1. Call to Order

The meeting was called to order by Jace Brooks at 5:35 P.M.

2. Authorization for the Mayor to Enter into Agreement for Park Maintenance at Town Center Park

The Jordan Group was providing mowing maintenance activities at Town Center Park. Their contract expired in March 2005. Due to transition in the role of Public Works and Inspections Director, the renewal/selection process was not executed in a timely manner. The Jordan Group has continued to maintain Town Center Park, but has not performed satisfactorily during the term of the contract. Staff is recommending entering into an agreement with TruGreen Lawn for maintenance activities for the remainder of the calendar year, at which time, staff will rebid the services.

TruGreen currently has an agreement with the City to perform fertilization and weed control at Town Center Park and was the third lowest bidder for lawn care services. They are a City of Suwanee-based business and we have established a positive, healthy working relationship with them as a result of the fertilization service work.

ACTION: Consider authorizing the Mayor to enter into agreement with TruGreen Lawn for maintenance at Town Center Park.

Motion by Carol Hassell to authorize the Mayor to enter into Agreement with TruGreen for Park Maintenance at Town Center Park, second by Jeannine Rispin and so carried 5-0.

3. Adjourn – Time: 5:45 P.M.

Motion by Jeannine Rispin to Adjourn, second by Jimmy Burnette and so carried 5-0.
