanee Creek Greenway	1990
Town Center Park	2002
Water Tank, Well, etc.	Varied
White Street Park	2010

Like all other growing cities, Suwanee is faced with the challenge of providing an ever-increasing number of services and facilities, while being sensitive to the reality of limited financial resources. This is even more relevant as Suwanee’s population continues to grow. The construction and improvement of streets, recreation facilities, public safety facilities and services must not only keep pace with the growing population, but should also match the level of quality

that Suwanee citizens have come to expect and appreciate. It is essential that the City has a comprehensive approach not only in planning for future assets, but also for maintaining and replacing its current inventory. A long-range plan for funding these expenditures is vital, as decisions about investments in these assets affect the availability and quality of most government services.

**The Concept of Capital Planning**

The Capital Improvement Program (CIP) is the tool that allows Suwanee’s decision makers to plan how, when, and where future improvements should be made. The document itself is a snapshot into the next five years – existing and anticipated capital needs and the funding needed to make them a reality. The CIP is derived from a variety of sources – the City’s Short Term Work Program, the Strategic Plan, the Comprehensive Plan, the Pedestrian Bicycle Plan, and the Downtown Suwanee Master Plan, as well as recommendations from the City Council and staff.

In the private sector, clear criteria usually exist for determining which capital investments to make and when to make them. Most often, the decision rests on the best way to maximize profits. The return for a capital investment by government, however, is often a social benefit, which, while real, is often difficult to measure since it cannot be captured in revenue streams. Development of the CIP allows the City to clearly assess its needs, ensuring the projects that are proposed are the ones that will best serve the needs of the community, while still balancing the community’s ability to pay for the projects. Finally, the CIP promotes financial stability through long term planning of resources and needs. The impact of capital funding on the operating budget is clearly visible and can be forecasted several years out.

## Suwanee's Capital Improvement Policy

A CIP covering a five-year period, is developed, reviewed and updated annually. To be considered in the CIP, a project should have an estimated cost of at least \$10,000 in one of the fiscal years of the project. Projects are not combined to meet the minimum standard unless they are dependent upon each other. Items that are operating expenses, such as maintenance agreements and personal computer software upgrades, are not considered within the CIP.

The City identifies the estimated costs and potential funding sources for each capital project prior to inclusion in the CIP. The operating costs to maintain capital projects are considered prior to the decision to undertake the projects. Each project is scored and ranked according to specific criteria. Capital projects and capital asset purchases will receive a higher priority based on conformance with the following criteria (in no particular order):

- It is a mandatory project.
- It is a maintenance project based on approved replacement schedules.
- It will improve efficiency.
- It is mandated by policy.
- It has a broad extent of usage.
- It lengthens the expected useful life of a current asset.
- It has a positive effect on operation and maintenance costs.
- There are grant funds available.
- It will eliminate hazards and improve public safety.
- There are prior commitments.
- It replaces an asset lost to disaster or damage.
- Project implementation is feasible.
- It is not harmful to the environment.
- It conforms to and/or advances the City's goals and plans.
- It assists with the implementation of departmental goals and policies.
- It provides cultural, aesthetic, and/or recreational value.

The CIP is presented annually to the City Council for approval. As the CIP is a financial and resource planning tool, it does not represent final, specific budgets for any projects. When the City is ready to undertake a project, it will be designed at that time and a final scope and cost estimate will be determined. At that point, the City Council will adopt a formal project budget.

## Development of The CIP

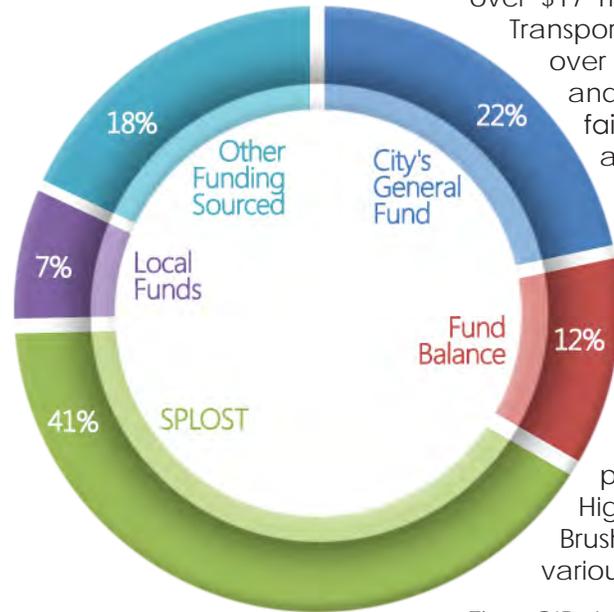

Projects are often, but not always, initially developed as part of a larger planning effort, such as the City's Strategic Plan, Comprehensive Plan or Downtown Master Plan. Others are recommended by various entities, including citizens, Councilmembers, and staff.

An administrative staff review committee reviews the recommended projects. The committee evaluates each project, using a scoring matrix that allows for an objective and consistent evaluation, scoring, and prioritization process.

The prioritization process leads to a draft project list, which is presented to Council for consideration. Public hearings and comment periods are held for input. The CIP is adopted by the Council, normally in conjunction with the annual operating budget.

The submitted projects, more often than not, exceed the anticipated funding available for the five-year CIP, so a draft list of Future Projects is developed. These projects are not identified for funding in the five-year planning period, but may be re-evaluated as priorities and available funding change.

Suwanee's 2015-2019 CIP includes 22 projects with an estimated total cost to the City at \$25,772,833. The projects are representative of three categories: Equipment and Vehicles; Parks and Facilities; and Transportation. At just over \$17 million, the projects in the Transportation category constitute over half of the CIP. The Parks and Facilities category is also fairly significant, totaling approximately \$12.3 million or 40% of the CIP.

The proposed CIP of \$25,772,833 represents City funding only. The City will leverage an additional \$5.67 million in grant funding or County matches to complete projects such as the Buford Highway improvement, Brushy Creek Greenway, and various sidewalk projects.

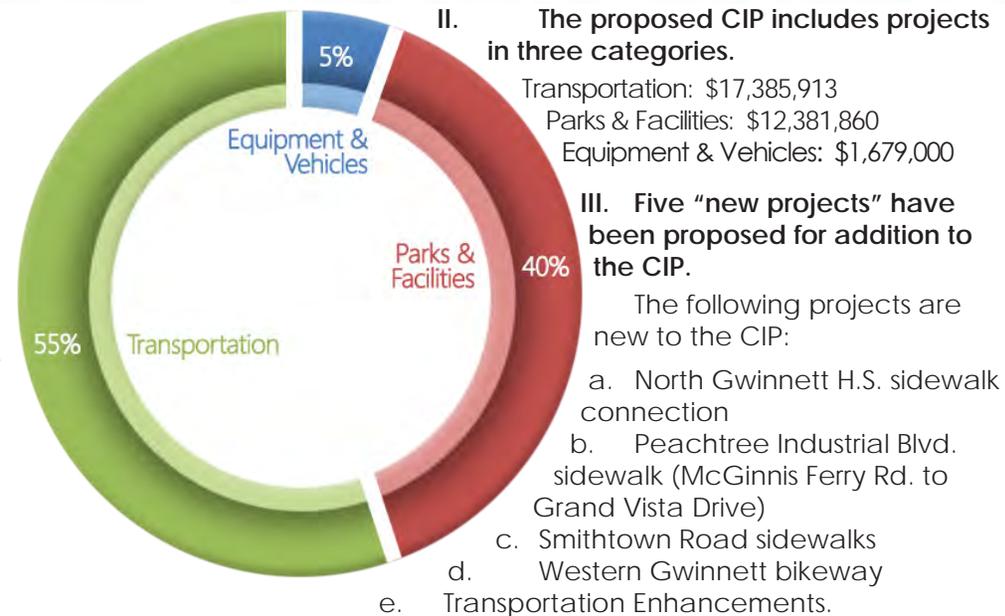

*The CIP is an early planning tool.*

*Cost estimates are usually from non-engineered sources. As a project progresses, cost projections are refined and specific project budgets are established.*

## CIP Strategies

The CIP is a five-year plan with multiple funding sources and various types of projects that are often developed as part of a larger planning effort. As such, it has a lot of "moving parts," that all need to be considered in order to make the plan function as an effective planning tool. The 2015-2019 CIP has been developed with the following strategies and considerations:

- I. **The proposed 2015-2019 includes \$31,446,773 in projects.** The City will fund \$25,772,833 of the program, with the other \$5,673,940 coming from external sources

- II. **The proposed CIP includes projects in three categories.**

Transportation: \$17,385,913  
Parks & Facilities: \$12,381,860  
Equipment & Vehicles: \$1,679,000

- III. **Five "new projects" have been proposed for addition to the CIP.**

The following projects are new to the CIP:

- a. North Gwinnett H.S. sidewalk connection
- b. Peachtree Industrial Blvd. sidewalk (McGinnis Ferry Rd. to Grand Vista Drive)
- c. Smithtown Road sidewalks
- d. Western Gwinnett bikeway
- e. Transportation Enhancements.

- IV. **The CIP does not propose the use of any additional debt – loans, bonds, etc.**

The CIP has been structured to undertake "pay-as-you-go" financing. As such, projects will not be completed until resources are available and many projects rely on multiple funding sources.

- V. **The CIP does not assume extension of the current SPLOST program.** The current SPLOST program will expire March 2017. The CIP does not include any SPLOST funding beyond the current program.

- VI. **Proposed 2014 SPLOST funds are estimates only.** The 2014 SPLOST program began on April 1. The City anticipates receiving approximately \$6.58 million from this three-year program. These funds are received on a monthly basis and until all deposits are received, are estimates only. Projects that are proposed to use SPLOST funding will be re-evaluated if the actual funding is less than estimated.

- VII. **Certain funding sources, such as SPLOST, are legally restricted.** Some funding sources in the CIP, including SPLOST and grants, are legally restricted, meaning they must be used for narrowly-defined purposes. For example, the City must allocate its SPLOST funds across defined categories and the percentage allotted to

each category is already specified, as approved by the voters. SPLOST funds are also limited to capital projects only and cannot be used for operating expenses, such as staffing, supplies, etc. Proposed grants are project-specific and cannot be transferred to other projects.

**VIII. General Fund contributions to the CIP are expected to increase in future years.**

SPLOST funding is used for many ongoing programs, such as street resurfacing, stormwater infrastructure, etc. If the SPLOST is not extended or other funding sources identified, these projects will rely on increased funding from the General Fund.

**IX. 18% of the CIP is proposed in funding from grants and matches.**

The proposed CIP represents the City's funding obligations, but also documents outside funding sources the City has been able to leverage. There are two projects in the CIP, the Brushy Creek Greenway and Buford Highway improvements, which have been awarded approximately \$3.7 million in grant funding to supplement the City's contributions.

Additionally, the County will provide an 81% match on certain SPLOST transportation projects in the City. This totals approximately \$1.9 million and will be used for the North Gwinnett H.S. sidewalk project, the PIB sidewalk project, and the Smithtown Road sidewalks

**X. Transportation projects remain an important focus of the CIP.**

Over \$17.3 million of the CIP is proposed to be allocated for transportation. Notable contributions from the City will include:

- a. Buford Highway Corridor Improvements: \$3.4 million
- b. Street Maintenance & Resurfacing: \$3.9 million
- c. Pedestrian Bicycle Plan: \$1,000,000.

**XI. Over \$2.1 million has been allocated to enhancing local transportation connections.**

Approximately \$2.1 million has been allocated for various sidewalk, trail, and pedestrian safety projects, which helps to advance the 20/20 Vision Plan strategy of enhancing local transportation connections. This amount does not include the pedestrian improvements that are incorporated into larger transportation projects, such as the Buford Highway project. Proposed connection projects are as follows:

- a. PBP Projects: \$1,000,000

- b. Brushy Creek Greenway: \$570,000
- c. Smithtown Road Sidewalks: \$326,800
- d. Western Gwinnett Bikeway: \$80,000
- e. PIB Sidewalk: \$64,600
- f. North Gwinnett H.S. Sidewalk: \$60,800

**XII. Proposed recreation projects include enhancements to existing parks.**

Another important strategy of the 20/20 Vision Plan is to prioritize existing parks by adding amenities and enhancements. This is the focus of the recreation projects in the CIP.

**XIII. Funds may want to be reserved for projects from the Downtown Master Plan Update.**

The City will update its Downtown Master Plan in FY 15. Staff recommends leaving some funding unallocated that can be used to implement projects from this update.

**XIV. The City's facilities and infrastructure are aging and maintenance costs will continue to increase.**

Approximately \$7.6 million has been recommended for maintenance of the City's facilities (buildings and parks), as well as its streets and stormwater infrastructure. Proactively funding these needs on an annual basis ensures the City's infrastructure is well-maintained and minimizes the risk for extraordinarily high expenditures in any one year.

**XV. Proposed project costs are estimates only.**

The majority of the projects in the CIP are in concept-stage only and have not been designed or engineered. As such, project costs are estimated only and are representative of current funding allocations, rather than actual project cost/budget. Project estimates will change as more refined information is received.

## TOTAL PROJECT ESTIMATES

Suwanee Day 2013 by City of Suwanee

# EQUIPMENT AND VEHICLES

PROJECT NUMBER	PROJECT	FY 15	FY 16	FY 17	FY 18	FY 19	TOTAL
<b>Equipment &amp; Vehicles</b>							
CIP-EV-001	City Vehicles - New	-	33,000	-	37,000	-	70,000
CIP-EV-002	City Vehicles - Replacement	33,000	168,000	35,000	75,000	40,000	351,000
CIP-EV-003	Police Vehicles - Replacement	152,000	232,000	118,000	161,000	204,000	867,000
CIP-EV-004	Public Safety Projects	40,000	10,000	10,000	10,000	-	70,000
CIP-EV-005	Public Works Equipment - New Purchases	5,600	55,400	-	-	-	61,000
CIP-EV-006	Public Works Equipment - Replacement	17,000	18,000	98,000	47,000	80,000	260,000
		\$ 247,600	\$ 516,400	\$ 261,000	\$ 330,000	\$ 324,000	\$ 1,679,000

Projects in the Equipment & Vehicles category total \$1,679,000 or approximately 5% of the CIP. The majority of the projects recur annually throughout the remaining years of the CIP. The largest project for this category is the purchase of replacement vehicles for the Police Department, with an estimated cost of approximately \$867,000 over the five-year period. Other significant projects include the purchase of replacement vehicles for Administration/Public Works, equipment for the Public Works department and implementation of additional phases of the parks video surveillance project and radar sign.

New Suwanee logo on police car by City of Suwanee

Project: **CITY VEHICLES – NEW**  
 Total Cost: **\$70,000**  
 Proposed Funding Year: **FY16, 18**  
 Proposed Funding Source: **General Fund**

**Project Description:**

If the City needs additional employees, particularly in the Public Works department that utilizes multiple vehicles, the City will also assess the need to purchase further vehicles. Accordingly, this is based off of anticipated needs for additional staff and vehicles for the five-year CIP.

Project: **CITY VEHICLES – REPLACEMENT**  
 Total Cost: **\$351,000**  
 Proposed Funding Year: **Recurring**  
 Proposed Funding Source: **General Fund**

**Project Description:**

The Public Works Department has developed a Fleet Retirement Schedule for all non-Police vehicles. Each vehicle is assessed on its safety, mileage, age, number of hours the motor is run, the economics of maintaining the vehicle, etc. Based on this assessment, the department anticipates retiring and replacing the following vehicles:

- FY 15:** 1 pickup truck (\$32,940) - funded through 4th quarter FY 14 allocation
- FY 16:** 1 SUV administration vehicle (\$30,000)  
 1 dump truck (\$72,000)  
 2 pickup trucks (1 for Public Works and 1 for Inspections at \$33,000 ea.)
- FY 17:** 1 pickup truck (\$35,000)
- FY 18:** 2 pickup trucks (2 at \$37,500 each)
- FY 19:** 1 pickup truck (\$40,000)

Project: **POLICE VEHICLES – REPLACEMENT**  
 Total Cost: **\$867,000**  
 Proposed Funding Year: **Recurring**  
 Proposed Funding Source: **General Fund**

**Project Description:**

The Police Department has prepared a Fleet Retirement Schedule, assuming pursuit vehicles are retired around 125,000 miles. The schedule has been prepared to take into account each officer's average miles driven, mileage to his/her place of residence, etc. The department also has an internal policy of assigning each officer his/her own vehicle.

Based on these assumptions, the department anticipates retiring the following vehicles:

- FY 15:** 4 vehicles (2 purchased in FY 14 4th quarter and 2 in FY 15)
- FY 16:** 6 vehicles
- FY 17:** 3 vehicles
- FY 18:** 4 vehicles
- FY 19:** 5 vehicles

An inflator has been applied to each year's costs. These projections assume the purchase of a standard police pursuit car and installation of lights, sirens, flashlight, prisoner seat, laptop stand, and shotgun rack; mobile radios and radar units will be reused.

Project: **PUBLIC SAFETY PROJECTS**  
 Total Cost: **\$70,000**  
 Proposed Funding Year: **FY 15, 16, 17, 18**  
 Proposed Funding Source: **Facilities  
 Public Facilities Enhancement Fund (341)**

**Project Description:**

The purpose of this item is to fund and construct projects that would enhance the safety of public facilities, streets, etc. As proposed projects are evaluated and designed further, the scope and cost estimate of each will be refined. Anticipated projects include:

**Parks Video Surveillance:** The City proposes to continue implementation of its video surveillance system in and around City Buildings and City parks along with Wi-Fi hot spots, with the following projects (total cost estimate is \$37,650):

- Replacement of seven outside cameras at City Hall to improve quality of video feed (\$12,000).
- Replacement of entrance/exit cameras at George Pierce Park (2 cameras), Sims Lake Park (2 cameras), and Suwanee Creek Park (1 camera) (\$9,950).
- Replacement of 4 cameras at the Police Station, Ocularis license, cabling and 60 inch monitor for Dispatch (\$5,500).
- Convert analog camera system to IP system, 4 cameras at the Municipal Court building, Ocularis license, cabling (\$8,650).
- Add one radio to Water Tank for improved communications(\$1,550).

**Radar Signs:** The City has installed a total of seven radar signs (dynamic driver feedback signs). Five radar signs were installed in strategic locations in FY 11 and two more in FY 14. They have proven to be an effective use of technology to help reduce speeding. We assume that the Police Department will identify three more locations and the Public Works Department will install accordingly. One for FY 16 (\$8,530), one for FY 17 (\$8,870), one for FY 18 (\$9,224).

Additional public safety projects will be evaluated and incorporated into the CIP, as appropriate.

Project: **PUBLIC WORKS EQUIPMENT – NEW PURCHASES**  
Total Cost: **\$61,000**  
Proposed Funding Year: **FY 15, 16**  
Proposed Funding Source: **General Fund**

**Project Description:**

The Public Works Department has identified the following needs for possible future equipment and capital inventory purchases. This is additional equipment to the current inventory, not replacement of retiring equipment.

**FY 15:** Snow Plow (\$5,600)  
In **FY 16**, the department proposes to purchase a wood chipper (\$55,400) rather than to continue to rent them. This will be beneficial to utilize our chips to reduce maintenance costs for the Disc Golf course mulch.

Project: **PUBLIC WORKS EQUIPMENT – REPLACEMENT**  
Total Cost: **\$260,000**  
Proposed Funding Year: **Recurring**  
Proposed Funding Source: **General Fund**

**Project Description:**

The Public Works Department has identified the following equipment for anticipated retirement and replacement based on its present condition:

- FY 15:** 2 zero turn mowers (\$8,350 each);
- FY 16:** 2 zero turn mowers (\$8,770 each);
- FY 17:** 2 zero turn mowers (\$9,210 each); 1 backhoe tractor (\$78,750);
- FY 18:** 2 zero turn mowers (\$9,675 each); 1 utility vehicle (\$26,500);
- FY 19:** 2 zero turn mowers (\$10,150 each); 1 utility tractor (\$57,450);

The cost projections assume an annual inflator.

# PARKS & FACILITIES

PROJECT NUMBER	PROJECT	FY 15	FY 16	FY 17	FY 18	FY 19	TOTAL
<b>Facilities</b>							
CIP-FAC-004	Cemetery Improvements	110,500	-	-	-	-	110,500
CIP-FAC-001	Facility Enhancement Projects	270,000	-	-	-	-	270,000
CIP-FAC-002	Facility Maintenance	335,000	390,000	425,000	425,000	425,000	2,000,000
CIP-FAC-012	Master Plan Implementation - Project(s) TBD	-	2,838,309	1,800,000	1,600,000	1,761,691	8,000,000
CIP-FAC-011	Park Enhancement Projects	290,000	290,000	290,000	290,000	301,360	1,461,360
CIP-FAC-010	Water System Improvements	100,000	100,000	100,000	120,000	120,000	540,000
		<b>\$ 1,105,500</b>	<b>\$ 3,618,309</b>	<b>\$ 2,615,000</b>	<b>\$ 2,435,000</b>	<b>\$ 2,608,051</b>	<b>\$ 12,381,860</b>

Projects in the Parks and Facilities category total \$12,381,860 or about 40% of the CIP. In addition to the City's regular facilities maintenance program, this category includes park enhancement projects, from additional hardscapes, i.e. signage, benches, and kiosks, to larger social infrastructure projects, like docks and playgrounds. Other noteworthy initiatives include improvements to the City's water system and the Downtown Master Plan implementation, which may include streetscaping and road and sidewalk construction.

Sims Lake by City of Suwanee

Project: **CEMETERY IMPROVEMENTS**  
 Total Cost: **\$110,500**  
 Proposed Funding Year: **FY 15**  
 Proposed Funding Source: **Cemetery Improvement Funds 343**

**Project Description:**

This project includes the first phase of improvements to the Shadowbrook, Sims Lake, and Jackson Street cemeteries, as identified in the 2009 Cemetery Preservation Assessment. This project will accomplish the first priority items from all three phases of the study.

Project: **FACILITY ENHANCEMENT PROJECTS**  
 Total Cost: **\$270,000**  
 Proposed Funding Year: **FY 15**  
 Proposed Funding Source: **Facilities Enhancement Fund 341**

**Project Description:**

The purpose of this item is to provide a pool of funding to add minor enhancements to the City's existing facilities. These are not intended to be significant projects, but may include general improvements such as landscaping, equipment, signage, etc. As other specific needs are identified, projects and cost estimates will be determined. Specific projects with allocated funding include:

- General: \$155,000
- Wayfinding Signage: \$45,000
- Accounting software project completion: \$22,000
- Holiday decorations: \$21,000
- Lawrenceville-Suwanee Road landscape project: \$14,000
- PIB landscaping retainage: \$13,000

Project: **FACILITY MAINTENANCE**  
 Total Cost: **\$2,000,000**  
 Proposed Funding Year: **Recurring**  
 Proposed Funding Source: **Public Facilities Maintenance Fund (340)**

**Project Description:**

The City completed an evaluation of all existing City facilities for the purposes of identifying short and long-term maintenance needs. This evaluation allows the City to budget and plan appropriately for upcoming needs and to ensure the City's facilities are maintained adequately. The evaluation includes all existing buildings, parking lots, trails, parks, etc. The proposed projects and estimates will be refined yearly.

Project: **MASTER PLAN IMPLEMENTATION**  
 Total Cost: **\$8,000,000**  
 Proposed Funding Year: **FY 16, 17, 18, 19**  
 Proposed Funding Source: **Fund Balance, 2009 SPLOST, 2014 SPLOST**

**Project Description:**

The purpose of this project is to allocate funds that can be used to complete projects identified in the 2014 update to the Downtown Master Plan, which will most likely involve major streetscaping, and road, sidewalk, and trail constructions. The specific details of these projects, including estimated costs, scope, etc. will be determined after the Master Plan is updated.

Project: **PARK ENHANCEMENT PROJECTS**  
 Total Cost: **\$1,461,360**  
 Proposed Funding Year: **Recurring**  
 Proposed Funding Source: **2009 SPLOST, 2014 SPLOST, Park Enhancement Fund (316)**

**Project Description:**

The purpose of this item is to provide a pool of funding to add minor enhancements to the City's existing parks. These are not intended to be significant projects, but may include additional signage, benches, kiosks, etc. The City completed a parks needs assessment in 2010 that helped to identify many of the projects that might be included in this category.

Based on the assessment, the City plans to evaluate, and if appropriate, construct the following projects:

- Dock at Sims Lake Park
- Adventure playground at Suwanee Creek Park
- Boulderscape at Suwanee Creek Park
- Other smaller elements: information kiosk at Town Center Park, bike racks at Town Center Park and other parks, tricycle track at PlayTown Suwanee, functional aesthetic elements, and others.

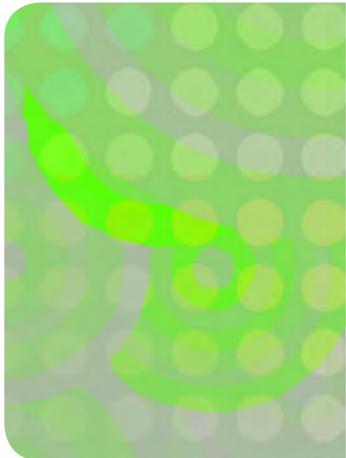

As the City implements these potential projects, more refined design, scope, and cost estimates will be developed for each.

Project: **WATER SYSTEM IMPROVEMENT**  
Total Cost: **\$540,000**  
Proposed Funding Year: **Recurring**  
Proposed Funding Source: **General Fund**

**Project Description:**

The City completed an analysis of the City water system in 2009, which included recommendations for needed improvements. These projects represent the continued implementation of that study. As proposed projects are evaluated and designed further, the scope and cost estimate of each will be developed.

Friendship by City of Suwanee

CIP-TRS-018	Transportation Enhancement Projects	185,000	205,000	90,000	40,000	35,913	555,913
CIP-TRS-019	Western Gwinnett Bikeway	-	-	-	80,000	-	80,000
		\$ 3,869,382	\$ 7,590,618	\$ 2,855,000	\$ 1,730,000	\$ 1,340,913	\$ 17,385,913

At \$17,385,913, transportation projects constitute 55% of the CIP. The largest of the transportation projects is the improvement to the Buford Highway corridor, estimated to cost approximately \$6.7 million. The annual street maintenance and resurfacing program, projected at \$3.9 million over the five-year period, is the second largest expenditure. This category also includes smaller construction projects, such as updates to the City's storm water infrastructure and additional sidewalk and bikeway installations. The SPLOST continues to be a paramount funding source for transportation projects.

Running on Main Street by City of Suwanee

Project: **BRUSHY CREEK GREENWAY**  
 Total Cost: **\$1,020,000**  
 Proposed Funding Year: **FY 15 & FY 16**  
 Proposed Funding Source: **2009 SPLOST, Pedestrian Bicycle Plan Fund (312), TE Grant**

**Project Description:**

The Brushy Creek Greenway project consists of multiple sections: Brushy Creek Greenway, Brushy Creek Bridge, and Stonecypher Sidewalk. The City has been awarded a \$450,000 Transportation Enhancement Grant to be used toward this project.

Project: **BUFORD HIGHWAY CORRIDOR IMPROVEMENTS**  
 Total Cost: **\$6,700,000**  
 Proposed Funding Year: **FY 15, 16, 17**  
 Proposed Funding Source: **General Fund, Buford Highway Fund (311), 2009 SPLOST, LCI Grant**

**Project Description:**

This project is intended to upgrade Buford Highway from McGinnis Ferry Road to the entrance of George Pierce Park. This project is a central aspect of the Downtown Suwanee Master Plan and is identified in the Comprehensive Plan as well as the 20/20 Vision strategic plan. \$1 million has been added to the project estimate, to allow for burying overhead utilities, installing dry sewer lines, and replacing city water lines; this estimate will be refined upon design. The goal of these enhancements is to improve local pedestrian, bicycle, and vehicular mobility around Downtown Suwanee and to encourage business development along the aforementioned segment of Buford Highway.

Project: **NORTH GWINNETT HIGH SCHOOL SIDEWALK CONNECTION**  
 Total Cost: **\$320,000**  
 Proposed Funding Year: **FY 16**  
 Proposed Funding Source: **General Fund, Gwinnett County 81% Match**

**Project Description:**

This project will include the installation of approximately 1,500 linear feet of 5-foot wide sidewalks on the west side of Suwanee Dam Road. It will connect Barrington and other residences to a safe crossing intersection of Suwanee Dam Road and Moore Road at North Gwinnett High School. 81 percent of the project will be funded by Gwinnett County, with the City covering the remaining 19 percent. The project is identified in the Pedestrian and Bicycle Plan as a Tier III project.

Project: **PEDESTRIAN BICYCLE PLAN PROJECTS**  
 Total Cost: **\$1,000,000**  
 Proposed Funding Year: **FY 15, 16, 17, 18**  
 Proposed Funding Source: **2009 SPLOST**

**Project Description:**

This is the continued implementation of the Pedestrian Bicycle Plan. Specific projects currently outlined include:

- **Village Grove Sidewalk Connection to PIB - \$80,000 (FY 15):**  
 This project will connect Village Grove to Peachtree Industrial Boulevard with a 5-foot wide sidewalk. The sidewalk section will be about 860 linear feet.
- **George Pierce Park/Ruby Forest trail connection - \$60,000 (FY 15):**  
 This project will connect George Pierce Park near the adult softball fields to the Ruby Forest subdivision. This trail is intended to be 5 feet wide and approximately 800 linear feet long.
- **Lawrenceville Suwanee Road Sidewalk Gaps - \$290,000 (FY 15):**  
 The Pedestrian and Bicycle Plan identified a number of gaps on the City's sidewalk system. This project will fill the small gaps of sidewalk along Lawrenceville-Suwanee Road and improve the usability of the sidewalks on this major corridor.
- **PIB Pedestrian Crossings - \$460,000 (FY 18):**  
 This project will upgrade two intersections along PIB at Moore Road/Eva Kennedy Road and Suwanee Dam Road. Upgrades will include countdown timers for pedestrians to all intersections, improved street lighting and the addition of brick crosswalks to each intersection.
- **Annandale Lane Sidewalks - \$110,000 (FY 19):**  
 This project will complete the sidewalk network in the Annandale area. This will be an approximately 400-foot long, 5-foot section of sidewalk.

Project: **PEACHTREE INDUSTRIAL BLVD SIDEWALK**  
 Total Cost: **\$340,000**  
 Proposed Funding Year: **FY 17**  
 Proposed Funding Source: **General Fund, Gwinnett County 81% Match**

**Project Description:**

This project will include the installation of approximately 1,900 linear feet of 5-foot wide sidewalks on the north side of Peachtree Industrial Boulevard. The sidewalk will extend from Grand Vista Approach to McGinnis Ferry Road. 81 percent of the project will be funded by Gwinnett County, with the City covering the remaining 19 percent. The project is identified in the Pedestrian and Bicycle Plan as a Tier III project.

Project: **SMITHTOWN ROAD SIDEWALKS**  
 Total Cost: **\$1,720,000**  
 Proposed Funding Year: **FY 15, 16**  
 Proposed Funding Source: **General Fund, Gwinnett County 81% Match**

**Project Description:**

This project will include the installation of approximately 1.8 miles of sidewalk along one side of Smithtown Road, completing the sidewalks from Lawrenceville-Suwanee Road to Satellite Blvd. 81 percent of the project will be funded by Gwinnett County, with the City covering the remaining 19 percent. The project is identified in 3 separate sections within the Pedestrian and Bicycle Plan. Two of the sections are considered Tier II projects and the third section is identified as a Tier III project.

Project: **STORMWATER PROJECTS**  
 Total Cost: **\$1,675,000**  
 Proposed Funding Year: **Recurring**  
 Proposed Funding Source: **General Fund, SPLOST**

**Project Description:**

The City's stormwater infrastructure system is currently in relatively good to fair shape, but portions of the system are beginning to age. The purpose of this program is to address stormwater issues identified from needs assessments, citizen complaints, and failing infrastructure. Projects will be funded from the SPLOST program, as well as general fund transfers to the Storm Drainage Fund (345).

Project: **STREET MAINTENANCE & RESURFACING PROGRAM**  
 Total Cost: **\$3,975,000**  
 Proposed Funding Year: **Recurring**  
 Proposed Funding Source: **General Fund, SPLOST**

**Project Description:**

The Public Works Department facilitates the City's street resurfacing program. The department identifies specific streets to resurface each year, based on their condition. As the City's streets age, the number of streets to resurface will increase each year. The allocation for "other" projects is for patching, repairs, and unanticipated emergency repairs that are in addition to the City's planned resurfacing program.

Project: **TRANSPORTATION ENHANCEMENT PROJECTS**  
 Total Cost: **\$555,913**  
 Proposed Funding Year: **Recurring**  
 Proposed Funding Source: **Transportation Enhancement Fund (318), SPLOST**

**Project Description:**

The purpose of this project is to implement various types of road improvement needs, including streetscaping, traffic signal improvements, signage, traffic calming, and others. \$50,000 per year has been allocated for these types

of projects. Additional funding has also been identified for the following specific projects:

- **Sign Reflectivity Program:** The City will replace existing regulatory, warning, and guide signs to meet new Federal Highway Administration sign reflectivity requirements. As part of this program, street name signs will also be upgraded to incorporate the City's new logo. \$40,000 has been allocated toward this program per year. This project was formerly a standalone project in the CIP, known as CIP-TRS-013.
- **Street Light Globe Replacements, Suwanee Gateway:** The City will replace 40 streetlight globes on Lawrenceville Suwanee Road, along the I-85 bridge and on both sides of the interstate. \$25,000 has been allocated to this project for FY 15.
- **PIB Landscaping Enhancements:** If necessary, this funding is dedicated toward enhancing the median plantings on Peachtree Industrial Blvd. \$25,000 has been allocated to this project for FY 15.
- **Town Center Electric Vehicle Charging Station:** The purpose of this project is to research, and if appropriate, install a charging station for electric vehicles in Town Center. Cost estimates vary widely for different types of charging stations and getting the electrical supply to the site; initial indications of cost range from \$22,000 to \$45,000 and above. Additional information and refined cost estimates will be identified in the study; \$45,000 has been allocated to this project for FY 15.
- **I-85 Bridge Enhancement:** The purpose of this project is to replace the existing chain link fence for the bridge over I-85 with anodized aluminum fencing (simulated wrought iron fence). The existing fencing is in disrepair, and its replacement and enhancement will advance goals of both the I-85 Business District Plan and the 20/20 Vision strategic plan. \$115,000 has been allocated for FY 16.

Project: **WESTERN GWINNETT BIKEWAY**  
 Total Cost: **\$80,000**  
 Proposed Funding Year: **FY 18**  
 Proposed Funding Source: **General Fund**

**Project Description:**

This is a Gwinnett County bike way project that will be located along Peachtree Industrial Blvd. through multiple jurisdictions and terminate in Suwanee city limits.

# Downtown Development Authority

*fiscal year 2014-2015*

The Downtown Development Authority of Suwanee is a legally separate entity. The Authority's budget is approved by the City Council and has been included for informational purposes.

## Statement of Service

The mission of the Downtown Development Authority (DDA) of the City of Suwanee is to revitalize, create, and historically preserve, and maintain Old Town Suwanee so that it is a symbol of community pride, making it the heart of the City, and a visible example of why Suwanee is a great place to live, work, play, invest, and do business.

Daily administrative operation of the DDA are funded in function 7520 Downtown Suwanee in the General fund. The City is providing \$22,000 in funding to the DDA for fiscal year 2015 to support the façade grant program (\$7,000) and historic register signage (\$30,000).

## Revenue Assumptions

### Investment Income

**Definition:** Investment income includes revenue from investment of fund equity.

**Assumptions:** Revenues are based on projected rates of return on invested funds in conjunction with current economic indicators.

### Contributions and Donations

**Definition:** Contributions include revenues received from sponsorship to support economic development activities, which would include advertisements and flyers.

**Assumptions:** Revenue estimates are based on current economic projects commitments.

### Other Financing Sources

**Definition:** Other financing sources include operating financial inflows from other funds.

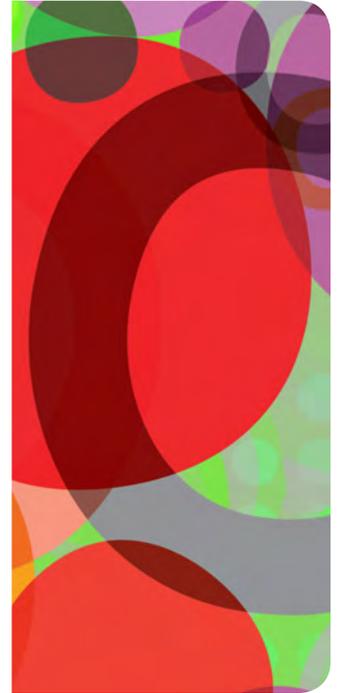

**Assumptions:** The City is providing \$22,000 to support the facade grant program and historic register signage.

Down town suwanee by City of Suwanee

# STWP Short Term Work Program

*2014-2018*

The Short Term Work Program (STWP) is the key implementation tool that reflects current year and one to five year goals and objectives of Council along with the activities and strategies to achieve them. The STWP is a planning document that is updated and formally adopted annually. The program is on a calendar year time frame.

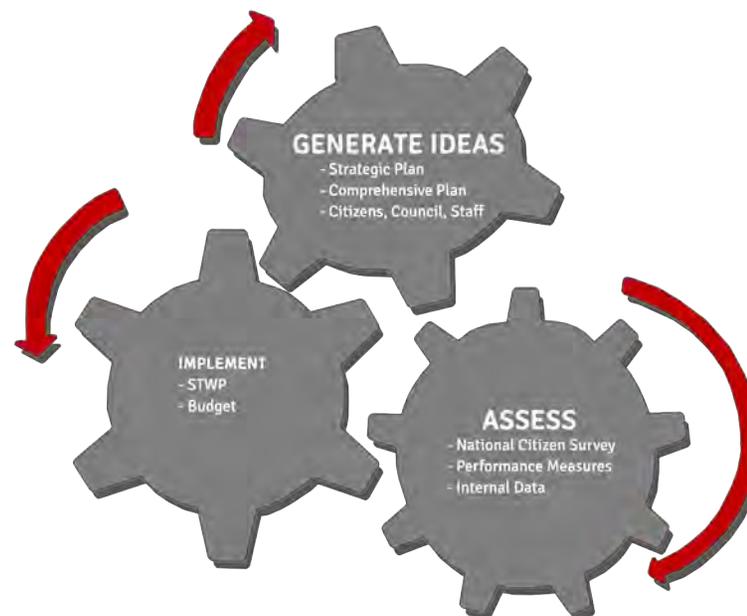

## What is the STWP?

The City of Suwanee's Short Term Work Program (STWP) is a five-year plan of actions that the City intends to complete in order to address identified needs and goals. Suwanee's STWP serves as an important implementation tool that allows both City Council and staff to balance and prioritize upcoming projects, to budget effectively for needs, and to identify key measures of success to assess the City's performance on the Program. For citizens, the STWP offers a look ahead at projects and programs the City intends to implement, needed resources, who will be involved in implementing the projects, etc.

The STWP is important not only because it defines the City's goals for the next five years, but also because it plays an important role in budget development. With that being said, the STWP is a **planning** document – it is **not a budget** document. It is a tool used to help develop projects and information for budgets, but is itself only one component. Any and all cost figures in the STWP are estimates only.

It is important to note that it is a document that is always subject to change, as new or different circumstances arise. A project's inclusion on the STWP does not automatically guarantee that it will be undertaken. Nor does exclusion from the STWP necessarily mean the City won't later decide to pursue a project. Many STWP items are exploratory in nature only and subsequent evaluation will determine that, for various reasons, some projects will either be modified or not even advanced at all.

Unlike the budget, which is implemented throughout a fiscal year beginning on July 1 of each year, the STWP is tied to the calendar year. Therefore, projects listed for 2014 will largely take place between January 1 and December 31, 2014.

## Development of the STWP

The STWP is updated annually – removing the prior year's projects and adding a new 5th year. This year's plan represents projects for calendar years 2014 to 2018. Each project is reviewed annually to see if it has been completed and no longer needs to be on the STWP, if it has been delayed and needs a schedule adjustment, or if it is no longer a relevant project and should be removed altogether. As projects are completed each year, new projects are added to the STWP.

Discussion and review of the STWP occurs throughout the year and is typically memorialized at the City Council's annual work retreat, held at the beginning of each calendar year. This is an important process that drives a large portion of the retreat. Upon returning from the retreat, staff makes the necessary revisions and additions and submits the STWP to the Council for consideration and adoption. The formal vote by Council normally takes place 1-2 months following the Council work retreat.

## Organization of the STWP

The STWP is organized in the following way:

- **Strategy:** The first column on the STWP is entitled Strategy and offers a name and brief description of each project/item.
- **Schedule:** The next section is broken down into 5 columns, each representing one of the five years in the STWP. The anticipated completion dates for STWP projects are subject to change depending on workload, priorities, funding, etc.
- **Responsibility:** This section defines which group has responsibility for implementing the associated project. As this is Suwanee's STWP, the City clearly has a large role and is identified as a responsible party in each of the projects. However, project implementation often requires a cooperative partnership between two or more parties. For example, projects planned for Downtown Suwanee often require a partnership with the Downtown Development Authority (DDA); in these cases, the DDA will be included as a responsible party.
- **Estimated Cost:** Strategies and projects in the STWP may require anywhere from some staff time, at a minimum, to the range of millions of dollars. For the purposes of comparing projects and establishing priorities, it is important to have some idea of what the project might cost or how much the City is willing to allocate toward it. **The STWP is not a financial document and estimated costs should not be interpreted as a budget for each of the specific projects.** Estimated costs are for long-range planning and goal-setting only. Specific budgets are developed for the projects (if necessary) as a part of the City's annual fiscal budget. Please also note, the STWP is prepared at the conclusion of the City Council's annual planning retreat and adopted before development of the next fiscal year budget. With that in mind, cost estimates for STWP projects may change during budget development and there may be inconsistency between the STWP and the budget or CIP.
- **Funding Source:** This section projects how the City plans to fund each project. As the City has primary responsibility for the projects, local funds are used for the majority of the STWP. Local funds typically include the City's annual operating budget or capital funds. If the City plans to seek grant money for a project, designated sources may include County and/or State sources. SPLOST (Special Purpose Local Option Sales Tax) and other capital sources play a large role in funding capital projects.
- **Success Measure:** The final section lists a project-specific measure that will allow the City to evaluate its performance and determine if

a project has been completed, or, in the case of on-going projects, if progress is still being made. These measures are tracked and identified in the annual Report of Accomplishments, which is a review of progress for the prior year.

## What are all those acronyms?

The STWP document includes a number of acronyms. The following list is provided to assist in understanding these acronyms:

**ARC:** Atlanta Regional Commission  
**CALEA:** Commission on Accreditation for Law Enforcement Agencies  
**CIP:** Capital Improvement Program  
**CPA:** Citizens Police Academy  
**CPM:** ICMA's Center for Performance Measurement  
**DDA:** Downtown Development Authority  
**DOT:** Department of Transportation  
**DRI:** Development of Regional Impact  
**FY:** Fiscal Year  
**GaDOT:** Georgia Department of Transportation  
**GaEPD:** Georgia Environmental Protection Division  
**GC&B:** Gwinnett Clean & Beautiful  
**GMA:** Georgia Municipal Association  
**GPRA:** Georgia Passenger Rail Authority  
**GwDOT:** Gwinnett County Department of Transportation  
**ICMA:** International City/County Management Association  
**LEED:** Leadership in Energy and Environmental Design  
**LCI:** Livable Communities Initiative program  
**MS4:** Municipal Separate Storm Sewer System  
**NGAA:** North Gwinnett Arts Association  
**NPDES:** National Pollutant Discharge Elimination System  
**PAC:** Public Arts Commission  
**PACT:** Police and Citizens Together  
**PBP:** Pedestrian Bicycle Plan  
**PC:** Planning Commission  
**RFQ:** Request for Qualifications  
**SDS:** Service Delivery Strategy  
**S.E.E.:** Suwanee Exceeds Expectations  
**SPLOST:** Special Purpose Local Option Sales Tax  
**SUP:** Special Use Permit  
**TAD:** Tax Allocation District  
**URA:** Urban Redevelopment Authority  
**ZBA:** Zoning Board of Appeals

## The STWP is not...

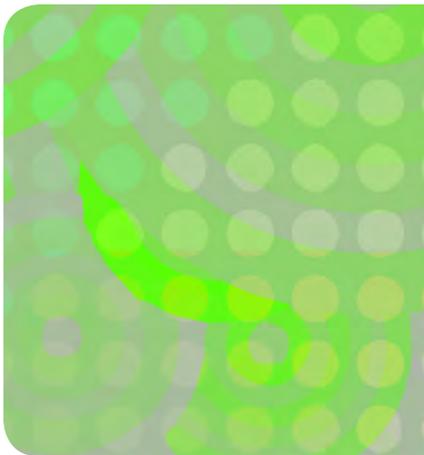

Suwanee has an excellent track record of accomplishing its STWP projects. However, the STWP should not be viewed as a guarantee that each of the projects will be accomplished or that the scope won't change. Projects can and will change, especially projects that are proposed further out in the STWP timeframe. Scopes change. Priorities change. As such, the Council annually revisits each item on the STWP to assess scale, scope, feasibility, relevance, and appropriateness. With this in mind, the City views the STWP as a flexible document that can be revised, as appropriate.

Again, the STWP is not a financial document. While there are estimated costs assigned to each project, these are estimates only and are generated purely for the purpose of comparing projects and establishing priorities. In some cases, the estimate may not reflect the full project cost, but rather what the City is willing to financially commit to it. The project estimates may change over time, particularly for longer-range projects. When it is time to fully implement a listed project, a specific project budget will be developed and outlined in the annual fiscal budget, if necessary.

In terms of responsibility, the STWP does not contain commitments from any group other than the City. When other groups are listed in this section, it is because the City intends to solicit their help.

The STWP is not a comprehensive list of all work that is being undertaken by the City. The staff carries out many day-to-day operating functions that are not included on the STWP. For more in-depth information on other functions, the annual budget includes department goals, performance measures, and other data.

The STWP is not a land-use planning document. This may be the case for the STWP of other Georgia municipalities, since a STWP is a required element for a community's Comprehensive Plan. Suwanee's STWP was initially developed for such reasons...to "check the box" when seeking approval from the Department of Community Affairs (DCA) for the City's Comprehensive Plan. Suwanee's STWP continues to serve as this required element of the Comprehensive Plan, but over time, has developed into an important tactical implementation plan for helping the City achieve its strategic goals.

TBD	TBD	Remain informed and examine opportunities as they arise.
Unknown	GwDOT GaDOT	Remain informed of funding and construction opportunities; promote construction.
\$75,000/year plus Staff Time	Local	Sponsor and coordinate events that meet attendee expectations; explore options for diversifying the type of events offered.
Varies	Local	Turnover rate shall be at or below the mean for GA local governments. Employees shall receive positive ratings in National Citizen Survey. Complete regular Class & Compensation Studies.
Staff Time	Local	Current issues and conditions of infrastructure are monitored, along with potential funding options, and reported to Council, as appropriate.
N/A	N/A	Reinforce the use of the anchor points adopted in 2011 when making strategic decisions: Suwanee Quality; Unique; Remarkable; Visionary.
TBD	Local TBD	The City will undertake a proactive, multi-pronged approach to efforts in the Suwanee Gateway.
Varies	Varies	Construct projects identified in Downtown Suwanee Master Plan and Town Center Master Plan; work with private developers for other projects, as appropriate; support Downtown Merchants Association.
Staff Time	Local	Utilize directed patrols in problem areas; provide enhanced DUI enforcement; reduce accidents.
Staff Time	Local	Transit extends to appropriate locations in City.

Fun Run by R. Scott Quady

Supplemental  
Information  
*fiscal year 2014-2015*

The City of Suwanee was originally chartered on February 25, 1949.

## Location:

Suwanee is located in the north central portion of the State of Georgia, approximately 30 miles northeast of the City of Atlanta. The City is located in the northwestern portion of Gwinnett County. Suwanee is part of the Atlanta Standard Metropolitan Statistical Area, as designated by the Bureau of the Census of the United States Department of Commerce.

## Form of Government:

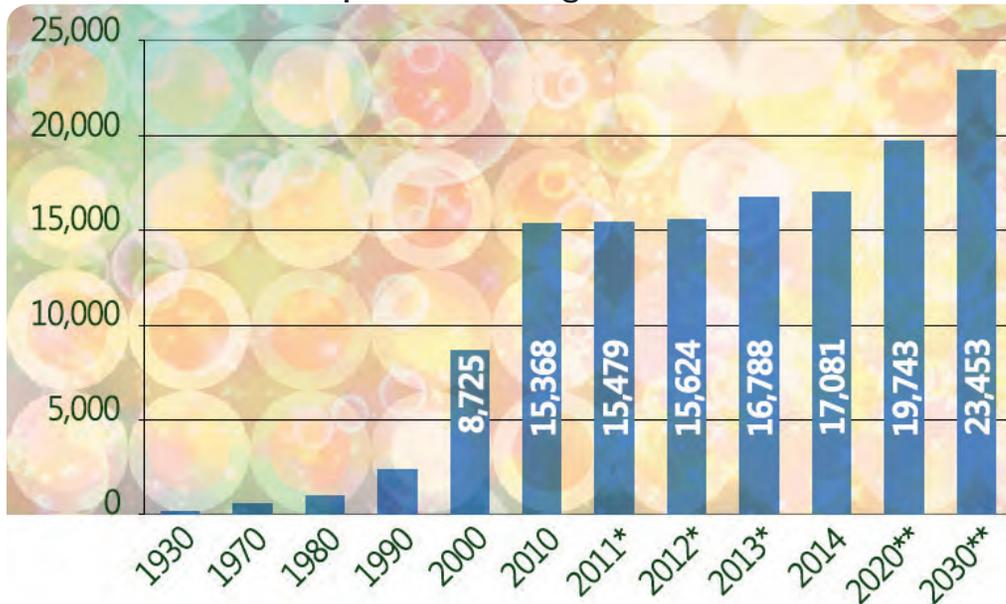

The governing authority of the City consists of a five-member City Council and Mayor. The Mayor and all Councilmembers are elected at large, serving staggered four-year terms. Suwanee operates under a council-manager form of government in which the City Council hires a professional manager to handle the day-to-day operations of City government.

## Population:

Suwanee was the 5th fastest-growing City in Georgia and the fastest growing small City in metro Atlanta during the 1990s. Suwanee's population grew 262% from 1990-2000.

Population figures from previous years provide a good indicator of Suwanee's growth trends:

Population Change

## Area:

10.93 square miles (6,998 acres)

## Altitude:

The City's elevation ranges from 900 to 1,200 feet above sea level, and the terrain is rolling.

## Climate:

### Average Temperature:

January - 41.0 Degrees Fahrenheit  
July - 78.8 Degrees Fahrenheit  
Avg. Mean Temp: 61.3 Degrees Fahrenheit

### Average Rainfall:

50.77 Inches Annually  
Prevailing Winds: NW,  
Mean Speed 0 9.1 MPH

### Humidity:

80 - 90% Mornings  
50 - 60% Afternoons

## Miles of Roads:

The City maintains approximately 63 miles of streets

## Number of Street Lights:

Approximately 981

## Parks:

Number of Park Sites: 15

Total Acreage of park sites, greenway and open space: 372

### Water System:

The City of Suwanee owns and operates a water supply, treatment, and distribution system serving approximately 359 metered customers. The current average consumption of water from the City's water system is approximately 47,612 gallons per day. Water is supplied to the City's water system by a 235 foot and a 600 foot well and stored in a 150,000 gallon tank owned by the City. Water drawn from the well requires fluoridation, phosphate, and chlorination treatments. Suwanee's water system has approximately 6.8 miles of water mains, with primarily 8-inch, 6-inch, and 2-inch lines.

### Construction Last Ten Years (1)

Calendar Year	Residential		Total Construction	
	Units	Estimated Costs	Units	Estimated Costs
2004	310	54,164,261	553	74,953,048
2005	557	72,932,181	793	98,551,383

2013 <sup>(2)</sup>	4,498,518	4,422,212	98.3%	144,919	4,422,212	98%	302,137	6.7%
2014 <sup>(3)</sup>	4,629,368	4,507,447	97.4%	-	4,507,447	97%	206,999	4.5%

**NOTES:**

(1) Relates to preceding calendar year digest.

(2) Projected for fiscal year 2013. In fiscal year 2013, Suwanee lowered its millage rate from 5.65 to 4.93. The reduction in total tax levy is a result of the millage reduction and not a reduction in property tax values.

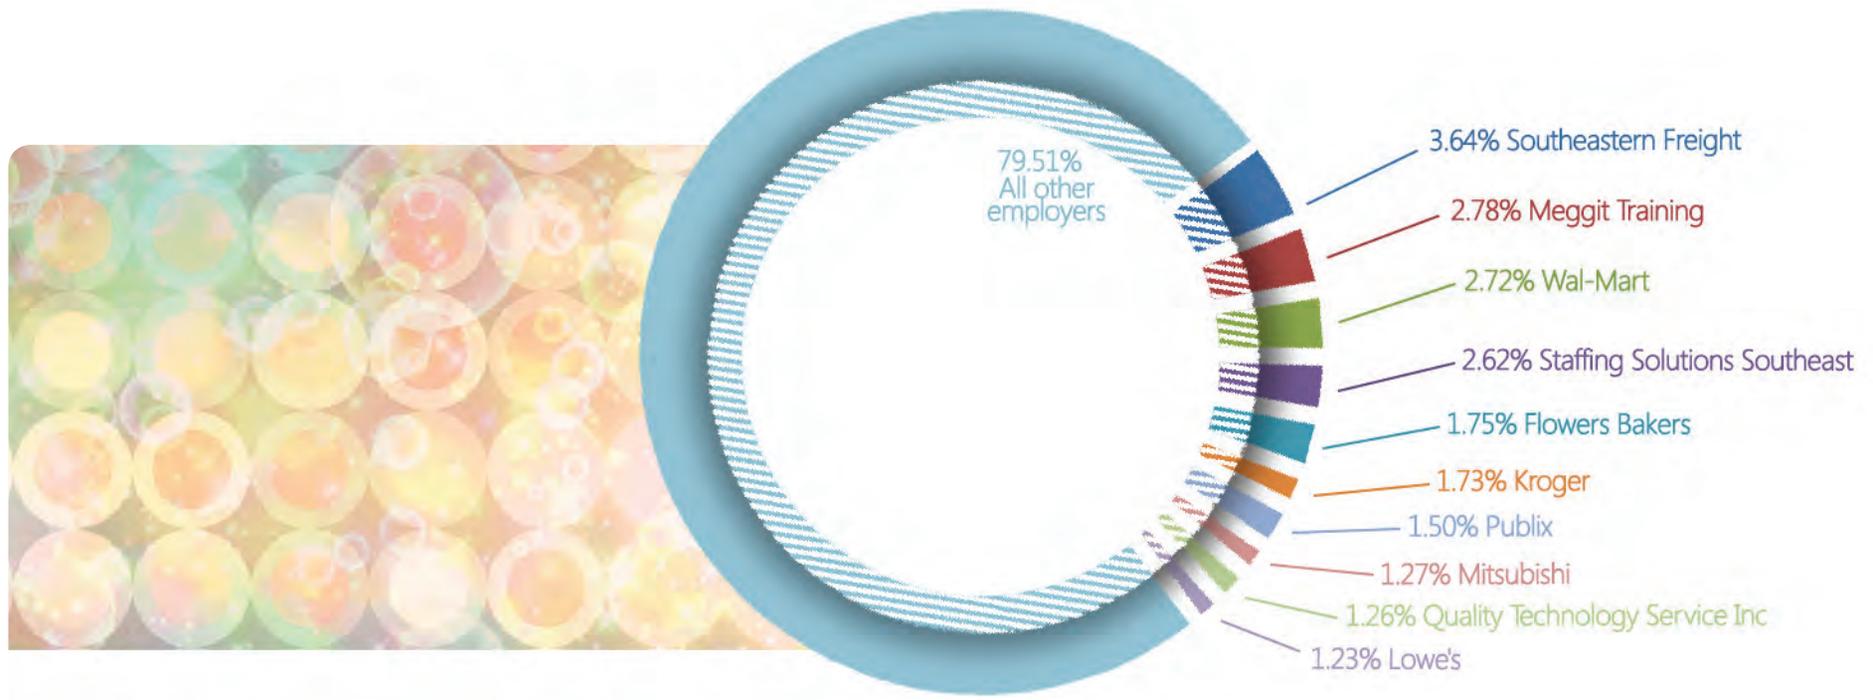

(3) Projected value for FY 2014.

Taxpayer	Type of Business	Assessed Valuation	Percentage of Assessed Valuation	Current Year Tax Levy	Percentage of Current Year's Tax Levy

During the budget forecast process, all department directors submit their performance and expenditure requests for the next fiscal year. Based on this information, the budget development team reviewed all departmental operations and budget requests in order to propose a recommended City Manager budget to City Council.

The following is a summary of larger dollar items (over \$10,000) for FY 2015 that were included in the City Manager's adopted budget.

### Big Ticket Items Included in the General Fund Budget

Function	Description	Amount	Function	Description	Amount
All	Salaries	\$ 5,249,150	3270	Dispatch software fees	\$ 103,820
All	Overtime	57,500	3270	CodeRed	11,800
All	FICA	329,690	4100	Repairs (Public Works)	62,000
All	M-Care	77,760	4100	Electricity outdoor lighting (street lights)	219,600
All	Retirement	396,860	4100	Inmate work crew (rights-of-way maintenance)	40,300
All	Group health	1,116,800	4100	Park water usage	38,200
All	Wellness program	14,700	4100	Mowers	16,700
All	Other employee benefits	66,220	4221	Street sweeping (contracted)	18,500
All	Workers compensation	265,430	4221	Landscape management rights-of-way (contracted)	102,400
All	Gasoline fuel usage	181,780	4250	MS4 permit requirements	50,300
All	Property/casualty insurance	255,900	6190	Events	141,500

# Glossary

*fiscal year 2014-2015*

## Definitions

The budget document contains specialized and technical terminology that is unique to public finance and budgeting. The following definitions are provided to assist the reader in understanding these terms.

- Account:** A separate financial reporting unit. All budgetary transactions are recorded in accounts.
- Account Number:** A line item code that defines the fund, function, and object for an appropriation.
- Accounting System:** The total set of records and procedures used to record, classify, and report information on the financial status and operations of an entity.
- Accrual Accounting:** The method of accounting under which revenues are recorded in the accounting period in which they are earned and expenses are recognized in the period in which they are incurred.
- Ad Valorem Tax:** Commonly referred to as property taxes. These charges are levied on all real and certain personal property according to the property's assessed valuation and the tax rate.
- Adopted Budget:** Term used to describe revenues and expenditures for the upcoming year beginning July 1st as adopted by City Council.
- Advanced Refunding:** A transaction in which new debt is issued to provide monies to pay interest on old, outstanding debt as it becomes due; and to pay the principal on the old debt either as it matures or at an earlier call date.
- Appraised Value:** The market value of real and personal property located in the City as of January 1st each year, determined by Gwinnett County Tax Commissioner Office.
- Appropriation:** A specific amount of money authorized by City Council for the purpose of providing or acquiring goods and services.
- Appropriation Resolution:** The formal statement approved by the City Council which shows budgeted revenues and expenditures for the approaching fiscal year.
- Assessed Property Value:** The value set upon real estate or other property by the Gwinnett County Assessor and the State as a basis for levying taxes. The assessed value in the state of Georgia is 40 percent of the fair market value.
- Assets:** Property owned by a governmental unit which has monetary value.
- Assigned Fund Balance:** Assigned fund balance includes the portion of fund balance that reflects the City's intended use of resources. Such intent was established by formal action of the City Council. Modifications require action by the City Council.
- Audit:** The examination of documents, records, reports, systems of internal control, accounting and financial procedures.
- Authorized Position Resolution:** The formal statement approved by the City Council that outlines the approved positions for the approaching fiscal year.
- Balance Sheet:** A financial statement that discloses the assets, liabilities, reserves and balances of a fund as of a specific date.
- Balanced Budget:** A budget in which planned funds available equal planned expenditures.
- Bond:** A certificate of debt issued by an entity guaranteeing payment of the original investment plus interest by a specified future date.
- Bond Proceeds:** The money paid to the issuer by the purchaser or underwriter of a new issue of municipal securities. These monies are used to finance the project or purpose for which the securities were issued, and to pay certain costs of issuance as may be provided in the bond contract.

- Bonded Indebtedness:** That portion of indebtedness represented by outstanding bonds.
- Budget:** A financial plan for a specified period of time that matches all planned revenues and expenditures to planned services.
- Budget Authority:** Under certain circumstances, the City Council may adjust the budgeted appropriations for reasons unforeseen at the time of the adoption of the original budget. Such amendments are made by Council. The City Manager may make transfers of appropriations within a function.
- Budget Calendar:** The schedule of key dates or milestones, which the City departments follow in the preparation, adoption and administration of the budget.
- Budget Document:** The official publication that outlines the financial plan as supported by City Council.
- Budget Message:** A general discussion of the proposed budget as presented by the City Manager to City Council.
- Budget Resolution:** The formal statement approved by City Council which shows budgeted revenues and expenditures for the approaching fiscal year.
- Business License Tax:** This is a general tax of business for the privilege of conducting business within the city limits. Rates are set at each city's discretion but may not be discriminatory or confiscatory.
- Capital Improvement Program (CIP):** A plan for capital expenditures to be incurred each year over a five year period. This plan specifies the resources estimated to be available to finance the projected expenditures with costs of at least \$10,000.
- Capital Outlay:** Expenditures which result in the acquisition of a fixed asset, such as equipment, vehicles, building improvements or major repairs.
- Capital Project Budget:** A financial plan for construction of physical assets such as buildings, streets, and recreation facilities. The time period usually expands more than one fiscal year.
- Chart of Accounts:** The classification system used by the City to organize the accounting for various funds.
- City Council:** The Mayor and five Council members collectively acting as the legislative and policymaking body of the City.
- Comprehensive Annual Financial Report (CAFR):** This report is published to provide the Council, representatives of financial institutions, our citizens and other interested persons, detailed information concerning the financial condition of the City government.
- Commission on Accreditation for Law Enforcement Agencies (CALEA):** The primary purpose of the Commission is to improve law enforcement services by creating a national body of standards developed by law enforcement professionals. It recognizes professional achievements by establishing and administering an accreditation process through which a law enforcement agency can demonstrate that it meets those standards.
- Committed Fund Balance:** Committed fund balance represents resources the use of which is constrained by limitation that the government imposes upon itself at the highest level of decision making, City Council, and can only be removed by formal action equivalent to the action taken to impose it.
- Contractual Services:** The cost related to services performed for the City by individuals, businesses or utilities.
- Debt:** An obligation resulting from the borrowing of money or from the purchase of goods and services over a period of time.

- Debt Limit:** A maximum amount of debt that may be legally incurred. A debt limit usually only applies to general obligation debt, and is most often expressed as a percentage of the taxable value of property in a jurisdiction.
- Debt Service:** Interest and principal payments associated with the issuance of bonds.
- Debt Service Fund:** A fund established to finance and account for the payment of interest and principal on all general obligation bonds, special assessments and revenue debt issued or serviced by another governmental entity.
- Deficit:** An excess of expenditures or expense over revenues and resources.
- Delinquent Taxes:** Taxes that remain unpaid on and after December 20th which a penalty for non-payment is attached.
- Depreciation:** The decrease in value of physical assets due to use and the passage of time.
- Digest:** The tax digest is a comprehensive list of all taxable and non-taxable property in the city.
- Distinguished Budget Presentation Program:** A voluntary program administered by the Government Finance Officers Association (GFOA) to encourage governments to publish efficient, organized, and easily readable budget documents.
- Effectiveness:** The degree to which a program or procedure is successful at achieving its goals and objectives.
- Efficiency:** The degree to which a program or procedure is successful at achieving its goals and objectives with the least use of resources.
- Encumbrance:** An amount of money committed for the payment of goods and services not yet received or paid for.
- Ending Fund Balance:** The excess of the fund's assets and estimated revenues for the period over its liabilities, reserves and appropriations for the period.
- Enterprise Fund:** A self-supporting fund designed to account for activities supported by user charges.
- Equipment:** Tangible property of a permanent nature which is useful in carrying on operations, such as machinery, tools, and furniture.
- Estimated Revenue:** The amount of projected revenue to be collected during a fiscal year.
- Excise Tax:** A levy on a specific type of transaction at a rate specific to that transaction. Also known as a selective sales tax.
- Expenditures:** Costs of goods received or services rendered.
- Fiduciary Fund:** A fund used to report and record assets held in trust or as in an agency capacity for others.
- Financial Policies:** Financial policies are used to enable the City to achieve a sound financial position. They are in writing and are periodically updated and endorsed.
- Fiscal Year:** Any period of 12 consecutive months designated as the budget year. The City's fiscal year begins on July 1st and ends on June 30th.
- Fixed Assets:** Assets of long-term character, which are intended to continue to be held or used, such as building, machinery and equipment.
- Franchise Fees:** Fees paid to a municipality from a franchisee for the use of city streets and right-of-ways. Businesses required to pay franchise fees include utilities such as gas, electricity, cable television, and telephone.
- Function:** A group of related activities aimed at accomplishing a major service or regulatory program.
- Fund:** A set of interrelated accounts to record revenues and expenditures associated with a specific purpose.

- Fund Balance:** The difference between a fund's assets and its liabilities. Portions of the fund balance are presorted into four categories: restricted, committed, assigned and unassigned.
- Fund Group:** A group of funds which are similar in purpose and character.
- General Fund:** The operating fund used to account for revenues and expenditures which are not accounted for in other funds, and which are used for the general operating functions. Revenues are derived primarily from general property taxes, charges and fees, excise taxes, and fines. General fund expenditures include the cost of the general operations and transfers to other funds.
- General Obligation Bonds:** Bonds that finance a variety of public projects such as streets, buildings, and improvements. The repayment of these bonds is usually made from the general fund. These bonds are backed by the full faith and credit of the issuing government. General obligation bonds distribute the cost of financing over the life of the improvement so that future users help to repay the cost.
- Goal:** A statement of broad direction, purpose or intent based on the needs of the community.
- Government Accounting Standards Board (GASB):** A governmental accounting standard setting body, which is the source of generally accepted accounting principles (GAAP) used by state and local governments in the United States. It is a private, non-governmental organization. The GASB issues Statements, Interpretations, Technical Bulletins, and Concept Statements defining accounting standards for state and local governments.
- Governmental Fund:** A fund used to account for mainly tax-supported activities.
- Grant:** A contribution by a government or other organization to support a particular project.
- Infrastructure:** Facilities on which the continuance and growth of a community depend, such as streets and roads, sewers, public buildings, and parks.
- Interest Rate:** The annual yield earned on an investment, expressed as a percentage.
- Interfund Transfers:** Amounts transferred from one fund to another.
- Intergovernmental Revenue:** Revenue received from another governmental entity for a specified purpose.
- Investments:** Securities and real estate held for the production of income in the form of interest, dividends, or lease payments.
- Lease Purchase:** Method of financing used for the acquisition of improvements. Title to the property transfers to the City at the expiration of the lease terms.
- Legally Adopted Budget:** The total of the budget of each City fund including budgeted transactions between funds.
- Levy:** The total amount of taxes, special assessment or service charges imposed by a governmental unit.
- Liabilities:** Debt or other legal obligations arising out of transactions in the past which must be liquidated, renewed or refunded at some future date.
- Licenses and Permits:** Revenues in this category are charges designed to reimburse the City for costs of regulating the activities being licensed.
- Line Item Budget:** A budget that lists each expenditure category separately along with the dollar amount budgeted for each specified category.
- Long Term Debt:** Debt with a maturity of more than one year after the date of issuance.
- Maintenance:** The upkeep of physical properties in condition for use or occupancy.

- Millage Rate:** The ad valorem property tax rate expressed in terms of the levy per thousand dollars of taxable assessed value.
- Modified Accrual Accounting:** The basis of accounting under which expenditures are recorded as soon as they result in liabilities for benefits received and revenue is recorded when received. The extent of modification varies in practice, depending upon the accountant's judgment.
- Net Assets:** The difference between the City's total assets and total liabilities. Measuring net assets is one way to gauge the City's financial condition.
- Net Bonded Debt:** Gross bonded debt less any cash or other assets available and earmarked for its retirement.
- Net Budget:** The legally adopted budget less all interfund transactions. Interfund transactions representing transfers and interfund reimbursements are subtracted from the legally adopted budget amount to prevent being double counted from the perspective of the entire budget.
- Object:** As used in expenditure classification, this term applies to item purchased or the service obtained, such as personal services, purchased property services, other purchased services, supplies and capital outlay.
- Objective:** Serving as a goal; being the object of a course of action.
- Ordinance:** A formal legislative enactment by the governing board of a municipality.
- Overlapping Debt:** The proportionate share that residents, within the reporting government, must bear of the debts of other local governments located wholly or in part within the geographic boundaries of the reporting government.
- Pay-As-You-Go:** Method of payment for equipment or property using funds currently available without going into debt.
- Paying (Fiscal) Agent Fees:** Fees paid to the financial institution that receives and disburses bond payments made on the City's debt obligations.
- Performance Measures:** Specific quantitative measures of work performed within a department.
- Personal Property:** Mobile property not attached permanently to real estate, including tangible property (such as furniture, equipment, inventory, and vehicles) and intangible property (such as stocks, taxable bonds, and cash).
- Personal Services:** The costs associated with compensating employees for their labor. This includes salaries and fringe benefits.
- Policy:** A set of guidelines used for making decisions.
- Productivity:** A measure of the increase of service output of City programs compared to the per unit of resources input invested.
- Projected:** Estimation of revenues and expenditures based on past trends, current and expected economic conditions, and future financial forecasts.
- Property Tax:** A tax levied on the assessed value of real, public utility, and personal property.
- Proprietary Fund:** A fund to account for activities that focus on operating income and cash flows. Such activities are often business like whether internal or external in operations.
- Public Hearing:** The portions of open meetings held to present evidence and provide information on both sides of an issue.
- Purchase Order:** A document which authorizes the delivery of specified merchandise or the rendering of specific services.
- Real Property:** Immobile property; examples are land, natural resources above and below the ground, and fixed improvements to the land.

- Refunding:** The issuance of new debt whose proceeds are used to repay previously issued debt.
- Resolution:** A special order of the City Council, which has a lower legal standing than an ordinance.
- Restricted Fund Balance:** Restricted fund balance encompasses the net fund resources subject to externally enforceable legal restrictions. Such restrictions would include 1) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments, or 2) imposed by law through constitutional provisions or enabling legislation.
- Revenues:** Monies received or anticipated by a local government from both tax and non-tax sources during the fiscal year.
- Revenue Appropriation:** A designated portion of a fund allocated and appropriated in order to meet potential liabilities during a fiscal year.
- Revenue Bond:** Bond secured by the revenues of the specific operation being financed.
- Service Level:** Measurement of services provided by the City to the public.
- SPLOST Local Option Sales Tax:** Tax levied at the rate of one percent which applies to the same items as the State sales tax, except that the special purpose local option sales tax also applies to sales of motor fuels and groceries. The City's share of voter-approved Gwinnett County SPLOST funds allow the City to proceed with capital improvement projects, without placing additional pressure on operating budgets or tax rates.
- Special Revenue Fund:** A fund defined to account for the proceeds of specific revenue sources that are restricted to expenditures for specific purposes.
- Stabilization Account:** The stabilization account consists of a minimum of four months of general fund budgeted expenditures and transfers. As a part of the budget resolution, the City Council will annually commit the funding level of the stabilization account.
- Supplies:** Expenditures or expenses for supplies that ordinarily are consumed within a fiscal year and which are not included in inventories.
- Tax Allocation District (TAD):** The Georgia Redevelopment Powers Law gives cities and counties the authority to issue bonds to finance infrastructure and other redevelopment costs within a specifically defined area. A tax allocation district is a contiguous geographic area within the redevelopment area defined and created by resolution of the local legislative body for the purpose of issuing tax allocation bonds to finance the redevelopment costs within that area.
- Tax Rate:** The amount of tax stated in terms of a unit of the tax base.
- Taxes:** Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. The term does not include specific charges made against particular persons or property for current or permanent benefits such as special assessments.
- Transfers In/Out:** Amount transferred from one fund to another to assist in financing the services of the recipient fund.
- Unassigned Fund Balance:** Unassigned fund balance includes fund balance that has not been reported in any other classification.
- URA- Urban Redevelopment Agency:** The Urban Redevelopment Agency of the City of Suwanee was established as a legally separate entity. The Agency provides a means to issue revenue bonds for development within the City.
- User Charges:** The payment of a fee for direct receipt of a public service by the party benefiting from the service.
- Workloads:** A measure of the services provided.
